Houston, TX, -- July 24, 2006 - DXP Enterprises, Inc. (NASDAQ: DXPE) today announced a 99.7% increase in net income to \$2,950,000 for the second quarter ending June 30, 2006 with diluted earnings per share of \$0.51 compared to net income of \$1,477,000 and diluted earnings per share of \$0.26 for the second quarter of 2005. Sales increased 53.5% to \$69.8 million from \$45.5 million for the second quarter of 2005. Sales by the businesses acquired in 2005 and 2006 accounted for \$9.1 million of the sales increase. Excluding sales by the acquired businesses, sales for the

second quarter of 2006 increased 33.4% from the second quarter of 2005.

Year-to-date net income as of June 30, 2006 increased 134% to \$5.5 million, or \$0.95 per diluted share, compared to \$2.3 million, or \$0.41 per diluted share for the first six months of 2005. Sales increased 51.6% to \$132.3 million from \$87.3 million for the first six months of 2005. Sales by the businesses acquired in 2005 and 2006 accounted for \$17.6 million of the sales increase. Excluding sales of the acquired businesses, sales for the first six months of 2006 increased 31.4% from the same period in 2005.

David R. Little, Chairman and Chief Executive Officer said, "Our industrial customer base continues to indicate a strong outlook in the upstream and downstream energy sectors of oil, gas and coal. We are also seeing continued growth opportunities in the chemical, petrochemical, mining and general industries sectors. The dynamic of all of DXP's major markets seeing growth and future opportunities gives us a continued positive long term outlook."

DXP Enterprises, Inc. is a leading products and service distributor that adds value and total cost savings solutions to MRO and OEM customers in virtually every industry since 1908. DXP provides innovative pumping solutions, integrated supply and MROP (maintenance, repair, operating and production) services that emphasize and utilize DXP's vast product knowledge and technical expertise in pumps, bearings, power transmission, seals, hose, safety, fluid power, electrical and industrial supplies. DXP's breadth of MROP products and service solutions allows DXP to be flexible and customer driven creating competitive advantages for our customers.

DXP's innovative pumping solutions provide engineering, fabrication and technical design to meet the capital equipment needs of its global customer base. DXP provides solutions by utilizing manufacturer authorized equipment and certified personnel. Pump packages require MRO and OEM equipment such as pumps, motors and valves, and consumable products. DXP leverages its MROP inventories and technical knowledge to lower the total cost and maintain the quality of the pump package.

SmartSource, a DXP integrated supply program, allows a more efficient way to manage the customer's supply chain needs for MROP products. The program allows the customer to transfer all or part of their supply chain needs to DXP, so the customer can focus on his core business. SmartSource effectively lowers costs by outsourcing purchasing, accounting, and on-site supply management to DXP, which reduces the duplication of effort by the customer and supplier. DXP's broad range of first-tier products provides an efficient measurable solution to reduce cost and streamline procurement and sourcing operations.
