PROXY STATEMENT

**FOR
2004 ANNUAL MEETING OF STOCKHOLDERS
June 16, 2004**

The enclosed proxy is solicited on behalf of SCM Microsystems, Inc. for use at our 2004 Annual Meeting of Stockholders to be held on Wednesday, June 16, 2004, at 10:00 a.m., local time, at SCM corporate headquarters, 466 Kato Terrace, Fremont, California 94539, or any adjournment(s) or postponement(s) thereof, for the purposes set forth herein and in the accompanying notice of 2004 Annual Meeting of Stockholders.

These proxy solicitation materials will be mailed on or about April 23, 2004 to all stockholders entitled to vote at the Annual Meeting.

INFORMATION CONCERNING SOLICITATION AND VOTING

Record Date

Our Board of Directors has fixed the close of business on April 19, 2004 as the Record Date for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting or any adjournment(s) or postponement(s) thereof.

Shares Outstanding

As of April 15, 2004, we had issued and outstanding 15,967,339 shares of Common Stock, par value \$0.001 per share. For information regarding holders of more than 5% of the outstanding Common Stock, see Securities Ownership of Certain Beneficial Owners and Management.

Voting Rights

Each stockholder of record on the Record Date will be entitled to one vote per share of Common Stock held on the Record Date on all matters submitted for consideration of, and to be voted upon by, the stockholders at the Annual Meeting. The election of directors shall be determined by a plurality of the votes cast: each stockholder will be entitled to vote for three nominees to our Board of Directors, and the three nominees with the greatest number of votes will be elected to the Board of Directors. All other matters shall be determined by a majority of the votes cast, except as otherwise required by law. No stockholder will be entitled to cumulate votes at the Annual Meeting for the election of any members of our Board of Directors.

Voting Procedures

The required quorum for the transaction of business at the Annual Meeting is one-third of the shares of our Common Stock issued and outstanding on the Record Date. Shares voted FOR, AGAINST or WITHHELD from a matter voted upon by the stockholders at the Annual Meeting will be treated as being present at the Annual Meeting for purposes of establishing a quorum for the transaction of business, and will also be treated as shares represented and voting at the Annual Meeting (the Votes Cast) with respect to any such matter.

While there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions, we believe that abstentions should be counted for purposes of determining both (i) the presence or absence of the quorum for the transaction of business, and (ii) the total number of Votes Cast with respect to a proposal. Accordingly, abstentions will have the same effect as a vote against a proposal submitted for consideration of the stockholders at the Annual Meeting. Broker non-votes will be counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Annual Meeting, but

Table of Contents

will not be counted for purposes of determining the number of Votes Cast with respect to a proposal. Consequently, votes AGAINST and WITHHELD and abstentions will have no effect on the election of the Class III directors and will be counted as votes against the proposal to ratify the appointment of Independent Public Accountants.

Solicitation of Proxies

The cost of soliciting any proxies will be borne by the Company. We have retained Innisfree M&A Incorporated, a proxy solicitation firm, to assist with solicitation at customary rates (approximately \$11,000), plus reimbursement for out-of-pocket expenses. In addition, we may reimburse brokerage firms and other persons representing the beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners. Solicitation of proxies by mail may be supplemented by telephone, telegram, facsimile or personal solicitation by our directors, officers or regular employees without additional compensation.

The Company will send a single copy of the proxy statement and Annual Report on Form 10-K to a household, even if more than one stockholder resides there. Separate proxy cards for each stockholder are included in these combined mailings. If you are a registered shareholder and received only one copy of the proxy statement and annual report in your household, but wish to receive additional copies, we will deliver multiple copies for some or all accounts upon your request, either by calling SCM Microsystems at +1 510-360-2302 or by emailing us at *ir@scmmicro.com*. If you are not a registered shareholder and your shares are held by a broker or bank, you will need to call that entity to request multiple copies of these documents.

Revocability of Proxies

The enclosed proxy is revocable by the person or institution delivering such proxy at any time before it is voted at the Annual Meeting either by delivering to us a written notice of revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. If a person or institution that has executed and returned a proxy is present in person at the Annual Meeting and wishes to vote thereat, such person or institution may elect to do so by notifying the Inspector of Elections and thereby suspend the power of the proxy holders to vote the proxy previously delivered by such person or institution. Attendance at the Annual Meeting, however, will not by itself revoke a proxy previously delivered to us.

Stockholder Proposals for 2005 Annual Meeting of Stockholders

Stockholder proposals which are intended to be presented by our stockholders at our 2005 Annual Meeting must be received by us no later than December 31, 2004 in order to be considered for inclusion in the proxy statement and form of proxy relating to that meeting.

Table of Contents**PROPOSAL ONE: ELECTION OF CLASS III DIRECTORS**

Our Board of Directors is divided into three classes with staggered three-year terms. Currently, our Board consists of eight directors, of which three directors serve in Class I, two directors serve in Class II, and three directors serve in Class III. Subject to transition provisions, each director elected at each such meeting will serve for a three-year term ending on the date of the third annual meeting after his or her election and until his or her successor has been elected and duly qualified.

The Nominating Committee of the Board of Directors has selected, and the Board of Directors has approved, the three persons named below for election as Class III directors at the 2004 Annual Meeting. Unless otherwise instructed, the proxy holders named in the enclosed proxy will vote the proxies received by them for the three nominees named below, each of whom currently serves as a director of the Company. In the event that any of the nominees named below is unable or declines to serve as a director at the time of the Annual Meeting, the proxies received by the proxy holders named in the enclosed proxy will be voted for any nominee who is designated by the present Board of Directors to fill the vacancy. We do not expect, however, that any of the nominees named below will be unable or will decline to serve as a director at the Annual Meeting.

Stockholders may not cumulate votes for the election of directors.

THE THREE CLASS III DIRECTOR NOMINEES NAMED ABOVE
TO OUR BOARD OF DIRECTORS**

Table of Contents

MATTERS RELATING TO THE BOARD OF DIRECTORS

Board Meetings

Our Board of Directors held a total of four physical and eight telephonic meetings during the year ended December 31, 2003. During 2003, none of the current directors attended fewer than 75% of the total number of meetings of the Board of Directors held during the period for which he served as a director and the total number of meetings held by the committees of the Board of Directors on which he served during the period for which he served as a director, except for Mr. Larsen, who attended 33% of such meetings held. Following each physical Board of Directors meeting, the Board meets without Company management present to address any issues it believes appropriate.

Board Independence

The Board of Directors has determined that each of its current non-employee directors, including all directors standing for re-election, is independent within the meaning of the NASDAQ Stock Market, Inc. director independence standards, with the exception of Andrew Vought. Mr. Vought received compensation of \$98,000 in 2003 in connection with his services related to the sale and divestiture of our Digital Media and Video business, and thus is not considered independent under the Nasdaq rules.

Board Committees

The Board of Directors has Audit, Compensation and Nominating Committees. Each committee has a written charter, which is available on the Corporate Governance page within the Investor Relations section of our website at www.scmmicro.com. All members of the committees are appointed by the Board of Directors and are non-employee directors. The following describes each committee, its function, its current membership and the number of meetings held during 2003.

Audit Committee

The Audit Committee assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of our financial reporting processes, system of internal control, process for monitoring compliance with laws and regulations, audit process and standards of business conduct. The Board of Directors adopted a revised written charter for the Audit Committee in April 2004, which is attached to this proxy statement as Annex A. The Audit Committee is currently comprised of Messrs. Hultsch, Ng, Turner and Vought. In April 2003, the Board of Directors determined Mr. Vought to be an audit committee financial expert, as such term is defined under applicable federal securities laws, and appointed him as chairman of the Audit Committee. During 2003, Mr. Vought performed consulting services for the Company related to the sale and divestiture of our Digital Media and Video business, for which he was paid \$98,000. As a consequence of these payments, Mr. Vought is no longer considered to be independent of the Company as defined under the NASDAQ Stock Market, Inc. director independence standards. Therefore, he has tendered his resignation as chairman of the Audit Committee, effective April 27, 2004, at which time the Board of Directors will appoint a new chairman. As permitted under Nasdaq rules, one director who is not independent may be appointed to the Audit Committee under exceptional and limited circumstances, if the Board determines this to be in the best interests of the Company and its stockholders. The Board has determined that the sale and divestiture of our Digital Media and Video business was an exceptional and limited event and that it is the best interests of the Company and our stockholders that Mr. Vought continue as a member of the Board and of the Audit Committee. With the exception of Mr. Vought, each member of the Audit Committee is independent as defined under the NASDAQ Stock Market, Inc. director independence standards. The Audit Committee held eight meetings in 2003. The Audit Committee Report is included herein on page 18.

Compensation Committee

The Compensation Committee reviews and makes recommendations to the Board of Directors regarding our compensation policies and the compensation to be provided to the Chief Executive Officer, his direct

Table of Contents

reports, and the directors of SCM. The Compensation Committee is currently comprised of Messrs. Cubero, Turner and Vought, and Mr. Turner has been appointed chairman of the committee. Each member of the Compensation Committee is independent as defined under the NASDAQ Stock Market, Inc. director independence standards, with the exception of Mr. Vought as described under Audit Committee above. The Compensation Committee held six meetings during 2003. The Compensation Committee Report is included herein on page 15.

Nominating Committee

The Board of Directors established a Nominating Committee on February 4, 2004 to assist in identifying individuals qualified to become members of the Board of Directors. A written charter of the Nominating Committee was adopted by the Board of Directors in April 2004 and is available on our website at www.scmmicro.com. Messrs. Hultsch, Humphreys and Turner serve on the Nominating Committee and Mr. Humphreys is chairman. Each of the members of the Nominating Committee is independent within the meaning of the NASDAQ Stock Market, Inc. director independence standards. As it had not yet been formed, the Nominating Committee held no meetings during 2003. It did, however, meet in March of 2004 to review and affirm the qualifications of the Class III Directors.

Identification and Evaluation of Nominees for Directors

Under its charter, the Nominating Committee will continue to develop and recommend to the Board criteria for identifying and evaluating director candidates and establish a procedure for consideration of Board candidates recommended by the Company's Stockholders. The Nominating Committee periodically assesses the appropriate size of the Board, and whether any vacancies are expected due to retirement or otherwise. In the event that vacancies are anticipated, the Nominating Committee identifies and evaluates potential candidates at special meetings of the Nominating Committee, which can take place at any point during the year. The Nominating Committee has not at this time established minimum qualifications that would apply to all candidates. In evaluating candidates, the Nominating Committee considers a candidate's work experience related to the Company's business, general professional experience, and overall expected contributions to the Board of Directors in relation to other directors already serving on the Board. When evaluating existing directors who are nominated for re-election, the Nominating Committee also considers candidates' past board and committee meeting attendance and participation.

Code of Conduct and Ethics

The Board of Directors has adopted a Code of Conduct and Ethics for all SCM Microsystems employees and members of our Board of Directors, including our Chief Executive Officer, Chief Financial Officer, Controller and any other principal accounting officer. Our Code of Conduct and Ethics is posted on the Corporate Governance page within the Investor Relations section of our website, which is www.scmmicro.com.

Director Compensation

Each non-employee member of our Board of Directors receives an annual fee of \$10,000, except for the chairman, who receives an annual fee of \$20,000. In addition, each non-employee director receives \$1,000 for each Board meeting attended in person for his services as director, as well as reimbursement of travel expenses associated with such Board meetings or associated committee meetings. Beginning in 2003, each non-employee member of SCM's Compensation and Nomination Committees, any other committee that may be formed with the exception of the Audit Committee, receives an annual fee of \$2,000 for such participation, with the exception of the Chairman of each committee, who receives an annual fee of \$4,000. Beginning in 2003, each member of the Audit Committee receives an annual fee of \$5,000 for participation on the committee, with the exception of the Chairman of the committee, who receives an annual fee of \$10,000.

Currently, two non-employee members of our Board of Directors also serve on our Advisory Board, which meets on a quarterly basis to review and provide feedback on our new and existing products, marketing issues

Table of Contents

and a variety of other issues. Members of our Board of Directors who also serve on the Advisory Board are paid an additional annual retainer of \$2,000.

A total of 210,000 shares of Common Stock have been reserved for issuance under SCM's 1997 Director Option Plan (The Director Plan). The Director Plan provides that the number of shares of our Common Stock reserved for issuance under the Director Plan will be increased on each anniversary date of adoption of the Director Plan, in an amount equal to the total number of shares underlying the options granted in the immediately preceding year or such lesser amount, as may be determined by the Board of Directors. Each non-employee director was granted an initial option to purchase 5,000 shares of Common Stock upon the effective date of the Director Plan. Each person who becomes or became a non-employee director after that date has been granted or will automatically be granted an initial option to purchase 10,000 shares of Common Stock. In addition, each non-employee director has been granted and will automatically be granted an annual option to purchase an additional 5,000 shares of Common Stock under the Director Plan on the date of each Annual Meeting of Stockholders, unless such director has not been serving as a non-employee director for at least six months. All such options have an exercise price equal to the fair market value of the Common Stock at the date of grant, have a term of ten years and vest monthly over one year from the date of grant. Options granted under the Director Plan are not transferable unless approved by the Board of Directors. SCM's Director Plan will terminate in 2007.

Communication with the Board of Directors

Although we do not have a formal policy regarding communications with the Board of Directors, stockholders may communicate with the Board of Directors by sending an email to *ir@scmmicro.com* or by writing to us at SCM Microsystems, Inc., 466 Kato Terrace, Fremont, California 94539, Attention: Investor Relations. Investor Relations will forward such communication to the full Board of Directors or to any individual director or directors to whom the communication is directed unless the communication is unduly hostile, threatening, illegal or similarly inappropriate, in which case Investor Relations has the authority to discard the communication or take appropriate legal action regarding the communication.

Director Attendance at Stockholder Meetings

We do not have a policy regarding director attendance at stockholder meetings. No directors attended the 2003 Annual Meeting of Stockholders.

Advisory Board

The Advisory Board was created in January 2003 to provide feedback regarding new and existing products, marketing issues and a variety of other issues. The Advisory Board currently consists of seven members, two of whom are officers of SCM, two of whom are members of our Board of Directors and three of whom are industry experts who are neither employees nor directors of our Company. The members of our Board of Directors who serve on the Advisory Board do so in their capacity as members of our Board of Directors. These directors help oversee and direct the Advisory Board and help communicate the Advisory Board's conclusions and recommendations to our Board of Directors. The Advisory Board operates at the discretion of the Chairman of the Board of Directors.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT****Beneficial Ownership**

The table below sets forth certain information as of April 15, 2004 with respect to the beneficial ownership of our Common Stock by:

each person who is known by us to be the beneficial owner of more than 5% of our outstanding Common Stock;

each of our directors;

each of the Named Executive Officers (as defined below); and

all of our directors and executive officers as a group.

Except as otherwise indicated, and subject to applicable community property laws, to our knowledge, the persons named in this table have sole voting and investment power with respect to all shares held by them. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of Common Stock subject to options held by that person that are currently exercisable or exercisable within 60 days of April 15, 2004 are deemed outstanding. Such shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of each other person.

**REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF
DIRECTORS ON EXECUTIVE COMPENSATION**

The Compensation Committee reviews and makes recommendations to the Board of Directors regarding our compensation policies and the compensation to be provided to our executive officers and directors. The following is the report of the Compensation Committee describing the compensation policies applicable to the compensation of our executive officers and directors for their services to SCM during 2003.

Compensation Philosophy. Our philosophy in setting our compensation policies for executive officers is to maximize stockholder value over time. The primary goal of our executive compensation program is therefore to closely align the interests of the executive officers with those of our stockholders. To achieve this goal, we attempt to:

offer compensation opportunities that attract and retain executives whose abilities are critical to our long-term success, motivate individuals to perform at their highest level and reward outstanding achievement;

maintain a portion of the executive total compensation at risk, with payment of that portion tied to achievement of financial, organizational and management performance goals; and

encourage executives to manage from the perspective of owners with an equity stake in SCM.

The Compensation Committee currently uses salary, incentive bonuses and stock options to meet these goals.

Base Salary. The base salary component of total compensation is primarily designed to attract, motivate, reward and retain highly skilled executives and to compensate executives competitively within the industry and the marketplace. The Compensation Committee reviewed and made modifications to fiscal 2003 base salaries for the Chief Executive Officer and other executive officers at the beginning of fiscal 2003. In establishing base salaries of executive officers, the Compensation Committee evaluates each executive's salary history, scope of responsibility, prior experience, past performance for us and recommendations from management. The Compensation Committee also takes into account the salaries for similar positions at comparable companies in our industry, based on each individual Committee member's industry experience. In reviewing and setting base salaries for executive officers, the Compensation Committee focused on each executive's historical salary level, which in most instances was based upon the date on which the executive was hired by us, the executive's prior performance with us and expected contribution to our future success. In making its salary decisions, the Compensation Committee exercised its discretion and judgment based upon these factors. No specific formula was applied to determine the weight of each factor.

Incentive Bonuses. Each executive officer's annual bonus is based on qualitative and quantitative factors and is intended to motivate and reward executive officers by directly linking the amount of the bonus to performance targets. In addition, incentive bonuses for executive officers are intended to reflect the Compensation Committee's belief that the compensation of each executive officer should be contingent upon our overall performance. To carry out this philosophy, our Board of Directors reviews and approves the financial goals for the fiscal year. The Compensation Committee evaluates our overall performance and

Table of Contents

approves performance bonuses based on the extent to which the goals of the Board of Directors have been achieved.

Equity Incentives. The Compensation Committee views stock option grants as an important component of its long-term, performance-based compensation philosophy. The Company provides long-term incentives to its Chief Executive Officer and its other executive officers through its 1997 Stock Plan. The purpose of the 1997 Stock Plan is to attract and retain the best employee talent available and to create a direct link between compensation and our long-term performance. The Compensation Committee believes that stock options directly motivate its executive officers to maximize long-term stockholder value. The options also utilize vesting periods that encourage key executives to continue in our employ. All options granted to executive officers to date have been granted at the fair market value of our Common Stock on the date of grant. The Board of Directors considers the grant of each option subjectively, considering factors such as the individual performance of the executive officer and the anticipated contribution of the executive officer to the attainment of our long-term strategic performance goals. During 2003, SCM granted new stock options to our executive officers.

CEO Compensation. The compensation of Mr. Schneider, our Chief Executive Officer, consists of base salary, an annual bonus and stock options. The Board of Directors periodically reviews the CEO's base salary and bonus and revises his compensation based on the Board's overall evaluation of his performance toward the achievement of the Company's financial, strategic and other goals, with consideration given to his length of service and to comparative chief executive officer compensation information. The Compensation Committee believes that the Company's success is dependent in part upon the efforts of its Chief Executive Officer. During fiscal 2003, the Compensation Committee increased Mr. Schneider's base salary from \$236,000 to \$245,000, which was the equivalent of approximately \$272,000 based on average exchange rates during 2003. The committee also awarded Mr. Schneider an incentive bonus of \$20,000, which was the equivalent of approximately \$22,209 based on average exchange rates during, based on SCM's financial and operational performance during 2003. (Please see footnote 2 to the table included in Executive Compensation Summary of Executive Compensation for more information regarding Mr. Schneider's salary and bonus.) During fiscal 2003, SCM granted new stock options to Mr. Schneider.

Non-employee Director, Committee and Advisory Board Compensation. In January 2003, the Compensation Committee recommended a compensation scheme for non-employee members of SCM's Board of Directors and its committees and for members of SCM's Advisory Board, based on comparison with U.S. companies of a similar size as SCM in the electronics and new technology sectors. This compensation scheme was approved by the Board of Directors and is the basis for fees as described under Director Compensation.

**PROPOSAL TWO: RATIFICATION OF THE APPOINTMENT OF
INDEPENDENT PUBLIC ACCOUNTANTS**

Our Audit Committee has appointed Deloitte & Touche LLP, independent accountants, to audit our financial statements for the current year ending December 31, 2004. Deloitte & Touche LLP has audited our consolidated financial statements since 1999. At the Annual Meeting, our stockholders are being asked to ratify the appointment of Deloitte & Touche LLP as independent accountants to audit our financial statements for the current fiscal year ending December 31, 2004. We expect that a representative of Deloitte & Touche LLP will be available at the Annual Meeting, will have the opportunity to make a statement if he or she desires to do so, and will be available to respond to any appropriate questions.

Stockholder ratification of the selection of Deloitte & Touche LLP as our independent public accountants is not required by our Bylaws or other applicable legal requirement. However, the Board is submitting the selection of Deloitte & Touche LLP to the stockholders for ratification as a matter of good corporate practice. In the event that our stockholders fail to ratify the appointment of Deloitte & Touche LLP as independent accountants to audit our financial statements for the current year ending December 31, 2004, our Audit Committee may reconsider its selection. Even if the selection is ratified, the Audit Committee at its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

Vote Required and Recommendation of the Board of Directors

The affirmative vote of the holders of a majority of the Votes Cast (as defined under Voting Procedures on page 1 hereof) will be required to approve the proposed ratification of Deloitte & Touche LLP, independent accountants, to audit our financial statements for the current year ending December 31, 2004.
