Our Board of Directors (the “BOD”) presently consists of six directors. The BOD is divided into two classes, designated as Class I and Class II, respectively. Gold, Mr. Glenn Spina and Mr. Joseph Silver presently serve as Class II Directors and were each elected to serve until his successor is elected and qualified. Each of our officers was elected for terms extending until the first meeting of the BOD following the next Annual Meeting of Shareholders or until his successor is elected and qualified.

Item 13. Certain Relationships and Related Transactions, and Director Independence

Cohen's Fashion Optical

Dr. Alan Cohen, our Chairman of its Board of Directors, and, together with his immediate family members, one of our significant shareholders, owns, operates, manages and/or is otherwise involved with other companies in the retail optical industry, which are in competition with our Sterling Stores and/or Combine Members, and may result in potential conflicts. Until March 1, 2008, Dr. Cohen and his brother Dr. Robert Cohen were officers and directors of and together with members of their immediate families, were the sole shareholders of Cohen Fashion Optical, Inc. ("CFO, Inc."), which company operated and franchised retail optical stores similar to Sterling Stores and Combine Member locations in the States of Connecticut, Florida, Massachusetts, New Hampshire, New Jersey, New York and Puerto Rico. Effective March 1, 2008, CFO, Inc. sold substantially all of its assets to Cohen Fashion Optical, LLC ("CFO, LLC"), a Kentucky limited liability company, which continues to operate and offer franchises for retail optical stores primarily under the name Cohen's Fashion Optical. Although, Dr. Alan Cohen does not own any interest in or participate in the management of CFO, LLC, Dr. Cohen is an executive officer and director of Real Optical, LLC and CFO Retail, Inc. (collectively "REAL"), and he and members of his immediate family are principal members and shareholders of said companies. REAL is a franchisee of CFO, LLC and operates retail optical stores in the States of Connecticut, Florida, New Jersey and New York similar to Sterling Stores and Combine Member locations. As of December 31, 2010, REAL was the franchisee of 16 Cohen's Fashion Optical stores, and was also managing an additional store on behalf of CFO, LLC.

General Vision Services and Vision World

Dr. Cohen is also an executive officer of, and he, together with members of his immediate family, are principal members of General Vision Services, LLC ("GVS") and Vision World, LLC ("Vision World"). GVS operates retail optical stores located in the New York metropolitan area. GVS does not offer franchises, however, in connection with the transaction between CFO LLC, and CFO, Inc., GVS agreed that all of its stores, including any stores to be opened in the future, would be operated as franchisees of CFO, LLC. As of December 31, 2010, GVS was the franchisee of CFO, LLC, and was operating 10 stores under the name General Vision Services. GVS and Vision World both solicit and administer third party benefit programs, which provides services under third party benefit plans administered by GVS and Vision World, to certain of our Sterling Stores. Such Sterling Stores pay a processing fee to GVS and Vision World to administer the processing of such third party insurance claims. We believe that the cost of such services were as favorable to the Sterling Stores as could be obtained utilizing an unrelated third party.

Further, in April 2010, Insight IPA of New York, Inc., our wholly owned subsidiary ("Insight IPA") and Insight Managed Vision Care, a division of ours ("Insight MVC") entered into an agreement with Vision World (the "Vision World Agreement"), pursuant to which Vision World has agreed to:

- to the extent that Insight IPA and Insight MVC have agreed with third party organizations to administer Managed Care Plans (i.e., to process and forward claims from providers for payment, respond to eligibility determinations and receive and distribute payments), perform such functions on behalf of Insight IPA and Insight MVC and, to collect and distribute payments to franchisees and our store operators who have entered into provider agreements with Insight IPA and/or Insight MVC ("Insight Providers");
- be responsible for the credentialing of all Insight Providers;

- provide support for Insight Providers to seek to resolve any issues, including requirements of applicable managed care plans and claim status; and
- allow certain of our franchisees and store operators (that are not Insight Providers) the opportunity to serve as providers for Vision World.

In exchange for its service as a third party administrator for the Insight Providers, the Vision World Agreement provides that Vision World shall be entitled to a processing fee of \$4.60 per claim submitted and collected by Vision World (the "Processing Fee") during the first year of the term. For each subsequent year of the term, Vision World will have the right, not more than once each year, to increase the Processing Fee, provided the amount of the increase may not exceed five 5% in any one year.

The Vision World Agreement also provides that, for each claim submitted and collected on behalf of our franchisees and store operators who elect to become Vision World providers, Vision World shall be entitled to an administrative fee of 25% of the amount collected on each such claim (the "Vision World Administration Fee"). Vision World is required to make monthly payments to us equal to 20% of the aggregate Vision World Administration Fees for each month of the Term.

The Vision World Agreement also provides for certain mutual indemnification obligations and each of the parties to the Vision World Agreement has made certain representations, as set forth in the Vision World Agreement.

The Vision World Agreement commenced on May 1, 2010 and shall continue until April 30, 2015, subject to earlier termination as set forth in the Vision World Agreement. The Vision World Agreement shall automatically renew for additional 5 year periods unless either party provides notice of termination at least 90 days prior to the expiration of any such 5 year period.

#### Optical Business Solutions

On January 31, 2007, we entered into a Software License Agreement with Optical Business Solutions, Inc. ("OBS"), to provide software for our new point-of-sale system. OBS is owned by current and former directors, who are also shareholders (including Dr. Alan Cohen). For the years ended December 31, 2010 and 2009, we paid OBS \$26,000 and \$17,000, respectively, related to the maintenance and technical support of such software.

#### Newtek Business Services

Our former Chief Executive Officer and director, Christopher Payan, served on the Board of Directors of Newtek Business Services, Inc. ("NBSI"), a company that provides various financial services to both small and mid-sized businesses. Additionally, Mr. Jeffrey Rubin, one of our directors from April 2008 through November 2009 and part of the Cohen Family, held a 12.5% interest in NBSI as of February 26, 2010. We utilize the bank and non-bank card processing services of one of NBSI's affiliated companies. For the year ended December 31, 2009, we paid approximately \$268,000 to such affiliate for such services provided. Additionally, through May 31, 2010, we utilized insurance administrative services of one of NBSI's affiliated companies, which brokered coverage of our Director and Officers Insurance Policy. For the year ended December 31, 2009, we paid American International Group, Inc. (AIG) approximately \$146,000, and for the five month period ended May 31, 2010, we paid AIG approximately \$46,000. No payments were made directly to that affiliate, however, the NBSI affiliate did receive a commission from AIG to broker the relationship. We believe that the cost of such services were as favorable to us as those which could have been obtained from an unrelated third party.

#### Transactions among the Company and Neil Glachman

In connection with the acquisition of Combine Optical Management Corporation (“COMC”), a company owned by Mr. Neil Glachman, we entered into a series of promissory notes with COMC. The promissory notes amounted to \$1,773,000 with \$498,000 paid in October 2007; \$300,000 paid in September 2008; \$250,000 paid in October 2009; \$225,000 due on October 1, 2010; and \$500,000 (with interest at 7% per annum) payable in sixty, equal monthly installments of \$9,900.60, which commenced on October 1, 2006. For the years ended December 31, 2010 and 2009, there was approximately \$19,000 and \$47,000, respectively, of interest expense. As of December 31, 2010 and 2009, there was \$336,000 and \$417,000, respectively, of related party obligations due under the terms of such promissory notes.

During 2010 and 2009, Combine members purchased contact lenses from Visus Formed Optics, a contact lens manufacturer that is partially owned by Mr. Glachman. For the years ended December 31, 2010 and 2009, the total cost of such contact lenses was approximately \$34,000 and \$46,000, respectively. We believe that the cost of such product was as favorable to Combine as those which could have been obtained from an unrelated third party.

During 2010 and 2009, Combine members purchased contact lenses from Ocular Insight, Inc., a contact lens distributor that is partially owned by Mr. Glachman. For the years ended December 31, 2010 and 2009, the total cost of such contact lenses was approximately \$11,000 and \$18,000, respectively. We believe that the cost of such product was as favorable to Combine as those which could have been obtained from an unrelated third party.
