The Board of Directors of Heritage Financial Corporation (“Board”) is using this Proxy Statement to solicit proxies from our shareholders for use at the annual meeting of shareholders. We first provided access to this Proxy Statement and a form of proxy card on March 22, 2018.

The information provided in this Proxy Statement relates to Heritage Financial Corporation and its wholly-owned bank subsidiary, Heritage Bank. Heritage Financial Corporation may also be referred to as “Heritage” or the “Company.” All references in this Proxy Statement to “Heritage,” “we,” “us” and “our” or similar references mean Heritage Financial Corporation and its consolidated subsidiaries.

INFORMATION ABOUT THE ANNUAL MEETING

Time and Place of the Annual Meeting

Our annual meeting will be held as follows:

Date: Wednesday, May 2, 2018

Time: 1:30 p.m., Pacific time

Place: DoubleTree by Hilton, 415 Capitol Way N., Olympia, Washington

Matters to Be Considered at the Annual Meeting

At the meeting, you will be asked to consider and vote on:

• The election of ten directors to each serve for a one-year term.

• An advisory, non-binding, resolution to approve the compensation paid to our named executive officers, as disclosed in this Proxy Statement.

• The ratification of the Audit and Finance Committee’s appointment of Crowe Horwath LLP as our independent registered public accounting firm for the year ending December 31, 2018.

We will also transact any other business that may properly come before the annual meeting. As of the date of this Proxy Statement, we are not aware of any business to be presented for consideration at the annual meeting other than the matters described in this Proxy Statement.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Shareholders to Be Held on May 2, 2018

Our Proxy Statement, the Notice of Internet Availability of Proxy Materials and our Annual Report to Shareholders are available at www.hf-wa.com. The following materials are available for review:

• Proxy Statement;

• Notice of Internet Availability of Proxy Materials;

• Proxy Card;

• Annual Report to Shareholders; and

• Directions to attend the annual meeting, where you may vote in person.

We provided access to our proxy materials beginning on March 22, 2018. On that day, we mailed the Notice of Availability of Proxy Materials to our shareholders. The SEC allows us to deliver proxy materials to shareholders over the Internet. We believe that this offers a convenient way for shareholders to review our information. It also reduces printing expenses and lessens the environmental impact of paper copies.

Who is Entitled to Vote?

We have fixed the close of business on March 5, 2018, as the record date for shareholders entitled to notice of and to vote at our annual meeting. Only holders of record of Heritage's common stock on that date are entitled to notice of and to vote at the annual meeting. You are entitled to one vote for each share of Heritage common stock you own, unless you acquired more than 10% of Heritage's outstanding common stock without prior Board approval. As provided in our Articles of Incorporation, for each vote in excess of 10% of the voting power of the outstanding shares of Heritage's voting stock, the record holders in the aggregate will be entitled to cast one-hundredth of a vote, and the aggregate power of these record holders will be allocated proportionately among these record holders. On March 5, 2018, there were 34,013,413 shares of Heritage common stock outstanding and entitled to vote at the annual meeting.

How Do I Vote at the Annual Meeting?

Proxies are solicited to provide all shareholders on the voting record date an opportunity to vote on matters scheduled for the annual meeting and described in these materials. This answer provides voting instructions for shareholders of record. You are a shareholder of record if your shares of Heritage common stock are held in your name. If you are a beneficial owner of Heritage common stock held by a broker, bank or other nominee (i.e., in "street name"), please see the instructions below, under "What if My Shares Are Held in "Street Name" by a Broker?"

Shares of Heritage common stock can only be voted if the shareholder is present in person or by proxy at the annual meeting. To ensure your representation at the annual meeting, we recommend you vote by proxy even if you plan to attend the annual meeting. You can always change your vote at the meeting if you are a shareholder of record.

Voting instructions are included on the Notice of Internet Availability of Proxy Materials. Shares of Heritage common stock represented by properly executed proxies will be voted by the persons named on the form of proxy in accordance with the shareholder's instructions. Where properly executed proxies are returned to us with no specific instruction as to how to vote at the annual meeting, the persons named in the proxy will vote the shares FOR the election of each of our director nominees, FOR advisory approval of the compensation of our named executive officers as disclosed in this Proxy Statement, and FOR ratification of the appointment of Crowe Horwath LLP as our independent registered public accounting firm for the year ending December 31, 2018. If any other matters are properly presented at the annual meeting for action, the persons named in the form of proxy and acting thereunder will have the discretion to vote on those matters in accordance with their best judgment. We do not currently expect that any other matters will be properly presented for action at the annual meeting.

You may receive more than one proxy depending on how your shares are held. For example, you may hold some of your shares individually, some jointly with your spouse and some in trust for your children. In this case, you will receive three separate proxies to vote.

What if My Shares Are Held in "Street Name" by a Broker?

If you are the beneficial owner of shares held in "street name" by a broker, bank or other nominee, the nominee, as the record holder of the shares, is required to vote the shares in accordance with your instructions. If you do not give instructions to the nominee, the nominee may nevertheless vote the shares with respect to discretionary items, but will not be permitted to vote your shares with respect to non-discretionary items, pursuant to current industry practice. In the case of non-discretionary items, the shares not voted will be treated as "broker non-votes." The proposal for the election of directors and the advisory vote on executive compensation are considered non-discretionary items; therefore, you must provide instructions to the nominee in order to have your shares voted on these proposals.

If your shares are held in street name, you will need proof of ownership to be admitted to the annual meeting. A recent brokerage statement or letter from the record holder of your shares are examples of proof of ownership. If you want to vote your shares of common stock held in street name in person at the annual meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

How Will My Shares of Common Stock Held in the 401(k) Profit Sharing Plan Be Voted?

We maintain a 401(k) profit sharing plan ("401(k) Plan") which owned 289,189 shares or 0.85% of Heritage's common stock as of the record date. Our employees participate in the 401(k) Plan. Each participant may instruct the 401(k) Plan trustee how to vote the shares of Heritage common stock allocated to his or her account under the Plan by completing a vote authorization form. If a participant properly executes a vote authorization form, the 401(k) Plan trustee will vote the participant's shares in accordance with the participant's instructions. 401(k) Plan shares for which proper voting instructions are not received will not be voted. In order to give the trustee sufficient time to vote, all

vote

2

authorization forms, which are in the form of a proxy card, must be received from 401(k) Plan participants by the transfer agent by April 27, 2018.

How Many Shares Must Be Present to Hold the Meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of at least a majority of the shares of Heritage common stock entitled to vote at the annual meeting as of the record date will constitute a quorum. Proxies received but marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

What if a Quorum Is Not Present at the Meeting?

If a quorum is not present at the scheduled time of the meeting, a majority of the shareholders present or represented by proxy may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given unless a new record date for the meeting is set. An adjournment will have no effect on the business that may be conducted at the meeting.

Vote Required to Approve Proposal 1: Election of Directors

Our Bylaws provide for the election of directors by the majority of votes cast by shareholders in uncontested elections and provide that in an uncontested election, the number of shares voted "for" a director nominee must exceed the number of shares voted "against" a director nominee, in order for a director nominee to be elected. The following are not considered votes cast: (1) a share whose ballot is marked as withheld; (2) a share otherwise present at the meeting but for which there is an abstention; and (3) a share otherwise present at the meeting as to which a shareholder of record gives no authority or direction. The term of any director, who was a director at the time of the election, but who does not receive a majority of votes cast in an election held under the new majority vote standard will continue to serve as a director until terminated on the earliest to occur of: (1) 90 days after the date election results are determined; (2) the date the Board appoints a new director to fill the position; or (3) the date and time the director's resignation is effective.

Our Bylaws provide that an election is considered a "contested election" if there are shareholder nominees for director pursuant to Heritage's advance notice provision and who are not withdrawn by the advance notice deadline set forth in Heritage's Articles of Incorporation. If the Board determines there is a "contested election," the election of directors will be held under a plurality standard. Under the plurality standard, the nominees who receive the highest number of votes for the directorships for which they have been nominated will be elected.

Pursuant to our Articles of Incorporation, shareholders are not permitted to cumulate their votes for the election of directors. Votes may be cast for or against each nominee, or shareholders may withhold their votes. Votes that are withheld and broker non-votes will have no effect on the outcome of the election. Our Board of Directors unanimously recommends that you vote FOR the election of each of its director nominees.

Vote Required to Approve Proposal 2: Advisory Vote on Executive Compensation

Approval of the advisory (non-binding) resolution to approve the compensation paid to our named executive officers requires the affirmative vote of the majority of the shares of Heritage common stock present, in person or by proxy, and entitled to vote at the annual meeting. Abstentions are not affirmative votes and, therefore, will have the same effect as a vote against the proposal. Broker non-votes are not entitled to vote and therefore will have no effect on the approval of the proposal. Our Board of Directors unanimously recommends that you vote FOR the adoption of an advisory resolution to approve the compensation paid to our named executive officers as disclosed in this Proxy Statement.

Vote Required to Approve Proposal 3: Ratification of the Appointment of Our Independent Registered Public Accounting Firm

Ratification of the Audit and Finance Committee's appointment of Crowe Horwath LLP as our independent registered public accounting firm for the year ending December 31, 2018, requires the affirmative vote of the majority of the shares of Heritage common stock present, in person or by proxy, and entitled to vote at the annual meeting by holders of Heritage common stock. Abstentions are not affirmative votes and, therefore, will have the same effect as a vote against the proposal. Our Board of Directors unanimously recommends that you vote FOR the ratification of the appointment of Crowe Horwath LLP as our independent registered public accounting firm for the year ending December 31, 2018.

May I Revoke My Proxy?

You may revoke your proxy before it is voted by:

- submitting a new proxy with a later date;
- notifying the Corporate Secretary of Heritage in writing (or if you hold your shares in street name, your broker, bank or other nominee) before the annual meeting that you have revoked your proxy; or
- voting in person at the annual meeting.

If you plan to attend the annual meeting and wish to vote in person, we will give you a ballot at the annual meeting. However, if your shares are held in “street name,” you must bring a validly executed proxy from the nominee indicating that you have the right to vote the shares.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following tables set forth, as of the record date or the most currently reported date, information regarding share ownership of:

• those persons or entities (or groups of affiliated persons or entities) known by management to beneficially own more than five percent of Heritage’s common stock other than directors and executive officers;

• each director of Heritage;

• each executive officer of Heritage named in the Summary Compensation Table appearing under “Executive Compensation” below (known as “named executive officers”); and

• all current directors and executive officers of Heritage as a group.

On March 5, 2018, there were 34,013,413 shares of Heritage common stock outstanding.

Persons and groups who beneficially own in excess of five percent of Heritage’s common stock are required to file with the Securities and Exchange Commission (“SEC”), and provide a copy to Heritage, reports disclosing their ownership pursuant to the Securities Exchange Act of 1934, as amended (“Securities Exchange Act”). To our knowledge, no other person or entity, other than as set forth below, beneficially owned more than five percent of the outstanding shares of Heritage’s common stock.

Beneficial Owners of More Than 5%	Number of Shares Beneficially Owned	Percent of Common Stock Outstanding

Beneficial ownership is determined in accordance with the rules and regulations of the SEC. In accordance with Rule 13d-3 of the Securities Exchange Act, a person is deemed to be the beneficial owner of any shares of common stock if he or she has voting and/or investment power with respect to those shares. Therefore, the table below includes shares owned by spouses, other immediate family members in trust, shares held in retirement accounts or funds for the benefit of our named individuals, and other forms of ownership, over which shares the persons named in the table may

possess voting and/or investment power. In addition, in computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to outstanding options that are currently exercisable or exercisable within 60 days after March 5, 2018 are included in the number of shares beneficially owned by the person and are deemed outstanding for the purpose of calculating the person's percentage ownership. These shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person.

The following table shows, as of March 5, 2018, the amount of Heritage common stock owned (unless otherwise indicated) by each director, named executive officer and all of our directors and executive officers as a group.

Board Diversity

Diversity is an important part of the Company's corporate governance practices. The Nominating and Governance Committee actively considers diversity in recruitment and nominations of directors. The current composition of our Board reflects those efforts and the importance of diversity to the Board with three women and diverse skills represented amongst the nominees.

Board Tenure and Independence

The Board has an effective mix of experience and fresh perspective as reflected in the illustrations below. The director nominees have an average tenure of 12 years, which includes director service at Washington Banking. In addition, 90% of the Heritage directors standing for re-election are independent.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

Board of Directors

The Board conducts its business through meetings of the Board and through its committees. The Board typically meets eight times per year, holding special meetings as necessary. After each regular Board meeting, the directors meet in executive session, outside of the presence of the Chief Executive Officer ("CEO") and management. During the year ended December 31, 2017, the Board held eight regular meetings and two special meetings. No director attended fewer than 75% of the total meetings of the Board and committees on which the director served during this period.

Committees and Committee Charters

The Board has standing Audit and Finance, Governance and Nominating, Compensation, Risk and Trust Committees and has adopted written charters for each of these committees. You may obtain a copy of the Committee charters, free of charge, by writing to: Kaylene M. Lahn, Corporate Secretary, Heritage Financial Corporation, 201 Fifth Avenue S.W., Olympia, Washington, 98501, or by calling (360) 943-1500. The charters of the Audit and Finance, Governance and Nominating, and Compensation committees are also available on our website at www.hf-wa.com.

The following table shows the current membership of the Board committees and the number of meetings held by each committee in 2017. Stephen A. Dennis joined the Board in January 2018 and therefore is not included in the table below. Mr. Dennis has been appointed to serve on the Compensation and Trust Committees.

Audit and Finance Committee

The Audit and Finance Committee is composed of independent directors, in accordance with the requirements for companies listed on The Nasdaq Stock Market ("Nasdaq") and applicable SEC rules. Director Gavin has been designated by the Board as the "audit committee financial expert," as defined by the SEC. In addition, directors Charneski and Clees both qualify as financially sophisticated, as defined by Nasdaq. The Committee meets quarterly and on an as-needed basis to evaluate the effectiveness of Heritage's internal controls for safeguarding its assets and ensuring the integrity of the financial reporting. The Committee also appoints the independent registered public accounting firm and reviews the audit reports prepared by the independent registered public accounting firm.

Compensation Committee

The Compensation Committee is composed of independent directors, in accordance with the requirements for companies listed on Nasdaq and applicable SEC and Internal Revenue Service rules. The Compensation Committee meets quarterly and on an as-needed basis regarding the personnel, compensation and benefits-related matters of Heritage.

For more information on the responsibilities and activities of the Compensation Committee, including the Committee's processes for determining executive compensation, see the "Compensation Discussion and Analysis" section below.

Governance and Nominating Committee

The Governance and Nominating Committee is composed of independent directors, in accordance with the requirements for companies listed on Nasdaq. The Committee meets annually and on an as-needed basis, and is responsible for selecting qualified individuals to fill expiring directors' terms and vacancies on the Board. Final approval of director nominees is made by the full Board, based on the recommendations of the Committee. The Committee's role includes oversight of our corporate governance program, including the development and administration of Heritage's corporate governance policies, guidelines and practices.

Risk Committee

The Risk Committee meets quarterly and on an as-needed basis to review risks inherent in our business such as credit risk, market and liquidity risk, operational risk and the regulatory component of compliance risk. The Company has established an Enterprise Risk Management model to manage the Company's risks.

Trust Committee

The Trust Committee meets quarterly and is responsible for regulatory compliance within the trust department. As a separate function, the Committee also reviews activities and compliance of the Wealth Management department.

CORPORATE GOVERNANCE

Heritage is committed to effective corporate governance and acts in a manner that it believes best serves the interests of the Company and its shareholders. The Board reviews Heritage’s policies and business strategies and advises executive management, who manage and implement Heritage’s business model and operations. The Board has adopted Corporate Governance Guidelines, Committee charters, Stock Ownership Guidelines and various policies, including the Code of Ethics Policy and Whistleblower Policy, to provide a framework for effective governance practices. The full text of these documents can be found at www.hf-wa.com. Governance is a continuing focus at Heritage and in this section, we describe our key governance policies, guidelines and practices.

The Corporate Governance Guidelines outline Heritage’s governance framework by addressing such items as responsibilities of directors, adherence to conflict of interest rules, the selection process for director candidates, required meeting attendance, stock ownership guidelines, the annual completion of Board performance assessments, retirement age of directors, director education, succession planning and other important governance matters.

Process for Selecting Directors

The Governance and Nominating Committee Charter requires the Committee to consider in its deliberations for selecting candidates for nomination as a director: each candidate’s business and occupational background and experience; integrity and reputation; education; knowledge of and contacts in our market area and ties to the community; ability to commit adequate time and attention to serve as a director in light of other commitments; ability to work effectively in a group; independence and potential conflicts of interest; tenure on the Board; specialized knowledge or skills; diversity; and any other factors that the Committee deems appropriate. In selecting nominees, the Committee must consider these criteria, and any other criteria established by the Board, in the context of an assessment of the operation and needs of the Board as a whole and the Board’s goal of maintaining a diversity of backgrounds among its members. In searching for qualified director candidates to fill vacancies on the Board, the Committee begins by soliciting current directors for names of potentially qualified candidates. Additionally, the Committee may request that members of the Board pursue their own business contacts for the names of potentially qualified candidates, and the Committee may use the services of a search firm. The Committee then considers the potential pool of director candidates, selects the top candidate based on the candidates’ qualifications and the Board’s needs, and conducts an investigation of the proposed candidate’s background to ensure there is no past history that would cause the candidate not to be qualified to serve as a director of Heritage. The Committee will consider director candidates recommended by Heritage’s shareholders. If a shareholder has submitted a proposed nominee, the

Committee would consider the proposed

12

nominee, along with any other proposed nominees recommended by members of the Board or a search firm, in the same manner in which the Committee would evaluate its nominees for director.

Majority Voting

In a continual effort to hear our shareholder's feedback and to incorporate effective corporate governance practices, during 2016 the Board adopted majority voting with plurality voting retained in a contested election. This means that in an uncontested election, the number of shares voted "for" a director nominee must exceed the number of shares voted "against" a director nominee, in order for that nominee to be elected.

Board Leadership

The Board annually elects the Chairman of the Board. The Chairman leads the Board and presides at all Board meetings, and is responsible for delivery of information to enable the Board to make informed decisions. The positions of Board Chairman and of President and CEO have been separately held since 2006. The Board believes this structure is appropriate for Heritage because it provides segregation of duties between managing Heritage and leadership of the Board.

Director Independence

Our common stock is listed on the Nasdaq Global Select Market. In accordance with Nasdaq requirements, at least a majority of our directors must be independent. The Board has determined that 9 of our 10 directors are independent. Directors Charneski, Clees, Dennis, Ellwanger, Gavin, Lyon, Miller, Pickering, and Watson are all independent. Brian L. Vance, who serves as President and CEO of Heritage and CEO of Heritage Bank is not independent. Former directors Rhoda L. Altom, David H. Brown, Gary B. Christensen, Mark D. Crawford and Robert T. Severns were all independent.

Board Risk Oversight

The Board has the ultimate responsibility and authority for overseeing risk management at Heritage. The Board assesses risks facing Heritage and Heritage Bank. On a regular basis, the Board (or its committees) reviews operational and regulatory reports provided by management to assess credit risk, interest rate risk, liquidity risk, compliance risk, strategic risk and operational risk.

The Board also delegates the oversight of risk to various committees. The Audit and Finance Committee oversees the financial, accounting and internal control risk management. The Compensation Committee oversees the management of risks that may be posed by our compensation practices and programs. The Compensation Committee is responsible for reviewing compensation policies and practices for all employees to ensure that they do not create or encourage risks that are reasonably likely to have a material adverse effect on Heritage. The Risk Committee oversees the risks inherent in our businesses in the following categories: credit risk, market and liquidity risk, operational risk and the regulatory component of compliance risk. The Audit and Finance Committee and Risk Committee hold a joint meeting annually to review the annual audit plan and risk assessment. The Compensation Committee Chair also attends the joint Audit and Finance and Risk Committee meeting to ensure that compensation risks are also reviewed as part of the annual risk assessment process. The Chief Risk Officer reports directly to the Risk Committee Chair while the Internal Auditor and the Loan Review Manager report directly to the Audit and Finance Committee Chair.

Code of Ethics

The Board has adopted a written Code of Ethics Policy that applies to our directors, officers and employees, which is reviewed annually. The Code of Ethics Policy sets expectations for conducting our business with integrity, due skill, care and diligence while avoiding conflicts of interest.

Shareholder Engagement

The Board believes that accountability to our shareholders is representative of good corporate governance. To that end, we engage with our shareholders on a variety of topics throughout the year to ensure we are addressing their questions and concerns, to seek input and to provide perspective on Company policies and practices. We entered into our fourth annual targeted shareholder engagement by reaching out to 14 of our largest institutional investors, which represented approximately 46% of our outstanding shares. The Chairman of the Board and the Compensation Committee Chair participated in some of these conversations. We discussed with these shareholders our corporate governance practices, executive compensation programs, internal audit practices and shareholder rights. The investors with whom we spoke were supportive of Heritage's corporate governance practices. See page 18 for additional information about our engagement with shareholders regarding executive compensation.

Communication with the Board of Directors

The Board of Directors maintains a process for shareholders to communicate with the Board. Shareholders wishing to communicate with the Board of Directors should send any request to Kaylene M. Lahn, Corporate Secretary, Heritage Financial Corporation, 201 Fifth Avenue S.W., Olympia, Washington 98501. Any such request should state the number of shares beneficially owned by the shareholder making the communication.

Annual Meeting Attendance

Directors are encouraged, but not required, to attend the annual meeting of shareholders. All 9 directors attended the 2017 annual meeting of shareholders. Stephen A. Dennis joined the Heritage Board on January 16, 2018.

Related Party Transactions

We have followed a policy of granting loans to our executive officers and directors which fully complies with all applicable federal regulations, including those governing loans and other transactions with affiliated persons of Heritage. Loans to our directors and executive officers are made in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with all non-director and non-employee customers, and do not involve more than the normal risk of collectability or present other unfavorable features.

Each individual loan and aggregate loans to directors, executive officers and their affiliates, without regard to loan amount, are completely documented and underwritten using the same underwriting policies, procedures, guidelines and documentation requirements as are used for non-director and non-employee customers of Heritage. Following the normal underwriting approvals by underwriting personnel, all such loans are then presented for review and approval by the Board of Directors of Heritage Bank pursuant to Regulation O of the Federal Reserve Board, and the requirements of the Federal Deposit Insurance Corporation and the Washington State Department of Financial Institutions, Division of Banks. There are no exceptions to these procedures and all approvals are documented in the meeting minutes. There were \$8.5 million in loans outstanding to directors and executive officers as of December 31, 2017, all of which were performing in accordance with their terms.

Corporate Community Engagement

At Heritage, we have developed a Community Investment and Giving Program with a strategic focus on social responsibility, business and economic development, education and youth development and health and human services. We are fully committed to diversified and meaningful giving within the communities we serve. We actively encourage and empower our employees to volunteer and serve as community leaders as we believe such efforts elevate our philanthropic and corporate social responsibility recognition throughout our region. During 2017, Heritage invested approximately \$1 million in a diverse group of non-profits within our market area. In addition, through the Heritage Volunteers Program, our employees donated a significant number of volunteer hours. Heritage is making strides to introduce new ideas each year to strengthen our giving efforts. We believe that our Community Investment and Giving Program not only strengthens our communities but also reflects our strong corporate culture, drives employee engagement, reinforces our brand and results in better performance for our customers, shareholders and the Company.

(2) Discontinued board service effective May 3, 2017.

2017 Director Compensation Highlights

Director cash fees remained unchanged during 2017 and the value of equity compensation increased by approximately \$5,000 per director.

Cash Compensation

For 2017, each non-employee director was paid an annual cash retainer of \$30,000 plus committee fees for service as a director. The Chairman of the Board also received an additional annual cash retainer of \$24,000 in lieu of committee fees. The Chairs of the Audit and Finance and Compensation Committees were each paid an additional annual cash retainer of \$10,000. The Chairs of the Governance and Nominating Committee and Risk Committee were paid an additional annual cash retainer of \$7,500. The Chair of the Trust Committee was paid an additional annual cash retainer of \$3,000. Members and Chairs of all committees received an additional per meeting attendance fee of \$500. Mr. Vance did not receive any compensation for service as a director or Board committee member.

Equity Compensation

On June 21, 2017, each non-employee director received an award of 1,167 restricted stock units of Heritage common stock, which vest on May 1, 2018, with a grant date fair value of \$25.70 per share. As of December 31, 2017, Directors Charneski, Clees, Ellwanger, Gavin, Lyon, Miller, Pickering, and Watson each held 1,167 unvested restricted stock units.

As of December 31, 2017, the non-employee directors did not have any remaining unexercised nonqualified stock options.

Stock Ownership Guidelines

Under our stock ownership guidelines for non-employee directors, each director is expected to have equity ownership with a value equal to three times their annual cash retainer. The guidelines require directors to retain not less than 50% of shares received (on a net after tax basis) until the director satisfies the ownership requirements. If the director fails to satisfy the ownership requirement, 25% of their annual cash director fees will instead be paid in Heritage shares. The guidelines provide the directors three years to reach the required ownership level. As of December 31, 2017, all directors were in compliance with the guidelines. Information about ownership guidelines for our named executive officers can be found in the “Compensation Discussion and Analysis” section of this proxy statement.

PROPOSAL 2—ADVISORY (NON-BINDING) VOTE ON EXECUTIVE COMPENSATION

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act enacted in 2010 (“Dodd-Frank Act”), we are required to include in this Proxy Statement and present at the annual meeting of shareholders a non-binding proposal to approve the compensation of our named executive officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC. This proposal, commonly known as a “say-on-pay” proposal, gives shareholders the opportunity to endorse or not endorse the compensation of Heritage’s executives as disclosed in this Proxy Statement. We currently hold our say-on-pay vote every year. The proposal will be presented at the annual meeting in the form of the following resolution:

RESOLVED, that the shareholders approve the compensation of Heritage Financial Corporation’s named executive officers, as disclosed in the Compensation Discussion and Analysis, the compensation tables and related material in Heritage’s Proxy Statement for the 2018 annual meeting of shareholders.

This vote will not be binding on our Board of Directors or Compensation Committee and may not be construed as overruling a decision by the Board or create or imply any additional fiduciary duty on the Board. The Compensation Committee and the Board will consider the outcome of the vote when determining future executive compensation arrangements.

The purpose of our compensation policies and procedures is to attract and retain experienced, highly qualified executives critical to our long-term success and enhancement of shareholder value. We believe that our compensation policies and procedures are strongly aligned with the long-term interests of our shareholders. As discussed in the Compensation Discussion and Analysis, the Compensation Committee believes that the executive compensation for 2017 is reasonable and appropriate, is justified by Heritage’s performance and is the result of a carefully considered approach.

The Committee regularly reviews our officer compensation strategies, policies and programs in an effort to ensure the program continues to meet these overall objectives. In considering how to vote on this proposal, the Board requests that you consider the following factors:

- Pay for Performance—A significant portion of our named executive officers’ compensation is tied to performance with clearly articulated financial goals.
- Annual Compensation Risk Assessment—A process has been established whereby we regularly analyze risks related to our compensation programs and conduct a broad risk assessment annually.
- Key Performance Metrics—Objective performance metrics are established to determine annual incentive compensation.
- Clawback Policy—Our policy requires recovery of performance-based cash and equity incentive compensation following a financial restatement.
- Performance-vesting Equity Grants—performance shares vest based on the attainment of objective performance metrics relative to a pre-determined peer group.
- Stock Ownership Policy—Directors and officers are required to own Heritage common stock having a value of at least the following amounts: 3 times annual cash retainer for directors, 3 times annual base salary for the CEO and 1.5 times annual base salary for the remaining named executive officers.
- Independent Compensation Consultant—The Compensation Committee retains an independent consultant to obtain advice on executive compensation matters.

Each of the above factors is discussed more fully in the Compensation Discussion and Analysis below.

The Board of Directors recommends that you vote FOR approval of the compensation of our named executive officers as disclosed in this Proxy Statement.

2017 Say-on-Pay Results and Shareholder Outreach

At the 2017 shareholders' meeting, approximately 97% of the shares present and entitled to vote supported the executive compensation program. Management, the Board, and the Committee pay careful attention to communications received from shareholders regarding executive compensation, including the results of these non-binding advisory votes. The Committee believes that these votes reflect our shareholders' affirmation of our compensation philosophy and the manner in which we compensate our executives. We value our shareholders' feedback and, as a result, entered into our fourth shareholder outreach program during 2017. We requested feedback from 14 of our institutional shareholders to further understand what, if any, concerns they may have with our compensation programs. The feedback we obtained from our shareholders during this outreach was very positive and supported these overall compensation practices. The Committee did not make any substantive changes to the executive compensation programs for 2017.

Philosophy and Objectives of Our Executive Compensation Program

Heritage's compensation philosophy provides clear guidelines for establishing and managing all elements of compensation. The philosophy is to target total executive compensation at market competitive levels in order to manage base salary levels, allow for meaningful performance-based compensation and recruit and retain key talent. Our compensation philosophy takes into account factors such as internal consistency of executive pay, and the experience, tenure and scope of responsibility for each of our NEOs. Officer compensation is weighted toward Heritage's achievement of stated annual and long-term performance objectives.

Our compensation programs are designed to link compensation with performance, taking into account competitive compensation levels at peer group institutions and in the markets where we compete for talent. The policies and underlying philosophy governing our compensation programs include the following:

Pay Aligned with Performance—We strive to provide a competitive salary combined with incentive opportunities that reward outstanding individual and Company performance that contributes to creating shareholder value.

Employer of Choice—We view compensation as a key factor to be an employer of choice in our markets. We believe that competitive compensation and benefits allow Heritage to attract and retain well-qualified, key employees critical to our long-term success.

Prudent Management of Risk—We evaluate, design and manage compensation programs to ensure that we are properly and prudently assessing and managing risks created by these programs. The Committee has the authority and responsibility to mitigate such risks, where necessary, through procedural oversight or program modification.

Flexibility—We recognize that the market for key talent requires flexibility in compensation design in order to attract qualified individuals. Salary ranges and individual compensation decisions take into account local competitive pressures and changing market conditions, as well as regulatory restrictions. Furthermore, the

targeted position relative to market may vary depending on the type and level of position, recognizing the different recruiting conditions and relative importance of various qualifications.

This compensation philosophy is reviewed periodically by the Committee and is modified, as appropriate, to reflect market trends and industry best practices.

Role of the Compensation Committee

The Compensation Committee, composed entirely of independent directors, establishes and monitors compensation programs for employees of Heritage and its subsidiaries. The Committee's responsibilities are to:

- review the goals, policies and objectives of the compensation plans of Heritage and Heritage Bank;
- review and administer our compensation plans in light of the goals and objectives of these plans, and adopt and recommend new compensation plans or amendments to existing plans;
- review and approve actions affecting salaries, annual cash incentives, benefits, equity compensation grants and other compensation arrangements for the CEO and other NEOs;
- review and approve the corporate goals and objectives for the NEOs annually;
- review and recommend to the full Board for approval the director fees, benefits and equity compensation grants;
- review the results of any shareholder advisory vote regarding executive compensation and consider whether to implement any changes as a result of such advisory vote;
- review and evaluate risks posed to Heritage by the design and implementation of various compensation programs and ensure appropriate risk management and controls to avoid or mitigate any excessive or unreasonable risk to Heritage;
- approve and recommend to the Board for adoption any programs or policies regarding the recovery of previously paid or earned compensation later determined to have been based on inaccurate financial information;
- review and discuss the Compensation Discussion and Analysis with management; and
- review our policies regarding tax deductibility of compensation paid to executive officers for purposes of Section 162(m) of the Internal Revenue Code.

In order to fulfill these responsibilities, the Committee's charter provides it the authority and adequate funding to retain and terminate any third party advisors for the purpose of evaluating the compensation programs for, and performance of, Heritage's directors, CEO and senior executive officers.

Role of Management in Compensation Committee Deliberations

The Committee frequently requests that Mr. Vance and other members of senior management be present at Committee meetings to discuss executive compensation. Executive officers in attendance may provide their insights and suggestions, but only Committee members may vote on decisions regarding executive compensation. The Committee may discuss Mr. Vance's compensation with him, but final deliberations and all votes regarding all compensation are made in executive session with independent directors and without management present. The Committee also reviews input from the independent compensation consultant and/or legal counsel when making decisions regarding the compensation of Mr. Vance and the other NEOs.

Compensation Consultants and Advisors

The Compensation Committee utilizes Pearl Meyer & Partners ("Pearl Meyer"), an independent compensation consulting firm. Pearl Meyer provides assistance and advice related to a variety of Committee responsibilities on an as-needed basis, such as review of incentive plans, review of compensation philosophy and strategy, evaluation of compensation-related proposals from management, and ongoing Committee education on compensation topics. Pearl Meyer does not perform any services for the Company other than those directed by the Committee. After the Committee's review of applicable rules for independence, the Committee determined that there are no known conflicts of interest between Pearl Meyer and its affiliates and the Company and its affiliates. Pearl Meyer reports directly to the Committee.

The Committee has the authority to retain, at Heritage's expense, legal counsel and other advisors on an as-needed basis, and has and will evaluate the independence of such advisors as the Committee deems appropriate and as may be required by the Nasdaq listing standards.

Use of Competitive Data

The last peer group benchmarking study was performed by Pearl Meyer during 2016. A peer group was identified based, generally, on the following criteria:

- publicly-traded financial institutions;
- geographic priority given to western United States with a small group outside of the western region which appeared to be a particularly good size and business model fit;
- asset size and operating revenue range of 0.5 to 2.5 times Heritage as of December 31, 2015;
- market capitalization range of 0.33 to 3.0 times Heritage; and
- comparable business model.

The resulting peer group consisted of the following 20 companies:

Banner Corporation	CVB Financial Corp.	Mercantile Bank Corporation
Bank of Marin Bancorp	First Interstate BancSystem	Pacific Continental Corporation*
Cascade Bancorp*	Glacier Bancorp, Inc.	Pacific Premier Bancorp
CenterState Banks, Inc.	Guaranty Bancorp	State Bank Financial Corp.
CoBiz Financial Inc.	Heritage Commerce Corp	TriCo Bancshares
Columbia Banking System Inc.	HomeStreet, Inc.	Westamerica Bancorp
CU Bancorp*	Lakeland Bancorp, Inc.	

*Acquired since peer group was established.

In addition to analyzing the pay practices and performance of our peer group, the 2016 Pearl Meyer executive compensation study was considered by the Committee in making pay decisions for 2017.

Peer Group Data

The following summary data for the peer group was obtained from S&P Global's database as of December 31, 2017.

Percentile	Market Capitalization (\$ in millions)	Total Assets (\$ in thousands)
25 th Percentile	\$808.00	\$3,846,272
50 th Percentile	\$1,163.53	\$5,513,046
75 th Percentile	\$1,849.80	\$8,270,586
Heritage Financial Corporation	\$921.77	\$4,110,270
Heritage Financial Corporation Percent Rank	44%	26%

When we selected the above peer group, Heritage was at the 50th percentile of the peer group in total assets as of December 31, 2015. However, with the consolidation and growth of the financial institutions in the peer group, Heritage is now below the median. The Committee typically reviews the peer group every two years and will revisit it in 2018.

Components of Compensation

The following table lists some of the major components of the compensation program.

Component	Key Characteristics	Purpose
Base Salary	Fixed compensation component—reviewed annually and adjusted, if and when appropriate	Intended to compensate an executive officer fairly for the responsibility level of the position held as well as be competitive within the banking industry.
Cash Incentives	Annual incentives, variable compensation component	Intended to motivate and reward executives for achieving annual goals. The annual incentives are performance-based and reflect the actual performance results compared to established goals.
Equity-based Compensation	Long-term incentives, variable compensation component, typically granted annually. Equity is awarded with 50% performance vesting and 50% time vesting.	Intended to motivate executives to achieve our business objectives by tying incentives to long-term performance. The stock ownership aligns executive and shareholder interests and serves as a retention tool.
Deferred Compensation	Long-term incentives, variable compensation component—performance-based award opportunity, typically granted annually	Intended to provide a retirement planning mechanism while motivating executives to achieve our business objectives by tying incentives to long-term performance.
Post-employment Compensation	Fixed compensation component	Intended to provide temporary income following an executive's involuntary termination of employment and to retain senior executives in a competitive marketplace.

Target Pay Mix

Target pay mix represents the relative value of each of the primary compensation components as a percentage of total compensation. We seek to compensate our executives through an appropriate balance of fixed and performance-based pay, as well as short and long-term pay. The graphs below represent the target pay mix for 2017. Our CEO and other NEOs have significant at-risk pay, with 50% of their 2017 equity award and a meaningful portion of deferred compensation opportunity subject to pre-established performance goals (50% of the target deferred compensation contribution for our CEO is performance-based; 100% for the other NEOs). In total, performance-based pay represents 50% of target total compensation for the CEO and 47% of target total compensation for the other NEOs.

Base Salary

Salary levels are designed to be competitive within the banking industry and are based on the experience, tenure, performance and responsibility of each executive. We utilize various compensation surveys and peer group comparisons to ensure that executive compensation is not significantly out of line with competitors of a similar size or within our market areas. The Committee generally meets in June of each year in order to approve the base salaries of our NEOs effective July 1 of that year. This timing coincides with the review of the NEO's performance and the prior year performance of Heritage and its subsidiaries, as well as the availability of current proxy information for members of our peer group.

Salary Adjustments Made in 2017

Salary adjustments were made during 2017 to provide for a 3.0% increase. The base salaries for 2016 and 2017 were as follows:

Name	2017 Base Salary (\$) (effective July 1, 2017)	2016 Base Salary (\$) (effective July 1, 2016)	% Increase
Brian L. Vance	532,600	517,100	3.0%
Jeffrey J. Deuel	342,400	332,400	3.0%
Donald J. Hinson	274,800	266,800	3.0%
Bryan D. McDonald	283,900	275,600	3.0%
David A. Spurling	273,700	265,700	3.0%

Annual Cash Incentives

We use annual cash incentives to focus attention on annual strategic priorities and encourage achievement of corporate objectives. These incentives are provided under our Management Incentive Plan. The objectives of the plan are to reward and retain high performers, to drive Heritage's long-term financial success, to encourage teamwork and to create an environment where executives are rewarded if Heritage achieves or exceeds pre-determined annual performance criteria. The Management Incentive Plan's design incorporates annual incentive awards that are linked to the achievement of pre-defined performance goals with targets and maximum percentages determined by roles and responsibilities. The incentive ranges (as a percentage of salary) are designed to provide market competitive payouts for the achievement of threshold, target and maximum levels of performance. The annual awards are determined by previously approved goals, calculated based on actual financial and individual performance results and then recommended by the CEO to the Committee. The Committee then reviews and approves or disapproves the annual cash incentive recommendations.

The Committee approves the funding level for the Management Incentive Plan based on meeting or exceeding corporate performance goals. Each performance goal has an established threshold (minimum), target and maximum expectation level. No payment will be made for a goal if performance falls below the threshold level. Performance ratings for each specific corporate and individual goal between threshold and target or between target and maximum will result in a proration of the annual cash incentive payout. Each NEO has a scorecard with performance results. The 2017 Management Incentive Plan provided that no bonus payments will be paid from the plan should the corporate Tier 1 Leverage Ratio drop below 8% at December 31, 2017. The Committee reserves the right, in its sole discretion, to not award any incentive payouts when extraordinary circumstances occur that may negatively impact Heritage.

2017 Annual Cash Incentive Award Determinations

The opportunities for 2017 cash incentive awards and resulting payouts for our NEOs are as follows:

Name	Target Opportunity as % of Base Salary	Maximum Opportunity as % of Base Salary	Actual Annual Cash Incentive Received as a % of January 1, 2017 Base Salary	Earned Annual Cash Incentive (\$) ⁽¹⁾
Brian L. Vance	50%	75%	54.3%	\$281,024
Jeffrey J. Deuel	40%	60%	43.5%	\$144,517

Edgar Filing: HERITAGE FINANCIAL CORP /WA/ - Form DEF 14A

Donald J. Hinson	35%	52.5%	38.0%	\$101,497
Bryan D. McDonald	35%	52.5%	38.0%	\$104,845
David A. Spurling	35%	52.5%	39.6%	\$105,299

(1) Based on the Adjusted 2017 Performance as presented in the next table to account for one-time non-recurring items.

Annual Cash Incentive Performance Goals

For 2017, the Committee approved the following corporate performance goals for our NEOs:

Corporate Goal	Weighting	Threshold	Target	Maximum	Actual 2017 Performance	Adjusted 2017 Performance ⁽⁴⁾
Earnings per Share	40% ⁽¹⁾	\$1.24	\$1.37	\$1.50	\$1.39	\$1.42
Net Charge Offs/Average Loans	20% ⁽²⁾	0.25%	0.15%	0.05%	0.12%	0.06%
Overhead Ratio	40% ⁽³⁾	2.78%	2.73%	2.68%	2.78%	2.74%

(1) 35% for Mr. Spurling.

(2) 30% for Mr. Spurling.

(3) 35% for Mr. Spurling.

(4) The adjusted performance accounts for one-time non-recurring items related to growth initiatives such as the Puget Sound Bank acquisition, start-up costs of the new Portland team and the write-offs of acquired loan pools.

Company-wide Special Bonus Pool

As a result of the efforts put forth by all Heritage employees during 2017 and the successful acquisition growth strategies implemented, the Committee approved a one-time special bonus totaling \$300,000 for all employees. Each NEO received one-time bonuses as part of the special bonus pool, ranging from \$7,770 to \$24,670; these amounts are included in the Bonus column of the Summary Compensation Table.

Equity-Based Compensation

Equity-based compensation is intended to more closely align the financial interests of our executives with long-term shareholder value, and to assist in the retention of key executives. Beginning in 2017, the equity-based compensation program is designed to incorporate a target percentage of base salary dependent on roles and responsibilities, with a portion granted as time-based vesting awards and a portion granted as performance-based vesting awards linked to the achievement of the pre-defined performance goals relative to a pre-defined peer group. The Committee reviews and approves or disapproves the equity-based compensation recommendations from management and the equity-based compensation awards are ultimately discretionary.

The Heritage Financial Corporation 2014 Omnibus Equity Plan allows us to grant stock options, stock appreciation rights, restricted stock, restricted performance stock, unrestricted stock or performance unit awards to directors, officers and other employees of Heritage and its subsidiaries.

Restricted stock grants awarded prior to 2017, vest ratably based on continued service over four years from the date of grant. Heritage applied target award opportunities expressed as a percentage of salary, as described in the table below. Each NEO target opportunity is based upon factors such as role and scope of responsibilities. If an NEO did not meet the performance goals under the Management Incentive Plan for the prior year, the officer may not receive an award, or the award may be reduced. Additionally, the NEO is required to maintain a satisfactory performance rating to receive an equity award. The Committee may make discretionary grants of restricted stock units, based on factors relating primarily to the responsibilities of individual executives, their expected future contributions to Heritage and the recruitment and development of new officers.

2017 Equity Award Determinations

In February 2017, our NEOs were granted restricted stock and performance stock units based on their respective target percentages of their respective January 1, 2017 base salaries as outlined in the table below. For our NEOs, 50% of the grant was restricted stock units with three-year ratable service-based vesting and 50% of the award had three-year cliff performance-based vesting over the period January 1, 2017 through December 31, 2019. The selected performance metrics were return on average assets and three-year total shareholder return relative to an established bank peer group to provide for a stronger emphasis on performance aligned with our peers' performance. The Committee chose this mix to increase the pay-for-performance feature while preserving the retention benefit of the awards.

The following table contains the target opportunity for each of our NEOs, as well as their potential and actual 2017 awards, expressed as a percentage of base salary.

Name	Target Opportunity as % of January 1, 2017 Base Salary	Equity Awards Granted (\$ Value)	50% in Target Performance Stock Units (\$)	50% in Restricted Stock Units (\$)
Brian L. Vance	50%	\$258,570	\$129,285	\$129,285
Jeffrey J. Deuel	35%	\$116,357	\$58,178	\$58,178
Donald J. Hinson	30%	\$80,055	\$40,028	\$40,028
Bryan D. McDonald	30%	\$82,691	\$41,346	\$41,346
David A. Spurling	30%	\$79,700	\$39,850	\$39,850

The performance metrics for the performance awards granted in 2017 are as follows:

Corporate Goal	Weighting	Threshold	Target	Maximum	Actual 2017 Performance
Return on Average Assets	50%	25th Percentile	50th Percentile	75th Percentile	72nd Percentile
3-Year Total Shareholder Return	50%	25th Percentile	50th Percentile	75th Percentile	92nd Percentile

Stock Ownership Guidelines

Heritage maintains stock ownership guidelines for our NEOs. These guidelines were established to promote a long-term perspective in managing Heritage and to align the interests of our NEOs with our shareholders. The stock ownership goals are three times base salary for the CEO and one and one half times base salary for the other NEOs. The guidelines require NEOs to retain not less than 50% of shares received (on a net after tax basis) until the NEO satisfies the ownership requirements. If the NEO fails to satisfy the ownership requirement, 25% of their annual cash incentive bonus will be paid in Heritage shares. The guidelines provide the NEOs five years to reach the required ownership level. As of December 31, 2017, all NEOs were in compliance with the stock ownership guidelines. Information about ownership guidelines for our non-employee directors can be found in “Director Compensation” of this proxy statement.

Regulatory Considerations

As a publicly traded financial institution, Heritage must contend with multiple layers of regulations when considering and implementing compensation decisions. These regulations do not set specific parameters within which compensation decisions must be made, but do require the Company and the Compensation Committee to be mindful of the risks associated with compensation programs designed to incentivize superior performance. While the regulatory focus has been heightened over the last several years, the incorporation of general risk assessment concepts into compensation decisions is not a recent development.

Under its Interagency Guidelines Establishing Standards for Safety and Soundness, the FDIC has held that excessive compensation is prohibited as an unsafe and unsound practice. In describing a framework to determine whether compensation is excessive, the FDIC has indicated that financial institutions should consider whether aggregate cash amounts paid, or noncash benefits provided, to employees are unreasonable or disproportionate to the services performed by an employee. The FDIC encourages financial institutions to review an employee’s compensation history and to consider internal pay equity, and, as appropriate, to consider benchmarking compensation to peer groups. Finally, the FDIC provides that such an assessment must be made in light of the institution’s overall financial

condition.

In addition, the various financial institution regulatory agencies have issued additional guidance, Guidance on Sound Incentive Compensation Policies, that serves as a complement to the Safety and Soundness standards. As its title would imply, the joint agency guidance sets forth a framework for assessing the soundness of incentive compensation plans, programs, and arrangements maintained by financial institutions. The joint agency guidance is narrower in scope than the Safety and Soundness standards because it applies only to senior executive officers and those other individuals who, either alone or as a group, could pose a material risk to the institution. With respect to those identified individuals, the joint agency guidance is intended to focus the institution's attention on balanced risk-taking incentives, compatibility with effective controls, and risk management, with a focus on general principles of strong corporate governance.

Also, as a publicly traded corporation, the Company is subject to the SEC's rules regarding risk assessment. Those rules require a publicly traded company to determine whether any of its existing incentive compensation plans, programs, or arrangements create risks that are reasonably likely to have a material adverse effect on the Company.

25

The Compensation Committee completed a risk assessment of all of the Company's compensation programs and components in January 2018 and plans to do so each year. We do not believe that our incentive compensation plans, programs, or arrangements create risks that are reasonably likely to have a material adverse effect on the Company. The Compensation Committee believes that a sensible approach to balancing risk-taking and rewarding reasonable, but not necessarily easily attainable, goals has always been a component of its overall assessment of the compensation plans, programs and arrangements it has established for the Company's named executive officers. In this regard, the Compensation Committee has revisited the components of the frameworks set forth in the Safety and Soundness standards and the joint agency guidance as an effective tool for conducting its own assessment of the balance between risk and reward built into the Company's compensation programs for named executive officers.

In making decisions about executive compensation, we also consider the impact of other regulatory provisions, including: the provisions of Section 162(m) of the Code that may limit the tax deductibility of certain compensation; Section 409A of the Code regarding nonqualified deferred compensation; Section 280G of the Code regarding excise taxes and deduction limitations on golden parachute payments made in connection with a change in control; and the impact of FASB ASC Topic 718, which requires us to recognize the compensation cost of grants of equity awards based upon their grant date fair value.

Clawback Policy

Heritage maintains a clawback policy which provides the Board with the authority to recover certain bonus or other incentive compensation (whether paid in cash or stock) paid to any NEO in appropriate circumstances where there has been a restatement of Heritage's financial statements filed with the SEC. While the Committee believes its risk assessment procedures are effective, it is prepared to implement any additional steps that may be deemed necessary to fully comply with the rules required to be issued under the Dodd-Frank Act.

Retirement Benefits

401(k) Plan: We maintain the Heritage Financial Corporation 401(k) Plan Profit Sharing Plan and Trust as a retirement plan. The Plan is a defined contribution plan and is designed to provide employees (including our NEOs) with savings opportunities and financial security during retirement. There are two possible Company contributions to the Plan:

• A matching contribution equal to 50% of an employee's salary deferral contributions up to a maximum of 6% of an employee's eligible compensation; and

• A profit-sharing contribution that includes a discretionary contribution based on a percentage of an employee's eligible compensation based on Heritage's financial performance and management's recommendation, as may be approved by the Board. For 2017, the Company did not make a discretionary contribution to the Plan.

Deferred Compensation Plan: Under the Deferred Compensation Plan, participants are permitted to elect to defer compensation and Heritage has the discretion to make additional contributions to the plan on behalf of any participant based on a number of factors. The notional account balances earn interest on an annual basis. The applicable interest rate as initially selected by the Committee is the Moody's Seasoned Aaa Corporate Bond Yield as of January 1 of each year. Generally, a participant's account is payable upon the earliest of the participant's separation from service with Heritage, the participant's death or disability, or a specified date that is elected by the participant in accordance with applicable rules of the Internal Revenue Code. Heritage's obligation to make payments under the Deferred Compensation Plan is a general obligation of the Company and is to be paid from Heritage's general assets. As such, participants are general unsecured creditors of Heritage with respect to their participation under the Plan. The Committee believes that the Deferred Compensation Plan provides Heritage with another tool to attract and retain the best qualified individuals to serve in key roles within the organization.

Each of the NEOs entered into participation agreements pursuant to which Heritage will make performance-based contributions to accounts maintained on their behalf under the Deferred Compensation Plan. A portion of Mr. Vance's annual contribution is fixed and a portion is performance-based. The terms of the particular participation agreements for the named executive officers are described in more detail following the Nonqualified Deferred Compensation table below.

The Committee approved the following performance goals for the 2016 performance period:

Corporate Goal	Weighting	Threshold	Target	Maximum	Actual 2016 Performance
Earnings per Share	50%	\$1.13	\$1.26	\$1.39	\$1.30
Net Charge Offs/Average Loans	50%	0.25%	0.15%	0.05%	0.14%

The following table reflects the 2017 deferred compensation contributions based on 2016 performance results:

Name	Earned Deferred Compensation Incentives (\$)	Earned Deferred Compensation Incentive as Percentage of Total Compensation (%)
Brian L. Vance	\$189,916	14.5%
Jeffrey J. Deuel	\$76,644	10.9%
Donald J. Hinson	\$61,518	11.5%
Bryan D. McDonald	\$63,547	11.5%
David A. Spurling	\$61,264	11.4%

The Committee approved the following performance goals for the 2017 performance period:

Corporate Goal	Weighting	Threshold	Target	Maximum	Actual 2017 Performance	Adjusted 2017 Performance ⁽¹⁾
Earnings per Share	50%	\$1.24	\$1.37	\$1.50	\$1.39	\$1.42
Net Charge Offs/Average Loans	50%	0.25%	0.15%	0.05%	0.12%	0.06%

⁽¹⁾ The adjusted performance accounts for one-time non-recurring items related to growth initiatives such as the Puget Sound Bank acquisition, start-up costs of the new Portland team and the write-offs of acquired loan pools.

In February 2018, the Compensation Committee approved Company contributions to the Deferred Compensation Plan of \$234,531, \$101,461, \$81,437, \$84,123 and \$81,101 on behalf of Messrs. Vance, Deuel, Hinson, McDonald and Spurling, respectively, based on 2017 performance results.

Perquisites and Other Benefits

Heritage NEOs participate in all Heritage benefit plans on the same terms as other employees. These plans include medical, dental and vision insurance, life insurance, long-term disability insurance and flexible spending accounts. Messrs. Vance and Deuel additionally receive perquisites in the form of club memberships and Messrs. Vance, Deuel and McDonald receive perquisites for the use of automobiles. These perquisites are considered a priority for these individuals because of their community involvement and business development activities. In addition, each of our NEOs have entered into a split dollar agreement that provides additional life insurance in an amount equal to 100% of their base salary.

Tax and Accounting Considerations

Heritage takes into account tax and accounting implications in the design of its compensation programs. For example, in the selection of long-term incentive instruments, the Committee reviews the projected expense amounts and expense timing associated with alternative types of awards. In selecting appropriate incentive devices, the Committee reviews extensive financial scenarios and analyses and considers the related tax and accounting issues.

Section 162(m) of the Internal Revenue Code, as amended, generally limits the tax deduction for compensation in excess of \$1 million paid by a public company to a "covered employee" (the chief executive officer, the chief financial officer, and the three other most highly compensated executive officers or any covered employee for any preceding taxable year) in a taxable year. All of the compensation Heritage paid in 2017 to its NEOs is expected to be deductible under Section 162(m). The Committee retains the discretion, however, to pay non-deductible compensation if it

believes doing so would be in Heritage's best interests.

(1) All amounts are reported as compensation for 2017 in the Summary Compensation Table above.

Of the aggregate earnings for the year ended December 31, 2017, the following amounts are reported as

(2) nonqualified deferred compensation earnings for 2017 in the Summary Compensation Table above: \$8,874, \$2,878, \$2,557, \$1,170 and \$2,084 for Messrs. Vance, Deuel, Hinson, McDonald and Spurling, respectively.

The following amounts were reported as compensation in the Summary Compensation Table in previous years:

(3) Messrs. Vance, Deuel, Hinson and Spurling had prior year contributions and above market earnings of \$820,708, \$255,387, \$232,706, \$77,007 and \$181,325, respectively.

Heritage adopted a deferred compensation plan in 2012. Heritage has since entered into contribution agreements with Messrs. Vance, Deuel, McDonald, Spurling and Hinson that provided for 2017 contributions to each executive's account based on 2016 performance. The potential contributions were based on a percentage of the respective executive's salary, with a pre-determined minimum, target and maximum level, with the amount of the contributions based on the achievement of performance goals under the Deferred Compensation Plan. The performance metrics used to determine the amount of the contributions are described in the "Deferred Compensation Plan" section of the Compensation Discussion and Analysis under "Retirement Benefits".

Under Mr. Vance's Deferred Compensation Plan participation agreement, Heritage's contributions for 2017 based on 2016 performance were set at 16.66% of salary for minimum achievement of performance goals, 33.33% for target achievement and 50% for maximum achievement. With respect to Mr. Vance, the 16.66% minimum achievement is a fixed amount to be contributed annually, which may be increased based upon performance that is greater than the minimum performance threshold. The Compensation Committee intends for this minimum 16.66% annual contribution to act as a retirement benefit in addition to the performance-based component. Company contributions on behalf of Mr. Vance were 80% vested as of January 2017 and will vest an additional 10% as of each January 1 thereafter. Mr. Vance's participation agreement provides for Company contributions under the Deferred Compensation Plan for the years 2012 through and including 2019.

Under their respective Deferred Compensation Plan participation agreements, Heritage's contributions on behalf of Messrs. Deuel and Hinson for 2017 based on 2016 performance were set at 10% of salary for minimum achievement of performance goals, 20% for target achievement and 35% for maximum achievement. Company contributions on behalf of Messrs. Deuel and Hinson under the Deferred Compensation Plan were 50% vested as of January 1, 2017 and will vest an additional 10% as of each January 1 thereafter. Their participation agreements, as amended in 2016, provide for Company contributions under the Deferred Compensation Plan for the years 2012 through and including 2019.

Under Mr. Spurling's Deferred Compensation Plan participation agreement, Heritage's contributions on his behalf for 2017 based on 2016 performance were set at 10% of salary for minimum achievement of performance goals, 20% for target achievement and 35% for maximum achievement. Company contributions on behalf of Mr. Spurling under the Deferred Compensation Plan were 60% vested as of January 1, 2017 and will vest an additional 20% as of each January 1 thereafter. His participation agreement, as amended in 2015, provides for Company contributions under the Deferred Compensation Plan for the years 2013 through and including 2019.

Under Mr. McDonald's Deferred Compensation Plan participation agreement, Heritage's contributions on his behalf for 2017 based on 2016 performance were set at 10% of salary for minimum achievement of performance goals, 20% for target achievement and 35% for maximum achievement. Company contributions on behalf of Mr. McDonald under the Deferred Compensation Plan were 20% vested as of January 1, 2017 and will vest an additional 10% as of each January 1 thereafter. His participation agreement, as amended in 2016, provides for Company contributions under the Deferred Compensation Plan for the years 2015 through and including 2019.

Under the Deferred Compensation participation agreements, Heritage's contributions fully vest upon a change in control or the participant's death or disability. In the event of the participant's separation from service other than for cause, the participant forfeits all unvested amounts and if the separation from service is for cause, the participant forfeits all vested and unvested amounts.

Distributions of the vested portion begin on the later to occur of the participant's 65th birthday, or the participant's separation from service but may be distributed earlier upon the participant's death or disability.

Distributions that are made as a result of the participant attaining age 65 (age 67 for Mr. Spurling) or separating from service, other than due to death or disability, are made in monthly installments over 24 or 60 months. If, however, the separation from service occurs within 24 months following a change in control or as a result of the participant's death or disability, the payment would be made in a lump sum in the month following such separation from service, death or disability.

In February 2018, the Compensation Committee approved Company contributions to the Deferred Compensation Plan of \$234,531, \$101,461, \$81,437, \$84,123 and \$81,101 on behalf of Messrs. Vance, Deuel, Hinson, McDonald and Spurling, respectively, based on the achievement of 2017 performance goals under their respective Deferred Compensation Plan participation agreements.

Potential Payments Upon Termination or Change in Control

The following table reflects the estimated amount of compensation that would be paid to each NEO in the event of various terminations of employment and in the event of a change in control of Heritage. The values assume a termination date of December 31, 2017. The exact values would need to be calculated upon the actual termination of employment. The calculations do not include compensation and benefits the NEOs would receive that are generally available to our salaried employees.

Employment Agreements and Severance/Change in Control Benefits

The rationale for having employment and severance/change in control agreements in place is to retain the employment of our NEOs, and the talent, skills, experience and expertise that they provide to Heritage. Retention of the current leadership team is a critical goal of the Board as it protects Heritage and the shareholders and provides stability and the type of skilled leadership needed in the current environment. Employment agreements also provide critical protection to Heritage by subjecting the executives to non-competition, non-solicitation and other restrictions following their employment.

Employment Agreements—Messrs. Vance, Deuel and Hinson: On September 7, 2012, Heritage entered into employment agreements with Messrs. Vance, Deuel, and Hinson. The agreements had initial terms through June 30, 2015 for Mr. Vance and through June 30, 2014 for Messrs. Deuel and Hinson. The terms of the agreements automatically extend for an additional year on each July 1 thereafter, unless either party gives at least 90 days' prior notice of non-renewal.

The employment agreements provide for annual base salaries which were \$532,613, \$342,372 and \$274,804 as of December 31, 2017 for Messrs. Vance, Deuel and Hinson, respectively. The base salaries are reviewed annually and may be increased at the discretion of the Board. The agreements provide that the executives are eligible to receive performance-based annual incentive bonuses, in accordance with Heritage's annual incentive plan, and also to receive employee benefits on as favorable a basis as other similarly situated and performing senior executives of Heritage. Messrs. Vance and Deuel are each provided an automobile for business use or a car allowance, at Heritage's prerogative.

The agreements for Messrs. Vance, Deuel and Hinson provide for severance benefits in the event the executive's employment is terminated by Heritage other than for cause and other than as a result of the executive's death or disability, or if the employment is terminated by the executive for good reason ("Termination"). For a Termination during the term of the employment agreement that does not occur within six months before or within 24 months after a change in control of Heritage ("Covered Period"), Mr. Vance would be entitled to receive an amount equal to 200% of his base salary plus three-year average annual bonus ("Base Compensation") and Messrs. Deuel and Hinson would each be entitled to receive an amount equal to 100% of their Base Compensation, all payable in monthly installments over a 24-month period. For a Termination that occurs during a Covered Period, Mr. Vance would be entitled to receive a lump sum equal to 300% of his Base Compensation and Messrs. Deuel and Hinson would each be entitled to receive a lump sum equal to 200% of their Base Compensation. The executives and their eligible dependents would also be entitled to continued coverage under the medical and dental plans of Heritage at active employee rates (18 months' coverage for Mr. Vance for any Termination; for Messrs. Deuel and Hinson, 12 months' coverage for a Termination that does not occur during a Covered Period and 18 months' coverage for a Termination during a Covered Period). The employment agreements also provide for accelerated vesting of outstanding equity awards in the event of a Termination.

All severance benefits under the employment agreements for Messrs. Vance, Deuel and Hinson are contingent upon the executive's execution and non-revocation of a general release and waiver of claims against Heritage. The agreements are subject to certain banking regulatory provisions and include a clawback provision should any severance payment require recapture under any applicable statute, law, regulation or regulatory interpretation or guidance. Further, the agreements provide for an automatic reduction of severance payments if the reduction would result in a better net-after-tax result for the respective executive after taking into account the impact of the golden parachute payment restrictions of Section 280G of the Internal Revenue Code.

The employment agreements for all the executives contain restrictive covenants prohibiting the unauthorized disclosure of confidential information of Heritage by the executives during and after their employment with the Heritage, and prohibiting the executives from competing with Heritage and from soliciting its employees or customers during employment and after termination of employment for any reason. The non-solicitation and non-competition provisions apply to Mr. Vance for a period of 24 months following any termination not in connection with a change in control. For Messrs. Deuel and Hinson, the non-competition provisions apply for a period of 12 months following any termination not in connection with a change in control and the non-solicitation provisions apply for a period for 24

months following any termination not in connection with a change in control. The non-competition and non-solicitation provisions apply to Messrs. Vance, Deuel and Hinson for a period of 12 months following any termination in connection with a change in control.

Employment Agreement—Mr. McDonald: Effective as of May 1, 2014, in connection with the Washington Banking merger, Heritage entered into an employment agreement with Mr. McDonald pursuant to which he serves as Executive Vice President and Chief Lending Officer of Heritage Bank. Mr. McDonald’s employment agreement had an initial term from May 1, 2014 through June 30, 2016, with the agreement automatically extending for an additional year on each July 1 thereafter, unless either party gives at least 90 days’ prior notice of non-renewal. Mr. McDonald is provided an automobile for business use or a car allowance, at Heritage’s prerogative. The employment agreement provides for an annual base salary which was \$283,868 as of December 31, 2017. In connection with the Washington Banking merger, the agreement also provides for a one-time grant of restricted stock, a special bonus and housing allowance to be paid over the two years following the effective time of the merger, reimbursement of relocation expenses following the effective time of the merger, and reimbursement of certain legal fees for negotiation of the employment agreement in connection with the merger. Mr. McDonald’s employment agreement contains other benefits and terms and conditions that are substantially similar to the employment agreements with Messrs. Deuel and Hinson that are described above, including termination payments and benefits.

Employment Agreement—Mr. Spurling: On January 2, 2014, Heritage entered into an employment agreement with Mr. Spurling pursuant to which he serves as Executive Vice President and Chief Credit Officer of Heritage and Heritage Bank. Mr. Spurling’s employment agreement had an initial term from January 1, 2014 through June 30, 2016, with the agreement automatically extending for an additional year on each July 1 thereafter, unless either party gives at least 90 days’ prior notice of non-renewal. The employment agreement provides for an annual base salary which was \$273,671 as of December 31, 2017. Mr. Spurling’s employment agreement contains other benefits and terms and conditions that are substantially similar to the employment agreements with Messrs. Deuel and Hinson that are described above, including termination payments and benefits.

Equity Plans

The Heritage Financial Corporation 2010 Omnibus Equity Plan provides for accelerated vesting of awards upon disability, death or retirement eligibility (at or after age 65 and 10 years of service). The 2010 Omnibus Equity Plan further provides that in the event of a change in control, if Heritage is not the surviving corporation and the acquirer does not assume outstanding awards or provide substitute equivalent awards, or if the award recipient is terminated without cause or if the award recipient terminates his or her own employment for good reason within 24 months following a change in control, then all outstanding awards will become immediately exercisable or vested. The 2010 Omnibus Equity Plan was frozen as of the date of shareholder approval of the 2014 Omnibus Equity Plan.

Heritage currently maintains the Heritage Financial Corporation 2014 Omnibus Equity Plan. This Plan provides for accelerated vesting of awards upon disability or death. The 2014 Omnibus Equity Plan contains a “double trigger” vesting provision that provides that in the event of a change in control, if Heritage is not the surviving corporation and the acquirer does not assume outstanding awards or provide substitute equivalent awards, or if the award recipient is terminated without cause or if the award recipient terminates his or her own employment for good reason within 24 months following a change in control, then all outstanding awards will become immediately exercisable or vested. As of December 31, 2017 there were 1,072,809 shares available for issuance under the 2014 Omnibus Equity Plan.

Split Dollar Agreements

Each of our NEOs is a party to a split dollar agreement that provides for the payment of a death benefit to a beneficiary designated by the NEO in an amount equal to 100% of their base salary upon the death of the NEO prior to a separation from service.

Management Incentive Plan

In the case of a death or disability, the Management Incentive Plan allows for prorated payments for time worked during the performance period. Once the plan year concludes, the incentive award will be calculated based on established performance goals.

Compensation Committee Interlocks and Insider Participation

The members of the Compensation Committee are Directors Ellwanger, Lyon, Pickering, and Watson with Director Dennis added in January 2018. No members of this Committee were officers or employees of Heritage or its subsidiaries during the year ended December 31, 2017 or at March 5, 2018, nor were they formerly officers or had any relationships otherwise requiring disclosure.

CEO Pay Ratio

In August 2015, the SEC adopted a rule under the Dodd-Frank Act requiring disclosure of the ratio of the CEO's annual total compensation to the annual total compensation of the median employee.

In determining our median employee, a list of all full-time and part-time employees, exclusive of our CEO, Brian L. Vance, was prepared based on active employees included in the Company's payroll system as of December 31, 2017. Gross wages were ranked from highest to lowest to determine the median employee. The annual total compensation of the median employee was then calculated in the same manner as the total compensation disclosed for Mr. Vance in the Summary Compensation Table shown above.

The ratio of compensation of the CEO to the median employee's compensation is as follows:

Annual total compensation of CEO	\$1,307,056
Annual total compensation of the median employee	\$51,660
Ratio of CEO to median employee compensation	25.3:1.0

This pay ratio is a reasonable estimate calculated in a manner consistent with SEC rules based on our payroll and employment records and the methodology described above. Because the SEC's rules for identifying the median compensated employee and calculating the pay ratio based on that employee's annual total compensation allow companies to adopt a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their compensation practices, the pay ratio reported by other companies may not be comparable to our pay ratio.

REPORT OF THE AUDIT AND FINANCE COMMITTEE

The following Report of the Audit and Finance Committee of the Board of Directors for the year ended December 31, 2017 shall not be deemed to be soliciting material or to be incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent Heritage specifically incorporates this report therein, and shall not otherwise be deemed filed under these Acts.

**PROPOSAL 3—RATIFICATION OF THE APPOINTMENT
OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Appointment of Independent Registered Public Accounting Firm

The Audit and Finance Committee of the Board of Directors has appointed Crowe Horwath LLP as its independent registered public accounting firm for the year ending December 31, 2018. You are asked to ratify the appointment of Crowe Horwath LLP at the annual meeting. Although shareholder ratification of the appointment of Crowe Horwath LLP is not required by our Bylaws or otherwise, our Board of Directors is submitting this appointment to shareholders for their ratification at the annual meeting as a matter of good corporate practice. If the appointment of Crowe Horwath LLP is not ratified by our shareholders, the Audit and Finance Committee may appoint another independent registered public accounting firm or may decide to maintain its appointment of Crowe Horwath LLP. Even if the appointment of Crowe Horwath LLP is ratified by the shareholders at the annual meeting, the Audit and Finance Committee, in its discretion, may select a different independent registered public accounting firm at any time during the year. Crowe Horwath LLP served as Heritage's independent registered public accounting firm since 2012.

The Audit and Finance Committee operates under a written charter adopted by the Board of Directors. In fulfilling its oversight responsibility of reviewing the services performed by Heritage's independent registered public accounting firm, the Committee carefully reviews the policies and procedures for the engagement of the independent registered public accounting firm. The Audit and Finance Committee discussed with Crowe Horwath LLP the overall scope and plans for the audit, and the results of the audit for the year ended December 31, 2017. Heritage also reviewed and discussed its fees with Crowe Horwath LLP, as described below, and determined the fees billed for services were compatible with Crowe Horwath LLP maintaining its independence.

A representative of Crowe Horwath LLP is expected to attend the annual meeting of shareholders to respond to appropriate questions and will have an opportunity to make a statement if he or she so desires.

The Board of Directors unanimously recommends that you vote FOR the ratification of the appointment of Crowe Horwath LLP as the independent registered public accounting firm for Heritage for the year ending December 31, 2018.

Audit Fees

The following table sets forth the aggregate fees billed or expected to be billed to Heritage by its principal accountant for or during the years indicated. Crowe Horwath LLP audited Heritage's consolidated financial statements for the years ended December 31, 2017 and 2016.

	Year Ended December 31,	
	2017	2016
Audit Fees ⁽¹⁾	\$575,000	\$512,000
Audit-Related Fees ⁽²⁾	30,000	30,000
Tax Fees	—	—
All Other Fees ⁽³⁾	117,000	318,000
Total	\$722,000	\$860,000

Audit fees consist of fees paid for the audit of Heritage's consolidated financial statements included in Form 10-Ks, the audit of the Heritage's internal control over financial reporting and the reviews of the interim condensed

(1) consolidated financial statements included in Form 10-Qs, including services normally provided by an accountant in connection with statutory and regulatory filings or engagements, and the review of registration statements filed with the SEC and the issuance of consents.

(2) Audit-related fees consist of fees for the audit of the employee benefit plan sponsored by Heritage.

(3) All other fees consist of fees for regulatory compliance consulting services and the review of the trust department of Heritage Bank.

Pre-approval Policy

It is the policy of the Audit and Finance Committee to pre-approve all audit and permissible non-audit services to be provided by the independent registered public accounting firm and the estimated fees for these services. Pre-approval is typically granted by the full Audit and Finance Committee. In considering non-audit services, the Audit and Finance Committee will consider various factors, including but not limited to, whether it would be beneficial to have the service provided by the independent registered public accounting firm and whether the service could compromise the independence of the independent registered public accounting firm. For the year ended December 31, 2017, the Audit and Finance Committee approved all, or 100%, of the services provided by Crowe Horwath LLP that were designated as audit fees, audit-related fees and all other fees as set forth in the table above.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act requires our directors and executive officers, and persons who own more than 10% of Heritage's common stock to report their initial ownership of the common stock and any subsequent changes in that ownership to the SEC. Specific due dates for these reports have been established by the SEC and we are required to disclose in this Proxy Statement any late filings or failures to file. Based solely on our review of the copies of such forms we have received and written representations provided to us by the above-referenced persons, we believe that, during the year ended December 31, 2017, all filing requirements applicable to our reporting officers, directors and greater than 10% shareholders were properly and timely complied with.

Heritage's Governance and Nominating Committee, in its discretion, may disregard any nominations that do not comply with the above-listed requirements. Upon the Governance and Nominating Committee's instructions, the vote teller may disregard all votes cast for a nominee if the nomination does not comply with the above-listed requirements.
