Item 1.01. Entry into a Material Definitive Agreement

On December 3, 2007, H&R Block, Inc. (the Company), Block Financial Corporation (BFC), a wholly-owned indirect subsidiary of the Company, and OOMC Acquisition Corp. (Cerberus), a company formed on behalf of one or more affiliated funds or managed accounts or affiliates of Cerberus Capital Management L.P., entered into a termination agreement regarding the Stock Purchase Agreement dated April 19, 2007 (the SPA). See Item 1.02 of this Report on Form 8-K for further information regarding the SPA termination, which is hereby incorporated in this Item 1.01 by reference.

Item 1.02. Termination of a Material Definitive Agreement

On December 3, 2007, the SPA was terminated. The SPA provided for the sale of all the outstanding shares of capital stock of Option One Mortgage Corporation (OOMC) to Cerberus. The SPA was terminated pursuant to the mutual agreement of the parties in light of (i) certain closing conditions that would not be met and (ii) the absence of mutually acceptable alternatives for restructuring the SPA in the changing business environment.

Item 2.05. Costs Associated with Exit or Disposal Activities

On December 4, 2007, OOMC announced plans to cease all mortgage loan origination activities. This step is being taken in connection with the termination of the SPA. OOMC will immediately cease accepting new mortgage loan applications, but will honor existing loan commitments in its loan pipeline. Funding requirements for such loan commitments are expected to total not more than approximately \$30 million in gross principal amount.

In connection with terminating mortgage loan origination activities, the Company expects to incur a pre-tax restructuring charge of approximately \$75 million (approximately \$39 million of which will result in future cash expenditures). The restructuring charge consists of approximately \$27 million in one-time termination benefits, approximately \$12 million in lease termination costs, approximately \$34 million in write-offs of property, plant and equipment, and approximately \$2 million in miscellaneous costs. Approximately \$34 million pre-tax of the restructuring charge will be incurred in the Company's fiscal quarter ending October 31, 2007, with the remainder to be incurred in the Company's fiscal quarter ending January 31, 2008. OOMC expects to have completely ceased mortgage loan origination activities by January 31, 2008.

Item 7.01. Regulation FD Disclosure

On December 4, 2007, the Company issued a press release announcing the matters described in Item 1.02 of this Current Report on Form 8-K and other matters pertaining to OOMC. The press release is furnished as Exhibit 99.1.
