ITEM 1. DESCRIPTION OF REGISTRANT'S SECURITIES TO BE REGISTERED

On August 4, 2004, the Board of Directors of Unitrin, Inc. (the "Company") determined to extend for an additional ten (10) years the protections provided by its Stockholder Rights Plan which had previously been adopted in August 1994. In order to implement the extension, the Board of Directors declared a dividend distribution of one new Right for each outstanding share of Company Common Stock to stockholders of record at the close of business on August 16, 2004 (the "Record Date"). These new rights replaced the previously outstanding Rights which had expired in accordance with their terms on August 3, 2004. Each Right entitles the registered holder to purchase from the Company a unit consisting of one one-thousandth of a share (a "Unit") of Series A Junior Participating Preferred Stock, par value \$0.10 per share (the "Series A Junior Participating Preferred Stock") at a Purchase Price of \$150.00 per Unit, subject to adjustment. The description and terms of the Rights are set forth in a Rights Agreement (the "Rights Agreement") between the Company and Wachovia Bank, National Association, as Rights Agent.

The following summary of the principal terms of the Rights Agreement is a general description only and is qualified in its entirety by reference to the detailed terms and conditions of the Rights Agreement. A copy of the Rights Agreement is incorporated herein by reference as Exhibit 1 hereto. Unless the context otherwise requires, the capitalized terms used herein shall have the meanings ascribed to them in the Rights Agreement attached hereto.

RIGHTS INITIALLY EVIDENCED BY COMMON SHARE CERTIFICATES; DISTRIBUTION DATE

Initially, the Rights will be attached to all Common Stock certificates representing shares then outstanding or, in the case of uncertificated shares, the balances indicated in the book-entry account system of the transfer agent for the Common Stock, and no separate Rights Certificates will be distributed. Subject to certain exceptions specified in the Rights Agreement, the Rights will separate from the Common Stock and a "Distribution Date" will occur upon the earlier of: (i) ten (10) business days following a public announcement that a person or group of affiliated or associated persons (an "Acquiring Person") has acquired beneficial ownership of 15% or more (22% or more in the case of the Company's existing stockholder, Singleton Group LLC, and certain related persons) of the outstanding shares of Common Stock (the "Stock Acquisition Date"), other than as a result of repurchases of stock by the Company or certain inadvertent actions by institutional or certain other stockholders; or (ii) ten (10) business days (or such later date as the Board shall determine) following the commencement of a tender offer or exchange offer that would result in a person or group becoming an Acquiring Person. Until the Distribution Date, (i) the Rights will be evidenced by the Common Stock certificates or, in the case of uncertificated shares, the balances indicated in the book-entry account system of the transfer agent for the Common Stock and will be transferred with and only with shares of Common Stock, and (ii) the surrender for transfer of any shares of Common Stock outstanding will also constitute the transfer of the Rights associated with the Common Stock. Pursuant to the Rights Agreement, the Company reserves the right to require prior to the occurrence of a Triggering Event (as defined below) that, upon any exercise of Rights, a number of Rights be exercised so that only whole shares of Preferred Stock will be issued.

ISSUANCE OF RIGHTS CERTIFICATES; EXPIRATION OF RIGHTS

The Rights are not exercisable until the Distribution Date and will expire at 5:00 P.M. (New York City time) on August 4, 2014, unless such date is extended or the Rights are earlier redeemed or exchanged by the Company as described below.

Edgar Filing: UNITRIN INC - Form 8-A12B

As soon as practicable after the Distribution Date, Rights Certificates will be mailed to holders of record of the Common Stock as of the close of business on the Distribution Date and, thereafter, the separate Rights Certificates alone will represent the Rights. Except as otherwise determined by the Board of Directors, or with respect to shares of Common Stock issued or sold pursuant to the exercise of stock options or under any employee plan or arrangement, granted or awarded as of the Distribution Date, or upon the exercise, conversion or exchange of securities issued by the Company after the date of the Rights Agreement, only shares of Common Stock issued prior to the Distribution Date will be issued with Rights.

1

RIGHT TO BUY COMPANY COMMON SHARES

In the event that a Person becomes an Acquiring Person, except pursuant to an offer for all outstanding shares of Common Stock which the independent directors determine to be fair and not inadequate and to otherwise be in the best interests of the Company and its stockholders, after receiving advice from one or more investment banking firms (a "Qualified Offer"), each holder of a Right will thereafter have the right to receive, upon exercise, Common Stock (or, in certain circumstances, cash, property or other securities of the Company) having a value equal to two times the exercise price of the Right. Notwithstanding any of the foregoing, following the occurrence of the event set forth in this paragraph, all Rights that are, or (under certain circumstances specified in the Rights Agreement) were, beneficially owned by any Acquiring Person will be null and void. However, Rights are not exercisable following the occurrence of the event set forth above until such time as the Rights are no longer redeemable by the Company as set forth below.

For example, at an exercise price of \$150 per Right, each Right not owned by an Acquiring Person (or by certain related parties) following an event set forth in the preceding paragraph would entitle its holder to purchase \$300 worth of Common Stock (or other consideration, as noted above) for \$150. Assuming that the Common Stock had a per share value of \$50 at such time, the holder of each valid Right would be entitled to purchase six (6) shares of Common Stock for \$150.

RIGHT TO BUY ACQUIRING COMPANY SHARES

In the event that, at any time following the Stock Acquisition Date, (i) the Company engages in a merger or other business combination transaction in which the Company is not the surviving corporation (other than with an entity which acquired the shares pursuant to a Qualified Offer), (ii) the Company engages in a merger or other business combination transaction in which the Company is the surviving corporation and the Common Stock of the Company is changed or exchanged, or (iii) 50% or more of the Company's assets, cash flow or earning power is sold or transferred, each holder of a Right (except Rights which have previously been voided as set forth above) shall thereafter have the right to receive, upon exercise, common stock of the acquiring company having a value equal to two times the exercise price of the Right. The events set forth in this paragraph and in the second preceding paragraph are referred to as the "Triggering Events."

EXCHANGE PROVISION

At any time after a person becomes an Acquiring Person and prior to the acquisition by such person or group of fifty percent (50%) or more of the outstanding Common Stock, the Board may exchange the Rights (other than Rights owned by such person or group which have become void), in whole or in

Edgar Filing: UNITRIN INC - Form 8-A12B

part, at an exchange ratio of one share of Common Stock, or one one-thousandth of a share of Preferred Stock (or of a share of a class or series of the Company's preferred stock having equivalent rights, preferences and privileges), per Right (subject to adjustment).

ADJUSTMENTS TO PREVENT DILUTION

The Purchase Price payable, and the number of Units of Preferred Stock or other securities or property issuable, upon exercise of the Rights are subject to adjustment from time to time to prevent dilution: (i) in the event of a stock dividend on, or a subdivision, combination or reclassification of, the Preferred Stock; (ii) if holders of the Preferred Stock are granted certain rights or warrants to subscribe for Preferred Stock or convertible securities at less than the current market price of the Preferred Stock; or (iii) upon the distribution to holders of the Preferred Stock of evidences of indebtedness or assets (excluding regular quarterly cash dividends) or of subscription rights or warrants (other than those referred to above).

2

With certain exceptions, no adjustment in the Purchase Price will be required until cumulative adjustments amount to at least 1% of the Purchase Price. No fractional Units will be issued and, in lieu thereof, an adjustment in cash will be made based on the market price of the Preferred Stock on the last trading date prior to the date of exercise.

REDEMPTION

At any time until ten (10) business days following the Stock Acquisition Date, the Company may redeem the Rights in whole, but not in part, at a price of \$0.01 per Right (payable in cash, Common Stock or other consideration deemed appropriate by the Board of Directors). Immediately upon the action of the Board of Directors ordering redemption of the Rights, the Rights will terminate and the only right of the holders of Rights will be to receive the \$0.01 redemption price.

NO STOCKHOLDERS' RIGHTS PRIOR TO EXERCISE

Until a Right is exercised, the holder thereof, as such, will have no rights as a stockholder of the Company, including, without limitation, the right to vote or to receive dividends. While the distribution of the Rights will not be taxable to stockholders or to the Company, stockholders may, depending upon the circumstances, recognize taxable income in the event that the Rights become exercisable for Common Stock (or other consideration) of the Company or for common stock of the acquiring company or in the event of the redemption of the Rights as set forth above.

AMENDMENT OF RIGHTS AGREEMENT

Any of the provisions of the Rights Agreement may be amended by the Board of Directors of the Company prior to the Distribution Date. After the Distribution Date, the provisions of the Rights Agreement may be amended by the Board in order to cure any ambiguity, to make changes that do not adversely affect the interests of holders of Rights, or to shorten or lengthen any time period under the Rights Agreement. The foregoing notwithstanding, no amendment may be made at such time as the Rights are not redeemable.

CERTAIN ANTI-TAKEOVER EFFECTS

Edgar Filing: UNITRIN INC - Form 8-A12B

The Rights are not intended to prevent a takeover of the Company and will not do so. Subject to the restrictions described above, the Rights may be redeemed by the Company at \$0.01 per Right at any time prior to the Distribution Date. Accordingly, the Rights should not interfere with any merger or business combination approved by the Board of Directors. However, the Rights may have the effect of rendering more difficult or discouraging an acquisition of the Company deemed undesirable by the Board of Directors. The Rights may cause substantial dilution to a person or group that attempts to acquire the Company on terms or in a manner not approved by the Company's Board of Directors, except pursuant to an offer conditioned upon the negotiation, purchase or redemption of the Rights.
