FORM 8-K

CONVERGYS CORPORATION

ITEM 5. OTHER EVENTS.

On July 15, 2002, Convergys Corporation (NYSE:CVG) announced that it had purchased substantially all of the assets of iBasis Speech Solutions, Inc. (formerly Price Interactive), a wholly owned subsidiary of iBasis, Inc. (NASDAQ:IBAS), a provider of international Internet-based communication services. The Speech Solutions business develops and hosts Interactive Voice Response (IVR) and Advanced Speech Recognition (ASR) solutions for large carrier and enterprise customers. The acquisition offers Convergys the opportunity to serve its clients better by supplementing its existing capabilities with state-of-the-art IVR and ASR technology that is compatible with existing software and is fully scaleable to meet the needs of its largest clients.

Convergys paid \$17 million in cash at closing with an additional \$1.5 million placed in escrow (to be distributed to iBasis Inc. upon the satisfaction of certain conditions). If the Speech Solutions business achieves certain revenue milestones in 2002 and 2003, Convergys could pay up to an additional \$16 million in earn-out payments.
