Item 1.01 Entry into a Material Definitive Agreement.

See our discussion under Item 2.03 below with respect to our entry into a New Credit Facility, the contents of which are incorporated by reference into this Item 1.01.

Item 1.02 Termination of a Material Definitive Agreement.

As indicated under Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant, below, on October 4, 2004, we terminated, and prepaid all amounts outstanding under our \$45 million secured revolving credit facility dated as of May 22, 2002 (a copy of which is attached as an exhibit to our Amendment No. 1 to Form S-1 filed with the SEC on June 5, 2002). As a result of this early termination, we will incur a prepayment penalty and a write-off of unamortized debt issue costs which, in the aggregate, will approximate \$360,000 on a pre-tax basis, or \$0.01 per diluted share, during the current fiscal quarter.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On October 4, 2004, we, together with our subsidiaries Kirkland's Stores, Inc. and kirklands.com, inc., entered into a new, five-year senior secured revolving credit facility with a revolving loan limit of \$45 million (the New Credit Facility). The New Credit Facility includes a letter of credit subfacility for up to \$15 million. The New Credit Facility bears interest at a floating rate equal to the LIBOR rate plus 1.25% to 1.50% (depending on the amount of excess availability under the borrowing base) per annum. We will also pay unused line fees based on the excess of the loan limit over actual borrowings.

Borrowings under the New Credit Facility are subject to certain customary conditions and contain customary events of default, including an event of default upon a material adverse change in the business or a default upon failure to comply with certain covenants. Borrowings under our New Credit Facility are collateralized by substantially all of our personal and real property. The maximum availability under the revolving credit facility is limited by a borrowing base which consists of a percentage of eligible inventory and eligible credit card receivables, less reserves.

We used the proceeds of the New Credit Facility to repay existing indebtedness, consisting of indebtedness that had been outstanding under our \$45 million secured revolving credit facility dated as of May 22, 2002, which was thereupon terminated. A copy of the agreement for the facility dated as of May 22, 2002 is attached as Exhibit 10.1 to our Amendment No. 1 to Form S-1 filed with the Securities Exchange Commission on June 5, 2002.

Fleet Retail Group, Inc. serves as administrative agent for the lenders under the New Credit Facility. A copy of the New Credit Facility agreement is attached as an exhibit to this Current Report.
