MANAGEMENT PROXY CIRCULAR

1. SOLICITATION OF PROXIES

THIS CIRCULAR IS FURNISHED IN CONNECTION WITH THE SOLICITATION, BY THE MANAGEMENT OF AETERNA LABORATORIES INC. (THE "CORPORATION"), OF PROXIES TO BE USED AT THE ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS OF THE CORPORATION (THE "MEETING"), TO BE HELD ON THURSDAY, MAY 29, 2003, AT THE TIME AND PLACE AND FOR THE PURPOSES SET FORTH IN THE NOTICE OF MEETING OR ANY ADJOURNMENT THEREOF.

Unless otherwise indicated, the information contained in this Circular is given as of March 26, 2003.

The solicitation will be conducted primarily by mail; some proxies may also be solicited directly in the case of directors, officers or employees of the Corporation, but without further compensation. The Corporation may also reimburse brokers and other persons holding Multiple Voting Shares or Subordinate Voting Shares on their behalf or on behalf of nominees, for costs incurred in sending the proxy documents to principals and to obtain their proxies. The Corporation will assume the cost of solicitation, which should be minimal.

2. APPOINTMENT OF PROXYHOLDERS

THE PERSONS NAMED AS PROXYHOLDERS IN THE ENCLOSED FORM OF PROXY ARE DIRECTORS OR OFFICERS OF THE CORPORATION. A SHAREHOLDER MAY APPOINT A PERSON OTHER THAN THE PERSONS INDICATED IN THE SAID FORM TO ACT AS HIS/HER PROXYHOLDER. TO DO SO, THE SHAREHOLDER MUST WRITE THE NAME OF SUCH PERSON IN THE APPROPRIATE SPACE ON THE FORM OF PROXY. In order to ensure they are counted, completed proxies must be received at the office of National Bank Trust Inc., 1100 University Street, 9th Floor, Montreal, Quebec, H3B 2G7, no later than at the close of business on the last business day preceding the date of the Meeting or any adjournment thereof, or they may be delivered to the Chairman at the Meeting or at any adjournment thereof. A person acting as proxyholder need not be a shareholder of the Corporation.

3. REVOCATION OF PROXIES

A shareholder giving a proxy may revoke it at all times by a document signed by him/her or by a proxyholder authorized in writing or, if the shareholder is a corporation, by a document signed by an officer or a proxyholder duly authorized, given to the Secretary of the Corporation at 1405 boulevard du Parc-Technologique, Quebec, Quebec, G1P 4P5, until the last business day, inclusively, preceding the day of the Meeting or any adjournment

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

thereof at which the proxy is to be used, or to the Chairman of such meeting on the day of the Meeting or any adjournment thereof.

4. NON-REGISTERED HOLDERS OF SHARES

THE INFORMATION SET FORTH IN THIS SECTION SHOULD BE REVIEWED CAREFULLY BY THE NON-REGISTERED SHAREHOLDERS OF THE CORPORATION. SHAREHOLDERS WHO DO NOT HOLD THEIR SHARES IN THEIR OWN NAME (THE "BENEFICIAL SHAREHOLDERS") SHOULD NOTE THAT ONLY PROXIES DEPOSITED BY SHAREHOLDERS WHO APPEAR ON THE RECORDS MAINTAINED BY THE CORPORATION'S REGISTRAR AND TRANSFER AGENT AS REGISTERED HOLDERS OF SHARES WILL BE RECOGNIZED AND ACTED UPON AT THE MEETING. If shares are listed in an account statement provided to a shareholder by a broker, those shares will, in all likelihood, not be registered in the shareholder's name. Such shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). In the United States, the vast majority of such shares are registered in the name of CEDE & Co. (the registration name for The Depository Trust Company, which acts as nominee for many U.S. brokerage firms). Shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker's clients.

National Instrument 54-101 of the Canadian Securities Administrators requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. For that reason, a shareholder receives this Circular from his or her broker or other intermediary, together with a voting instruction form. The various brokers and other intermediaries have their own mailing procedures and provide their own signing and return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The voting instruction form supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the form of proxy provided directly to registered shareholders by the Corporation. However, its purpose is limited to instructing the registered shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to ADP Investor Communications ("ADPIC") in Canada. ADPIC typically prepares a machine-readable voting instruction form, mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the forms to ADPIC, or otherwise communicate voting instructions to ADPIC (by way of the Internet or telephone, for example). ADPIC then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. A Beneficial Shareholder who receives an ADPIC voting instruction form cannot use that form to vote shares directly at the Meeting. The voting instruction forms must be returned to ADPIC (or instructions respecting the voting of shares must otherwise be communicated to ADPIC) well in advance of the Meeting in order to have the shares voted. If you have any questions respecting the voting of shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.

Since the Corporation does not have access to the names of its Beneficial Shareholders, if a Beneficial Shareholder attends the Meeting, the

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

Corporation will have no record of their shareholdings or of their entitlement to vote, unless the broker (or other intermediary) has appointed such Beneficial Shareholder as proxy holder. Therefore, a Beneficial Shareholder who wishes to vote in person at the Meeting, should insert his or her own name in the space provided on the voting instruction form sent to him or her by the broker or other intermediary. By doing so, the broker or other intermediary is instructed to appoint the Beneficial Shareholder as proxyholder. Then the Beneficial Shareholder should

follow the signing and return instructions provided by his or her broker or other intermediary. The Beneficial Shareholder should not otherwise complete the form, as he or she will be voting at the Meeting.

ALL REFERENCES TO SHAREHOLDERS IN THIS MANAGEMENT PROXY CIRCULAR AND THE ACCOMPANYING FORM OF PROXY AND NOTICE OF MEETING ARE TO REGISTERED SHAREHOLDERS UNLESS SPECIFICALLY STATED OTHERWISE.

5. VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The shares conferring voting rights at the Meeting are the Multiple Voting Shares and the Subordinate Voting Shares. Each Multiple Voting Share confers the right to 10 votes and each Subordinate Voting Share confers the right to one vote. On March 26, 2003, there were 4,727,100 Multiple Voting Shares and 35,966,427 Subordinate Voting Shares outstanding.

Holders of Multiple Voting Shares and Subordinate Voting Shares, entered on the list of shareholders compiled at the close of business (Montreal time) on April 18, 2003 (the "Record Date"), will have the right to vote at the Meeting or at any adjournment thereof if they are present or represented by a proxyholder.

To the knowledge of the directors and officers of the Corporation, the only persons who are beneficial owners of, directly or indirectly, or exercise power or control over shares conferring more than 10% of the voting rights attached to each class of participating and issued and outstanding shares of the Corporation are:

NAME OF SHAREHOLDER	SUBORDINATE VOTING SHARES		MULTIPLE VOTING SHARES		TOTAL VOTES

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

Financement du Quebec) and 3,333,334 of these 4,996,525 Subordinate Voting Shares (in the case of the Solidarity Fund (QFL) ("Fund QFL")) were issued on April 9, 2002, in connection with a total overall investment of \$55 million from these investors in the Corporation in the form of a private placement in Subordinate Voting Shares with attached warrants. In respect to this placement, SGF Sante and Fund QFL have each reached an agreement with Dr. Eric Dupont whereby Dr. Dupont specifically agreed that, so long as he holds the majority of votes attached to all voting shares of the Corporation, he will not vote in favour of specific significant events that concern the Corporation and its subsidiaries, without having received the prior approval of SGF Sante and/or Fund QFL.

6. PRESENTATION OF THE FINANCIAL STATEMENTS

The Annual Report including the audited consolidated financial statements of the Corporation for the year ended December 31, 2002 and the Auditors' report thereon will be submitted to the Meeting.

7. EXERCISE OF VOTING RIGHTS BY PROXIES

The persons named as proxies will vote or withhold from voting the shares in respect of which they are appointed or vote for or against any particular question, in accordance with the direction of the shareholders appointing them. IN THE ABSENCE OF SUCH DIRECTION, SUCH SHARES WILL BE VOTED IN FAVOUR OF ALL MATTERS IDENTIFIED IN THE ATTACHED NOTICE OF MEETING. The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and to other matters which may properly come before the Meeting. At the time of printing of this Circular, the Management of the Corporation knows of no such amendment, variation or other matter expected to come before the Meeting other than the matters referred to in the Notice of Meeting.

8. ELECTION OF DIRECTORS

Corporation by-laws provide that the Board of Directors of the Corporation is formed of at least five (5) and at most fifteen (15) directors. Directors are elected annually by the shareholders of the Corporation, but the directors may from time to time appoint one or more directors, provided that the total number of directors so appointed does not exceed one third of the number of directors elected at the last annual meeting of the shareholders. The Corporation proposes the nine (9) persons named herebelow as candidates for election as directors. Each elected director will remain in office until adjournment of the next annual meeting of the shareholders or until his/her successor is elected or appointed, unless his/her post is vacated earlier.

Under the terms of a shareholders' agreement signed on November 12, 1999, between Fund QFL and the Corporation, Fund QFL was granted the right to designate one (1) member of the Board of Directors of the Corporation, provided that Fund QFL holds at least 499,999 Subordinate Voting Shares of the Corporation's capital stock. Likewise, under the terms of contractual agreements signed by the Corporation, SGF Sante and Dr. Eric Dupont, concerning, among other matters, the election of directors, provided SGF Sante holds at least 5% in number of the Corporation's voting shares issued and outstanding, (a) the

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

Corporation will propose for election as a director of the Corporation, at each annual meeting of the shareholders, (i) one candidate designated by SGF Sante, provided that the candidate receives a favourable recommendation from the Corporate Governance Committee (this candidate will also be appointed to the Audit Committee and the Corporate Governance Committee of the Corporation), and (ii), except for the 2002 annual meeting of the shareholders, one candidate jointly designated by SGF Sante and Dr. Eric Dupont, (b) the Corporation will solicit proxies from its shareholders for the election of such candidates as directors of the Corporation, and (c) Dr. Eric Dupont will exercise the voting rights conveyed by his shares, concerning any resolution bearing on the election of directors to be studied by the beneficial holders of any participating shares of the Corporation, in favour of the election of the candidates so designated. In this respect, and in accordance with the agreement mentioned above, Dr. Francis Bellido is the candidate currently designated by SGF Sante and the candidate to be jointly designated by SGF Sante and Dr. Dupont remains to be selected.

UNLESS INSTRUCTIONS ARE GIVEN TO ABSTAIN FROM VOTING WITH REGARD TO THE ELECTION OF DIRECTORS, THE PERSONS WHOSE NAMES APPEAR ON THE ENCLOSED FORM OF PROXY WILL VOTE IN FAVOUR OF THE ELECTION OF THE NINE (9) NOMINEES WHOSE NAMES ARE SET OUT HEREINBELOW. MANAGEMENT OF THE CORPORATION DOES NOT FORESEE THAT ANY OF THE FOLLOWING NOMINEES LISTED BELOW WILL BE UNABLE OR, FOR ANY REASON,

UNWILLING TO PERFORM HIS/HER DUTIES AS DIRECTOR. IN THE EVENT THAT THE FOREGOING OCCURS FOR ANY REASON, PRIOR TO THE ELECTION, THE PERSONS INDICATED ON THE ENCLOSED FORM OF PROXY RESERVE THE RIGHT TO VOTE FOR ANOTHER CANDIDATE OF THEIR CHOICE UNLESS OTHERWISE INSTRUCTED BY THE SHAREHOLDER IN THE FORM OF PROXY TO ABSTAIN FROM VOTING IN THE ELECTION OF DIRECTORS.

C. STOCK OPTION PLAN

The Corporation has established a stock option plan for the directors, executive officers, employees, members of the Scientific Advisory Board and persons providing continuous services to the Corporation (the "Plan") in order to attract and retain these persons, who will be motivated to work toward ensuring the Corporation's success. The Board has full and complete authority to interpret the Plan and to establish the rules and regulations applying to it and to make all other determinations it deems necessary or useful for the administration of the Plan, provided that such interpretations, rules, regulations and determinations are consistent with the rules of all stock exchanges on which the securities of the Corporation are then traded and with all relevant securities legislation. Subject to regulatory approval, the Board may, at any time, amend, suspend or terminate the Plan in whole or in part. Eligibility for the Plan will be determined by the Board of Directors or the Corporate Governance Committee, as the case may be.

All of the options that are granted under the Plan may be exercised within a maximum period of 10 years following the date of their grant. The Board of Directors or the Corporate Governance Committee, as the case may be, designates, in its discretion, the option recipients to whom the stock options are granted and determines the number of Subordinate Voting Shares covered by each of such options, the grant date, the exercise price of each option, the expiry date and any other question relating thereto, in each case in accordance with the applicable legislation of the securities regulatory authorities. The price at which the Subordinate Voting Shares may be purchased may not be lower than the greater of the closing prices of the shares on the Toronto Stock Exchange and the Nasdaq National Market, on the last trading day preceding the date of grant of the option. Any option issued is non-transferable.

The maximum number of Subordinate Voting Shares that are issuable under the Plan shall not exceed 3,285,101 shares. The maximum number of Subordinate Voting Shares that may be optioned in favour of any individual shall not exceed 5% of the number of outstanding shares.

On February 20, 2003, the directors of the Corporation passed a resolution in order, among other things, to update and restate the Plan by setting the maximum number of Subordinate Voting Shares that are issuable under the Plan (Schedule "B"), the whole as more fully described in this Circular under item 15 entitled "Modification to the Stock Option Plan". The confirmation of that modification by the shareholders of the Corporation is solicited by this Management Proxy Circular.

OPTIONS GRANTED DURING THE LAST FINANCIAL YEAR

The following table indicates the individual grants of securities to

the Named Executive Officers during the financial year ended December 31, 2002. The aggregate number of Subordinate Voting Shares covered by options granted during that period was 1,048,895 at prices varying from \$4.31 to \$8.85 per share, establishing at 2,949,872 the total number of shares covered by options granted and outstanding pursuant to the Plan at December 31, 2002. No stock option is outstanding according to the options issued on an individual basis in 1995; all of these options have expired on December 31, 2001. During the financial year ended December 31, 2002, 257,983 options were exercised at prices varying from \$4.30 to \$6.00.

(1) The value of an unexercised in-the-money option at financial year-end is the difference between the exercise price of the option and the closing price of Subordinate Voting Shares on the Toronto Stock Exchange at December 31, 2002, namely \$5.92 per share. These values have not been and may never be realized. The options have not been and may never be exercised; and actual gains, if any, upon exercise will depend upon the value of the Subordinate Voting Shares on the date of the exercise. There can be no assurance that these values will

be realized. Values of unexercised options are based on the exercise prices varying from \$4.50 to \$5.70, as applicable at the specific grant dates.

D. REPORT OF THE CORPORATE GOVERNANCE COMMITTEE ON EXECUTIVE COMPENSATION

COMPOSITION OF THE COMMITTEE

At December 31, 2002, the Corporate Governance Committee (the "Committee") was composed of:

Dr. Eric Dupont, Dr. Pierre Laurin and Mr. Pierre MacDonald.

MANDATE OF THE COMMITTEE

The Committee, which was formed on May 16, 1996, is entrusted with examining matters related to the appointment and compensation of executive officers of the Corporation, including that of the Executive Chairman and of the Chief Executive Officer, in view of making recommendations to the Board. The Committee also reports to the Board on options awarded. It reviews the composition of the Board and of its committees and proposes and recommends candidates for election or appointment to the Board. Finally, the Committee is responsible for examining the terms and conditions of the aggregate compensation plans of the Corporation and to verify the competitiveness thereof in relation

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

to companies carrying on activities similar to those of the Corporation.

EXECUTIVE COMPENSATION POLICY

An aggregate compensation policy has been established to acknowledge and reward the contributions of the executive officers to the Corporation's success and to ensure competitive compensation, in order that the Corporation may benefit from the expertise required to pursue its objectives.

In accordance with this policy, the compensation of the officers is based on three principal elements: the basic salary, the performance units and the award of stock options. The Corporation intends to pay a competitive aggregate compensation that includes an incentive related to the obtainment of corporate results in addition to a basic salary in accordance with a reference market. The incentive compensation is granted on the basis of criteria approved by the Committee.

SHORT-TERM INCENTIVE COMPENSATION

The short-term incentive plan sets out the award of performance units in the form of guaranteed value stock options based on the achievement of the strategic objectives of the Corporation. These objectives are set at the beginning of each financial year as part of the revision of corporation strategies.

In the case of the executive officers, the number of performance units in the form of exercisable stock options can be decreased according to the level of attainment of financial and strategic objectives of the Corporation.

LONG-TERM COMPENSATION OF EXECUTIVE OFFICERS

The long-term component of the officers' aggregate compensation is exclusively based on the Corporation's Stock Option Plan. This Plan permits the granting of a number of options that varies in accordance with the contribution of the officers and their responsibilities.

CONTROL AND REVISION OF THE COMPENSATION PLAN

The Committee must ensure that the compensation of the officers is consistent with the aggregate compensation policy of the Corporation. The relative situation of the Corporation with regard to compensation is determined annually by means of studies, in respect of a reference market, composed of comparable businesses. Internal equity analyses are also conducted in order to make the required adjustments.

COMPENSATION OF THE EXECUTIVE CHAIRMAN COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

The compensation of the Executive Chairman is governed pursuant to an individual contractual agreement. On October 23, 1993, Dr. Eric Dupont signed an exclusive contract agreement with the Corporation having an initial term of five (5) years and renewable annually thereafter. This contract included a non-competition clause in favour of the Corporation. The compensation of the Chief Executive Officer is along the lines of the corporate policy on management compensation. The Chief Executive Officer's contract of employment also contains a non-competition clause but does not provide for any specific plan of remuneration.

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

CONCLUSION

In accordance with the executive compensation policy, a significant portion of the compensation of the executive officers is related to the performance of the Corporation, the responsibilities inherent in their duties and, in particular, the performance of the shares and their long-term appreciation. The Committee reviews the compensation programs of the executive officers annually in order to ensure their competitiveness and compliance with the objectives, values and strategies of the Corporation.

If the circumstances so require, the Committee may recommend employment conditions that are different from the policies in effect as well as the execution of non-standard employment contracts by the Corporation.

By the Committee:

Eric Dupont
Pierre Laurin
Pierre MacDonald

The Corporation's Corporate Governance Committee makes recommendations regarding the compliance of the Corporation's practices with the Guidelines and oversees disclosure obligations related thereto. The Corporate Governance Committee has also been reviewing the proposed amendments to the Guidelines published in the spring and fall of 2002, and has considered the Corporation's governance practices in response to the United States SARBANES-OXLEY ACT OF 2002 and the proposals put forward by the Nasdaq National

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

Market ("Nasdaq"). The majority of these new rules are not in final form or do not apply with respect to disclosure as at December 31, 2002. As the proposed amendments to the TSX Guidelines, the Nasdaq proposals and the provisions of the SARBANES-OXLEY ACT

OF 2002 come into effect, the Board of Directors will review and amend its governance practices on an ongoing basis in response to these standards.

The information provided by the Corporation with respect to each one of these Guidelines appears in Schedule "A".

13. INSURANCE OF DIRECTORS AND OFFICERS

The Corporation purchases liability insurance for the benefit of its directors and officers, which covers them against certain liabilities contracted by them in such capacity. In 2002, this insurance provided a maximum coverage of \$20,000,000 per event and policy year. For the financial year ended December 31, 2002, the premium paid by the Corporation was \$63,220. When the Corporation is authorized or required to indemnify insureds, a deductible of \$50,000 applies.

14. APPOINTMENT OF AUDITORS

Management of the Corporation proposes that PricewaterhouseCoopers LLP, Chartered Accountants, be appointed as auditors of the Corporation and that the directors of the Corporation be authorized to fix their compensation. PricewaterhouseCoopers have acted as auditors of the Corporation since the financial year of the Corporation ended December 31, 1993.

UNLESS INSTRUCTED TO ABSTAIN FROM VOTING WITH REGARD TO THE APPOINTMENT OF AUDITORS, THE PERSONS WHOSE NAMES APPEAR ON THE ENCLOSED FORM OF PROXY WILL VOTE IN FAVOUR OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS.

15. MODIFICATION TO THE STOCK OPTION PLAN

During the annual and special meeting of the Corporation, the shareholders will be asked to consider, and if thought appropriate, to approve Resolution 2003-1 providing for certain amendments to the Plan which the directors unanimously approved on February 20, 2003, subject to shareholders and regulatory approval.

The material amendment proposed to be made to the Plan, which amendment is blacklined in the Plan annexed herewith as Schedule "C", is to set the maximum number of Subordinate Voting Shares which may be set aside for issuance under the Plan at 4,069,352. Initially, the Plan was adopted by the Corporation on November 7, 1995, and was amended on June 18, 1997, May 5, 1999, June 8, 2000, May 23, 2001 and June 12, 2002, to increase the number of Subordinate Voting Shares issuable under the Plan.

The Corporation, like others in the biopharmaceutical industry, considers the use of stock option plan to be an important means of attracting, retaining and motivating qualified personnel. Management is of the opinion that the fact that all of the Corporation's employees have options contributes to the success and rapid growth of the Corporation. In making the decision to amend the Plan, the Corporate Governance Committee and the Board of Directors considered a

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

number of factors, including the number of options currently outstanding under the Plan, the Corporation's human resource requirements,

competitive benchmarks and the anticipated need to grant options in the future. Based on a review of these factors, the directors have unanimously determined that the proposed changes, including, among other things, the setting of a maximum number of Subordinate Voting Shares reserved for issuance under the Plan, are both reasonable and in the best interests of the Corporation.

The proposed new maximum is intended to allow the Corporation to continue (as has been the Corporation's practice in the past) to have 10% of the total of Multiple Voting Shares and Subordinate Voting Shares of the Corporation available for issuance pursuant to the exercise of options in the form of "Unexercised Options" and "Options Available for Issue". With the establishment at 4,069,352, further to the inscription of 1,022,259 additional Subordinate Voting Shares, there were 2,960,423 unexercised options outstanding at February 28, 2003 and 1,108,929 Subordinate Voting Shares available for issuance pursuant to the exercise of options that have yet to be granted. This new number of Subordinate Voting Shares available for the exercise of stock options will represent 10% of the total aggregate number of issued and outstanding Multiple Voting Shares and Subordinate Voting Shares as at February 28, 2003. An aggregate of 2,130,342 shares have been issued further to exercises of stock options since the enactment of the Plan and the granting of stock options on an individual basis in 1995.

Resolution 2003-1 has been pre-cleared by the Toronto Stock Exchange and must also be approved by the majority of the votes cast at the Meeting by all the shareholders of the Corporation present or represented by proxy.

UNLESS INSTRUCTED OTHERWISE, THE PERSONS WHOSE NAMES APPEAR ON THE ENCLOSED FORM OF PROXY WILL VOTE IN FAVOUR OF RESOLUTION 2003-1.

16. SHAREHOLDER PROPOSALS FOR 2004

Proposals from shareholders shall be submitted no later than January 24, 2004 in order that the Corporation may include them in the proxy solicitation circular to be issued for the Corporation's annual meeting of shareholders in 2004.

17. ADDITIONAL INFORMATION

The Corporation will provide the following documents to any person or company upon request to the Secretary of the Corporation, at its head office at 1405 boulevard du Parc-Technologique, Quebec, Quebec, G1P 4P5:

- (i) one copy of the comparative financial statements of the Corporation for its most recent financial year together with the report of the auditors thereon, both contained in the Corporation's 2002 Annual Report, and one copy of any interim financial statements of the Corporation published subsequent to the financial statements for its most recent financial year; and
- (ii) one copy of this Management Proxy Circular.

In addition, the Annual Information Form will be available from the date of its filing with the securities commissions or similar authorities in Canada as well as any other document incorporated by reference in such Annual

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

Information Form. The Corporation may require the payment of reasonable

expenses if a request is received from a person who is not a holder of securities of the Corporation, unless the Corporation makes a distribution of its securities pursuant to a short form prospectus, in which case such documents will be provided free of charge.

18. DIRECTORS' APPROVAL

The contents and the sending of this Management Proxy Circular have been approved by the Board of Directors of the Corporation as of April 2, 2003.

Dated at Quebec, April 4, 2003.

Any Optionee may hold more than one option. However, no Optionee may hold options to purchase over five percent (5%) of the number of Shares issued and outstanding from time to time. 10. OFFER FOR SHARES OF THE CORPORATION

10.1 In the event that, at any time, an offer to purchase is made to all holders of Shares, notice of such offer shall be given by the Corporation to each Optionee and all unexercised options will become exercisable immediately at the Subscription Price, but only to the extent necessary to enable an Optionee to tender his/her Shares in response to the offer should the Optionee so desire.

11. EFFECTS OF ALTERATION OF CAPITAL STOCK

11.1 In the event of any change in the number of outstanding Shares of the Corporation by reason of any stock dividend, stock split, recapitalization, merger, consolidation, combination or exchange of Shares or other similar change, an equitable adjustment shall be made by the Board or the Committee in the maximum number or kind of Shares issuable under the Plan or subject to outstanding options and in the Subscription Price of such Shares. Such adjustment will be definitive and mandatory for the purposes of the Plan.

12. AMENDMENT AND TERMINATION

12.1 The Board may, at any time, with the prior approval of appropriate regulatory authorities, amend, suspend or terminate the Plan in whole or in part. Subject to the provisions of section 11, in the event of a material amendment (including an increase in the maximum number of Shares issuable under the Plan) or a reduction in the Subscription Price of an option, the approval of the holders of a majority of the Shares present and voting in person or by proxy at a meeting of shareholders of the Corporation shall be obtained.

12.2 In addition to the foregoing, any material amendment to an option held by an insider (within the meaning of the SECURITIES ACT (Quebec), other than a person who is an insider solely by virtue of being a director or senior officer of a Subsidiary of the Corporation) or an associate of an insider, including a change in the Subscription Price or expiry date, shall be approved by a majority of votes cast at a meeting of shareholders, other than votes attaching to Shares beneficially owned

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

- 12.3 For the purposes of this section 12, an amendment does not include an accelerated expiry of an option by reason of the fact that an Optionee ceases to be a director, an officer, an employee or a member of the Scientific Board.
- 12.4 The shareholders' approval of an amendment may be given by way of confirmation at the next meeting of shareholders after the amendment is made, provided that no Shares are issued pursuant to the amended terms prior thereto.
13. FINAL PROVISIONS
- 13.1 The Corporation's obligation to issue options granted or Shares under the terms of the Plan is subject to all of the applicable laws, regulations or rules of any governmental agency or other competent authority in respect of the issuance or distribution of securities and to the rules of any stock exchange on which the Shares of the Corporation are listed. Each Optionee shall agree to comply with such laws, regulations and rules and to provide to the Corporation any information or undertaking required to comply with such laws, regulations and rules.
- 13.2 The participation in the Plan of a director, an officer, an employee or a member of the Scientific Board of the Corporation or any of its Subsidiaries shall be entirely optional and shall not be interpreted as conferring upon a director, an officer, an employee or a member of the Scientific Board of the Corporation or any of its Subsidiaries any right or privilege whatsoever, except for the rights and privileges set out expressly in the Plan. Neither the Plan nor any act that is done under the terms of the Plan shall be interpreted as restricting the right of the Corporation or any of its Subsidiaries to terminate the employment of an officer or employee at any time. Any notice of dismissal given to an officer or employee at the time his/her employment is terminated, or any payment in the place and stead of such notice, or any combination of the two, shall not have the effect of extending the duration of the employment for purposes of the Plan.
- 13.3 No director, officer, employee or member of the Scientific Board of the Corporation or any of its Subsidiaries shall acquire the automatic right to be granted one or more options under the terms of the Plan by reason of any previous grant of options under the terms of the Plan.
- 13.4 The Plan does not provide for any guarantee in respect of any loss or profit which may result from fluctuations in the price of the Shares.
- 13.5 The Corporation and its Subsidiaries shall assume no responsibility as regards the tax consequences that participation in the Plan will have for a director, an officer, an employee or a member of the Scientific Board of the Corporation or any of its Subsidiaries, and such persons are urged to consult their own tax advisors in such regard.
- 13.6 The Plan and any option granted under the terms of the Plan shall be governed and interpreted according to the laws of the Province of Quebec and the laws of Canada applicable thereto.
- 13.7 Once approved by the Corporation's shareholders, the Plan will modify

Edgar Filing: AETERNA LABORATORIES INC - Form 6-K

the stock option plan adopted by the Corporation on November 7, 1995 as amended. This Plan confers no other advantage to the beneficiaries of the stock option plan.
