PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

This Proxy Statement is being furnished to you in connection with the solicitation of proxies by the Board of Directors of ALAMOSA HOLDINGS, INC. ("Alamosa Holdings"), a Delaware corporation, for use at the Annual Meeting of Stockholders (the "Meeting") to be held at The Holiday Inn--Park Plaza Hotel and Conference Center, 3201 S. Loop 289, Lubbock, Texas, on May 29, 2002, at 10:00 a.m. local time, and at any adjournment thereof. The proxy statement and accompanying proxy are first being sent to stockholders on or about April 18, 2002.

INTRODUCTORY NOTE

Alamosa PCS Holdings, Inc. completed its initial public offering of common stock on February 2, 2000. On December 14, 2000, Alamosa PCS Holdings, Inc. formed a new holding company pursuant to Section 251(g) of the Delaware General Corporation Law (the "Holding Company Formation"). In that transaction, each share of Alamosa PCS Holdings, Inc. was converted into one share of the new holding company, and the former public company, which was renamed Alamosa (Delaware), Inc. (referred to herein as "Alamosa (Delaware)"), became a wholly owned subsidiary of the new holding company, which was renamed Alamosa PCS Holdings, Inc. (referred to herein as "Alamosa PCS Holdings"). On February 14, 2001, Alamosa Holdings became the new public holding company of Alamosa PCS Holdings and its subsidiaries pursuant to a reorganization transaction in which a wholly owned subsidiary of Alamosa Holdings was merged with and into Alamosa PCS Holdings (the "Reorganization"). As a result of the Reorganization, Alamosa PCS Holdings became a wholly owned subsidiary of Alamosa Holdings, and each share of Alamosa PCS Holdings common stock was converted into one share of Alamosa Holdings common stock.

References in this Proxy Statement to the "Company" refer to, and all disclosure contained herein with respect to director and executive compensation, board committee meetings and actions, stock price performance and other matters reflects information for: (i) Alamosa Holdings, for all periods after completion of the Reorganization, during which time it was the public holding company, (ii) Alamosa PCS Holdings, for the period after the Holding Company Formation but prior to the Reorganization, during which time it was the public holding company, and (iii) Alamosa (Delaware) (formerly Alamosa PCS Holdings, Inc.), for the period prior to the Holding Company Formation, during which time it was the public holding company.

RECORD DATE

The Board of Directors has fixed the close of business on April 12, 2002 as the record date (the "Record Date") for determination of stockholders entitled to notice of, and to vote at, the Meeting. On the Record Date, there were 92,915,470 shares of common stock, par value \$0.01 per share (the "Common Stock"), of Alamosa Holdings outstanding, held by approximately 276 holders of record. At the Meeting, each holder of Common Stock will have one vote for each share of Common Stock held.

Edgar Filing: ALAMOSA HOLDINGS INC - Form DEF 14A

QUORUM

The holders of a majority of the capital stock issued and outstanding and entitled to vote thereat, present in person or by proxy, will constitute a quorum at the Meeting. Shares held by persons attending the Meeting but not voting, and shares represented in person or by proxy and for which the holder has abstained from voting, will be counted as present at the Meeting for purposes of determining the presence or absence of a quorum.

All votes cast in person or by proxy will be counted by representatives of Mellon Investor Services, transfer agent for the Common Stock, who will serve as the inspector of elections at the Meeting and who will separately tabulate affirmative votes, negative votes, abstentions and broker non-votes for each proposal. "Broker non-votes" occur where a broker holding stock in "street name" votes the shares on some matters but not others. The missing votes are deemed to be "broker non-votes." The inspector of elections will treat "broker non-votes" as shares that are present and entitled to vote for the purpose of determining whether a quorum exists. However, for the purpose of determining the outcome of any matter as to which the broker has indicated on the proxy that it does not have discretionary authority to vote, those shares will be treated as not present or entitled to vote with respect to that matter (even though those shares are considered present for quorum purposes and may be entitled to vote on other matters).

VOTES REQUIRED FOR APPROVAL OF THE PROPOSALS

Directors of the Company will be elected by a plurality of the votes cast at the Meeting. In the election of directors of the Company, votes to withhold authority, abstentions from voting and "broker non-votes," if any, will be disregarded and have no effect on the outcome of the vote.

Ratification of the appointment of independent auditors of the Company requires the affirmative vote of the holders of a majority of the outstanding shares of capital stock entitled to vote thereon who are present, either in person or by proxy, at the Meeting. With respect to the ratification of the appointment of auditors of the Company, abstentions from voting will have the same effect as voting against such matter and "broker non-votes," if any, will be disregarded and have no effect on the outcome of the vote.

PROXIES

All shares of Common Stock represented by properly executed proxies received before or at the Meeting will, unless revoked, be voted in accordance with the instructions indicated on those proxies. If no instructions are indicated on a properly executed proxy card, the shares represented by such proxy card will be voted "FOR" approval of each of the proposals to be voted on at the Meeting. You are urged to mark the box on your proxy card to indicate how to vote your shares.

You may revoke your proxy at any time before it is voted by:

- o submitting a written notice of revocation to the Secretary of the Company at 5225 S. Loop 289, Suite 120, Lubbock, Texas 79424;
- o executing and delivering a subsequently dated proxy; or
- o appearing in person and voting at the Meeting if you are a holder of record.

Edgar Filing: ALAMOSA HOLDINGS INC - Form DEF 14A

Attendance at the Meeting will not in and of itself constitute revocation of a proxy.

2

ELECTION OF DIRECTORS OF THE COMPANY (PROPOSAL 1)

Pursuant to the Company's Amended and Restated Certificate of Incorporation, the Board of Directors consists of three classes of directors with overlapping three year terms. One class of directors is elected each year with the term of each such class expiring on the third succeeding annual meeting after the election of such class. The Company's Amended and Restated Certificate of Incorporation also states that the number of directors shall be not less than three, with the exact number to be set from time to time by the Board of Directors. The Board of Directors currently has fixed the number of directors at eleven, and the Board of Directors currently consists of three Class I directors, four Class II directors and four Class III directors. Mr. Michael R. Budagher, who has served on the Board of Directors since the Company was founded in July 1998 and is currently a director in Class II, is not standing for re-election. The Board of Directors has decided not to replace Mr. Budagher at this time and effective as of the Meeting, the Board of Directors of the Company will be reduced to ten members. Accordingly, at the Meeting, three directors will be elected as Class II directors for a three year term and until their successors shall have been elected and qualified. Unless otherwise indicated on any proxy, the proxy holders intend to vote the shares represented by each properly executed proxy for each of the three nominees standing for re-election as set forth below. If a proxy is executed in such a manner as to withhold authority to vote for one or more nominees for director, such instructions will be followed by the persons named as proxies.

Directors of the Company will be elected by a plurality of the votes cast at the Meeting. In the election of directors of the Company, votes to withhold authority, abstentions from voting and "broker non-votes," if any, will be disregarded and have no effect on the outcome of the vote.

The amended and restated by-laws of each of Alamosa Holdings and Alamosa PCS Holdings contain a provision (together, the "Pass-Through Voting Provisions") which together have the effect of requiring that the shares of common stock of Alamosa (Delaware) that are owned by Alamosa PCS Holdings may only be voted by Alamosa PCS Holdings in proportion to the vote of, or as directed by the vote of, the stockholders of Alamosa Holdings. As a result of the Pass-Through Voting Provisions, Alamosa PCS Holdings, as the sole stockholder of Alamosa (Delaware), may only vote its shares of Alamosa (Delaware) stock on the election of directors of Alamosa (Delaware) in proportion to, or as directed by, a vote of the stockholders of Alamosa Holdings. The Alamosa (Delaware) Board of Directors is classified in the same manner as, and consists of the same eleven persons as those serving on, the Alamosa Holdings Board of Directors. Mr. Budagher is also not standing for re-election on Alamosa (Delaware) Board of Directors. The Alamosa (Delaware) Board of Directors has decided not to replace Mr. Budagher at this time and accordingly after the Meeting, the Alamosa (Delaware) Board of Directors will be reduced to ten members. Your vote with respect to the election of three nominees to serve on the Board of Directors of Alamosa Holdings will also constitute a vote to direct Alamosa PCS Holdings with respect to its vote for the election of the same three nominees to serve on the Board of Directors of Alamosa (Delaware).

Unless otherwise indicated on any proxy, the votes applicable to shares represented by properly executed proxies in the accompanying form will be cast in favor of the three nominees named below. While it is not anticipated that any

Edgar Filing: ALAMOSA HOLDINGS INC - Form DEF 14A

of the nominees will be unable to serve, if any should be unable to serve, the proxy holders reserve the right to substitute any other person.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE ELECTION OF EACH OF THE THREE NOMINEES IDENTIFIED BELOW.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Company's executive compensation philosophy reflects its belief that the compensation of executives should:

- o be linked to achievement of its business and strategic goals;
- o be aligned with the interests of stockholders through awards of stock options and other stock-based compensation;
- o recognize individual contributions, as well as overall business results; and
- o result in attracting, motivating and retaining highly-talented executives to serve it.

To achieve these objectives, the Company's current compensation program consists of the following elements:

- o base salary; and
- o annual incentive compensation, the receipt of which is based on:
 - o its financial performance from year to year, and/or
 - o significant individual contributions; and
- o long-term incentive compensation, in the form of stock options.

CEO COMPENSATION. The structure of Mr. Sharbutt's fiscal 2001 compensation was based in part on comparisons to the compensation of executives in similar positions with other companies in the industry, as well as Mr. Sharbutt's level of responsibility, experience and contribution to the Company's business objectives and the Board's ongoing assessment of the Company's operations. In accordance with such factors, the Company entered into an employment agreement with Mr. Sharbutt, effective October 1, 1999 (see "Executive Compensation--Employment Agreements--David E. Sharbutt"). The Compensation Committee believes that the structure of Mr. Sharbutt's compensation, with its emphasis on the Company's performance, is in the best interest of the Company's stockholders because it more closely aligns the interests of Mr. Sharbutt and the Company's stockholders. Mr. Sharbutt's bonus for 2001 was paid as a result of the achievement by the Company of performance targets related to EBITDA, revenue per user and subscriber targets and also as a result of Mr. Sharbutt's achievement of personal objectives.

OTHER EXECUTIVE OFFICER COMPENSATION. The Company's philosophy for the compensation of its other executive officers focuses on each individual's level of responsibility, experience and contribution to the Company's business objectives and the Board's ongoing assessment of the Company's operations. The Compensation Committee places emphasis on compensation that closely aligns the

Edgar Filing: ALAMOSA HOLDINGS INC - Form DEF 14A

executive's interests with the stockholders' interests. Therefore, a significant percentage of each executive officer's total compensation is tied to the Company's performance through:

- o bonus eligibility, based on a combination of its performance and individual achievement; and

20

- o stock option awards.

DEDUCTIBILITY OF COMPENSATION TO EXECUTIVE OFFICERS. The federal income tax law limits the deductibility of certain compensation paid to the chief executive officer and the four most highly compensated executives (the "covered employees") in excess of the statutory maximum of \$1 million per covered employee. The Compensation Committee's general policy is, where feasible, to structure the compensation paid to the covered employees so as to maximize the deductibility of such compensation for federal income tax purposes; however, the committee shall retain the flexibility, where necessary to promote the incentive and retention goals described above, to pay compensation which may not be deductible.

COMPENSATION COMMITTEE:

Thomas Hyde Schuyler B. Marshall
Thomas F. Riley Jr.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

AGREEMENTS WITH MESSRS. MICHAEL V. ROBERTS AND STEVEN C. ROBERTS

On February 14, 2001, the Company completed its acquisition of Roberts Wireless. Messrs. Michael V. Roberts and Steven C. Roberts, who are directors of the Company, were the sole owners of Roberts Wireless. Pursuant to the terms of the merger agreement with Roberts Wireless, upon closing of the transaction, each of Messrs. Michael V. Roberts and Steven C. Roberts was entitled to receive 6,750,000 shares of Common Stock and approximately \$2.0 million in cash as consideration in respect of his ownership interests in Roberts Wireless. The terms of the merger agreement, including the consideration payable to Messrs. Michael V. Roberts and Steven C. Roberts, were determined on the basis of arm's length negotiations between the Company and Messrs. Michael V. Roberts and Steven C. Roberts. Messrs. Michael V. Roberts and Steven C. Roberts were appointed to the Board of Directors of the Company upon completion of the Roberts Wireless acquisition.

In connection with the acquisition of Roberts Wireless, the Company entered a number of arrangements with Messrs. Michael V. Roberts and Steven C. Roberts and certain companies affiliated with them as described in more detail below.

- o LOAN AGREEMENT WITH MESSRS. MICHAEL V. ROBERTS AND STEVEN C. ROBERTS. On June 30, 2000, Alamosa Operations, Inc. ("Alamosa Operations"), a wholly-owned subsidiary of the Company (as lender) entered into a loan agreement with Messrs. Michael V. Roberts and Steven C. Roberts (as borrowers) whereby Alamosa Operations agreed to lend \$10.0 million to Messrs. Michael V. Roberts and Steven C. Roberts. The proceeds from this loan were used to fund capital and operation requirements of Roberts and Roberts Tower Company ("Roberts Tower"), a corporation owned and operated by Messrs. Michael V. Roberts and Steven C. Roberts.
- o ROBERTS WIRELESS LOAN AGREEMENT. On July 31, 2000, Alamosa Operations (as lender) entered into a loan agreement with Roberts Wireless (as borrower) whereby Alamosa Operations agreed to lend up to \$26.6 million. In connection with the loan agreement, Roberts Wireless assumed certain obligations of Messrs. Michael V. Roberts and Steven C. Roberts under the June 30 loan agreement to the extent the proceeds of that loan were used to make capital contributions to Roberts Wireless. At the completion of the Roberts Wireless acquisition, the Roberts Wireless promissory note was transferred to Alamosa (Delaware) and contributed as equity to its wholly owned subsidiary, Alamosa Holdings, LLC.

Edgar Filing: ALAMOSA HOLDINGS INC - Form DEF 14A

- ROBERTS TOWER LOAN AGREEMENT. On October 18, 2000, Alamosa Operations (as lender) and Roberts Tower (as borrower) entered into a loan agreement whereby Alamosa Operations agreed to lend up to \$15.0 million to Roberts Tower, to be used for the purposes of repaying all remaining amounts owed by Messrs. Michael V. Roberts and Steven C. Roberts under the June 30 loan agreement and funding the construction of wireless telecommunications towers for use by Roberts Wireless through the completion of the merger with Roberts Wireless. In February 2001 the loan was paid in full.

- JOINT VENTURE DEVELOPMENT AGREEMENT. On October 30, 2000, the Company and Messrs. Michael V. Roberts and Steven C. Roberts entered into a joint venture development agreement. Pursuant to the agreement, if either Mr. Michael V. Roberts or Mr. Steven C. Roberts (each a "Project Member") undertakes an international telecommunications business venture (a "Project") and desires for the Company to be involved in that Project, then before the Project Member enters into a letter of intent or binding agreement of any nature with another person regarding the Project, written notice must be given to the Company and the Company has 60 days to notify the Project Member of its desire to participate in the Project. During such 60 day period, the Company has the exclusive right to elect to participate in the Project. Promptly after the Company gives a notice of participation, the Company and the Project Member shall form a project entity and shall execute an agreement setting forth the terms, covenants, conditions and provisions for the purpose, ownership, management, financing and operating of the Project. Unless the Project Member and

23

the Company agree to a different arrangement, the Company will have a 50% interest in each project entity and the Company will have full managerial control of each project entity. Except as described above, neither the Project Members nor the Company is obligated to bring to the other any opportunity to participate in a Project or any activity, domestic or international.

- CONSULTING AGREEMENTS. On January 29, 2001, the Company entered into five-year consulting agreements with each of Messrs. Michael V. Roberts and Steven C. Roberts. The consulting agreements provide each of them with an annual compensation of \$125,000, which is paid monthly.

- RIGHT OF FIRST NEGOTIATION AGREEMENT. On February 14, 2001, the Company and Roberts Tower entered into a right of first negotiation agreement which grants Roberts Tower a right to negotiate tower leases on a "build-to-suit" basis within the Company's present and future territory. During the term of the agreement, whenever the Company or one of its subsidiaries is required to "build to suit" communications towers within the present or future territories in which it operates, the Company must notify Roberts Tower and Roberts Tower will have the exclusive right for a period of 30 days to negotiate with the Company to provide such towers. After such 30 day period, if the Company has not reached an agreement with Roberts Tower, the Company may obtain such tower sites from other third parties. The term of this agreement is five years.

- RESALE AGREEMENT. On February 14, 2001, the Company and Messrs.

Edgar Filing: ALAMOSA HOLDINGS INC - Form DEF 14A

Michael V. Roberts and Steven C. Roberts entered into a resale agreement which permits Messrs. Michael V. Roberts and Steven C. Roberts to buy air time at a discount for resale on a basis no less favorable than any other similar agreement to which the Company may be a party. Messrs. Michael V. Roberts and Steven C. Roberts may resell such airtime anywhere where such resales are permitted under applicable law. Any arrangement between the Company and Messrs. Michael V. Roberts and Steven C. Roberts for resales and use of air time will be subject to all required approvals of Sprint, Sprint Spectrum and Sprint PCS and/or any other applicable Sprint entities.

- o MASTER LEASE AGREEMENT. On February 14, 2001, Roberts Wireless and Roberts Tower entered into a master lease agreement which provides for the lease from Roberts Tower by Roberts Wireless of certain buildings, towers, tanks and /or improvements thereon for the purpose of installing, operating and maintaining communications facilities and services thereon. The initial term of the master lease agreement expires in February 2006, and Roberts Wireless has the right to extend the initial term of the lease for four additional terms of five years each. The agreement provides for monthly payments aggregating to approximately \$16,800 per site per year, subject to an annual adjustment of 4% per annum. During the year ended December 31, 2001, approximately \$2,625,0000 was paid under this agreement.

The Audit Committee has reviewed and discussed the Company's audited financial statements for the fiscal year ended December 31, 2001 with management and has received the written disclosures and the letter from PricewaterhouseCoopers LLP, the Company's independent auditors, required by Independent Standards Board Standard No. 1 (Independent Discussions with Audit Committee). The Audit Committee has also discussed with PricewaterhouseCoopers LLP the Company's audited financial statements for the fiscal year ended December 31, 2001, including among other things the quality of the Company's accounting principles, the methodologies and accounting principles applied to significant transactions, the underlying processes and estimates used by management in its financial statements and the basis for the auditor's conclusions regarding the reasonableness of those estimates, and the auditor's independence, as well as the other matters required by Statement on Auditing Standards No. 61 of the Auditing Standards Board of the American Institute of Certified Public Accountants.

RATIFICATION OF AUDITORS (PROPOSAL 2)

At the recommendation of the Audit Committee, the Board of Directors has selected PricewaterhouseCoopers LLP to serve as auditors of the Company for its fiscal year ending December 31, 2002. Although stockholder ratification of the Board of Directors' action in this respect is not required, the Board of Directors considers it desirable for stockholders to pass upon the selection of auditors and, if the stockholders do not ratify the selection, may reconsider its selection.

Ratification of the appointment of independent auditors of the Company requires the affirmative vote of the holders of a majority of the outstanding shares of capital stock entitled to vote thereon who are present, either in person or by proxy, at the Meeting. With respect to the ratification of the appointment of auditors of the Company, abstentions from voting will have the same effect as voting against such matter and "broker non-votes," if any, will be disregarded and have no effect on the outcome of the vote.

Representatives of PricewaterhouseCoopers LLP are expected to be present at the Meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions from stockholders.

The Company has been informed by PricewaterhouseCoopers LLP that neither the firm nor any of its members or their associates has any direct financial interest or material indirect financial interest in the Company or its

Edgar Filing: ALAMOSA HOLDINGS INC - Form DEF 14A

affiliates. During the Company's fiscal year ended December 31, 2001, the Company was billed the following aggregate fees by PricewaterhouseCoopers LLP:

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES. The aggregate fees billed by PricewaterhouseCoopers LLP to the Company for its fiscal year ended December 31, 2001 for the professional services described in Paragraph (c)(4)(ii) of Rule 2-01 of Regulation S-X (financial information systems design and implementation services) was \$211,839.

ALL OTHER FEES. The aggregate fees billed by PricewaterhouseCoopers LLP to the Company for professional services rendered to the Company for its fiscal year ended December 31, 2001, other than the Audit Fees and Financial Information Systems Design and Implementation Fees described in the preceding two paragraphs, was \$1,139,463. The principal non-audit services provided by PricewaterhouseCoopers LLP during fiscal 2001 were (i) assistance with SEC registration statements, (ii) assistance with business acquisitions and (iii) tax and accounting consulting services.

The Audit Committee of the Company's Board of Directors has concluded that the provision of these non-audit services is compatible with maintaining PricewaterhouseCoopers LLP's independence.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS THE COMPANY'S AUDITORS.
