Although neither our Common Stock nor our Senior Convertible Preferred Stock presently is listed on a national securities exchange or a U.S. Inter-dealer quotation system of a registered national securities association, we are committed to establishing and maintaining high standards of corporate governance. Management accessibility and accountability, as well as frequent and transparent communication with our public shareholder base and the investor community, is a central theme of this standard. Accordingly, management intends to work closely with our proposed newly constituted Board to identify and implement, in 2004, appropriate enhancements and improvements to our corporate governance initiatives including, to the extent in the best interests of our public shareholders, identifying and adopting certain corporate governance programs, procedures and best practices as consistent as reasonably practicable with those of an Nasdaq-listed company.

In the furtherance of the aforementioned, we intend to enhance the design and maintenance of internal controls, procedures and approval processes. We also intend to review and, where deemed appropriate, rewrite the charters of the Committees of the Board to implement corporate governance initiatives and best practices.

In order to further ensure the proper corporate governance of the Company, the Company has long standing policies and procedures, and intends to implement even more stringent policies and procedures, regarding the consideration and approval of transactions with the officers, directors and significant shareholders of the Company and their affiliates, as well as with respect to the obligations of the directors, officers and significant shareholders relating to business opportunities in which the Company has a legitimate right and expectancy. Director Independence Standards

Currently, the sole member of the Board meeting the definition of "independence," as such term is defined in the listing standards of the Nasdaq Stock Market ("Nasdaq"), is Joel L. Gold. If so elected as a director, Seymour G. Siegel and Harvey Ross would also meet this standard.

Based on the aforementioned independence standard, the Board believes that Alan Cohen and Robert Cohen are not independent. As a result, as further discussed below, the Board anticipates replacing them on most of the committees of the Board in favor of Harvey Ross and Seymour G. Siegel. We intend that these independent members of the Board will hold regularly scheduled executive sessions at least twice a year at which only independent directors are present. Additionally, a publicly available Code of Conduct applicable to directors, officers and employees will be adopted in an endeavor to comply with the definitions of "Code of Ethics" provided in SOXA and the rules of the SEC adopted under SOXA.

Committees of the Board

The current standing committees of the Board include the Executive Committee, the Audit Committee, the Compensation Committee and the Independent Committee. In addition, on June 10, 2003 and December 22, 2003, the Board established Special Independent Committees.

The Executive Committee, whose members are currently Robert Cohen, Alan Cohen and Christopher G. Payan, is generally authorized to exercise the powers of the Board to the fullest extent permitted by applicable law. The Executive Committee did not meet during the year ended December 31, 2003.

Edgar Filing: EMERGING VISION INC - Form DEF 14A

The Audit Committee, whose members currently are Joel L. Gold, Robert Cohen and Alan Cohen, recommends the selection of the Company's independent auditors, receives reports from such independent auditors on any material recommendations made to management, and reviews, with the auditors, any material questions or problems with respect to the accounting records, procedures or operations of the Company which have not been resolved to their satisfaction after having been brought to the attention of management. A copy of the Company's Audit Committee Charter, which we intend to amend for the Audit Committee's anticipated expanded role, is included herein as Annex A. The Audit Committee was established in December 1995, and during the year ended December 31, 2003 met two times telephonically. In the event that they are so elected as directors, the Board anticipates appointing Seymour G. Siegel and Harvey Ross to the Audit Committee in replacement of Alan Cohen and Robert Cohen so that all members of the Audit Committee would be "independent" in accordance with Nasdaq listing standards. It is also anticipated that Mr. Siegel would be identified as the Audit Committee's "financial expert," and that, in the future, the Audit Committee would be charged with the current responsibilities of the Independent Committee.

8

Further, the Audit Committee intends to adopt a procedure for the Company's employees to submit good faith complaints, on a confidential basis, without fear of reprisals, regarding our accounting, internal accounting controls or auditing matters. These procedures would provide for the receipt, retention and treatment of such complaints. Complaints could relate, without limitation, to fraud or deliberate error in the preparation, evaluation, review or audit of our financial statements or in the recording and maintenance of our financial records; deficiencies or non-compliance with our internal accounting controls; or misrepresentations or false statements to or by a senior officer or accountant regarding our financial records or financial reports. The Audit Committee would acknowledge the receipt of any complaint, direct the review of the complaint and direct prompt and appropriate action when and as warranted in the judgment of the Audit Committee.

The Compensation Committee, whose members are currently Alan Cohen, Robert Cohen and Joel L. Gold, administers EVI's 1995 Stock Incentive Plan and sets the salaries and bonuses of the executive officers of the Company. In the event that they are so elected as directors, the Board anticipates appointing Harvey Ross and Seymour G. Siegel to the Compensation Committee in replacement of Alan Cohen and Robert Cohen, so that all members of the Compensation Committee would be "independent" in accordance with Nasdaq listing standards. The Compensation Committee was established in December 1995 and, during the year ended December 31, 2003, met one time telephonically.

The Independent Committee, whose members currently are Joel L. Gold, Benito R. Fernandez and Christopher G. Payan, is generally authorized to review any transaction (or series of transactions) involving more than \$10,000 in any single instance, or more than \$50,000 in the aggregate (other than compensation matters which are determined by the Compensation Committee) between the Company and: (i) any of its directors, officers, principal shareholders and/or each of their respective affiliates; or (ii) any employee of, or consultant to, the Company who also renders services to CFO and/or GVS, retail optical companies owned, in part, by certain directors and shareholders of the Company, whether or not for compensation. As discussed above, in the event that they are so elected as directors, the Board anticipates appointing Seymour G. Siegel and Harvey Ross to the Audit Committee in replacement of Alan Cohen and Robert Cohen so that all members of the Audit Committee would be "independent" in accordance with Nasdaq listing standards. The authority of the Audit Committee could then be expanded to include the current responsibilities of the Independent Committee and the

Edgar Filing: EMERGING VISION INC - Form DEF 14A

Independent Committee would be disbanded. The Independent Committee was established in December 1995 and, during the year ended December 31, 2003, met once telephonically.

Special Independent Committees, whose sole member was Joel L. Gold, was established for the sole purposes of (i) evaluating the fairness and reasonableness of, and negotiating the terms of, the offer (the "Offer"), from Horizons Investors Corp., Drs. Robert and Alan Cohen, and certain of the Cohen family members, to acquire all of the outstanding capital stock of the Company, which Offer was made on June 5, 2003, and was subsequently withdrawn on November 6, 2003, and (ii) negotiating the terms of certain rescission and settlement transactions described in Note 14 of Item 8 of the Company's Annual Report of Form 10-K for the year ended December 31, 2003 (which has been delivered with this Proxy Statement). The Special Independent Committees that were established on June 10, 2003 and December 22, 2003, respectively, each acted one time by written consent during the year ended December 31, 2003.

Nominating Committee. The Company presently does not have a Nominating Committee as nominations for directors are made together by the entire Board. When considering nominees for directorships, the Company reviews and considers such factors as industry experience, educational credentials and accreditations, standing and profile in the principal communities where the Company conducts business, experience as a public company director, diversity and other factors which management in its overall discretion reviews to determine that nominees are well-suited to serve the best interests of the Company and its shareholders. In the event that Harvey Ross and Seymour G. Siegel are so elected as directors, the Board anticipates establishing a Nominating Committee, to be governed by a charter, with its members being Joel L. Gold, Mr. Ross and Mr. Siegel. Thus all members of the Nominating Committee would be "independent" in accordance with Nasdaq listing standards.

9

Compensation Committee Interlocks and Insider Participation

In 2003, none of the members of our Compensation Committee had any interlocks or insider participation requiring disclosure pursuant to Item 402(j)(3).

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires EVI's executive officers and directors, and persons who own more than ten percent of a registered class of EVI's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "SEC"). Executive officers, directors and greater than ten percent shareholders are required, by SEC regulation, to furnish EVI with copies of all Section 16(a) forms they may file.

Based solely on a review of the copies of such forms furnished to EVI, or written representations that no Forms 5 were required, EVI believes that, during the year ended December 31, 2003, all Section 16(a) filing requirements applicable to its executive officers, directors and greater than ten percent beneficial owners were complied with, except that Drs. Robert and Alan Cohen, and Horizons filed certain of their Forms 4 after the required deadlines.

Audit Committee Financial Expert

Our Board of Directors has determined that the Audit Committee of the Board

Edgar Filing: EMERGING VISION INC - Form DEF 14A

does not have an "audit committee financial expert," as that term is defined in Item 401(h) of Regulation S-K. However, upon election, the Company intends to identify Seymour G. Siegel as its audit committee financial expert.

Compensation of Directors

Directors who are not employees or executive officers of the Company receive \$1,500 for each board meeting attended in person, \$1,000 for each committee meeting attended in person, and \$500 for each board or committee meeting attended telephonically. In the event that multiple meetings are held on the same day, directors will receive compensation for one meeting. Further, all directors are reimbursed for certain expenses in connection with their attendance at board and committee meetings.

Other than with respect to the reimbursement of expenses, directors who are employees or executive officers of the Company will not receive additional compensation for serving as a director.

On May 30, 2003, the Compensation Committee of the Board granted 100,000 stock options to each of the non-employee directors of the Company. The options have an exercise price of \$0.05, a term of 10 years, and are immediately exercisable. None of these options have been exercised.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board has furnished the following report on executive compensation:

Philosophy

The compensation philosophy of the Company is to develop and implement policies that will encourage and reward outstanding performance, seek to increase the profitability of the Company, and maximize the Company's return on equity so as to increase shareholder value. Maintaining competitive compensation levels in order to attract and retain executives who bring valuable experience and skills to the Company is also an important consideration. The Company's executive compensation programs are designed to attract and retain talented individuals and motivate them to achieve the Company's business objectives and performance targets, including increasing long-term shareholder value.

The Compensation Committee of the Board is comprised of the following three directors: Alan Cohen, Robert Cohen and Joel L. Gold. Working with the Company, the Compensation Committee develops and implements compensation plans for the Company's executive officers.

Compensation Structure

The Compensation Committee believes that it is in the best interests of the Company and its shareholders that its executive officers be compensated in a manner that provides such officers with a strong incentive to advance both the short-term and long-term interests of the Company.

The annual cash compensation of most of the Company's executive officers consists primarily of an annual salary, a performance bonus and stock options. The Compensation Committee also has discretion to award discretionary bonuses to each of the executive officers.

Non-cash compensation of executive officers consists of options granted under the Company's 1995 Stock Incentive Plan. These stock options produce value for executives only if the Company's stock price increases over the respective option exercise prices. Although there are no particular targets with respect to the number of options granted to an executive officer, in general, the higher the level of an executive's responsibility, the larger this stock-based component of such person's compensation will be. In addition, in determining the size of option awards for a particular executive officer, the Compensation Committee considers the amount of stock options awarded to other executive

Edgar Filing: EMERGING VISION INC - Form DEF 14A

officers in a like position.

The compensation of each executive officer (other than the Principal Executive Officer) is based on an annual review of such officer's performance by the Principal Executive Officer and his recommendations to the Compensation Committee; and the compensation of the Principal Executive Officer is determined by the Compensation Committee. In establishing and administering the variable elements in the compensation of the Company's executive officers, the Compensation Committee tries to recognize individual contributions, as well as overall business results. Compensation levels are also determined based upon the executive's responsibilities, the efficiency and effectiveness with which he/she marshals resources and oversees the matters under his/her supervision, and the degree to which he/she has contributed to the accomplishment of major tasks that advance the Company's goals.

Executive Officer Compensation for 2003

During the year ended December 31, 2003, each of Christopher G. Payan, the Company's Senior Vice President, Co-Chief Operating Officer and Chief Financial Officer and Secretary, Myles S. Lewis, its Senior Vice President - Business Development and Co-Chief Operating Officer, Samuel Z. Herskowitz, its Chief Marketing Officer and Co-Chief Operating Officer, and Brian P. Alessi, its Controller and Treasurer, were not employed by the Company pursuant to

15

employment contracts, with the exception of Mr. Payan. The base salary to which each executive officer was entitled to during the 2003 fiscal year, with the exception of Mr. Payan, was based upon the Company's goal of attracting and retaining qualified executives. Mr. Payan's base salary was based upon that agreed to in his employment contract (see also "Employment Contracts").

During the year ended December 31, 2003, the following employee stock options were granted by the Compensation Committee to the Company's executive officers: Christopher G. Payan - 100,000; Myles S. Lewis - 100,000; Samuel Z. Herskowitz - 100,000, and Brian P. Alessi - 0.

Although the Compensation Committee believes that the compensation paid to its executive officers is comparable to compensation paid by similar companies, it has not made any independent investigation.

The Compensation Committee feels that actions taken regarding executive compensation are appropriate in view of each individual's, as well as the Company's, overall performance.

Principal Executive Officer Compensation for 2003

Christopher G. Payan has served as the Company's Senior Vice President, Co-Chief Operating Officer and Chief Financial Officer since April 2002. The terms of Mr. Payan's employment by the Company are described in detail under "Employment Contracts."

The Committee believes that the 2003 salary of Mr. Payan was reasonable in light of his leadership. The Committee believes that the 2003 compensation level for Mr. Payan reflected the Committee's confidence in him and the Company's desire to retain his talents. In this instance, the Committee sought to provide a total compensation package that is competitive with individuals who hold comparable positions or have similar qualifications in other similar

Edgar Filing: EMERGING VISION INC - Form DEF 14A

organizations.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company is committed to establishing and maintaining high standards of corporate governance, ethics and business conduct. This means the Company conducts its business and manages its affairs in accordance with the spirit and letter of all applicable laws, regulations and public policies, and strives to implement best practices applicable to similarly situated companies.

From time to time, the Company historically has, and hereafter may, transact business with certain of its directors, officers and significant shareholders, and with their respective affiliated companies. In addition, certain of the Company's directors are directors of, have significant economic interests in, and are engaged in businesses substantially similar to, the businesses engaged in by the Company.

Recognizing that certain of our directors, officers and significant shareholders may have a direct or indirect financial or other interest in certain transactions involving the Company, and that they also may have an interest in certain corporate opportunities available to the Company, the Company has established policies and procedures, and intends to implement even more stringent policies and procedures to ensure that the terms of any such transactions with our directors, officers and significant stockholders are negotiated on behalf of the Company exclusively by our independent and disinterested directors, and that the terms of such transactions are at least as favorable to the Company as the terms which the Company otherwise could obtain in "arms-length" transactions with unaffiliated third parties. The Company also intends to adopt new policies and procedures to define, with specificity, those financial and business opportunities in which the Company has a legitimate right to and expectancy in, and which belongs to the Company, and to prohibit the taking by any director, officer, significant shareholder or key employee, for themselves or any of their affiliates, of any such corporate opportunity properly belonging to the Company or in which the Company may have a reasonable interest or expectancy.

As discussed above, our proposed, newly constituted Audit Committee, to consist entirely of independent directors, will be charged with the current responsibilities of the Independent Committee, and the Independent Committee will be disbanded.

The following sets forth the relationships of certain of the directors, officers and significant shareholders of the Company with third parties that are engaged in businesses that are similar to the businesses engaged in by the

Edgar Filing: EMERGING VISION INC - Form DEF 14A

Company, as well as transactions involving the Company in the prior fiscal year in which a director, officer or significant shareholder of the Company, or a third party with whom such director is affiliated, had an interest.

Cohen's Fashion Optical

Drs. Robert and Alan Cohen are officers and directors of Cohen Fashion Optical, Inc. ("CFO"), including its affiliate, Real Optical, LLC. ("REAL"). CFO, which has been in existence since 1978, owns a chain of company-operated and franchised retail optical stores doing business under the name "Cohen's Fashion Optical." As of March 24, 2003, CFO had 74 franchised stores and 6 company-owned stores (including one store operated by an affiliate of CFO under the name "Cohen's Optical"). In addition, CFO also licenses to retail optical stores the right to operate under the name "Cohen's Kids Optical" or "Ultimate Spectacle." As of March 26, 2004, there were two Ultimate Spectacle stores located in the State of New York; and REAL, as of such date, operated three stores (under the name "Cohen's Fashion Optical"), all of which were located in New York State. CFO and REAL stores are similar to the Company's retail optical stores. CFO has been offering franchises since 1979 and currently has retail optical stores in the States of Connecticut, Florida, New Hampshire, Massachusetts, New Jersey and New York. In the future, Cohen's Fashion Optical, Cohen's Kids Optical or Ultimate Spectacle stores may be located in additional states. As of March 26, 2004, approximately 15 CFO stores were located in the same shopping center or mall as, or in close proximity to, certain of the Company's retail optical stores. It is possible that one or more additional Cohen's Fashion Optical stores, Cohen's Kids Optical stores or Ultimate Spectacle stores may, in the future, be located near one or more of the Company's retail optical stores, thereby competing directly with such Company stores. In addition, the Company's stores and certain of CFO's stores jointly participate, as providers, under certain third party benefit plans obtained by either the Company or CFO, which arrangement is anticipated to continue in the future.

17

In January 2002, the Company subleased from CFO, for a term of five years, a portion of the space then being leased by CFO in a building located at 100 Quentin Roosevelt Boulevard, Garden City, New York and, in connection therewith, relocated its principal executive offices to such premises. Occupancy costs are being allocated between the Company and CFO based upon the respective square footages being occupied. The Company believes that its rent with respect to such premises is equal to the fair market rental value of such space.

On December 31, 2002, the Company refinanced certain past due amounts, owed to CFO, in an effort to improve its current cash flow position. As a result, the Company signed a 5-year, \$200,000 promissory note, in favor of CFO, bearing interest at a rate of 10% per annum, and is payable in equal monthly installments of principal and interest.

During the ordinary course of business, largely due to the fact that the entities occupy office space in the same building, and in an effort to obtain savings with respect to certain administrative costs, the Company and CFO will at times share in the costs of minor expenses. Management believes that these expenses have been appropriately accounted for herein.

General Vision Services

In January 2001, General Vision Services, LLC ("GVS"), a Delaware limited liability company located in New York City and beneficially owned, in principal part, by Drs. Robert and Alan Cohen and certain members of their respective

Edgar Filing: EMERGING VISION INC - Form DEF 14A

immediate families (collectively, the "Cohen Family"), acquired substantially all of the assets of General Vision Services, Inc. As of March 26, 2004, GVS operated approximately 24 retail optical stores, principally located in New Jersey and in the New York metropolitan area, which stores are similar to the retail optical stores operated and franchised by the Company. In addition, GVS solicits and administers third party benefit programs similar to those being administered by the Company. It is possible that a GVS store, or another retail optical store which provides third party benefit plans administered by GVS, may now or in the future be located near one or more of the Company's retail optical stores and may be competing directly with such store.

Furthermore, the Company, CFO and GVS jointly participate in certain third party benefit plans, and certain of the Company's retail optical stores, CFO's stores and GVS' stores participate as providers under third party benefit plans obtained by either the Company, CFO or GVS and, in all likelihood, will continue to do so in the future.

In June 2001, the Company subleased to GVS its retail optical store (and the furniture, fixtures and equipment located therein), located in Nyack, New York, at a rent per month equal to the rent and additional rent payable under the Master Lease for such store, less a monthly rental credit, until May 31, 2003, of \$2,500. Pursuant to the terms of such sublease, the Company transferred and conveyed to GVS all of such store's furniture, fixtures and equipment from and after June 15, 2003. The Company continues to sublet this store to GVS, however the Company no longer provides a rent subsidy.

Further, in April 2002, EVI sold to GVS, for the sum of \$55,000, substantially all of the assets of one of its stores located in New York City, together with all of the capital stock of its wholly-owned subsidiary, Sterling Vision of 125th Street, Inc., which is the tenant under the Master Lease for such store.

During 2003, 2002 and 2001, the Company purchased from City Lens, Inc. ("City Lens"), an ophthalmic lens laboratory owned by GVS, ophthalmic lenses and certain lens refinishing services for its Company-owned stores. For the years ended December 31, 2003, 2002 and 2001, the total cost of such lenses and services purchased from City Lens was approximately \$26,000, \$228,000 and \$243,000, respectively. The Company believes that the cost of such lenses and services were as favorable to the Company as those which could have been obtained from an unrelated third party.

Vision World

In October 2003, Vision World, LLC, a Delaware limited liability company located in New York City and beneficially owned, in principal part, by Drs. Robert and Alan Cohen and certain members of the Cohen Family, acquired substantially all of the assets of Eyeglass Services Industries, Inc.'s third party administration business. Vision World solicits and administers third party

benefit programs similar to those being administered by the Company. It is possible that a Vision World store, or another retail optical store which provides third party benefit plans administered by Vision World, may now or in the future be located near one or more of the Company's retail optical stores and may be competing directly with such store.

Additional Agreements and Transactions Between the Company and the Cohen Family

Edgar Filing: EMERGING VISION INC - Form DEF 14A

On December 6, 2001, the Company borrowed from Broadway Partners, LLC ("Broadway"), a New York partnership owned by certain of Dr. Robert and Alan Cohen's children, the sum of \$300,000, which loan, together with interest thereon, calculated at 1% above the prime rate of interest, was repaid to Broadway, in full, on January 23, 2002.

On July 23, 2002, the Board authorized the Company to borrow \$300,000 from Dr. Robert Cohen. The loan was payable on August 10, 2002, together with interest in an amount equal to 1% of the principal amount of such loan. The Company repaid this loan, in full, on August 8, 2002.

On April 4, 2003, the Board authorized the Company to borrow \$100,000 from Dr. Robert Cohen. The loan was payable immediately after the closing of the Company's Rights Offering, together with interest in an amount equal to 1% of the principal amount of such loan. The Company repaid this loan, in full, on April 22, 2003, with a portion of the proceeds from the Rights Offering.

Newtek Business Services

Christopher G. Payan, one of the Company's Chief Operating Officers and directors, serves on the board of directors of Newtek Business Services, Inc. ("NBSI"), a company that provides various financial services to both small and mid-sized businesses. The Company utilizes the bank and non-bank card processing services of one of NBSI's affiliated companies. During the year ended December 31, 2003, the Company paid approximately \$23,000 to such affiliate for such services provided. The Company believes that the cost of such services was as favorable to the Company as those that could have been obtained from an unrelated third party.

Horizons Investors Corp. and Matters Relating to Benito R. Fernandez

On December 3, 2001 and December 20, 2001, the Company borrowed from Horizons the sums of \$150,000 and \$300,000, respectively, each of which loans, together with interest thereon, calculated at 1% above the prime rate, were repaid by the Company, in full, on January 23, 2002.

On January 23, 2002, the Company and Horizons entered into a series of agreements pursuant to which Horizons established, in favor of the Company, a credit facility, in the maximum amount of \$1,000,000 and, in connection therewith, the Company obtained from Horizons advances thereunder, totaling \$450,000. In connection with the closing of the Company's Rights Offering, the Company repaid these amounts, in full, on April 22, 2003.

In connection with the above financing arrangements, EVI issued, to Horizons, five-year warrants to purchase up to 2,500,000 shares of EVI's Common Stock at an exercise price of \$0.01 per share. Horizons exercised 2,000,000, 250,000 and 250,000 of such warrants on May 1, 2002, July 22, 2002 and October 22, 2002, respectively.

Transactions Among the Company, Horizons Investors Corp. and the Cohen Family

On December 31, 2003, the Company entered into agreements, with each of Horizons and certain of the members of the Cohen Family (collectively, the "Subject Shareholders"), pursuant to which the Company and each of the Subject Shareholders agreed to, and effectuated, (a) the rescission, ab initio, of the exercise, by the Subject Shareholders, of 13,000,000 of the over-subscription rights of the Subject Shareholders (and, accordingly, of the issuance, to such Subject Shareholders, of the units associated therewith) granted to them in the

Edgar Filing: EMERGING VISION INC - Form DEF 14A

Rights Offering, and (b) the rescission, surrender and cancellation of all of the remaining warrants (33,210,028 in the aggregate) that were acquired by the Subject Shareholders in the Rights Offering (collectively, the "Rescission Transactions"). In connection with the Rescission Transactions, the Company agreed to repay each Subject Shareholder the original subscription amount of \$0.04 (previously paid by each Subject Shareholder) for each of the rescinded units (together with interest at a rate of 6% per annum from the date of the original acquisition thereof), which, in the aggregate for all of the Subject Shareholders, totaled \$520,000. This sum (plus interest) is payable, by the Company, on or before April 14, 2007, pursuant to a series of promissory notes issued to the Subject Shareholders.

Recognizing that the Subject Shareholders suffered certain damages in connection with the Rescission Transactions, on December 31, 2003, (i) the Company and the Shareholders entered into settlement agreements with each of the Subject Shareholders, pursuant to which the Subject Shareholders released any and all claims that they may have had against the Company as a result of the consummation of the Rescission Transactions, and (ii) the Company, in consideration for such releases, granted to the Subject Shareholders, in the aggregate, new warrants to purchase 59,210,028 shares of the Company's common stock. The exercise prices of the new warrants issued to each of the Subject Shareholders ranged from \$0.0465 to \$0.0489. These exercise prices were calculated with the intention of allowing the Subject Shareholders to purchase equity of the Company on substantially the same economic terms that they would have been originally entitled pursuant to the Rights Offering, but for the Rescission Transactions. The new warrants are not exercisable until April 15, 2006, and expire on April 14, 2008.

In connection with the audit of the fiscal year ended December 31, 2001, the Andersen report did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During the year ended December 31, 2001, there were no disagreements with Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of such firm, would have caused it to make reference to the subject matter of the disagreement as part of its report.

On August 5, 2002, the Audit Committee recommended to the Board that it select Miller, Ellin & Company LLP ("Miller Ellin") as its new independent public accountants, which recommendation was accepted and unanimously passed by

The Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003, and Quarterly Report on Form 10-Q for the three months ended March 31, 2004, are being mailed to shareholders together with this Proxy Statement.
