for every 10 existing Shares. The Board further proposed to amend the Company's Articles of Association to meet the new requirements of the Listing Rules and as required by China Securities Regulatory Commission. The aforesaid proposals are subject to the conditions respectively set out in the circular.

The purpose of this circular is to give you further details of the proposed amendments to Articles of Association, proposed Bonus Issue and Capital Conversion Plan, and to seek your approval at the AGM in connection with such matters.

BONUS ISSUE OF SHARES

Having been audited by PricewaterhouseCoopers Zhong Tian CPAs Co. Ltd. and PricewaterhouseCoopers, the Company's net profit under the PRC GAAP, International Financial Reporting Standards and US GAAP were Rmb5,457,142,551, Rmb5,430,407,607 and Rmb5,470,041,000 respectively. 10% and 7.5% of the net profit for year 2003 of the Company under the PRC GAAP (Rmb5,457,142,551) should be appropriated to the statutory surplus reserve fund and the statutory public welfare fund respectively, amounting to a total of Rmb954,999,946. No appropriation will be made to discretionary surplus reserve fund. According to the Articles of Association of the Company, dividends for distribution by the Company will be based on the lowest of the amounts determined in accordance with the aforesaid standards. The amount of the profit attributable to Shareholders was Rmb4,475,407,661. As at 31st December, 2003, the accumulated profit attributable to shareholders was Rmb10,967,358,000. The distribution of profit for year 2003 by the Company should be based on the total issued share capital of 6,027,671,200 shares of the Company, and the Company would make a distribution of cash dividends to all shareholders on the basis of Rmb5 (including tax) together with five bonus shares for each 10 Shares of the Company. It is estimated that the total amount of dividends and bonus shares to be paid from the profit attributable to Shareholders as at 31st December, 2003 would be Rmb6,027,671,200. The remaining Rmb4,939,686,800 would be reserved for future distribution. The Bonus Shares will rank pari passu in all respects with the existing Shares, save and except that holders of the Bonus Shares will not be entitled to the Bonus Issue. No fractional Shares shall be issued and distributed as aforesaid and Shares representing fractional entitlements will be aggregated and sold for the benefit of the Company.

The exact total number of Bonus Shares to be issued under the Bonus Issue will not be capable of determination until the Record Date. Based on the number of Shares in issue on the Latest Practicable Date, which were 6,027,671,200 Shares, and on assumption that there will be no further Shares issued and/or purchased by the Company on or before the Record Date, the total number of Bonus Shares to be issued will be 3,013,835,600. It is proposed that the Directors be authorized to capitalize the sums of approximately Rmb3,013,835,600, being amounts standing to the credit of the retained profits of the Company and apply such sum in paying up in full the Bonus Shares.

A special resolution set out as resolution No.6 in the AGM Notice will be proposed at the AGM to approve the Bonus Issue.

Conditions of the Bonus Issue

The proposed Bonus Issue is conditional upon the following:

- (i) the passing of the special resolution to approve the Bonus Issue at the AGM; and
- (ii) the Listing Committee of the Stock Exchange granting listing of, and permission to deal in, the Bonus H Shares.

CAPITAL CONVERSION PLAN

Edgar Filing: HUANENG POWER INTERNATIONAL INC - Form 6-K

As at 31st December, 2003, the Company's additional paid-in capital and surplus reserve fund under the PRC GAAP were Rmb10,403,229,361 and 4,374,668,188 respectively. On the basis that the Company's total issued share capital being 6,027,671,200 Shares as at the year end of 2003, the Company will issue additional new shares on the basis of five new shares for every 10 existing Shares to its shareholders by conversion of reserve fund (three of which from additional paid-in capital and two from surplus reserve fund). The Conversion Shares will rank pari passu in all respects with the existing Shares, save and except that holders of the Conversion Shares will not be entitled to the Conversion Shares. No fractional Shares shall be issued and distributed as aforesaid and Shares representing fractional entitlements will be aggregated and sold for the benefit of the Company.

The exact total number of Conversion Shares to be issued under the Capital Conversion Plan will not be capable of determination until the Record Date. Based on the number of Shares in issue, on the Latest Practicable Date, which were 6,027,671,200 Shares, and on assumption that there will be no further shares issued and/or purchased by the Company on or before the Record Date, the total number of Conversion Shares to be issued will be 3,013,835,600. It is proposed that the Directors be authorized to capitalize the sums of approximately RMB3,013,835,600, being amounts standing to the credit of the reserve fund of the Company (three-fifth from additional paid-in capital and two-fifth from surplus reserve fund) and apply such sum in paying up in full the Conversion Shares.

A special resolution set out as resolution No. 7 in the AGM Notice will be proposed at the AGM to approve the Capital Conversion Plan.

Conditions of the Capital Conversion Plan

The proposed Capital Conversion Plan is conditional upon the following:

- (i) the passing of the special resolution to approve the Capital Conversion Plan at the AGM; and
- (ii) the Listing Committee of the Stock Exchange granting listing of, and permission to deal in, the Conversion Shares.

Reasons for the Proposed Bonus Issue and Capital Conversion Plan

The Bonus Issue and Capital Conversion Plan will allow the Shareholders to participate in the growth of the Company by way of capitalization of the reserve fund and a portion of the retained profits of the Company. In addition, it will provide the Company with a wider capital base and therefore increase the marketability of the Shares.

Closure of Register of Members

The register of members of the Company will be closed from 11th April, 2004 to 10th May, 2004 (both days inclusive) during which period no transfer of Shares will be effected. In order to qualify for the Bonus H Shares and Conversion H Shares, Shareholders whose H Shares are not registered in their names should complete and lodge instruments of transfer for the H Shares together with the certificates for their H Shares with the Company's share registrar for H Shares in Hong Kong, Computershare Hong Kong Investor Services Limited at 1901-5, 19/F., Hopewell Centre, 183 Queen's Road East, Hong Kong; and in each case by no later than 4:00 p.m. on 8th April, 2004.

Application has been made to the Listing Committee of the Stock Exchange for listing of, and permission to deal in, the Bonus H Shares and Conversion H Shares. Subject to the satisfaction of the conditions as set out in this circular (including but not limited to the granting of the aforesaid approval by the Stock Exchange), the Bonus H Shares and Conversion H Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS. All necessary arrangements will be made for the Bonus H Shares and Conversion H Shares to be admitted into CCASS. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time.

It is expected that certificates for the Bonus H Shares and Conversion H Shares will be posted to those entitled thereto at their own risk on or before 21st May, 2004. In the case of joint shareholdings, the certificates for the Bonus H Shares and Conversion H Shares will be posted to the address of the first named member on the register of members of the Company in respect of such joint holding.

Dealings in the Bonus H Shares and Conversion H Shares, which are expected to commence on 24th May, 2004 will be subject to Hong Kong stamp duty.

PROPOSED AMENDMENT TO ARTICLES OF ASSOCIATION

The Company proposes to make certain amendments to its Articles of Association in accordance with the relevant new requirements under the Listing Rules as announced by the Stock Exchange on 30th January, 2004 and other requirements of China Securities Regulatory Commission. According to the Articles of Association and the relevant laws and regulations, the Proposed Amendments to the Articles are subject to the approval of the shareholders of the Company by way of special resolution at the AGM.

The Board believes that the Proposed Amendments to Articles do not cause any substantive changes to the content of the original Articles of Association in terms of their adherence to the "Mandatory Provisions for Companies Listed Overseas" ("Mandatory Provisions") issued on 27th August, 1994 by the then State Council Securities Commission and the State Commission for Restructuring Economic System. Therefore, both the Directors of the Company and the Company's PRC legal advisor confirm that the amended Articles of Association will still satisfy the requirements of the Mandatory Provisions.

RECOMMENDATION

The Directors consider that the Proposed Amendments to Articles contained in appendix to this circular, the Bonus Issue and Capital Conversion Plan are in the best interests of the Company and its shareholders and accordingly recommend the shareholders to vote in favour of the resolutions which will be proposed at the AGM.
