ITEM 4.01 CHANGES IN REGISTRANT'S CERTIFYING ACCOUNTANT.

In November 2006, the Board of Directors of One Voice Technologies, Inc. (the

Edgar Filing: ONE VOICE TECHNOLOGIES INC - Form 8-K

"Company") determined, pursuant to a policy of periodically reviewing the selection of the Company's independent auditors that it would reevaluate the Company's audit engagement for fiscal year 2006. Accordingly, on February 16, 2007, Squar, Milner, Peterson, Miranda & Williamson, LLP (the "Former Accountant") was dismissed as the auditors for the Company. On February 16, 2007, the Company engaged PMB Helin Donovan, LLP (the "New Accountant"), as its independent certified public accountant. The Company's decision to engage the New Accountant was approved by its Board of Directors on February 16, 2007.

The reports of the Former Accountant on the financial statements of the Company for each of the two most recent fiscal years ended December 31, 2005 did not contain an adverse opinion or disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope or accounting principles, except that the Former Accountant's report on the Company's financial statements for the year ended December 31, 2005 expressed substantial doubt with respect to the Company's ability to continue as a going concern.

During the Company's fiscal year ending December 31, 2005 and the subsequent interim periods through the date of dismissal, there were no reportable events as the term described in Item 304(a)(1)(iv) of Regulation S-B, except for the following:

The Former Accountant advised management that they noted the following significant deficiencies in internal controls that were believed to be material weaknesses under the standards of the Public Company Accounting Oversight Board: (1) lack of sufficient and knowledgeable personnel to maintain appropriate accounting and financial reporting organizational structure to support the activities of the Company; (2) an ineffective control environment due to the lack of a functioning audit committee and lack of a majority of outside directors on the Company's board of directors, resulting in ineffective oversight in the establishment and monitoring of required internal controls and procedures; (3) inadequate segregation of duties consistent with control objectives; (4) insufficient written policies and procedures for accounting and financial reporting with respect to the requirements and application of US GAAP and SEC disclosure requirements; (5) insufficient personnel resources and technical accounting expertise within the accounting function to resolve non-routine or complex accounting matters including application and implementation of US GAAP and SEC reporting requirements; (6) ineffective controls over period end financial close and reporting processes; and (7) inadequate procedures for appropriately identifying, assessing and applying accounting principles.

During the Company's two most recent fiscal years ended December 31, 2005 and the subsequent interim period through February 16, 2007, there were no disagreements with the Former Accountant on any matters of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which, if not resolved to the satisfaction of the Former Accountant, would have caused it to make reference to the subject matter of the disagreements in connection with its reports on these financial statements for such years.

The Company did not consult with the New Accountant regarding the application of accounting principles to a specific transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, and no written or oral advice was provided by the New Accountant that was a factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issues.

The Company has requested that the Former Accountant furnish it with a letter addressed to the Securities and Exchange Commission stating whether it agrees with the above statements. The requested letter is attached as Exhibit 16.1 to this Current Report on Form 8-K.
