ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement we filed with the Securities and Exchange Commission, referred to as the SEC, using a shelf registration process. Under this shelf registration process, the selling securityholders may, from time to time, offer and sell, in one or more offerings, the securities described in this prospectus. In addition, this prospectus covers the issuance by us of common stock upon the exercise of the warrant by the holders other than the initial selling securityholder.

We may provide a prospectus supplement containing specific information about the terms of a particular offering by the selling securityholders. The prospectus supplement may add, update or change information in this prospectus. If the information in this prospectus is inconsistent with a prospectus supplement, you should rely on the information in the prospectus supplement. You should read both this prospectus and, if applicable, any prospectus supplement. You should rely only on the information contained or incorporated by reference in this prospectus. We have not, and any underwriters have not, authorized anyone to provide you with information different from that contained in this prospectus. If anyone provides you with different or inconsistent information, you should not rely on it.

We are not offering to sell shares of common stock or seeking offers to buy shares of common stock in any jurisdiction where offers and sales are not permitted. The information contained in this prospectus is accurate only as of the date of this prospectus, regardless of the time of delivery of this prospectus or any sale of the common stock offered hereby. As used in this prospectus, Centru, Company, we, our, ours and us refer to Centru Financial Corporation and its consolidated subsidiaries, except where the context otherwise requires or as otherwise indicated.

FORWARD-LOOKING STATEMENTS

This prospectus contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Act of 1934 as amended. The Company intends such forward-looking statements to be covered by the safe harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995 and is including this statement for purposes of these safe harbor provisions. Forward-looking statements, which are based on certain assumptions and describe future plans, strategies, and expectations of the Company, are generally identified by the use of words such as believe, expect, intend, anticipate, estimate, or project or similar expressions. The Company's ability to predict results, or the actual effect of future plans or strategies, is inherently uncertain. Factors which could have a material adverse effect on the operations and future prospects of the Company and the subsidiaries include, but are not limited to, changes in: interest rates; general economic conditions; legislative/regulatory changes; monetary and fiscal policies of the U.S. government, including policies of the U.S. Treasury and the Federal Reserve Board; the quality and composition of the loan or securities portfolios; demand for loan products; deposit flows; competition; demand for financial services in the Company's market areas; the Company's implementation of new technologies; the Company's ability to develop and maintain secure and reliable electronic systems; and accounting principles, policies, and guidelines. These risks and uncertainties should be considered in evaluating forward-looking statements and undue reliance should not be placed on such statements.

RISK FACTORS

Investing in our securities involves risks. Please see the risk factors described under the caption **Risk Factors** in our most recent Annual Report on Form 10-K and our future Annual Reports on Form 10-K or Quarterly Report on Form 10-Q which we file with the SEC, all of which are incorporated by reference in this prospectus and in any accompanying prospectus supplement.

Before making an investment decision, you should carefully consider these risks as well as information we include or incorporate by reference in this prospectus and in any accompanying prospectus supplement. The risks and uncertainties we have described are not the only ones facing our Company. Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also affect our business operations.

USE OF PROCEEDS

We will not receive any proceeds from the sale of the securities by the selling securityholders. If the warrant is exercised in full for cash, we will receive proceeds of approximately \$4.9 million, which we intend to use for general corporate purposes.

DESCRIPTION OF WARRANT TO PURCHASE COMMON STOCK

The following is a brief description of the terms of the warrant that may be resold by the selling securityholders. This summary does not purport to be complete in all respects. This description is subject to and qualified in its entirety by reference to the warrant, a copy of which has been filed with the SEC and is also available upon request from us.

Shares of Common Stock Subject to the Warrant

The warrant is initially exercisable for 508,320 shares of our common stock. If we complete one or more qualified equity offerings, as described below, on or prior to December 31, 2009 that result in our receipt of aggregate gross proceeds of not less than \$32.7 million, which is equal to 100% of the aggregate fixed liquidation amount of \$1,000 per share of our series C preferred stock, plus any accrued and unpaid dividends, the number of shares of common stock underlying the warrant then held by the selling securityholders will be reduced by 50% to 254,160 shares. The number of shares subject to the warrant are subject to the further adjustments described below under the heading

Adjustments to the Warrant.

Exercise of the Warrant

The initial exercise price applicable to the warrant is \$9.64 per share of common stock for which the warrant may be exercised. The warrant may be exercised at any time on or before January 9, 2019 by surrender of the warrant and a completed notice of exercise attached as an annex to the warrant and the payment of the exercise price for the shares of common stock for which the warrant is being exercised. The exercise price may be paid either by the withholding by Centrue of such number of shares of common stock issuable upon exercise of the warrant

Table of Contents

equal to the value of the aggregate exercise price of the warrant, determined by reference to the market price of our common stock on the trading day on which the warrant is exercised or, if agreed to by us and the warrant holder, by the payment of cash, certified or cashier's check, or wire transfer, in an amount equal to the aggregate exercise price. The exercise price applicable to the warrant is subject to the further adjustments described below under the heading *Adjustments to the Warrant*.

Upon exercise of the warrant, certificates for the shares of common stock issuable upon exercise will be issued to the warrant holder. We will not issue fractional shares upon any exercise of the warrant. Instead, the warrant holder will be entitled to a cash payment equal to the market price of our common stock on the last trading day preceding the exercise of the warrant, less the pro-rated exercise price of the warrant, for any fractional shares that would have otherwise been issuable upon exercise of the warrant. We will at all times reserve the aggregate number of shares of our common stock for which the warrant may be exercised. We have listed the shares of common stock issuable upon exercise of the warrant with the Nasdaq Global Market.

Rights as a Shareholder

The warrant holder shall have no rights or privileges of the holders of our common stock, including any voting rights, until (and then only to the extent) the warrant has been exercised.

Transferability; Restrictions on Exercise of Warrant

The initial selling securityholder may not transfer a portion of the warrant, and/or exercise the warrant, with respect to more than 254,160 shares of common stock until the earlier of the date on which Centrue has received aggregate gross proceeds from a qualified equity offering of at least \$32.7 million and December 31, 2009. The warrant, and all rights under the warrant, are otherwise transferable and exercisable.

Adjustments to the Warrant

Adjustments in Connection with Stock Splits, Subdivisions, Reclassifications and Combinations. The number of shares for which the warrant may be exercised and the exercise price applicable to the warrant will be proportionately adjusted in the event we pay dividends or make distributions of our common stock, subdivide, combine or reclassify outstanding shares of our common stock.

Anti-dilution Adjustment. Until the earlier of January 9, 2012 and the date the initial selling securityholder no longer holds the warrant (and other than in certain permitted transactions described below), if we issue any shares of common stock (or securities convertible or exercisable into common stock) for less than 90% of the market price of the common stock on the last trading day prior to pricing such shares, then the number of shares of common stock into which the warrant is exercisable and the exercise price will be adjusted. Permitted transactions include issuances:
as consideration for or to fund the acquisition of businesses and/or related assets;

Table of Contents

in connection with employee benefit plans and compensation related arrangements in the ordinary course and consistent with past practice approved by our board of directors;

in connection with public or broadly marketed offerings and sales of common stock or convertible securities for cash conducted by us or our affiliates pursuant to registration under the Securities Act, or Rule 144A thereunder on a basis consistent with capital-raising transactions by comparable financial institutions; and

in connection with the exercise of preemptive rights on terms existing as of January 9, 2009.

Other Distributions. If we declare any dividends or distributions other than a quarterly cash dividend greater than \$0.14 per share, the exercise price of the warrant will be adjusted to reflect such distribution.

Certain Repurchases. If we effect a *pro rata* repurchase of common stock, both the number of shares issuable upon exercise of the warrant and the exercise price will be adjusted.

Business Combinations. In the event of a merger, consolidation or similar transaction involving Centrue and requiring shareholder approval, the warrant holder's right to receive shares of our common stock upon exercise of the warrant shall be converted into the right to exercise the warrant for the consideration that would have been payable to the warrant holder with respect to the shares of common stock for which the warrant may be exercised, as if the warrant had been exercised prior to such merger, consolidation or similar transaction.

DESCRIPTION OF COMMON STOCK

General

We have 15,000,000 shares of authorized common stock, \$1.00 par value per share, of which 6,028,491 shares were outstanding as of December 31, 2008.

Holders of our common stock are entitled to receive such dividends as our board of directors may, in its discretion, legally declare, subject to the dividend rights of any outstanding preferred stock. Holders of our common stock are also entitled, upon our liquidation, and after claims of creditors and the preferences of any class or series of preferred stock outstanding at the time of liquidation, to receive *pro rata* our net assets.

Our Series A Convertible Preferred Stock, our Series B Preferred Stock, and our recently issued Fixed Rate Cumulative Perpetual Preferred Stock, Series C have, and any other series of preferred stock upon issuance will have, preference over our common stock with respect to the payment of dividends and the distribution of assets in the event of our liquidation or dissolution. Our preferred stock also has such other preferences as currently, or as may be, fixed by our board of directors.

Table of Contents

Holders of our common stock are entitled to one vote for each share that they hold and are vested with all of the voting power except as our board of directors has provided, or may provide in the future, with respect to preferred stock or any other class or series of preferred stock that the board of directors may hereafter authorize. Shares of our common stock have no cumulative voting, subscription, conversion or preemptive rights.

Our common stock is listed on the Nasdaq Global Market. Outstanding shares of our common stock are validly issued, fully paid and non-assessable. Holders of our common stock are not, and will not be, subject to any liability as shareholders.

Transfer Agent and Registrar

The transfer agent and registrar for our common stock is Computershare Investor Services, 2 North LaSalle Street, Chicago, Illinois 60602.

Restrictions on Ownership

The Bank Holding Company Act requires any bank holding company, as defined in the Bank Holding Company Act, to obtain the approval of the Federal Reserve Board before acquiring 5% or more of our common stock. Any person, other than a bank holding company, is required to obtain the approval of the Federal Reserve Board before acquiring 10% or more of our common stock under the Change in Bank Control Act. Any holder of 25% or more of our common stock, or a holder of 5% or more if such holder otherwise exercises a controlling influence over us, is subject to regulation as a bank holding company under the Bank Holding Company Act.

PLAN OF DISTRIBUTION

The selling securityholders and their successors, including their transferees, may sell the securities directly to purchasers or through underwriters, broker-dealers or agents, who may receive compensation in the form of discounts, concessions or commissions from the selling securityholders or the purchasers of the securities. These discounts, concessions or commissions as to any particular underwriter, broker-dealer or agent may be in excess of those customary in the types of transactions involved.

The securities may be sold in one or more transactions at fixed prices, at prevailing market prices at the time of sale, at varying prices determined at the time of sale or at negotiated prices. These sales may be effected in transactions, which may involve crosses or block transactions, in the following manner:

- on any national securities exchange or quotation service on which the warrant or the common stock may be listed or quoted at the time of sale, including, as of the date of this prospectus, the Nasdaq Global Market in the case of the common stock;

- in the over-the-counter market;

- in transactions otherwise than on these exchanges or services or in the over-the-counter market; or

Table of Contents

through the writing of options, whether the options are listed on an options exchange or otherwise.

In addition, any securities that qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus.

In connection with the sale of the securities or otherwise, the selling securityholders may enter into hedging transactions with broker-dealers, which may in turn engage in short sales of the securities in the course of hedging the positions they assume. The selling securityholders may also sell short the securities and deliver securities to close out short positions, or loan or pledge the securities to broker-dealers that in turn may sell these securities.

The aggregate proceeds to the selling securityholders from the sale of the securities will be the purchase price of the securities less discounts and commissions, if any. If the warrant is exercised in full for cash, we will receive proceeds of approximately \$4.9 million, which we intend to use for general corporate purposes.

In effecting sales, broker-dealers or agents engaged by the selling securityholders may arrange for other broker-dealers to participate. Broker-dealers or agents may receive commissions, discounts or concessions from the selling securityholders in amounts to be negotiated immediately prior to the sale.

In offering the securities covered by this prospectus, the selling securityholders and any broker-dealers who execute sales for the selling securityholders may be deemed to be underwriters within the meaning of Section 2(a)(11) of the Securities Act in connection with such sales. Any profits realized by the selling securityholders and the compensation of any broker-dealer may be deemed to be underwriting discounts and commissions. Selling securityholders who are underwriters within the meaning of Section 2(a)(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act and may be subject to certain statutory and regulatory liabilities, including liabilities imposed pursuant to Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Exchange Act.

In order to comply with the securities laws of certain states, if applicable, the securities must be sold in such jurisdictions only through registered or licensed brokers or dealers. In addition, in certain states the securities may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

The anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of securities pursuant to this prospectus and to the activities of the selling securityholders. In addition, we will make copies of this prospectus available to the selling securityholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act, which may include delivery through the facilities of the Nasdaq Global Market pursuant to Rule 153 under the Securities Act.

Table of Contents

At the time a particular offer of securities is made, if required, a prospectus supplement will set forth the number and type of securities being offered and the terms of the offering, including the name of any underwriter, dealer or agent, the purchase price paid by any underwriter, any discount, commission and other item constituting compensation, any discount, commission or concession allowed or reallocated or paid to any dealer, and the proposed selling price to the public.

We do not intend to apply for listing of the warrant on any securities exchange or for inclusion of the warrant in any automated quotation system unless requested by the initial selling shareholder. No assurance can be given as to the liquidity of the trading market, if any, for the warrant.

We have agreed to indemnify the selling securityholders against certain liabilities, including certain liabilities under the Securities Act. We have also agreed, among other things, to register the securities and bear substantially all expenses in connection with the registration of the securities covered by this prospectus.

SELLING SECURITYHOLDERS

On January 9, 2009, we issued the securities covered by this prospectus to the United States Department of Treasury, which is the initial selling securityholder under this prospectus, in a transaction exempt from the registration requirements of the Securities Act. The initial selling securityholder, or its successors, including transferees, may from time to time offer and sell, pursuant to this prospectus or a supplement to this prospectus, any or all of the securities they own. The securities to be offered under this prospectus for the account of the selling securityholders are:

a warrant to purchase 508,320 shares of our common stock, representing beneficial ownership of approximately 8.4% of our common stock as of December 31, 2008; and

508,320 shares of our common stock issuable upon exercise of the warrant, which shares, if issued, would represent ownership of approximately 8.4% of our common stock as of December 31, 2008.

For purposes of this prospectus, we have assumed that, after completion of the offering, none of the securities covered by this prospectus will be held by the selling securityholders.

Beneficial ownership is determined in accordance with the rules of the SEC and includes voting or investment power with respect to the securities. To our knowledge, the initial selling securityholder has sole voting and investment power with respect to the securities.

We do not know when or in what amounts the selling securityholders may offer the securities for sale. The selling securityholders might not sell any or all of the securities offered by this prospectus. Because the selling securityholders may offer all or some of the securities pursuant to this offering, and because currently no sale of any of the securities is subject to any

Table of Contents

agreements, arrangements or understandings, we cannot estimate the number of the securities that will be held by the selling securityholders after completion of the offering.

Other than with respect to the acquisition of the securities, the initial selling securityholder has not had a material relationship with us.

The selling securityholders may change over time and new information about them will be set forth in supplements to this prospectus if and when necessary.

Item 15. Indemnification of Directors and Officers

Section 145 of the General Corporation Law of the State of Delaware (Section 145), Article VIII of the Registrant's Amended and Restated Certificate of Incorporation and Article VII of the Registrant's Bylaws provide for the indemnification of the Registrant's directors and officers in a variety of circumstances, which may include indemnification for liabilities under the Securities Act of 1933. The general effect of these provisions is to provide that the Registrant shall indemnify its directors and officers against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by them in the proceeding in which such persons are made a party by reason of being or having been a director or officer of Registrant, but only if it is determined that they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interest of the Registrant and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. Such determination may be made by (i) a majority vote of a quorum consisting of disinterested directors, (ii) an independent legal counsel in a written opinion (if no such quorum is available or if a quorum of disinterested directors so directs), or (iii) the stockholders. The Registrant will pay expenses incurred by its directors and officers prior to the final disposition of such action, suit or proceeding, if the director or officer undertakes to repay such amount unless it is ultimately determined that they are entitled to be indemnified by the Registrant.

The Registrant has insurance which, subject to certain policy limits, deductible amounts and exclusions, insures directors and officers of the Registrant for liabilities incurred as a result of acts committed in their capacity as directors and officers or claims made against them by reason of their status as directors or officers.

As permitted pursuant to Section 102(b)(7) of the General Corporation Law of the State of Delaware, the Amended and Restated Certificate of Incorporation of the Registrant eliminates the personal monetary liability of a director of the Registrant or its stockholders for breach of fiduciary duty as a director, except for liability that results from (i) any breach of the director's duty of loyalty to the Registrant or its stockholders; (ii) acts or omissions not in good faith or

which involve intentional misconduct or a knowing violation of law, (iii) Section 174 of the General Corporation Law of the State of Delaware (which Section pertains to a director's liability for unlawful payments of dividends or unlawful stock purchases or redemptions); or (iv) any transaction from which the director derived an improper personal benefit.

Act to any purchaser in the initial distribution of the securities: The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
