Apartment Investment and Management Company (the Company) is re-issuing, in an updated format, its historical financial statements for the fiscal years ended December 31, 2004, 2003, and 2002, in connection with the requirements of Statement of Financial Accounting Standards No. 144, Accounting for the Impairment or Disposal of Long-Lived Assets (SFAS No. 144). The provisions of SFAS No. 144 require, among other things, that the primary assets and liabilities and the results of operations of the Company's consolidated properties that were sold subsequent to January 1, 2002, or were classified as held for sale subsequent to January 1, 2002, be reported as discontinued operations and segregated in the Company's Consolidated Statements of Operations and Balance Sheets. In compliance with SFAS No. 144, the results of operations of the Company's consolidated properties that were sold or classified as held for sale during the first nine months of 2005 were reported as discontinued operations for each period presented in the Company's Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2005. Under SEC requirements, the same reclassification as discontinued operations as prescribed by SFAS No. 144 is required for all previously issued annual financial statements for each of the three years shown in the Company's last Annual Report on Form 10-K, if those financials are incorporated by reference in subsequent filings with the SEC made under the Securities Act of 1933, as amended, even though those financial statements relate to periods prior to the date of the reclassification. This reclassification has no effect on the Company's reported net income available to common stockholders or funds from operations.

This Current Report on Form 8-K updates Items 6, 7, and 8 of the Company's Annual Report on Form 10-K for the year ended December 31, 2004 (the Form 10-K), to reflect the primary assets and liabilities and the results of operations of the Company's consolidated properties that were sold prior to September 30, 2005 or were classified as held for sale at September 30, 2005, as discontinued operations. The updated financial information is attached to this Current Report on Form 8-K as Exhibit 99.1. All other items of the Company's Form 10-K remain unchanged.
