As a result, Mr. Drazan may be deemed to be a "control" person of the Company.

The Reporting Persons may from time to time acquire shares of Common Stock or dispose of shares of Common Stock through open market or privately negotiated transactions, or otherwise, depending on existing market conditions and other considerations discussed below. Each of the Reporting Persons intends to review its investment in the Company on a continuing basis and, depending upon the price and availability of shares of the Company's Common Stock, subsequent developments affecting the Company, the Company's business and prospects, other investment and business opportunities available to such Reporting Person, general stock market and economic conditions, tax considerations and other factors considered relevant, may decide at any time to increase, or to decrease, the size of its investment in the Company.

In addition, the liquidation preference applicable to the Series A Preferred Stock increases at the rate of 8.00% per year, compounded quarterly, from the date of issue, and, as the number of shares of Common Stock issuable upon conversion is tied to the liquidation preference, the number of shares issuable upon conversion of the Series A Preferred Stock will also increase at a minimum of 8.00% per year, compounded quarterly. Descriptions of the rights, preferences and privileges of the Series A Preferred Stock contained herein are qualified in their entirety by reference to the Amended and Restated Certificate.

Pursuant to the Amended and Restated Certificate, the Company may cause all of the shares of Series A Preferred Stock to be automatically converted into Common Stock at any time after the fifth anniversary of the date of initial issuance of such shares, provided that the Company may only cause such automatic conversion if the closing price per share of Common Stock for 30 consecutive trading days ending within 10 days of the date on which notice of such automatic conversion is given to the holders of the Series A Preferred Stock shall have been at least \$200.00, as adjusted for any stock splits, stock dividends and similar events. All shares of Series A Preferred Stock will also automatically convert into Common Stock at the election of the holders of a majority of the outstanding shares of Series A Preferred Stock. The Series A Preferred Stock may also be converted at any time at the election of each holder.

VOTING. In accordance with the Amended and Restated Certificate, subject to adjustment for stock dividends, subdivisions, combinations or consolidations, holders of Series A Preferred Stock shall have one vote for each share of Common

Schedule 13D

In addition, the Company will not without first obtaining the affirmative vote or written consent of the holders of not less than a majority of the outstanding shares of Series A Preferred Stock, voting together as a single class, on an as converted to Common Stock basis, provided that at least 50% of the shares of Series A Preferred Stock issued by the Company remain outstanding: (i) pay any dividend on any shares of Series A Junior Stock (as defined in the Amended and Restated Certificate), or repurchase or redeem any such shares of Series A Junior Stock except for repurchases of unvested shares of Series A Junior Stock at cost from employees, directors, consultants and other service providers; or (ii) authorize or issue any shares of any class or series of Senior Stock (as defined in the Amended and Restated Certificate), or Series A Parity Preferred Stock (as defined in the Amended and Restated Certificate) or any bonds, debentures, notes or other obligations convertible into or exchangeable for, or having option rights to purchase, any shares of Senior Stock or Series A Parity Preferred Stock.

Furthermore, the Company will not without first obtaining the affirmative vote or written consent of the holders of not less than a majority of the outstanding shares of Series A Preferred Stock and Series B Preferred Stock, voting together as a single class, on an as converted to Common Stock basis, provided that at least 50% of the shares of Series B Preferred Stock issued by the Company remain outstanding: (i) pay any dividend on any shares of Series B Junior Stock (as defined in the Amended and Restated Certificate), or repurchase or redeem any such shares of Series B Junior Stock except for repurchases of unvested shares of Series B Junior Stock at cost from employees, directors, consultants and other service providers; or (ii) authorize or issue any shares of any class or series of Senior Stock or Series B Parity Preferred Stock (as defined in the Amended and Restated Certificate) or any bonds, debentures, notes or other obligations convertible into or exchangeable for, or having option rights to purchase, any shares of Senior Stock or Series B Parity Preferred Stock.

If less than 75% but at least 50% of the shares of Series A Preferred Stock issued by the Company remain outstanding, the number of directors to be elected by holders of Series A Preferred Stock voting separately shall be reduced to two. If less than 50% but at least 25% of the shares of Series A Preferred Stock issued by the Company remain outstanding, the number of directors to be elected by holders of the Series A Preferred Stock voting separately shall be reduced to one. If less than 25% of the shares of Series A Preferred Stock issued by the Company remain outstanding, the holders of Series A Preferred Stock will no longer have the right to elect any members of the board of directors voting separately. Edgar Filing: SIERRA VENTURES VI LP - Form SC 13D/A

CHANGE OF CONTROL. Under the Amended and Restated Certificate, the Company will not, without the affirmative vote or written consent of (a) the holders of not less than a majority of the outstanding shares of Series A Preferred Stock, voting together as a single class, on an as converted to Common Stock basis, provided that at least 50% of the shares of Series A Preferred Stock issued by the Company remain outstanding, and (b) the holders of not less than a majority of the outstanding shares of Series A Preferred Stock and Series B Preferred stock, voting together as a single class, on an as converted to Common Stock basis, provided that at least 50% of the shares of Series B Preferred Stock issued by the Company remain outstanding, consummate a Change of Control Transaction (as defined in the Amended and Restated Certificate), unless the aggregate value received for, or realizable in respect of, all outstanding shares of Series A Preferred Stock and Series B Preferred Stock as a result of such sale or other transaction or series of transactions exceeds an amount equal to \$10.00 per share (as adjusted for stock splits and dividends in kind) multiplied by the number of outstanding shares of Series A Preferred Stock and Series B Preferred Stock (the "Aggregate Cash Purchase Price"), plus an amount sufficient to result in an overall internal rate of return on the Aggregate Cash Purchase Price of 50%, taking into account for purposes of calculating such overall internal rate of return any differences in the dates of issuance of such outstanding shares. In addition, in the event of any Change of Control Transaction, holders of Common Stock Warrants will have the right to deliver such warrants to the Company in exchange for payments equal to the Black-Scholes value of such warrants at the time of such transaction, payable in cash or, subject to certain conditions, Common Stock of the Company.

PREEMPTIVE RIGHTS. Subject to certain exceptions, the Company will grant to the purchasers of Series A Preferred Stock rights to maintain their percentage ownership in the Company in the event of future equity issuances by the Company. A copy of the form of Preemptive Rights Agreement providing for such rights was previously filed as Exhibit 6 to the Statement.
