In order to comply with this requirement, at the Annual General Meeting of Shareholders of the Company held on May 11, 2007, the Company s shareholders approved an amendment (the Amendment ) to the Company s Articles of Association to permit uncertificated shares of stock to be issued for one or more class or series of the shares of capital stock of the Company consistent with limitations imposed by law. Prior to the Amendment, the Company s Articles of Association required that the stock of the Company be represented by certificates and did not allow the Company the flexibility to issue shares in uncertificated form.
