Amendment and Restatement of the Company's By-laws

On August 12, 2004, the board of directors of LSI Logic Corporation (the "**Company**") approved an amendment and restatement to the Company's bylaws, which addressed a number of provisions, including:

stockholder meetings, including procedures regarding participation in meetings by remote communication, who may call special meetings, postponement or cancellation of meetings, electronic notice of meetings, quorum at meetings, adjournment of meetings, conduct of business at meetings, and advance notice of nominations and proposals at meetings;

the board of directors, including procedures regarding changing the number of directors, calling special meetings of the board of directors, and notice requirements for special meetings of the board of directors; and

procedures and protections with respect to indemnification of directors and officers.

Deadline for Receipt of Stockholder Proposals for the Company's 2005 Annual Meeting of Shareholders

As governed by Section 2.16 of the amended and restated by-laws, the deadline for receipt of those stockholder proposals for the Company's 2005 annual meeting of stockholders that are not intended to be included in the Company's proxy statement relating to the 2005 annual meeting has been changed (such deadline, the **Bylaw Deadline**). The new Bylaw Deadline is **January 2, 2005**, which is 90 calendar days prior to the one-year anniversary of the date on which the proxy materials were released to stockholders in connection with the 2004 annual meeting. This Bylaw Deadline is different from, and supersedes, the deadline specified in the Company's definitive proxy statement released to stockholders in connection with the 2004 annual meeting on April 1, 2004.

In addition, because the new Bylaw Deadline is before the Discretionary Vote Deadline (as defined in the 2004 definitive proxy statement), there is no longer any Discretionary Vote Deadline and references thereto in the 2004 definitive proxy statement have been superseded.
