ITEM 4. DESCRIPTION OF SECURITIES.

Not applicable.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

The validity of the issuance of the shares of Common Stock registered hereby (the Shares) has been passed upon for the Company by Malea Farsai, General Counsel of the Company. Ms. Farsai holds Common Stock and/or options to purchase Common Stock granted under the Company's stock option plans which in the aggregate represent less than 1% of the Common Stock.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

The Nevada General Corporation Law allows the Company to indemnify its officers and directors from liability incurred by reason of the fact that he or she is or was an officer or director of the corporation. The Company may authorize such indemnification if the Company determines that it is proper under the circumstances. This determination can be authorized based on a vote of the Company's stockholders, by a majority vote of a quorum of directors who were not parties to the relevant legal action, or under certain circumstances, by independent legal counsel in a written opinion. The indemnification can include, but is not limited to, reimbursement of all fees, including amounts paid in settlement and

Edgar Filing: NETSOL INTERNATIONAL INC - Form S-8

attorney's fees actually and reasonably incurred, in connection with the defense or settlement of any action or suit by the officer or director.

The Articles of Incorporation of the Company, as amended, eliminate any personal liability of a director or officer of the Company for breaches of their fiduciary duty and would provide indemnification to such director or officer, as permitted under Nevada laws. A director or officer could still be liable for (i) acts or omissions involving intentional misconduct, fraud or a knowing violation of the law, or (ii) the payment of unlawful distributions to the Company's stockholders.

The Bylaws of the Company, as amended (the Bylaws), provide for mandatory indemnification of directors and officers of the Company to the fullest extent permitted by Nevada law and the Articles of Incorporation. A current or future director or officer of the Company would not be held liable for monetary damages to the company or our stockholders for gross negligence or lack of due care in carrying out his or her fiduciary duties as a director or officer of the Company. Any director or officer is also provided with indemnification to the fullest extent authorized or permitted by law for lawsuits threatened or brought against them as a result of their service, at the request of the Company, as directors or officers of any other entity. The Bylaws also require the Company to advance expenses incurred by a director or officer in defense of any action, suit or

proceeding; provided that repayment by the director or officer would be required if it is ultimately determined by a court of final jurisdiction that such person is not entitled to indemnification by the Company.

The Company has purchased and maintained insurance covering the Company's officers and directors for the purpose of covering indemnification expenses.

At present, there is no pending litigation or proceeding involving a director, officer, employee or agent of the Company as to which indemnification is being sought.

ITEM 9. UNDERTAKINGS.

1. The undersigned registrant hereby undertakes:

- (a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

Edgar Filing: NETSOL INTERNATIONAL INC - Form S-8

- (i) To include any prospectus required by section 10(a)(3) of the Securities Act;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) (§ 230.424(b) of this chapter) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

PROVIDED HOWEVER, that paragraphs (a)(i) and (a)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

- (b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
-

Table of Contents

- (c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
 - 2. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
 - 3. Insofar as indemnification for liabilities under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
