Report of Independent Auditors

The Board of Directors  
United Dominion Realty Trust, Inc.

We have audited the accompanying combined statement of revenue and certain expenses of the Harbor Greens Apartments, Pinebrook Village Apartments, Huntington Vista Apartments, and Windjammer Apartments (the Communities) for the year ended December 31, 2002. This combined statement is the responsibility of the management of the Communities. Our responsibility is to express an opinion on this combined statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the combined statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall combined statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying combined statement was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission for inclusion in a Current Report on Form 8-K of United Dominion Realty Trust, Inc., as described in Note 1, and is not intended to be a complete presentation of the Communities' revenue and expenses.

In our opinion, the combined statement referred to above presents fairly, in all material respects, the revenue and certain expenses of the Harbor Greens Apartments, Pinebrook Village Apartments, Huntington Vista Apartments, and Windjammer Apartments for the year ended December 31, 2002, in conformity with accounting principles generally accepted in the United States.

Notes to Combined Statements of Revenue and Certain Expenses

**1. Basis of Presentation**

On May 2, 2003, a wholly-owned subsidiary of United Dominion Realty Trust, Inc. entered into an agreement with Midlands Company to acquire all of the assets and assumed all of the liabilities of Midlands Company, including acquiring the Harbor Greens Apartments and the Huntington Vista Apartments. Also on May 2, 2003, United Dominion Realty Limited Partnership entered into a series of agreements with the owners of Pinebrook Village Apartments and Windjammer Apartments to issue preferred limited partnership units in exchange for the contribution of the Pinebrook Village Apartments and the Windjammer Apartments. The foregoing properties are referred to collectively as the Communities.

The combined statements of revenue and certain expenses relate to the operations of the Communities and were prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, including Rule 3-14 of Regulation S-X. Accordingly, the accompanying combined statements of revenue and certain expenses have been prepared using the accrual method of accounting, and certain expenses such as depreciation, amortization, income taxes, mortgage interest expense and entity expenses are not reflected in the combined statements of revenue and certain expenses, as required by Rule 3-14 of Regulation S-X of the Securities and Exchange Commission. Consequently, the combined statements of revenue and certain expenses for the periods presented are not representative of the actual operations for the periods presented, as certain revenues and expenses which may not be in the proposed future operations of the Communities have been excluded in accordance with Rule 3-14 of Regulation S-X.

The accompanying interim unaudited combined statement of revenue and certain expenses has been prepared pursuant to the rules and regulations of the Securities and Exchange Commission and was prepared on the same basis as the combined statement of revenue and certain expenses for the year ended December 31, 2002. In the opinion of management of the Communities, all adjustments, consisting only of normal recurring adjustments necessary for a fair presentation of the information for this interim period have been made. The revenue in excess of certain expenses for such interim period is not necessarily indicative of the excess of revenue over certain expenses for the full year.

**Repairs and Maintenance**

Repairs and maintenance costs are expensed as incurred, while significant improvements, renovations and replacements are capitalized.

**Estimates**

The preparation of combined statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
