PROXY STATEMENT

The accompanying proxy is solicited by the Board of Directors of Panhandle Royalty Company (the "Company") for use at the annual meeting of shareholders (the "meeting") to be held Friday, February 28, 2003, and at any adjournment or postponement thereof.

When the proxy is properly executed and returned, the shares it represents will be voted at the meeting in accordance with any directions noted thereon. If no direction is indicated, the persons named on the enclosed proxy will vote the proxy for the nominees for director set forth thereon. Should other matters come before the meeting, the proxy will be voted as the Board of Directors of the Company may, in its discretion, determine.

If the enclosed form of proxy is executed and returned, it nevertheless may be revoked at any time before it is exercised, by signing and sending to the Company a later dated proxy or a written revocation, or by attending the meeting and voting in person.

The mailing address of the Company is Grand Centre, Suite 210, 5400 N. Grand Blvd., Oklahoma City, OK 73112. It is anticipated that the proxies and proxy statements will be mailed to shareholders on or about January 23, 2003.

The cost of the solicitation will be borne by the Company. It is not contemplated that the solicitation will be other than by mail.

VOTING SECURITIES

The certificate of incorporation of the Company provides for one vote for each share of class A common stock. At the meeting, each holder of class A common stock shall be entitled to cast one vote per share of stock owned. Votes may be cast by shareholders either in person or by proxy. The Company's class B common stock has no voting rights.

All holders of class A common stock of record at the close of business on January 17, 2003, shall be eligible to vote. As of January 17, 2003, there were 2,082,190 shares of the Company's class A common stock of record, held by approximately 2,700 shareholders.

The holders of a majority of shares of class A common stock issued and outstanding on January 17, 2003 present at the meeting, in person or represented by proxy, and entitled to vote will constitute a quorum. Shares are counted as present at the Annual Meeting if the shareholder is present in person at the

Edgar Filing: PANHANDLE ROYALTY CO - Form DEF 14A

meeting or is present by submitting a proxy. Shares that abstain or do not vote on the election of directors will be counted as present for establishing a quorum.

A proxy is enclosed for your signature. Please return it immediately, dated and signed exactly as the stock appears in your name. If stock is held in joint tenancy, both joint tenants should sign the proxy card. Proxies for stock held by a corporation should be signed in the full corporate name, by the president or other authorized officer. In the event the record owner of stock is deceased, the personal representative, executor or administrator should sign the proxy and a certified copy of the letters of appointment should be attached to the proxy.

(1)

Please note that if you hold shares in "street name" (that is, through a bank, broker or other nominee) and would like to attend the Annual Meeting and vote in person, you will need to bring a proxy signed by the person in whose name your shares are registered and bring it to the Annual Meeting.

The Company knows of no arrangement, the operation of which would result in a change in control of the Company at any future date.

(5)

The ESOP is a defined contribution plan, non-voluntary and non-contributory and serves as the retirement plan for the Company's employees. Contributions are at the discretion of the Board of Directors and, to date, all contributions have been made in shares of Company stock. Contributions are allocated to all participants in proportion to their salaries for the plan year and 100% vesting occurs after three years of service.

Effective January 1, 2003, outside directors are paid a yearly retainer of \$5,000, plus, \$1,000 and travel expenses for attending each meeting of the Board of Directors and \$500 for each committee meeting of the Board. Any director who must travel in excess of 50 miles to attend a meeting receives an additional \$100 for each meeting. Outside directors can elect to be included in the Panhandle Royalty Company Deferred Compensation Plan For Non-Employee Directors (the "Plan"). The Plan provides that each eligible director can individually elect to receive shares of Company stock rather than cash for the yearly retainer, Board meeting fees or Board committee meeting fees. These unissued shares are credited to each directors deferred fee account at the fair market value of the shares on the date of the meeting. Upon retirement, termination or death of the director, or upon a change in control of the Company, the shares accrued under the Plan will be either issued to the director or may be converted to cash, at the directors' discretion, at the fair market value of the shares on the conversion date, as defined. All directors are participating in the Plan.

In addition to the above, Jerry L. Smith, Chairman of the Board of Directors, who is not an employee of the Company, is entitled to receive a \$100 per hour fee for time spent on Company business other than in Board or committee meetings. During fiscal 2002 and 2001, Mr. Smith elected to receive no payments under this arrangement.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The compensation committee of the Board of Directors has oversight over Panhandle's executive compensation program and suggests for approval by the full board the base salaries and bonuses of the Company's officers. The compensation committee is composed of Messrs. Kauffman, Cawley and Peace.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2002, the members of the compensation committee were Messrs. Kauffman, Cawley and Peace. Mr. Peace is the president and CEO of the Company. There are no other relationships reportable.

EXECUTIVE COMPENSATION: PHILOSOPHY AND PROGRAM COMPONENTS

Panhandle's philosophy is to provide a compensation program that will attract, retain and reward the officers who contribute to the Company's success and to motivate the officers to develop and execute current and long-term business strategies and goals. The components of officer compensation are: base salary and yearly cash bonuses. Officers also participate in benefit plans available to all employees. The Company believes that a portion of the officer compensation should be variable based on performance of both the officer and the Company, thus, the yearly cash bonus is considered a performance based payment.

(6)

BASE SALARY AND BONUS

In 2002, base salaries and bonuses for officers were based upon the individuals responsibilities, experience and expected performance, taking into account, among other items, the individuals initiative, contribution to Panhandles overall performance and the handling of special projects or events during the year. Base salaries for officers are reviewed yearly and are compared to similar employees in the Company's industry. The Company has made a concerted effort in the last few years, to bring its compensation levels up to those of comparable companies.

CHIEF EXECUTIVE OFFICER COMPENSATION

The Board of Directors awarded Mr. Peace, president and chief executive officer, a base salary of \$160,000 for calendar year 2002. In addition, a performance bonus of \$40,000 was awarded to Mr. Peace in December, 2001. The increase from the calendar year 2001 base salary of \$142,000 and a \$25,000 performance bonus was based on fiscal 2001 financial operating results. Fiscal 2001 set new Company records for total revenues, net income and oil and gas reserves. In addition, on October 1, 2001, the Company closed on the largest acquisition in Company history, the purchase of Wood Oil Company.

REPORT OF THE AUDIT COMMITTEE

The audit committee is composed of three independent directors. The committee and the Board of Directors, in fiscal 2000, adopted a written charter. One meeting of the committee was held during the 2002 fiscal year. The audit committee's primary responsibility is to oversee the Company's financial reporting process on behalf of the Board of Directors and report the results of its activities to the Board. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal control. In fulfilling its oversight responsibilities, the committee reviewed with management the audited financial statements, included in the Annual Report on Form 10-K for the year ended September 30, 2002, including a discussion of the quality, not just the acceptability, of the accounting principals, the reasonableness of significant judgements, and the clarity of disclosures in the financial statements.

Edgar Filing: PANHANDLE ROYALTY CO - Form DEF 14A

The committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principals, their judgements as to the quality, not just the acceptability, of the Company's accounting principals and such other matters as are required to be discussed with the committee under generally accepted auditing standards. In addition, the committee has discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures required by the Independence Standards Board.

The committee discussed with the Company's independent auditors the overall scope and plan of the audit. The committee met with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended September 30, 2002 for filing with the Securities and Exchange Commission. The committee has retained Ernst & Young, LLP to be independent auditors for fiscal 2003.

The committee reviewed the fees charged by Ernst & Young, LLP for: (i) performing the audit of the Company's financial statements, (ii) designing and implementing any financial information systems, and (iii) any non-audit services performed during the year. The committee did not feel the accounting services provided, relating to the Wood Oil Company acquisition, affected Ernst & Young LLP's independence.

The Company was billed for the following services performed by Ernst & Young, LLP, during 2002:

Audit Fees:

Fees for the year 2002 audit and reviews of the Form 10-Q's,
\$96,615.

Financial Systems Design and Implementation Fees:

None.

All Other Fees (Accounting services related to the Wood Oil Company acquisition):

\$26,350.

A representative of Ernst & Young LLP is expected to be present at the meeting to respond to appropriate questions, and will have an opportunity to make a statement if so desired.

Copies of the annual report to shareholders for the fiscal year ended September 30, 2002 are being mailed simultaneously with this proxy statement.

OTHER MATTERS

The Board of Directors of the Company is aware of no other matters which may come before the annual meeting. If any such matters should properly come before the meeting, it is the intention of the persons named in the enclosed proxy to vote such proxy as the Board of Directors may, in its discretion, determine.

FUTURE PROPOSALS

If a shareholder wishes to submit a proposal for presentation at the 2004 annual meeting of shareholders, such proposal must be received at the Company's principal office on or before November 6, 2003, if it is to be included in the Company's Proxy Statement for that meeting.
