Item 6. Indemnification of Directors and Officers.

Section 145 of the General Corporation Law of the State of Delaware

## Edgar Filing: BRIGHTPOINT INC - Form S-8

("GCL") provides for the indemnification of officers and directors under certain circumstances against expenses incurred in successfully defending against a claim and authorizes Delaware corporations to indemnify their officers and directors under certain circumstances against expenses and liabilities incurred in legal proceedings involving such persons because of their being or having been an officer or director.

Section 102(b) of the GCL permits a corporation, by so providing in its certificate of incorporation, to eliminate or limit director's liability to the corporation and its shareholders for monetary damages arising out of certain alleged breaches of their fiduciary duty. Section 102(b)(7) of the GCL provides that no such limitation of liability may affect a director's liability with respect to any of the following: (i) breaches of the director's duty of loyalty to the corporation or its shareholders; (ii) acts or omissions not made in good faith or which involve intentional misconduct or knowing violations of law; (iii) liability for dividends paid or stock repurchased or redeemed in violation of the GCL; or (iv) any transaction from which the director derived an improper personal benefit. Section 102(b)(7) does not authorize any limitation on the ability of the corporation or its shareholders to obtain injunction relief, specific performance or other equitable relief against directors.

Article TENTH of the registrant's Certificate of Incorporation provides that no director shall be personally liable to the registrant or any of its stockholders for monetary damages for breach of fiduciary duty as a director except to the extent such elimination or limitation is prohibited by the Delaware General Corporation Law. In addition, Article NINTH of the registrant's Certificate of Incorporation and Article XX of the By-Laws of the registrant provide in substance that, to the fullest extent permitted by Delaware law, each director and officer shall be indemnified by the registrant against reasonable costs and expenses, including attorneys fees, and any liabilities which may be incurred in connection with any action to which he may be made a party by reason of having been a director or officer of the registrant. The indemnification provided by the registrant's By-Laws is not deemed exclusive of or in any way to limit any other rights which any person seeking indemnification may be entitled.

The registrant has also entered into certain agreements wherein it has agreed, subject to certain limitations, to indemnify its officers and directors for judgments, fines, assessments,

interest and other charges they may incur as a party, witness or other participant in any threatened, pending or completed actions, suits or proceeding by reason of their acting as an officer, director, employee or agent of the registrant or any of its subsidiaries, provided that the indemnified party acted in good faith in a manner such person believed to be in or not opposed to the best interests of the registrant and, with respect to certain matters, had no reasonable cause to believe that his conduct was unlawful. The agreements also provide that upon a "change of control" of the registrant, as defined in the agreements, the registrant will be required to designate and set aside certain funds for possible future payments of the indemnified parties pursuant to the agreements.

Insofar as indemnification for liabilities arising under the Securities

## Edgar Filing: BRIGHTPOINT INC - Form S-8

Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.
