METTLER-TOLEDO INTERNATIONAL INC. CONFIRMED
FOREIGN CURRENCY HEDGES

COLUMBUS, Ohio, USA - January 15, 2015 - Mettler-Toledo International Inc. (NYSE: MTD) today confirmed it has foreign currency forward contracts that reduce approximately 90% of its exposure from the Swiss franc strengthening against the euro in 2015 and contracts that reduce approximately 70% of its exposure in 2016. Additional information on the impact of changing foreign exchange rates can be found in the Company's 10-K and periodic filings.

METTLER TOLEDO is a leading global supplier of precision instruments and services. The Company has strong leadership positions in all businesses and believes it holds global number-one market positions in a majority of them. Specifically, METTLER TOLEDO is the largest provider of weighing instruments for use in laboratory, industrial and food retailing applications. The Company is also a leading provider in analytical instruments for use in life science, reaction engineering and real-time analytic systems used in drug and chemical compound development and process analytics instruments used for in-line measurement in production processes. In addition, METTLER TOLEDO is the largest supplier of end-of-line inspection systems used in production and packaging for food, pharmaceutical and other industries. Additional information about METTLER TOLEDO can be found at www.mt.com/investors. Statements in this press release which are not historical facts constitute "forward-looking statements" within the meaning of Section 27A of the U.S. Securities Act of 1933 and Section 21E of the U.S. Securities Exchange Act of 1934. These statements involve known and unknown risks, uncertainties and other factors that may cause our or our businesses' actual results, levels of activity, performance or achievements to be materially different from those expressed or implied by any forward-looking statements. In some cases, you can identify forward-looking statements by terminology such as "may," "will," "could," "would," "should," "expect," "plan," "anticipate," "intend," "believe," "estimate," "potential" or "continue" or the negative of those terms or other comparable terminology. For a discussion of these risks and uncertainties, please see the discussion on forward-looking statements in our current report on Form 8-K to which this release has been furnished as an exhibit. All of the forward-looking statements are qualified in their entirety by reference to the factors discussed under the captions "Factors affecting our future operating results" and in the "Business" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" sections of our annual report on Form 10-K for the most recently completed fiscal year, which describe risks and factors that could cause results to differ materially from those projected in those forward-looking statements.
