Important Notice to Fund Shareholders

JUNE , 2008

Although we recommend that you read the complete Proxy Statement, for your convenience, we have provided a brief overview of the issues to be voted on.

Q. Why am I receiving this Proxy Statement?

A. You are receiving this proxy as a Fund shareholder in connection with the annual shareholder meeting for the Nuveen municipal closed-end funds listed at the top of the Notice to Shareholders.

You are being asked to vote on one or two important matters affecting your investment in the Fund:

- (i) Updated Investment Policies (All Funds except Nuveen Municipal High Income Opportunity Fund 2 (the Affected Funds)). Nuveen's municipal closed-end funds are seeking to adopt a uniform, up to date set of investment policies (the New Investment Policies). In general, these funds currently have a somewhat diverse set of policies, reflecting when the funds were launched over the past 20 years as well as developments over time in the municipal market, including new types of securities as well as investment strategies. The potential benefits to you as a fund shareholder of the New Investment Policies are:

Enhanced ability of the Affected Funds to generate attractive levels of tax-exempt income, while retaining the Affected Funds' orientation on investment grade quality municipal securities;

Increased flexibility in diversifying portfolio risks and managing duration (the sensitivity of bond prices to interest rate changes) to pursue the preservation and possible growth of capital, which if successful will help to sustain and build common shareholder net asset value and asset coverage levels for preferred shares; and

Improved secondary market competitiveness which may benefit common shareholders through higher relative market price and/or stronger premium/discount performance.

In order to implement the New Investment Policies, each Affected Fund must make certain changes to its existing policies, including certain fundamental policies that require your vote of approval. In some cases, this may require your separate votes to approve the elimination of an existing fundamental investment policy as well as the implementation of a new replacement fundamental policy. Because each Affected Fund tends to be situated somewhat differently, the specific changes required to implement the New Investment Policies often vary from fund to fund.

- (ii) Approval of Fund Board Nominees (All Funds). Each year, you and other Fund shareholders must approve the election of Board members to serve on your Fund's Board. This is a requirement for all funds that list their common shares on a stock exchange. The Funds described in this proxy statement are holding their annual shareholder meetings at which Board members will be elected. The list of specific nominees is contained in the enclosed proxy.

Your Fund's Board of Trustees/Directors, including your Board's independent members, unanimously recommends that you vote FOR each proposal.

Your vote is very important. We encourage you as a shareholder to participate in your Fund's governance by returning your vote as soon as possible. If enough shareholders don't cast their votes, your Fund may not be able to hold its meeting or the vote on each issue, and will be required to incur additional solicitation costs in order to obtain sufficient shareholder participation.

Q. Why are shareholders of the Affected Funds being asked to approve the elimination of fundamental investment policies and to approve new fundamental investment policies?

A. Eliminating the fundamental investment policies and adopting new fundamental investment policies would provide the Affected Funds with increased investment flexibility to rapidly respond to continuing developments in the municipal market and would enhance the portfolio managers' ability to meet each Affected Fund's investment objective. Additionally, the proposed changes will create consistent investment policies for all Nuveen Municipal bond funds and will help to promote operational efficiencies.

Q. What happens if shareholders don't approve the elimination of the fundamental investment policies and/or don't approve the new fundamental investment policies?

A. The approval of each new fundamental policy is contingent on the elimination of that Fund's similar current fundamental policy, as indicated in the Proxy Statement. The elimination of each Affected Fund's fundamental name test policy in 2a. is contingent on the approval of each Affected Fund's new fundamental name test policy as shown in 2b. If the elimination of a fundamental investment policy is not approved by shareholders, that policy will remain in place. Your Fund's Board urges you to vote without delay in order to avoid potential disruption to the Fund's operations.

Q. Who do I call if I have questions?

A. If you need any assistance, or have any questions regarding the proposals or how to vote your shares, please call Computershare Fund Services, your Fund proxy solicitor, at (866) 434-7510. Please have your proxy material available when you call.

Q. How do I vote my shares?

A. You can vote your shares by completing and signing the enclosed proxy card, and mailing it in the enclosed postage-paid envelope. Alternatively, you may vote by telephone by calling the toll-free number on the proxy card or by computer by going to the Internet address provided on the proxy card and following the instructions, using your proxy card as a guide.

Q. Will anyone contact me?

A. You may receive a call from Computershare Fund Services, the proxy solicitor hired by your Fund, to verify that you received your proxy materials, to answer any questions you may have about the proposals and to encourage you to vote your proxy.

We recognize the inconvenience of the proxy solicitation process and would not impose on you if we did not believe that the matters being proposed were important and in the best interests of the Fund's shareholders. Once your vote has been registered with the proxy solicitor, your name will be removed from the solicitor's follow-up contact list.

approve the elimination of fundamental investment policies and to approve the adoption of new fundamental investment policies.

- (1) Municipal Auction Rate Cumulative Preferred Shares (MuniPreferred) are referred to as Preferred Shares. Municipal Value, Municipal Income, Select Maturities, Select Portfolio, Select Portfolio 2, Select Portfolio 3, California Portfolio and New York Portfolio have not issued Preferred Shares.

A quorum of shareholders is required to take action at each Annual Meeting. A majority of the shares entitled to vote at each Annual Meeting, represented in person or by proxy, will constitute a quorum of shareholders at that Annual Meeting, except that for the election of the two Board Member nominees to be elected by holders of Preferred Shares of each Fund (except

Municipal Value, Municipal Income, Select Maturities, Select Portfolio, Select Portfolio 2, Select Portfolio 3, California Portfolio, New York Portfolio and Municipal High Income 2), 33 1/3% of the Preferred Shares entitled to vote and represented in person or by proxy will constitute a quorum. Votes cast by proxy or in person at each Annual Meeting will be tabulated by the inspectors of election appointed for that Annual Meeting. The inspectors of election will determine whether or not a quorum is present at the Annual Meeting. The inspectors of election will treat abstentions and broker non-votes (i.e., shares held by brokers or nominees, typically in street name, as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) as present for purposes of determining a quorum.

For each Fund, the affirmative vote of a plurality of the shares present and entitled to vote at the Annual Meeting will be required to elect the Board Members of that Fund. For purposes of determining the approval of the proposal to elect nominees for each Fund, abstentions and broker non-votes will have no effect on the election of Board Members. For purposes of determining the approval of the elimination of the fundamental investment policies and the approval of the adoption of the new fundamental investment policies for Municipal Value, Municipal Income, Select Maturities, Select Portfolio, Select Portfolio 2, Select Portfolio 3, California Portfolio and New York Portfolio, a change will only be consummated if approved by the affirmative vote of the holders of a majority of the outstanding shares of a Fund. For purposes of determining the approval of the elimination of the fundamental investment policies and the approval of the adoption of the new fundamental investment policies for Premium Income, Performance Plus, Municipal Advantage, Municipal Market Opportunity, Investment Quality, Select Quality, Quality Income, Premier Municipal, Premium Income 2, Premium Income 4, Dividend Advantage, Dividend Advantage 2, Dividend Advantage 3 and Municipal High Income, a change will only be consummated if approved by the affirmative vote of the holders of a majority of the outstanding shares of a Fund's Common Shares and Preferred Shares, voting together as a single class, and of the Preferred Shares, voting as a separate class. For this purpose, a majority of the outstanding shares means, as defined in the Investment Company Act of 1940, as amended (the 1940 Act) (a) 67% or more of class/classes shares present at the Annual Meeting, if the holders of more than 50% of the outstanding voting securities of the class/classes are present or represented by proxy; or (b) more than 50% of the outstanding voting securities of class/classes, whichever is less. For purposes of determining the approval of the elimination of the fundamental investment policies and the approval of the new fundamental investment policies, abstentions and broker non-votes will have the same effect as shares voted against the proposal.

Preferred Shares held in street name as to which voting instructions have not been received from the beneficial owners or persons entitled to vote as of one business day before the Annual Meeting, or, if adjourned, one business day before the day to which the Annual Meeting is adjourned, and that would otherwise be treated as broker non-votes may, pursuant to Rule 452 of the New York Stock Exchange, be voted by the broker on the proposal in the same proportion as the votes cast by all holders of Preferred Shares as a class who have voted on the proposal or in the same proportion as the votes cast by all holders of Preferred Shares of the Fund who have voted on that item. Rule 452 permits proportionate voting of Preferred Shares with respect to a particular item if, among other things, (i) a minimum of 30% of the Preferred Shares or shares of a series of Preferred Shares outstanding has been voted by the holders of such shares with respect to such item and (ii) less than 10% of the Preferred Shares or shares

of a series of Preferred Shares outstanding has been voted by the holders of such shares against such item. For the purpose of meeting the 30% test, abstentions will be treated as shares voted and, for the purpose of meeting the 10% test, abstentions will not be treated as shares voted against the item.

Those persons who were shareholders of record at the close of business on June 2, 2008 will be entitled to one vote for each share held and a proportionate fractional vote for each fractional share held. As of June 2, 2008, the shares of the Funds were issued and outstanding as follows:
