Dear Stockholder,

You are cordially invited to attend the Annual Meeting of Stockholders (the Annual Meeting) of R&G Financial Corporation. The Annual Meeting will be held at The Ritz-Carlton, San Juan Hotel, Spa & Casino, 6961 Los Gobernadores Avenue, Carolina, San Juan, Puerto Rico 00979 on Friday, April 23, 2004 at 10:00 a.m., local time. The matters to be considered by stockholders at the Annual Meeting are described in the accompanying materials.

It is very important that you be represented at the Annual Meeting regardless of the number of shares you own or whether you are able to attend the Annual Meeting in person. We urge you to mark, sign, and date your proxy card today and return it in the envelope provided, even if you plan to attend the Annual Meeting. If you hold your shares in street name through a brokerage firm, you may be able to use a toll-free telephone number or the Internet to vote (instructions would be supplied to you by your broker). Taking action to vote by proxy will not prevent you from voting in person, but will ensure that your vote is counted if you are unable to attend.

Your continued support of, and interest in, R&G Financial Corporation are sincerely appreciated.

Very truly yours,

Víctor J. Galán
*Chairman of the Board and
Chief Executive Officer*

R&G FINANCIAL CORPORATION

PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

April 23, 2004

This Proxy Statement is furnished to the holder of Class A common stock, \$0.01 par value per share (Class A Shares), and holders of Class B common stock, \$0.01 par value per share (Class B Shares) (collectively, Common Stock), of R&G Financial Corporation (the Company). Proxies are being solicited on behalf of the Board of Directors of the Company to be used at the Annual Meeting of Stockholders (Annual Meeting) to be held at The Ritz-Carlton, San Juan Hotel, Spa & Casino, 6961 Los Gobernadores Avenue, Carolina, San Juan, Puerto Rico 00979 on Friday, April 23, 2004 at 10:00 a.m., local time, for the purposes set forth in the Notice of Annual Meeting of Stockholders. This Proxy Statement is first being mailed to stockholders on or about April 2, 2004.

Your vote is important. Because many stockholders cannot attend the Annual Meeting in person, it is necessary that a large number be represented by proxy. Stockholders may vote by completing the enclosed proxy card and mailing it in the postage-paid envelope provided. If you hold your shares in street name through a brokerage firm, you may be able to use a toll-free telephone number or the Internet to vote (instructions would be supplied to you by your broker). The telephone and Internet voting procedures, if provided by your broker, are designed to authenticate stockholders by use of a control number and to allow stockholders to confirm that their instructions have been properly recorded.

The method by which you vote will in no way limit your right to vote at the Annual Meeting if you later decide to attend in person. If your shares are held in the name of a broker or other holder of record, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the Annual Meeting.

The proxy card included herein, if properly signed and returned to the Company and not revoked prior to its use, will be voted in accordance with its instructions. If no contrary instructions are given, each proxy card received will be voted (i) FOR the nominees for director described herein; (ii) FOR approval of the amendment to the Amended and Restated Certificate of Incorporation of the Company increasing the authorized Common Stock of the Company; (iii) FOR approval of the R&G Financial Corporation 2004 Stock Option Plan; (iv) FOR ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent auditors for fiscal 2004; and (v) upon the transaction of such other business as may properly come before the Annual Meeting, in accordance with the best judgment of the persons appointed as proxies.

Any stockholder giving a proxy has the power to revoke it at any time before it is exercised by (i) filing with the Secretary of the Company written notice thereof (mailed to the attention of Secretary, R&G Financial Corporation, R-G Plaza, 280 Jesús T. Piñero Avenue, Hato Rey, San Juan, Puerto Rico 00918; (ii) filing a later dated proxy (using a proxy card or the telephone or Internet voting procedures possibly made available by your brokerage firm); or (iii) appearing at the Annual Meeting and giving the Secretary notice of his or her intention to vote in person. Proxies solicited hereby may be exercised only at the Annual Meeting and any adjournment thereof and will not be used for any other meeting.

VOTING

Only stockholders of record at the close of business on March 26, 2004 (Voting Record Date) will be entitled to vote at the Annual Meeting. On the Voting Record Date, there were 21,559,584 Class A Shares outstanding and 29,539,464 Class B Shares outstanding. The Company has no other class of Common Stock or other voting securities outstanding. The holder of Class A Shares, the Chairman and Chief Executive

Table of Contents

Officer of the Company, is entitled to two votes per share and the holders of Class B Shares are entitled to one vote per share at the Annual Meeting on all matters properly presented at the Annual Meeting.

The Chairman of the Board and Chief Executive Officer, who through his holdings of Class A Shares controls 59.35% of the outstanding Common Stock on the Voting Record Date, has indicated his intention to vote his shares FOR the nominees for directors, FOR approval of the amendment to the Amended and Restated Certificate of Incorporation of the Company increasing the authorized Common Stock of the Company, FOR approval of the R&G Financial Corporation 2004 Stock Option Plan and FOR ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent auditors for 2004. Accordingly, the proposals presented for consideration by the stockholders at this Annual Meeting are expected to be approved as presented.

Directors are elected by a plurality of the votes cast with a quorum present. The three persons who receive the greatest number of votes of the holders of Common Stock represented in person or by proxy at the Annual Meeting will be elected directors of the Company. Abstentions and broker non-votes are considered in determining the presence of a quorum, but will not affect the vote required for the election of directors.

The affirmative vote of the holders of a majority of the total votes present in person or by proxy is required to ratify the appointment of the independent auditors. The affirmative vote of the holders of a majority of the shares of the Company's Common Stock outstanding and entitled to vote is necessary to approve the amendment to the Company's Amended and Restated Certificate of Incorporation to increase the authorized Common Stock. Therefore, the failure to vote, either by proxy or in person, will have the same effect as a vote against this proposal. The affirmative vote of the holders of a majority of the shares of the Company's Common Stock present in person or by proxy at the Annual Meeting and entitled to vote is required to approve the R&G Financial Corporation 2004 Stock Option Plan. Abstentions will have the same affect as a vote against each of the proposals. Under rules applicable to broker-dealers, the proposal to approve the R&G Financial Corporation 2004 Stock Option Plan is considered a non-discretionary item upon which brokerage firms may not vote in their discretion on behalf of their clients if such clients have not furnished voting instructions. However, broker non-votes will not be treated as entitled to vote at the Annual Meeting. Consequently, broker non-votes will not affect the vote to approve the R&G Financial Corporation 2004 Stock Option Plan.

Board of Directors Meetings

Regular meetings and special meetings of the Board of Directors of the Company are held as necessary to adequately conduct the Company's business. During the year ended December 31, 2003, the Board of Directors met 15 times. No director attended fewer than 75% of the total number of Board meetings or committee meetings on which he or she served in 2003. Directors are encouraged to attend the Annual Meeting. Ten directors attended the previous annual meeting of stockholders.

Director Compensation

Members of the Board of Directors of the Company who are not also executive officers of the Company receive fees of \$900 per Board meeting attended and \$700 per committee meeting attended. Executive officers of the Company who also serve on the Board of Directors are not compensated for serving on the Board of Directors or committees thereof.

During fiscal 2003, members of the boards of directors of R&G Mortgage, Premier Bank and Crown Bank received fees of \$900, \$900 and \$1,000, respectively, per meeting attended. Executive officers of R&G Mortgage, Premier Bank and Crown Bank who also serve on their respective boards of directors are not compensated for their services on such boards of directors or committees thereof. Non-officer members of the boards of directors of R&G Mortgage, Premier Bank and Crown Bank serving on committees received additional compensation in the amount of \$700, \$700 and \$500, respectively, per committee meeting attended in fiscal 2003, except for members of the Trust Committee of Premier Bank, who each received \$500 per committee meeting attended in fiscal 2003, and members of the Compensation Committee, who each received \$500 per committee meeting attended in fiscal 2003.

Committees of the Board of Directors

General. The Company's Board of Directors has an Audit Committee and a Compensation Committee, each of which is described below.

The New York Stock Exchange (NYSE) corporate governance rules (the Rules), which will be applicable to the Company starting with this year's Annual Meeting, require companies listed with the NYSE to have, among other things, certain corporate governance activities be addressed solely by independent directors, including matters pertaining to director nominations and compensation of executive officers. The Rules contain an exception for controlled companies, which are companies of which more than 50% of the voting power is held by an individual or group. Víctor J. Galán, the Chairman of the Board and Chief Executive Officer of the Company, and the sole holder of Class A Shares, has 59.35% of the voting power of the Company as of the Voting Record Date; therefore, the Company qualifies as a controlled company. The effect of this qualification is that pursuant to the Rules, the Company need not have a nominating/corporate governance committee or a compensation committee composed solely of independent directors. Nonetheless, as stated below, the Company has a Compensation Committee that is composed solely of independent directors.

Audit Committee. The Company's Audit Committee is, and will continue to be, comprised entirely of independent directors as defined by the listing standards of the NYSE, the Sarbanes-Oxley Act of 2002 and the SEC. The members of the Company's Audit Committee are Messrs. Benigno R. Fernández, Gilberto Rivera-Arreaga and Ileana M. Colón-Carlo. In addition, the Board of Directors has determined that each of

Table of Contents

the members of its Audit Committee qualifies as an audit committee financial expert as defined in regulations issued by the SEC. The Audit Committee met 11 times in 2003.

The Audit Committee oversees the Company's auditing, accounting, financial reporting and internal control functions and selects, engages and compensates the Company's independent accountants. In addition, the Audit Committee monitors the quality of the Company's critical accounting principles and financial reporting. The Audit Committee also evaluates the independence of the Company's independent accountants and approves in advance any permissible non-audit services provided to the Company by the independent accountants. In discharging its duties, the Audit Committee:

meets independently with the Company's compliance staff, contracted internal auditors, the Company's independent accountants and the Company's senior management;

reviews the general scope of the Company's accounting, financial reporting, annual audit and internal audit program, matters relating to internal control systems and the results of the annual audit;

receives, retains and evaluates complaints by the Company's employees with respect to any Company accounting, internal accounting controls and auditing matters; and

resolves any disagreements between the Company's management and the Company's independent accountants.

The Audit Committee operates under a written charter adopted by the Company's Board of Directors. A copy of the charter was attached as Appendix A to the Company's 2003 annual meeting proxy statement, which was filed with the SEC on March 31, 2003.

Compensation Committee. The Company's Compensation Committee determines, approves and reports to the Board of Directors on all elements of compensation for the Company's elected officers, including targeted total cash compensation and long-term equity based incentives. During fiscal 2003, the members of the Compensation Committee were Messrs. McCormack (Chairman), Nin, Fernández, Carús Abarca and Gorbea, each of whom are independent directors. The Report of the Compensation Committee on Executive Compensation is set forth elsewhere in this Proxy Statement. See Report of the Compensation Committee on Executive Compensation.

Director Nominations

The Board of Directors acts as a whole when nominating individuals to serve on the Board of Directors. The Company is a controlled company, as defined by the NYSE's corporate governance rules, and is therefore not required to have a nominating committee comprised solely of independent directors. The Board of Directors believes that the selection and nomination of qualified individuals to be a director of the Company should be a function of the entire Board rather than delegated to a committee. The participation by all directors in the nominating process enables each director to contribute to and vote upon the selection and nomination of directors.

The Board of Directors considers candidates for director suggested by directors of the Company, as well as management and stockholders. The Board of Directors also may solicit prospective nominees identified by it. The Board of Directors has authority to retain a third-party search firm to identify or evaluate, or assist in identifying and evaluating, potential nominees if it so desires, although it has not done so to date.

As part of the nominating process, the Board of Directors considers such other relevant factors as it deems appropriate, including the current composition of the Board, the need for Audit Committee expertise and the evaluations of other prospective nominees. In connection with this evaluation, the Board of Directors determines whether to interview the prospective nominee, and if warranted, one or more members of the Board, in concert with the Company's Chief Executive Officer, interviews prospective nominees. After completing this evaluation and interview, the Board of Directors convenes to discuss and vote upon the nominee. The Board of Directors, in its nominating capacity, does not operate pursuant to a written charter.

Stock Option Plan. The Company maintains a Stock Option Plan. The Stock Option Plan is designed to attract and retain qualified personnel in key positions, provide officers and key employees with a proprietary interest in the Company as an incentive to contribute to the success of the Company and reward key employees for outstanding performance and the attainment of targeted goals. An amount of Common Stock equal to 10% of the aggregate number of Class B Shares sold in the Company's initial public offering (1,304,100 shares, as adjusted for the Company's stock dividends and splits) was authorized under the Stock Option Plan, which may be filled by authorized but unissued shares, treasury shares or shares purchased by the Company on the open market or from private sources. The Stock Option Plan provides for the grant of stock options and stock appreciation rights, which are available for grant to key employees of the Company and any subsidiaries.

Profit Sharing Plan. R&G Mortgage and Premier Bank have adopted a Profit Sharing Plan (the Plan), which is intended to comply with the Internal Revenue Code of 1986, as amended (the Code), the Employee Retirement Income Security Act of 1974, and the Puerto Rico Income Tax Act of 1954. All employees of R&G Mortgage and Premier Bank are eligible to participate in the Plan except, among others, those employees who are non-resident aliens. Eligible employees may enter the Plan on January 1, April 1, July 1, and October 1 following attaining age 21 and completing one year of service. Under the Plan, a separate account is established for each participating employee, and R&G Mortgage and Premier Bank may make discretionary contributions to the Plan which are allocated to employees' accounts. Employees may also contribute to the Plan by making salary reductions up to 10% of annual compensation for the year. Such contributions defer the employee's earnings up to a maximum of \$8,000 in each plan year. In 2003, R&G Mortgage and Premier Bank each matched an employee's contribution to the Plan up to 62.5% of the first 5% of an employee's compensation as follows: 12.5% when an employee had 0 to 5 years of service, 25% when an employee had 6 to 10 years of service, 39.5% when an employee had 11 to 15 years of service, 50% when an employee had 16 to 20 years of service, and 62.5% when an employee had 21 or more years of service.

Employees' contributions to the Plan are immediately vested, and employees become 100% vested in employer contributions upon the completion of 5 years of service. All funds contributed to the Plan are held in a trust fund. R&G Mortgage and Premier Bank direct the investment of matching and discretionary contributions, and employees direct the investment of elective contributions and rollover contributions. Contributions may be directed into eight separate funds. Distributions from the Plan are made upon termination of service, death, or disability in a lump sum or installment payments. The normal retirement age under the Plan is age 65.

Certain Relationships and Related Transactions

During the year ended December 31, 2003, VIG Leasing, S.E., a Puerto Rico real estate partnership which is 95.8% owned by the family of Víctor J. Galán, the Company's Chairman of the Board and Chief Executive Officer, received lease payments from the Company of \$3.4 million on properties owned. The Company believes that the lease terms are on terms substantially the same as they would have negotiated with a non-affiliated party.

Under applicable federal law, loans or extensions of credit to executive officers and directors must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with the general public and must not involve more than the normal risk of repayment or present other unfavorable features.

Premier Bank and Crown Bank have policies that provide that all loans made by either bank to directors and officers are made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons. These policies provide that such loans may not involve more than the normal risk of collectability or present other unfavorable features. As of December 31, 2003, mortgage and consumer loans to directors and executive officers of the Company in excess of \$60,000 aggregated approximately \$6,226,000 or 0.83% of the Company's consolidated stockholders' equity as of such date. All such loans were made in accordance with the aforementioned policies.

During the year ended December 31, 2003, Enrique Umpierre-Suárez, a director and Secretary of each of the Company and Premier Bank, provided legal services to borrowers of Premier Bank and R&G Mortgage in connection with the closing of consumer and commercial loans. During the year ended December 31, 2003, Mr. Umpierre-Suárez received \$1.5 million in fees for such legal services, all of which were paid for by customers of Premier Bank and R&G Mortgage in connection with loan closings.

Table of Contents

R&G Mortgage originates first mortgage loans secured by single-family residential properties that are either insured by the Federal Housing Administration (FHA) or guaranteed by the Veterans Administration (VA). R&G Mortgage pools such FHA/ VA loans into mortgage-backed securities that are guaranteed by the Government National Mortgage Association (Ginnie Mae), which securities are sold to securities broker dealers and other investors. During the year ended December 31, 2003, R&G Mortgage sold approximately \$2.5 million of such Ginnie Mae securities to Mr. Victor J. Galán, the Chairman of the Board and Chief Executive Officer of the Company, approximately \$800,000 to Mr. Ramón Prats, the President of the Company, approximately \$50,000 to Mr. Enrique Umpierre-Suárez, a director and the Secretary of the Company, approximately \$500,000 to Mr. Joseph R. Sandoval, the Executive Vice President and Chief Financial Officer of the Company, approximately \$25,000 to Mr. Víctor L. Galán, a director of the Company, and approximately \$200,000 to Mr. Jose L. Ortiz, the Senior Vice President Finance of Premier Bank. In purchasing these securities, such persons receive a benefit on the purchase price equal to 20% of either the premium quoted above par or the discount quoted below par.

Compensation Interlocks and Insider Participation

The Compensation Committee of the Company's Board of Directors reviews the compensation and benefits for the Company's employees and recommends to the Board adjustments in such compensation. During fiscal 2003, the members of the Compensation Committee were Messrs. McCormack (Chairman), Nin, Fernandez, Carús Abarca and Gorbea, each of whom are independent directors. During the year ended December 31, 2003, no member of the Board of Directors or of its Compensation Committee served as a member of the board of directors or compensation committee of an unaffiliated entity that had one or more executive officers serving as members of the Company's Board of Directors or its Compensation Committee.

Report of the Compensation Committee on Executive Compensation

The following Report of the Compensation Committee on Executive Compensation shall not be deemed incorporated by reference by any general statement incorporating this Proxy Statement into any filing under the Securities Act or under the Exchange Act, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under the Securities Act or the Exchange Act.

The purpose of this Committee is to, among other things, compensate qualified, competent management; motivate executives to achieve a range of performance goals consistent with a business plan approved by the Board of Directors of the Company; and ensure that the financial costs of current or proposed compensation and benefit programs are reasonable and consistent with industry standards, management performance and stockholders' interest.

The Compensation Committee considered the following criteria in recommending to the Board the compensation of the Chief Executive Officer as well as the approval of compensation of other executive officers of the Company and its subsidiaries:

1. The overall financial, market and competitive performance of the Company and its subsidiaries during the fiscal year under consideration after adjusting for economic conditions occurring during the year.
2. The level of and/or increases in return on assets and return on equity without encouraging short-term profitability through unreasonable risk-taking or a deterioration of long-term asset quality.
3. Consideration of individual as well as combined measures of progress of the Company and its subsidiaries including the quality of the loan portfolio, the level of the changes in capital ratios, the overall growth of the Company and its subsidiaries, the improvement in market share, the improvement in book value per share, the improvement in earnings per share, the level of non-performing loans and real estate owned, efficiency ratio levels as compared to peer groups and other objectives as may be established by the Board of Directors of the Company.

Table of Contents

4. The individual commitment of the executive officers relative to overall management efficiency, inspirational leadership, professional involvement, civic activities and the maintenance of corporate stature enhancing the image of the Company and its subsidiaries in their market place.
5. The compensation and benefit levels of comparable positions to peer group institutions within the financial services industry, and similar asset and operating characteristics with a concentration on those institutions operating in the Company's market areas.

The compensation arrangements and recommendations of the Compensation Committee include a base salary and a bonus component if the executive's performance is judged to warrant such a bonus.

The base compensation of Víctor J. Galán, Chief Executive Officer of the Company, Premier Bank and Crown Bank, was established at \$341,759 on January 1, 2003. Mr. Galán's compensation level, determined consistent with the before mentioned criteria, was based on an examination of six peer group comparisons relative to salary and bonus compensation for Chief Executive Officers. Mr. Galán's performance is measured by the profit, capital position, asset quality and the low ratio of operating expenses of the Company, R&G Mortgage Premier Bank and Crown Bank as well as other measures of executive compensation so noted in determining his specific compensation. Mr. Galán was given a bonus of \$200,200 for his service during 2003 based on his overall performance as well as other activities that ensued during the course of the year.

With respect to the other executive officers of the Company and its subsidiaries, the Committee also considered salary and bonus recommendations prepared by the Chief Executive Officer to establish 2003 compensation. The salary adjustment recommendation and bonus was based on the Company's overall performance in the past year as well as an analysis of competitive compensation levels necessary to maintain and attract quality personnel.

Following extensive review and approval by the Compensation Committee, all issues pertaining to executive compensation were submitted to the full Board of Directors for their approval. Mr. Víctor Galán does not participate in the review of his compensation.

A copy of the proposed amendment to the Company's Amended and Restated Certificate of Incorporation is included as Appendix A hereto.

As of March 26, 2003, there were 21,559,584 Class A Shares owned by Mr. Víctor J. Galán, Chairman of the Board and Chief Executive Officer of the Company, and 29,539,464 Class B Shares held by members of the general public. Mr. Galán is the sole holder of Class A Shares of the Company, which are not registered. The Class B Shares are registered under the Exchange Act and trade on the NYSE under the symbol RGF.

The Company is seeking stockholder approval to amend its Amended and Restated Certificate of Incorporation for a number of reasons. To begin with, the increased capitalization will provide the Company with sufficient additional capitalization to effectuate stock dividends or stock splits in the future and to use Class B Shares as a form of currency, in whole or in part, in effectuating acquisitions. The Company most recently effectuated a 3:2 stock split in January 2004. The Company has no present plans to declare a stock dividend or stock split and has no present plans, arrangements or understandings with respect to a possible acquisition. In addition, the Company is required to keep in reserve a number of Class B Shares into which the Class A Shares may be converted. Each Class A Share is convertible into Class B Shares at the rate of one Class B Share for each Class A Share so converted, at the discretion of the holder of Class A Shares. The Amended and Restated Certificate of Incorporation of the Company requires the Company to at all times reserve and keep available out of its authorized but unissued Class B Shares, solely for the purpose of issuance upon the conversion of Class A Shares, such number of Class B Shares as shall then be issuable upon the conversion of all outstanding Class B Shares.

Pursuant to Article X of the Amended and Restated Certificate of Incorporation of the Company, amendments to the Amended and Restated Certificate of Incorporation shall be made first by approval of the Board of Directors of the Company pursuant to a resolution adopted by the affirmative vote of a majority of the directors then in office, and then, to the extent required by applicable law, by the holders of a majority of shares of the Company entitled to vote generally in an election of directors, voting together as a single class, as well as such additional vote of the Preferred Stock as may be required by the provisions of any series thereof. The holders of each of the series of the Company's Preferred Stock have no right to vote or dissent with respect to the proposal to amend the Amended and Restated Certificate of Incorporation of the Company.

Holders of Class A Shares and Class B Shares generally vote as a single class on all matters submitted to a vote of the stockholders. Each record holder of Class A Shares is entitled to two votes per share and holders of Class B Shares are entitled to one vote per share. Thus, Mr. Galán is entitled to cast 43,119,168 votes by virtue of his ownership of 21,559,584 Class A Shares and all other stockholders of the Company, as a group, are entitled to cast 29,539,464 votes by virtue of their collective ownership of 29,539,464 Class B Shares. By voting in favor of the proposal to amend the Amended and Restated Certificate of Incorporation to increase

Table of Contents

the number of authorized Common Stock, Mr. Galán will provide the requisite majority stockholder approval of the proposal to amend the Amended and Restated Certificate of Incorporation.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR APPROVAL OF THE AMENDMENT TO THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION OF THE COMPANY TO INCREASE THE AUTHORIZED COMMON STOCK.

PROPOSAL TO APPROVE THE R&G FINANCIAL CORPORATION

2004 STOCK OPTION PLAN

General

The Board of Directors has adopted the R&G Financial Corporation 2004 Stock Option Plan (2004 Stock Option Plan) which is designed to promote the interests of the Company and its stockholders by (a) encouraging officers, employees, directors and individuals performing services for the Company as consultants or independent contractors to focus on critical long-range objectives, (b) encouraging the attraction and retention of officers, employees, directors, consultants and independent contractors with exceptional qualifications, and (c) linking officers, employees, directors, consultants and independent contractors directly to stockholder interests through ownership of the Company.

The 2004 Stock Option Plan provides for the grant of incentive stock options intended to comply with the requirements of Section 422 of the Code and Section 1046 of the Puerto Rico Internal Revenue Code of 1994, as amended (the PRC), and non-qualified stock options (collectively, Awards). Awards will be available for grant to certain eligible persons which, in the case of incentive stock options, are employees of the Company or its subsidiaries, and in the case of all other types of Awards, include any consultant or other independent contractor and non-employee directors who provide services to the Company and its subsidiaries (collectively, Participants).

Description of the 2004 Stock Option Plan

The following description of the 2004 Stock Option Plan is a summary of its terms and is qualified in its entirety by reference to the 2004 Stock Option Plan, a copy of which is attached hereto as Appendix B. Unless otherwise expressed, all capitalized terms shall be defined as set forth in the 2004 Stock Option Plan.

Administration. The 2004 Stock Option Plan will be administered and interpreted by the Compensation Committee of the Board of Directors.

Stock Options. Under the 2004 Stock Option Plan, the Board will determine which Participants will be granted options, whether such options will be designated as incentive stock options or non-qualified stock options, the number of shares subject to each option, the exercise price of such options, and when such options become exercisable. The per share exercise price of an incentive stock option shall be not less than the fair market value of a share of Common Stock on the date the option is granted (and in the case of employees owning more than 10% of the total combined voting power of all classes of stock of the Company, at least 110% of the fair market value of a share of Common Stock on the date the option is granted.) Options granted under the 2004 Stock Option Plan shall become vested and exercisable in the manner specified by the Board of Directors in an award agreement that will be issued to the Participant.

Each stock option or portion thereof shall be exercisable at any time on or after it vests, in accordance with the terms of the award agreement under which it was granted, until the earlier of (x) ten years after its date of grant (five years in the case of an incentive stock option granted to an employee owning more than 10% of the total combined voting power of all classes of stock of the Company) or (y) the date that is six months (ninety days in the case of incentive stock options) following the last day on which the Participant is employed or renders services for the benefit of the Company and its subsidiaries. In the event a Participant dies while in the employ of the Company or any of its subsidiaries or terminates employment with the Company or any of

Table of Contents

its subsidiaries as a result of disability or retirement, any option(s) granted to such Participant under the 2004 Stock Option Plan not yet vested on such date shall become 100% vested as of such date and be exercisable either by the Participant or the Participant's representative. If a Participant dies while in the employ of the Company or its subsidiaries or otherwise terminates employment with the Company or its subsidiaries as a result of disability or retirement without having fully exercised his options, the Participant, or his legal representative or guardian, or the executors, administrators, legatees or distributees of his estate shall have the right, during the 12 month period following the earlier of his death, disability or retirement, to exercise such options to the extent vested on such date of death, disability or retirement, provided no option will be exercisable more than ten years from the date it was granted.

No Participant shall have any voting or dividend or other rights of a stockholder in respect of any shares of Common Stock owned by the Participant prior to the time the Participant becomes the record holder of such shares. Stock options are non-transferable except by will or the laws of descent and distribution, except that in the case of non-qualified stock options, a Participant who holds non-qualified stock options may transfer such options to his or her spouse, lineal ascendants, lineal descendants, or to a duly established trust for the benefit of one or more of these individuals.

Payment for shares of Common Stock purchased upon the exercise of options may be made either in cash or check, or if permitted by the Board, by delivering shares of Common Stock equal in fair market value on the date of exercise to the purchase price of the shares to be acquired pursuant to the option, by a combination of cash and Common Stock, or by such other method as is acceptable to the Board. The Participant shall pay to the Company the full amount of any and all applicable income and employment tax amounts required to be withheld in connection with the exercise, payable under the methods described above, or as may be approved by the Board.

It is the intention of the Board that options designated as incentive stock options in an award agreement shall be subject to such additional terms and conditions not inconsistent with the 2004 Stock Option Plan, which together with the terms of the 2004 Stock Option Plan shall cause such incentive stock options to qualify as such under the Code and the PRC. Such terms shall include limitations on incentive stock options granted to ten percent owners of the Company. An award agreement for an incentive stock option may provide that such option shall be treated as a non-qualified stock option to the extent that certain requirements applicable to incentive stock options under the Code have not been satisfied.

Number of Shares Covered by the 2004 Stock Option Plan. A total of 1,000,000 shares of Common Stock are reserved for future issuance pursuant to the 2004 Stock Option Plan. If any recapitalization, reclassification, stock dividend, stock split, reverse stock split, or other distribution with respect to the Common Stock or other change in corporate structure affecting the Common Stock occurs, the Board may, in the manner and to the extent it deems appropriate and equitable and consistent with the terms of the 2004 Stock Option Plan, cause an adjustment to be made in: (1) the maximum number of shares available under the 2004 Stock Option Plan; (2) the number of shares of Common Stock or other rights subject to outstanding Awards; (3) the price for each share or other right subject to an outstanding Award; or (4) any other terms of an Award affected by the event.

Amendment and Termination of the 2004 Stock Option Plan. The Board may at any time and in any respect amend or modify the 2004 Stock Option Plan. No amendment or modification, however, will adversely affect any Award without the consent of the Participant, or a permitted transferee of the Award. Unless sooner terminated, the 2004 Stock Option Plan shall continue in effect for a period of ten years from the effective date of the 2004 Stock Option Plan. Termination of the 2004 Stock Option Plan shall not affect any previously granted Awards.

Sale Event. The Board may provide in any award agreement for certain effects upon a Sale Event, including: (1) acceleration or extension of time periods for vesting; (2) the elimination or modification of conditions related to the payment or other rights under an Award; (3) provision for the cash settlement of an Award for an equivalent cash value, as determined by the Board; or (4) any other modification or adjustment to an Award as the Board deems appropriate to maintain and protect the rights of Participants upon or

Table of Contents

following a Sale Event. A Sale Event is defined in Section 2.18 of the 2004 Stock Option Plan that is attached hereto as Appendix B.

Federal and Puerto Rico Income Tax Consequences. Under current provisions of the Code and the PRC, the federal and Puerto Rico income tax treatment of incentive stock options and non-qualified stock options is different. With regard to incentive stock options, a Participant who meets certain holding period requirements will not recognize taxable income at the time the option is granted or at the time the option is exercised (although the exercise is an adjustment item for alternative minimum tax purposes and may subject the Participant to alternative minimum tax), and an income tax deduction generally will not be available to the Company as a result of such grant or exercise. With respect to non-qualified stock options, the difference between the fair market value on the date of exercise and the option exercise price generally will be treated as taxable compensation income to the Participant upon exercise, and the Company will be entitled to a deduction in the amount of such taxable income recognized by the Participant.

The above description of tax consequences under federal law of the Code and Puerto Rico law under the PRC is necessarily general in nature and does not purport to be complete. Moreover, statutory provisions are subject to change, as are their interpretations, and their application may vary in individual circumstances.

Accounting Treatment. Stock appreciation rights will, in most cases, require a charge against the earnings of the Company each year representing appreciation in the value of such rights over periods in which they become exercisable. Such charge is based on the difference between the exercise price specified in the related award agreement and the current market price of the Common Stock. In the event of a decline in the market price of the Common Stock subsequent to a charge against earnings related to the estimated costs of stock appreciation rights, a reversal of prior charges is made in the amount of such decline (but not to exceed aggregate prior charges). Compensation expense for a restricted stock grant will be valued based on the fair market value of the stock on the date of grant, multiplied by the number of shares granted. This amount will be recorded as a contra equity account until the award vests. As the restricted stock grant vests over time, the corresponding percentage of the total compensation expense is charged against earnings in that period. Neither the grant nor the exercise of an incentive stock option or a non-qualified stock option under the 2004 Stock Option Plan currently requires any charge against earnings under generally accepted accounting principles.

Stockholder Approval. No incentive stock options granted under the 2004 Stock Option Plan will be exercisable unless the 2004 Stock Option Plan is approved by stockholders.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR APPROVAL OF THE 2004 STOCK OPTION PLAN.

RATIFICATION OF APPOINTMENT OF AUDITORS

The Board of Directors of the Company has appointed PricewaterhouseCoopers LLP, independent certified public accountants, to perform the audit of the Company's financial statements for the year ending December 31, 2004, and further directed that the selection of auditors be submitted for ratification by the stockholders at the Annual Meeting.

The Company has been advised by PricewaterhouseCoopers LLP that neither that firm nor any of its associates has any relationship with the Company or its subsidiaries other than the usual relationship that exists between independent certified public accountants and clients. PricewaterhouseCoopers LLP will have one or more representatives at the Annual Meeting who will have an opportunity to make a statement, if they so desire, and who will be available to respond to appropriate questions.

These procedures require that the annual audit services engagement terms and fees be pre-approved by the Company's Audit Committee. The interpretation and construction of any

Table of Contents

provision of the Plan by the Board or the Committee shall be final. No member of the Board shall be liable for any action or determination made by him or her in good faith.

3.02 Revocation for Misconduct. Any Award, or portion thereof, under this Plan, whether or not vested, made to a Participant who is discharged from the employ of the Company or any of its subsidiaries (or whose personal services contract is terminated in the case of a consultant or independent contractor) shall automatically terminate, be rescinded and be revoked.

3.03 Limitation on Liability. No Board or Committee member shall be liable for any action or determination made in good faith with respect to the Plan. To the maximum extent allowed by law and the Company's amended and restated Certificate of Incorporation and Bylaws, the Board and the Committee shall be indemnified by the Company in respect of all their activities under the Plan.

3.04 Compliance with Law and Regulations. All Awards granted hereunder shall be subject to all applicable federal and state laws, rules and regulations and to such approvals by any government or regulatory agency as may be required. The Company shall not be required to issue or deliver any certificates for shares of Common Stock prior to the completion of any registration or qualification of, or obtaining of consents or approvals with respect to, such shares under any Federal or state law or any rule or regulation of any government body, which the Company shall, in its sole discretion, determine to be necessary or advisable.

3.05 Restrictions on Transfer. The Company shall place a legend upon any certificate representing shares acquired pursuant to an Award granted hereunder noting that the transfer of such may be restricted as permitted by applicable laws and regulations.

3.06 Market Stand-Off. In connection with any underwritten public offering by the Company of its equity securities pursuant to an effective registration statement filed under the Securities Act, Participants shall not directly or indirectly sell, make any short sale of, loan, hypothecate, pledge, offer, or grant any option or other contract for the purchase of, purchase any option or other contract for the sale of, or otherwise dispose of or transfer, or agree to engage in any of the foregoing transactions with respect to, any Common Stock received pursuant to the Plan without the prior written consent of the Company. Such restriction (the Market Stand-Off) shall be in effect for a period of time following the date of the final prospectus for the offering as may be requested by the Company or its underwriters. In the event of the declaration of a stock dividend, a spin-off, a stock split, an adjustment in conversion ratio, a recapitalization or a similar transaction affecting the Company's outstanding securities without receipt of consideration, any new, substituted or additional securities which are by reason of such transaction distributed with respect to any Common Stock subject to the Market Stand-Off, or into which such Common Stock thereby becomes convertible, shall immediately be subject to the Market Stand-Off. In order to enforce the Market Stand-Off, the Company may impose stop-transfer instructions with respect to Common Stock received pursuant to the Plan until the end of the applicable market Stand-Off period.

COMMON STOCK AVAILABLE FOR THE PLAN

The aggregate number of shares of Common Stock which may be issued pursuant to this Plan shall be one million (1,000,000). If and to the extent that the number of issued shares of Common Stock shall be increased or reduced by change in par value, split up, reclassification, distribution of a dividend payable in Common Stock, merger, consolidation, reorganization, recapitalization, reincorporation, or the like, the Board

Table of Contents

may make appropriate adjustment in the number of shares of Common Stock authorized by the Plan and in the number and exercise price of shares covered by outstanding Awards under the Plan. In the event of any adjustment in the number of shares covered by any Award, any fractional shares resulting from such adjustment shall be disregarded and each such Award shall cover only the number of full shares resulting from such adjustment. The Board may make such adjustments, and its determination shall be final, binding and conclusive.

The Board also may adjust the number of shares subject to outstanding Awards and the exercise price and the terms of outstanding Awards to take into consideration material changes in accounting practices or principles, extraordinary dividends, acquisitions or dispositions of stock or property or any other event if it is determined by the Board that such adjustment is appropriate in order to prevent dilution or expansion of the rights of Participants, provided that no such adjustment shall be made in the case of an Incentive Stock Option, without the consent of the Participant, if such adjustment would constitute a modification, extension or renewal of the Option within the meaning of Section 424(h) of the Code or the applicable provision of the PRC.

No shares shall be the subject of more than one Award at any time, but if an Award as to any shares is surrendered before exercise, or expires or terminates for any reason without having been exercised in full, or for any other reason ceases to be exercisable, the number of shares covered thereby shall again become available for grant under the Plan as if no Awards had been previously granted with respect to such shares.

ARTICLE VI

PARTICIPATION; STOCK AWARD AGREEMENT

The Board shall, in its discretion, determine from time to time which Employees, Officers, directors, consultants or independent contractors will participate in the Plan and receive Awards under the Plan. In making all such determinations, there shall be taken into account the duties, responsibilities and performance of each respective Employee, Officer, director, consultant or independent contractor, his or her present and potential contributions to the growth and success of the Company and its subsidiaries, his or her cash compensation and such other factors as the Board shall deem relevant to accomplishing the purposes of the Plan.

Awards may be granted individually or in tandem with other Awards. All Awards are subject to the terms, conditions, restrictions and privileges of the Plan in addition to the terms, conditions, restrictions and privileges for an Award contained in the Stock Award Agreement. No Award under this Plan shall be effective unless memorialized in writing by the Committee in a Stock Award Agreement delivered to and signed by the Participant.

ARTICLE VII

AWARDS

The Board may from time to time grant to eligible Participants Awards of Incentive Stock Options or Non-Qualified Stock Options; provided however that Awards of Incentive Stock Options shall be limited to Employees of the Company or any of its subsidiaries. Options intended to qualify as Incentive Stock Options must have an exercise price at least equal to the Fair Market Value of a share of Common Stock at the time of grant, except as provided in Section 8.05. Non-Qualified Stock Options may have an exercise price that is equal to, below, or above the Fair Market Value of a share of Common Stock at the time of grant. The exercise price applicable to a particular Award shall be set forth in each individual Stock Award Agreement.

ARTICLE VIII

OPTION AWARDS

8.01 Vesting of Options.

(a) General Rules. The Board, in its sole discretion, shall prescribe the time or times at which, or the conditions upon which, an Option shall become vested and exercisable, and may accelerate the exercisability of any Option at any time. Notwithstanding the foregoing, no vesting shall occur on or after the date that an Employee's employment or personal services contract with the Company or any of its subsidiaries terminates for any reason other than his death, Disability or Retirement.

(b) Acceleration of Vesting Upon Death, Disability or Retirement. In the event a Participant dies while in the employ of the Company or any of its subsidiaries or terminates employment with the Company or any of its subsidiaries as a result of Disability, any Option(s) granted to such Participant under this Plan not yet vested on such date shall become 100% vested as of such date and be exercisable either by the Participant or the Participant's representative, subject to Section 8.03. In the event of a Participant's Retirement, any Option(s) granted to such Participant under this Plan not yet vested on such date shall become 100% vested as of such date and become exercisable.

8.02 Duration of Options.

(a) General Rule. Except as provided in Section 8.05, each Option granted to a Participant shall be exercisable at any time on or after it vests until the earlier of (i) ten (10) years after its date of grant or (ii) the date that is six (6) months (ninety (90) days in the case of Incentive Stock Options granted to Employees) following the last day on which the Participant is employed or renders services for the benefit of the Company or its subsidiaries.

(b) Exception for Termination Due to Death, Disability or Retirement. If a Participant dies while in the employ of the Company or any of its subsidiaries or terminates employment with the Company or any of its subsidiaries as a result of death, Disability or Retirement without having fully exercised his Options, the Participant or his legal representative or guardian, or the executors, administrators, legatees or distributees of his estate shall have the right, during the twelve (12) month period following the earlier of his death, Disability or Retirement, to exercise such Options to the extent vested on the date of such death, Disability or Retirement. In no event, however, shall any Option be exercisable more than ten (10) years from the date it was granted.

(c) Notice of Disposition; Withholding; Escrow. A Grantee shall immediately notify the Company in writing of any sale, transfer, assignment or other disposition (or action constituting a disqualifying disposition within the meaning of Section 421 of the Code or the applicable provision of the PRC) of any shares of Common Stock acquired through exercise of an Incentive Stock Option, within two (2) years after the grant of such Incentive Stock Option or within one (1) year after the acquisition of such shares, setting forth the date and manner of disposition, the number of shares disposed of and the price at which such shares were disposed. The Company shall be entitled to withhold from any compensation or other payments then or thereafter due to the Grantee such amounts as may be necessary to satisfy any withholding requirements of federal or state law or regulation and, further, to collect from the Grantee any additional amounts which may be required for such purpose. The Board may, in its discretion, require shares of Common Stock acquired by a Grantee upon exercise of an Incentive Stock Option to be held in an escrow arrangement for the purpose of enabling compliance with the provisions of this Section 8.02(c).

8.03 Nonassignability. Options shall not be transferable by a Grantee except by will or the laws of descent or distribution, and during a Grantee's lifetime shall be exercisable only by such Grantee or the Grantee's guardian or legal representative. Notwithstanding the foregoing, or any other provision of this Plan, a Grantee who holds Non-Qualified Stock Options may transfer such Options to his or her spouse, lineal ascendants, lineal descendants, or to a duly established trust for the benefit of one or more of these individuals. Options so transferred may thereafter be transferred only to the Grantee who originally received the grant or to an individual or trust to whom the Grantee would have initially transferred the Option pursuant to this

Section 8.03. Awards which are transferred pursuant to this Section 8.03 shall be exercisable by the transferee according to the same terms and conditions as applied to the Grantee.

8.04 Manner of Exercise. To the extent vested and exercisable, Options may be exercised in part or in whole from time to time by execution of a written notice directed to the Company, at the Company principal place of business, accompanied by cash or a check in payment of the exercise price for the number of shares specified and paid for. The Board may, in its discretion, permit a Grantee to exercise vested and exercisable options awarded under this Plan by surrendering an amount of Common Stock already owned by the Grantee equal to the Options exercise price, but only in instances where the shares to be surrendered have been held by the Grantee for a period of at least six (6) months. Subject to the limitations set forth in the Stock Award Agreement, for so long as the Common Stock is listed or admitted to trading on a national securities exchange or included for quotation on the Nasdaq market, the Board may, in its discretion, allow the Grantee may make payment by arranging with a third party broker to sell a number of shares otherwise deliverable to the Grantee and attributable to the exercise of the Option in order to pay the exercise price of the Option.

8.05 \$100,000 Limitation. Notwithstanding any contrary provisions contained elsewhere in this Plan and as long as required by Section 422 of the Code and/or Section 1046 of the PRC, the aggregate Fair Market Value, determined as of the time an Incentive Stock Option is granted, of the Common Stock with respect to which Incentive Stock Options are exercisable for the first time by the Grantee during any calendar year under this Plan and stock options that satisfy the requirements of Section 422 of the Code and/or Section 1046 of the PRC under any other stock option plan or plans maintained by the Company, shall not exceed \$100,000. To the extent that the aggregate value of shares of Common Stock to be received by the Grantee for the first time in any one year pursuant to the exercise of an Incentive Stock Option (ISO Stock) exceeds \$100,000 based on the fair market value of the Common Stock as of the date of the Incentive Stock Option s grant, such excess shall be treated as Common Stock received pursuant to the exercise of a Nonqualified Stock Option (NQSO Stock). The Company shall designate which shares of Common Stock to be received by the Grantee will be treated as ISO Stock and which shares of Common Stock, if any, will be treated as NQSO Stock by issuing separate share certificates identifying in the Company s share transfer records which shares are ISO Stock.

8.06 Limitation on Ten Percent Stockholders. The price at which shares of Common Stock may be purchased upon exercise of an Incentive Stock Option granted to an individual who, at the time such Incentive Stock Option is granted, owns, directly or indirectly, more than ten percent (10%) of the total combined voting power of all classes of stock issued to stockholders of the Company, shall be no less than one hundred and ten percent (110%) of the Fair Market Value of a share of the Common Stock of the Company at the time of grant, and such Incentive Stock Option shall by its terms not be exercisable after the expiration of five (5) years from the date such Incentive Stock Option is granted.

ARTICLE IX

AMENDMENT AND TERMINATION OF THE PLAN

The Board may, by resolution, at any time terminate or amend the Plan with respect to any shares of Common Stock or Awards which have not been granted, but no such action shall adversely affect the rights under any outstanding Award without the holder s consent. If and to the extent necessary to ensure that Incentive Stock Options granted under the Plan remain qualified under Section 422 of the Code and/or Section 1046 of the PRC, Plan amendments shall be subject to approval by the Company s stockholders who are eligible to vote at a meeting of stockholders.

ARTICLE X

EMPLOYMENT RIGHTS

ARTICLE XI

WITHHOLDING

The Company may withhold from any cash payment made under this Plan sufficient amounts to cover any applicable withholding and employment taxes, and if the amount of such cash payment is insufficient, the Company may require the Grantee to pay to the Company the amount required to be withheld as a condition to delivering the shares acquired pursuant to an Award. The Company also may withhold or collect amounts with respect to a disqualifying disposition of shares of Common Stock acquired pursuant to exercise of an Incentive Stock Option, as provided in Section 8.02(c).

The Board is authorized to adopt rules, regulations or procedures which provide for the satisfaction of a Participant's tax withholding obligation by the retention of shares of Common Stock to which he otherwise would be entitled pursuant to an Award or by the Participant's delivery of previously-owned shares of Common Stock or other property. However, if the Company adopts rules, regulations or procedures which permit withholding obligations to be met by the retention of Common Stock to which a Grantee otherwise would be entitled pursuant to an Award, the fair market value of the Common Stock retained for such purpose shall not exceed the minimum required Federal, state and local tax withholding due upon exercise of the Award.

ARTICLE XII

EFFECTIVE DATE OF THE PLAN; TERM

12.01 Effective Date of the Plan. This Plan shall become effective on the Effective Date, and Awards may be granted hereunder as of or after the Effective Date and prior to the termination of the Plan, provided that no Incentive Stock Option issued pursuant to this Plan shall qualify as such unless this Plan is approved by the requisite vote of the holders of the outstanding voting shares of the Company at a meeting of stockholders of the Company held within twelve (12) months before or after the Effective Date.

12.02 Term of Plan. Unless sooner terminated, this Plan shall remain in effect for a period of ten (10) years ending on the tenth anniversary of the Effective Date. Termination of the Plan shall not affect any Awards previously granted and such Awards shall remain valid and in effect until they have been fully exercised or earned, are surrendered or by their terms expire or are forfeited.

ARTICLE XIII

To the extent not governed by federal law, this Plan shall be construed under the laws of Puerto Rico.
