BFMA AND OTHER SHAREHOLDERS WIN CONCESSIONS
FROM MORTON'S MANAGEMENT AND BOARD OF DIRECTORS

Pompano Beach, Florida - May 10, 2001 - BFMA Holding Corporation today reaffirmed its fully-financed offer to acquire Morton's Restaurant Group, Inc. (NYSE: MRG) for \$28.25 per share and announced that it is prepared to immediately enter into negotiations with an independent committee of Morton's board with respect to the purchase of the company.

Mr. Florescue, President and Chairman of the Board of BFMA, commented, "We understand that certain large institutional shareholders that voted for the incumbent director slate today received affirmations directly from management and certain directors that the company will form an independent committee to fairly and expediently explore a sale of the company, treat BFMA fairly in the sale process and be open to offers from other interested parties." Mr. Bernstein confirmed, at the shareholder meeting this morning, the board's intention to form an independent committee "to entertain BFMA's offer. "

Edgar Filing: MORTONS RESTAURANT GROUP INC - Form DFAN14A

Mr. Florescue continued, "Although the BFMA nominee slate was not elected to the Morton's board, we believe we have achieved our objectives and received significant concessions for all of the shareholders - we forced management to commit publicly to explore a sale of the company and address BFMA's offer, to focus on reducing its overhead spending and to cease issuing equity to senior management. These initiatives are a direct result of BFMA's recent criticism of the board and management. Given the high level of shareholder scrutiny on the company, initiated by BFMA's proxy contest, we are hopeful that management is sincere in its claim to address these issues. It is time to put our differences aside and work together to maximize shareholder value."
