FOR IMMEDIATE RELEASE

AETERNA ENTERS INTO A \$25 MILLION CONVERTIBLE TERM LOAN
AND COMPLETES THE INTEGRATION OF ZENTARIS AG

CERTAIN WARRANTS ISSUED IN APRIL 2002 EXPIRE

ALL AMOUNTS ARE IN CANADIAN DOLLARS

QUEBEC CITY (CANADA), APRIL 1, 2003 -- Aeterna Laboratories Inc. (TSX: AEL, NASDAQ: AELA) today announced that, on March 31, 2003, it entered into a term loan facility with two strategic investors: SGF Sante Inc. and Solidarity Fund QFL. The term loan is in a principal amount of \$25 million (\$12.5 million per investor), matures on March 31, 2006 and bears interest at an annual rate of 12%. Interest is payable once a year on the anniversary date of the term loan, subject to Aeterna's right to defer payment of interest on the term loan until March 31, 2006. SGF Sante and Solidarity Fund QFL have the option to convert all or any part of the loan, plus accrued and unpaid interest thereon, into subordinate voting shares of Aeterna, at a price of \$5.05 per share. This represents a 25% premium over the 10-day weighted average trading price ending on March 28, 2003, the last trading day prior to the completion of this transaction. The term loan is secured by certain of Aeterna's assets. The proceeds of this loan will be used for current operating activities of the Company.

Aeterna also announced today the merger of its subsidiaries Aeterna GmbH and Zentaris AG, thus completing the integration of Zentaris AG, which was acquired in December 2002, providing Aeterna with eleven additional products ranging from preclinical stage up to marketing, as well as several pharmaceutical partners. The company resulting from this merger will be called Zentaris GmbH. As previously announced, this merger has enabled Aeterna to settle the balance of purchase price for Zentaris AG of \$40 million to Degussa AG.

"With the combination of today's term loan with SGF Sante and Solidarity Fund QFL and the settlement of the balance of purchase price for Zentaris, Aeterna's cash position is in excess of \$50 million. Our financial strength and cash position is bolstered through the profitable activities of Atrium Biotechnologies and the cash flow generated by Zentaris," commented Dennis Turpin, CA, Aeterna's Vice President and CFO.

"We are very pleased with the continued support from SGF Sante and Solidarity Fund QFL. With this financing, as well as the integration of Zentaris and the magnitude and

quality of our new product portfolio, we are well positioned to pursue our growth strategy, along with the collaboration of all our partners," stated Gilles Gagnon, Aeterna's President and CEO.

During the last three months, several important events took place following the acquisition of Zentaris:

- o Agreement with Hainan Tianwang International Pharmaceutical for the manufacturing and marketing of Lobaplatin(R), throughout the Chinese territory. Lobaplatin(R) is an agent derived from platinum used for cancer treatment. This agreement provides, among other things, a cash receipt of \$4.5 million.

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

- o Appointment of Zentaris' key employees to Board of Directors and management positions of Aeterna Laboratories Inc.
- o Agreement with Baxter Healthcare granting exclusive worldwide rights to product D-63153 for all forms of cancer and for endocrinological use. This agreement provides for undisclosed payments, assumption of 100% of the clinical development costs, and a certain number of additional milestone payments.
- o Exclusive distribution and marketing agreement with German Remedies Limited for marketing Impavido(R) (Miltefosine) in India and Bangladesh. This marks the beginning of worldwide marketing of Miltefosine, which will soon be available in all countries afflicted by Leishmaniasis, better known as the Black Fever.
- o Confirmation of positive financial results of Zentaris for the year 2002, with more than \$30 million in revenue and a positive cash flow.
- o Agreement with LG Life Sciences Ltd. for marketing Neovastat in the Korean territory.

In addition, Aeterna announced today that the 2,000,000 warrants and 1,666,667 warrants issued to SGF Sante and Solidarity Fund QFL, respectively, on April 9, 2002 in connection with a \$57 million private placement of subordinate voting shares expired in accordance with their terms on March 31, 2003 and have been cancelled. SGF Sante and Solidarity Fund QFL still own 2,000,000 and 1,666,667 warrants, respectively, which may be exercised on or before December 31, 2003 at an exercise price of \$20 per subordinate voting share.
