May [], 2006

To the Stockholders of Engelhard Corporation:

As you know, on January 9, 2006, BASF Aktiengesellschaft ("BASF") and its wholly owned subsidiary Iron Acquisition Corporation, a Delaware corporation ("IAC"), commenced a tender offer to purchase all the issued and outstanding shares of common stock, par value \$1.00 per share (the "Common Stock"), of Engelhard Corporation, a Delaware corporation (the "Company"), and the associated Series A Junior Participating Preferred Stock purchase rights (the "Rights" and together with the Common Stock, the "Shares"), for \$37.00 per Share, net to the seller in cash (subject to applicable withholding taxes), without interest, upon the terms and subject to the conditions set forth in the offer to purchase, dated January 9, 2006 (together with any amendments or supplements thereto, the "Offer to Purchase") and in the related letter of transmittal (which, together with the Offer to Purchase, collectively constitute the "Offer"). On May 1, 2006, BASF amended the Offer to increase the offer price to \$38.00 per Share, net to the seller in cash (subject to applicable withholding taxes), without interest. The purpose of the Offer is for us to acquire control of, and the entire equity interest in, the Company. We currently intend, as soon as practicable following consummation of the Offer, to seek to have the Company consummate a merger or other similar business combination with IAC or another direct or indirect subsidiary of BASF (the "Merger").

We are sending you the enclosed proxy statement and the accompanying WHITE proxy card because we are soliciting proxies from the Company's stockholders to be used at the 2006 annual meeting of stockholders of the Company (along with any adjournments, postponements or continuations thereof, the "Annual Meeting"). The Company's Board of Directors (the "Board") has announced that the Annual Meeting will be held at 10:00 a.m., Eastern Daylight Savings Time, on June 2, 2006, at the North Maple Inn at Basking Ridge, 300 North Maple Avenue, Basking Ridge, NJ 07920. This proxy statement and the accompanying WHITE proxy card are first being furnished to stockholders on or about May [], 2006. At the Annual Meeting, two Class I directors of the Company and three directors nominated to fill the newly created vacancies on the Board (who will be spread evenly among the three Classes of directors) will be elected.

We are seeking your support for the election of five persons that we have nominated for election to the Board. On January 27, 2006, in accordance with the Company's deadline for director nominations by stockholders of the Company, we nominated Julian A. Brodsky and John C. Linehan to stand for election to replace the current Class I directors whose terms expire at the Annual Meeting. On April 26, 2006, the Company announced that it intended to expand the size of the current Board from six to nine members effective at the Annual Meeting. On May 1, 2006, in accordance with the Company's deadline for stockholder nominations to fill newly created vacancies on the Board, we nominated Arthur M. de Graffenried III, William T. Vinson and Stanford S. Warshawsky to stand for election at the Annual Meeting as Class I, Class II and Class III directors, respectively.

Prior to the commencement of the Offer, we made efforts to negotiate a transaction with the Board. Those efforts were rebuffed, and on January 9, 2006, we commenced the Offer. On January 23, 2006, the Board rejected the Offer and recommended that its stockholders not tender their Shares in the Offer. The Company also announced that the Board had authorized the exploration of strategic alternatives to maximize stockholder value. After reviewing non-public information provided by the Company, on April 19, 2006, we made a proposal to increase our cash offer price to \$38.00 per Share. The proposal was presented to the Board together with a proposed merger agreement that we were

prepared to sign. The Company did not respond to our proposal. Despite conducting a robust process, the Company, by its own admission, was unable to identify any other party willing to pay more for the entire Company than our Offer of \$38.00 per Share.

On April 26, 2006, the Company announced that the Board had rejected our \$38.00 all-cash Offer and, instead, intended to pursue a leveraged recapitalization and 20% share buyback whereby the Company would offer \$45.00 per Share for 26 million Shares (or approximately 20% of the outstanding Shares, on a fully diluted basis), which the Company would finance by additional borrowings of approximately \$1.2 billion (the "Leveraged Recapitalization and 20% Share Buyback"). The Company commenced the share buyback portion of the Leveraged Recapitalization and 20% Share Buyback on May 5, 2006.

We believe that our Offer provides you with greater value and more certainty than the Company's Leveraged Recapitalization and 20% Share Buyback.

We have offered \$38.00 per Share in cash for 100% of the Company's outstanding Shares. The Company's Leveraged Recapitalization and 20% Share Buyback provides for the purchase of only 26 million Shares (or approximately 20% of the outstanding Shares on a fully diluted basis).

Our Offer is not conditioned on the receipt of financing. The Company's Leveraged Recapitalization and 20% Share Buyback is conditioned upon the Company's receipt of financing of up to \$1.2 billion in order to consummate the buyback and pay related expenses.

If our Offer is successful and we accept for payment Shares tendered thereunder, you would receive shortly thereafter \$38.00 per Share in cash for all of your Shares tendered into the Offer. If our nominees are not elected and you tender your Shares into the Company's self-tender, but more than 26 million Shares are tendered, you would receive cash for only a fraction of your Shares. The value of as much as 80% of your Shares would depend on the future trading value of the Shares.

Unlike our fully funded, \$38.00, all-cash Offer for 100% of the Shares, the per Share value of the Company's Leveraged Recapitalization and 20% Share Buyback is highly dependent on the future trading price of the Shares, which in turn is subject to the risk that the Company is unable to achieve its projected future performance. The Company has projected that it will deliver a 16% compounded annual growth rate of earnings per share, which far exceeds the Company's 4% historical compounded annual growth rate between December 31, 2001 and December 31, 2005. The Company has made this projection despite the fact that it will be operating under the burden of nearly twice the Company's current leverage as a result of the share buyback. The Company has also projected that it will realize and sustain additional cost savings of \$15 million per year beginning in 2007 even though these additional savings were not included in the Company's business plan prior to the announcement of the Leveraged Recapitalization and 20% Share Buyback. By the Company's own admission, the Company's results of operations and ability to achieve internal business plans are subject to certain risks, and any failure of the Company to achieve its projected results could negatively affect the trading price of the Shares, which price we believe has been artificially supported since the public announcement of our Offer. Our Offer of \$38.00 per Share in cash poses no such risks.

As a result of the expansion of the Board, the five directors to be elected at the Annual Meeting will constitute a majority of the Board. The Company's Leveraged Recapitalization and 20% Share Buyback will expire at 5:00 p.m., New York City time, on June 5, 2006, unless it is extended, and is conditioned upon, among other things, our nominees not being elected to the Board and determining to terminate the Leveraged Recapitalization and 20% Share Buyback. As a result, you will have the opportunity to choose between our fully funded, \$38.00, all-cash Offer for 100% of the Shares and the Company's Leveraged Recapitalization and 20% Share Buyback. If elected, and subject to their

Edgar Filing: ENGELHARD CORP - Form PRN14A

fiduciary duties, our nominees would have the power to take steps to facilitate our Offer. Thus, the Annual Meeting has become a referendum for you to indicate whether you prefer our fully funded, \$38.00, all-cash Offer for 100% of the Shares or the Company's Leveraged Recapitalization and 20% Share Buyback. By electing our nominees, you can express your preference for our Offer. If the Company's stockholders do not vote in favor of our nominees, we will allow our Offer to expire and turn our attention to other opportunities.

We are nominating our own slate of candidates for election to the Board at the Annual Meeting because our Offer is subject to certain conditions that will not be satisfied unless the Board takes action to (i) redeem the Rights (or make the Rights inapplicable to the Offer and the Merger), (ii) ensure that the Offer and the Merger are not subject to the supermajority voting provisions of Article Seventh of the Company's Restated Certificate of Incorporation, as amended, and (iii) terminate the Company's Leveraged Recapitalization and 20% Share Buyback prior to the acceptance for payment of any Shares tendered thereunder. By electing our nominees, you can send the nominees and the other members of the Board the clear message that you want them to take these actions and any other actions that they may deem necessary or advisable to facilitate the consummation of the Offer and the Merger.

Your vote is important, no matter how many or how few Shares you own.

THE NOMINEES ARE COMMITTED TO MAXIMIZING STOCKHOLDER VALUE. TELL THEM AND THE COMPANY'S OTHER DIRECTORS THAT YOU PREFER OUR FULLY FUNDED, \$38.00, ALL-CASH OFFER FOR 100% OF THE SHARES OVER THE COMPANY'S LEVERAGED RECAPITALIZATION AND 20% SHARE BUYBACK! WE URGE YOU TO VOTE YOUR WHITE PROXY CARD FOR JULIAN A. BRODSKY, JOHN C. LINEHAN, ARTHUR M. DE GRAFFENRIED III, WILLIAM T. VINSON AND STANFORD S. WARSHAWSKY.

**PROXY STATEMENT
OF
IRON ACQUISITION CORPORATION
a wholly owned subsidiary of
BASF AKTIENGESELLSCHAFT**

This proxy statement and the accompanying WHITE proxy card are being furnished by BASF Aktiengesellschaft, a stock corporation organized under the laws of the Federal Republic of Germany ("BASF"), and its wholly owned subsidiary Iron Acquisition Corporation, a Delaware corporation ("IAC"), in connection with the solicitation of proxies from you, the holders of common stock, par value \$1.00 per share (the "Common Stock"), of Engelhard Corporation, a Delaware corporation (the "Company"). IAC intends to vote such proxies for the election of Julian A. Brodsky and John C. Linehan at the 2006 annual meeting of the Company's stockholders (along with any adjournments, postponements or continuations thereof, the "Annual Meeting") to replace the current Class I directors of the Company whose terms expire at the Annual Meeting and for the election of Arthur M. de Graffenried III, William T. Vinson and Stanford S. Warshawsky (each of Mr. Brodsky, Mr. Linehan, Mr. de Graffenried III, Mr. Vinson and Mr. Warshawsky being a "Nominee", and, collectively, the "Nominees") as Class I, Class II, and Class III directors, respectively, to fill the vacancies created by the increase in the size of the Board of Directors of the Company (the "Board") from six to nine members effective as of the Annual Meeting.

At the Annual Meeting, we will seek to have the Nominees elected to the Board in order to expedite the prompt consummation of our offer to acquire the Company, which is described below. Each of the Nominees has consented, if elected, to serve as a director of the Company and to be named as a Nominee in this proxy statement and in other soliciting materials.

The Company has announced that the Annual Meeting will be held on June 2, 2006, at the North Maple Inn at Basking Ridge, 300 North Maple Avenue, Basking Ridge, NJ 07920, at 10:00 a.m., Eastern Daylight Savings Time. The Company has set May 5, 2006 as the record date (the "Record Date") for determining stockholders entitled to vote at the Annual Meeting.

This proxy statement and the accompanying WHITE proxy card are first being sent or given on or about May [], 2006 to all holders of record of Common Stock on the Record Date. On that date, IAC beneficially owned 100 shares of Common Stock, or less than one percent of the outstanding Common Stock.

THIS SOLICITATION IS BEING MADE BY BASF AND IAC, AND NOT ON BEHALF OF THE BOARD OF DIRECTORS OF THE COMPANY.

On January 9, 2006, BASF, through IAC, commenced a fully funded all-cash tender offer to purchase all the issued and outstanding shares of Common Stock and the associated Series A Junior Participating Preferred Stock purchase rights (the "Rights" and together with the Common Stock, the "Shares") issued pursuant to the Rights Agreement, dated as of October 1, 1998, between the Company and ChaseMellon Shareholder Services, L.L.C., as Rights Agent (the "Rights Agreement"), for \$37.00 per Share, net to the seller in cash (subject to applicable withholding taxes), without interest, upon the terms and conditions set forth in our offer to purchase, dated January 9, 2006 (together with any amendments or supplements thereto, the "Offer to Purchase"), and in the related letter of transmittal (which, together with the Offer to Purchase, collectively constitute the "Offer"). On May 1, 2006, BASF amended the Offer to increase the offer price to \$38.00 per Share, net to the seller in cash (subject to applicable withholding taxes), without interest. The purpose of the Offer is to enable us to acquire control of, and the entire equity interest in, the Company. We currently intend, as soon as

practicable following consummation of the Offer, to seek to have the Company consummate a merger or other similar business combination with IAC or another direct or indirect subsidiary of BASF (the "Merger"). There are currently a number of obstacles to the consummation of the Offer that only the Board can remove.

Prior to the commencement of the Offer, we made efforts to negotiate a transaction with the Board. Those efforts were rebuffed, and on January 9, 2006, we commenced the Offer. On January 23, 2006, the Board rejected the Offer and recommended that its stockholders not tender their Shares in the Offer. The Company also announced that the Board had authorized the exploration of strategic alternatives to maximize stockholder value. After reviewing non-public information provided by the Company, on April 19, 2006, we made a proposal to increase our cash offer price to \$38.00 per Share. The revised offer was presented to the Board together with a proposed merger agreement that we were prepared to sign. The Company did not respond to our proposal. Despite conducting a robust process, the Company, by its own admission was unable to identify any other party willing to pay more for the entire Company than \$38.00 per Share.

On April 26, 2006, the Company announced that the Board had rejected our fully funded, \$38.00, all-cash Offer and, instead, intended to pursue a leveraged recapitalization and 20% share buyback whereby the Company would offer \$45.00 per Share for 26 million Shares (or approximately 20% of the outstanding Shares, on a fully diluted basis), which the Company would finance by additional borrowings of approximately \$1.2 billion (the "Leveraged Recapitalization and 20% Share Buyback"). The Company commenced the buyback portion of its Leveraged Recapitalization and 20% Share Buyback on May 5, 2006. We expect that, if given the opportunity, most of the Company's stockholders would tender their Shares at the substantially above-market price, but the Company's self-tender is only for a fraction of the outstanding Shares. As a result, stockholders would likely be able to tender and receive payment at that price for only a fraction of their Shares. We believe that our fully funded, \$38.00, all-cash Offer for 100% of the Shares offers stockholders greater value and more certainty than the Company's Leveraged Recapitalization and 20% Share Buyback. If our Offer is successful, it will allow you to receive shortly thereafter cash for all of your Shares tendered into our Offer. If, on the other hand, you tender your Shares in the Company's buyback, but more than 26 million Shares are tendered, you would receive cash in the near term for only a fraction of your Shares tendered in the Company's buyback, and the future value of as much as 80% of your Shares would depend upon the future trading price of the Shares, which is subject to the risk that the Company is unable to achieve its projected future performance. Depending on the ultimate market price for the Shares, which, in the absence of our Offer, could fall below our Offer price of \$38.00 per Share, the Company's Leveraged Recapitalization and 20% Share Buyback may be worth considerably less on a per Share basis than our fully funded, \$38.00, all-cash Offer for 100% of the Shares.

In addition to this proxy solicitation, if, in our opinion, it is advisable to do so in order to ensure that stockholders have an unfettered opportunity to choose between our fully funded, \$38.00, all-cash Offer for 100% of the Shares and the Company's Leveraged Recapitalization and 20% Share Buyback on a timely basis, we may solicit written consents of the Company's stockholders to (i) amend the Company's bylaws to expand the size of the Board to twelve members and provide that any newly created vacancies on the Board shall be filled by the stockholders of the Company and (ii) fill the newly created vacancies on the Board with individuals nominated by us.

At the Annual Meeting, in addition to expanding the Board to nine members and electing five directors, the Company intends to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm. BASF, IAC and their affiliates do not know of any other business that will be presented at the Annual Meeting. If, however, other matters are properly presented, the persons named in the enclosed WHITE proxy card will vote the Shares represented thereby in accordance with their best judgment pursuant to the discretionary authority granted in the proxy. As a result, by executing, dating and returning the enclosed WHITE proxy card, stockholders of

the Company will not be able to exercise their full voting power in the event that additional business is presented at the Annual Meeting (including if such business is announced in a proxy statement circulated by the Company). Instead, if such additional business is presented, the persons named in the enclosed WHITE proxy card will vote the Shares represented thereby in accordance with their best judgment in relation to such additional business.

For a complete description of the terms of the Offer, including, without limitation, the conditions of the Offer, the Company's stockholders are referred to the Offer to Purchase. Complete information about the Offer is contained in the Offer to Purchase, which is available in our tender offer statement on Schedule TO, which was filed with the Securities and Exchange Commission (the "Commission") on January 9, 2006, and is available, along with any amendments thereto, including exhibits, on the Commission's website at <http://www.sec.gov>.

THIS PROXY STATEMENT IS NEITHER A REQUEST FOR THE TENDER OF SHARES NOR AN OFFER WITH RESPECT THERETO. WE ARE MAKING THE OFFER ONLY BY MEANS OF THE OFFER TO PURCHASE AND THE RELATED LETTER OF TRANSMITTAL.

FOR THE REASONS LISTED IN THIS PROXY STATEMENT, WE BELIEVE THAT OUR FULLY FUNDED, \$38.00, ALL-CASH OFFER FOR 100% OF THE SHARES IS THE BEST ALTERNATIVE AVAILABLE TO MAXIMIZE VALUE TO THE COMPANY'S STOCKHOLDERS AND IS SUPERIOR TO THE COMPANY'S LEVERAGED RECAPITALIZATION AND 20% SHARE BUYBACK. IF YOU AGREE, WE URGE YOU TO PROMPTLY SIGN, DATE AND RETURN THE ENCLOSED WHITE PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED AND SEND THAT MESSAGE.

AS WE EXPLAIN LATER IN THIS PROXY STATEMENT, BY TAKING THESE STEPS, YOU CAN ELECT DIRECTORS THAT WILL GIVE YOU THE OPPORTUNITY TO RECEIVE \$38.00 PER SHARE PURSUANT TO THE OFFER.

YOU MUST SEPARATELY TENDER YOUR SHARES PURSUANT TO THE OFFER IF YOU WISH TO PARTICIPATE IN THE OFFER. EXECUTING A PROXY DOES NOT OBLIGATE YOU TO TENDER YOUR SHARES PURSUANT TO THE OFFER, AND YOUR FAILURE TO EXECUTE A PROXY DOES NOT PREVENT YOU FROM TENDERING YOUR SHARES PURSUANT TO THE OFFER.

BASF and IAC have retained Innisfree M&A Incorporated to assist in the solicitation of proxies for the election of the Nominees.

If your Shares are registered in your own name, please sign, date and return the enclosed WHITE proxy card to Innisfree M&A Incorporated in the postage-paid envelope provided. If your Shares are held in the name of a broker, dealer, commercial bank, trust company or other nominee, only it can execute a WHITE proxy card with respect to your Shares and only upon receipt of your specific instructions. Accordingly, it is critical that you promptly contact the person responsible for your account and give instructions to promptly mark, sign, date and return the enclosed WHITE proxy card in favor of the election of the Nominees. We urge you to confirm in writing your instructions to the person responsible for your account and provide a copy of those instructions to IAC, in care of Innisfree M&A Incorporated, so that we will be aware of all instructions given and can attempt to ensure that those instructions are followed.

QUESTIONS AND ANSWERS RELATING TO THIS PROXY SOLICITATION

The following are some of the questions you, as a stockholder, may have and the answers to those questions. The following is not a substitute for the information contained in this proxy statement, and the information contained below is qualified in its entirety by the more detailed descriptions and explanations contained elsewhere in this proxy statement. We urge you to read this proxy statement carefully and in its entirety.

WHO IS MAKING THE SOLICITATION?

Iron Acquisition Corporation and BASF Aktiengesellschaft. IAC is a newly formed Delaware corporation and a wholly owned subsidiary of BASF. IAC has been organized in connection with the Offer and has not carried on any activities other than in connection with the Offer.

BASF is a stock corporation organized under the laws of the Federal Republic of Germany. BASF is a transnational chemical company, and its product range includes high-performance products, including chemicals, plastics, coatings systems, dispersions, agricultural products, and fine chemicals, as well as crude oil and natural gas. BASF and its approximately 170 consolidated subsidiaries have customers in more than 170 countries and operate more than 100 production sites.

WHAT ARE WE ASKING YOU TO VOTE FOR?

We are asking you to replace the Company's incumbent Class I directors by electing our Nominees, Julian A. Brodsky, and John C. Linehan, and to elect Arthur M. de Graffenried III, William T. Vinson and Stanford S. Warshawsky as Class I, Class II and Class III directors, respectively, to fill the newly created vacancies on the Board at the Annual Meeting.

As described below, the five directors to be elected at the Annual Meeting will constitute a majority of the Board. Thus, the Annual Meeting has become a referendum for you to indicate whether you prefer our fully funded, \$38.00, all-cash Offer for 100% of the Shares or the Company's Leveraged Recapitalization and 20% Share Buyback. A vote for our Nominees is an expression of your preference for our fully funded, \$38.00, all-cash Offer for 100% of the Shares over the Company's Leveraged Recapitalization and 20% Share Buyback.

WHY ARE WE SOLICITING YOUR VOTE?

On January 9, 2006, BASF through IAC commenced a fully funded all-cash Offer to purchase all the issued and outstanding Shares. The purpose of the Offer is for BASF to acquire control of, and the entire equity interest in, the Company. Prior to commencement of the Offer, we made efforts to negotiate a transaction with the Board. Those efforts were rebuffed, and on January 9, 2006, we commenced the Offer. On January 23, 2006, the Board of Directors of the Company rejected the Offer and recommended that its stockholders not tender their Shares in the Offer. The Company also announced that the Board had authorized the exploration of strategic alternatives to maximize stockholder value. After reviewing non-public information provided by the Company, on April 19, 2006, we made a proposal to increase our cash offer price to \$38.00 per Share, conditioned on a negotiated transaction. The revised offer was presented to the Board together with a proposed merger agreement that we were prepared to sign. The Company did not respond to our proposal. Despite conducting a robust process, the Company, by its own admission, was unable to identify any other party willing to pay more for the entire Company than our Offer of \$38.00 per Share. On April 26, 2006, the Company announced that the Board had rejected our fully funded, \$38.00, all-cash Offer and, instead, intended to pursue the Leveraged Recapitalization and 20% Share Buyback whereby the Company would offer \$45.00 per Share for 26 million Shares (or approximately 20% of the outstanding Shares, on a fully diluted basis), which the Company would finance by additional borrowings of approximately \$1.2 billion. On May 1, 2006, we amended the Offer to increase the offer price to \$38.00 per Share, net

to the seller in cash (subject to applicable withholding taxes), without interest. We believe that our fully funded, \$38.00, all-cash Offer for 100% of the Shares offers stockholders greater value and more certainty than the Company's Leveraged Recapitalization and 20% Share Buyback.

As a result of the expansion of the Board announced by the Company on April 26, 2006 and effective as of the Annual Meeting, the five directors to be elected at the Annual Meeting will constitute a majority of the Board. Thus, the Annual Meeting has become a referendum for you to indicate whether you prefer our fully funded, \$38.00, all-cash Offer for 100% of the Shares or the Company's Leveraged Recapitalization and 20% Share Buyback. A vote for our Nominees is an expression of your preference for our fully funded, \$38.00, all-cash Offer for 100% of the Shares over the Company's Leveraged Recapitalization and 20% Share Buyback.

WHAT MUST HAPPEN TO COMPLETE OUR TENDER OFFER?

The Offer is subject to the satisfaction or waiver of certain conditions, including:

that there be validly tendered and not withdrawn prior to the expiration of the Offer at least the number of Shares that, when added to the Shares already owned by BASF or any of its subsidiaries, including IAC, shall constitute a majority of the then outstanding Shares on a fully diluted basis;

that we are satisfied, in our sole discretion, that the Board has redeemed the Rights or the Rights have been invalidated or are otherwise inapplicable to the Offer and the Merger;

that we are satisfied, in our sole discretion, that the Offer and the Merger have been approved by the Board for purposes of Article Seventh of the Company's Restated Certificate of Incorporation, as amended, or the provisions of Article Seventh are otherwise inapplicable to the Offer and the Merger; and

that, we are satisfied, in our sole discretion, that the Company has terminated the Leveraged Recapitalization and 20% Share Buyback prior to the acceptance for payment of any Shares tendered thereunder.

The Offer to Purchase contains a complete description of all of the conditions to the Offer.

The practical effect of the Rights is that we cannot acquire control of the Company unless the Rights are redeemed or otherwise made inapplicable to the Offer and the Merger. Article Seventh of the Company's Restated Certificate of Incorporation, as amended, would, if applicable to the Merger, make it impossible for us to complete the Merger based solely upon the Shares owned by us following consummation of the Offer even if the minimum condition described above has been satisfied. Article Seventh would apply to the Merger unless the Board approves the Merger for the purposes of Article Seventh or makes the provisions of Article Seventh otherwise inapplicable to the Offer and the Merger. As a result of the commencement of the Company's announcement of the Leveraged Recapitalization and 20% Share Buyback, the final condition described above requires Board action. Only the Board has the power to take these actions. Additional information concerning the Rights and Article Seventh can be found in Section 7 of the Offer to Purchase.

If elected, and subject to their fiduciary duties, our Nominees would have the power to (i) redeem the Rights or amend the Rights Agreement so as not to apply to the Offer and the Merger, (ii) ensure that the Offer and the Merger are not subject to the supermajority voting provisions of Article Seventh of the Company's Restated Certificate of Incorporation, as amended, and (iii) terminate the Leveraged Recapitalization and 20% Share Buyback prior to the acceptance for payment of any Shares tendered thereunder.

HOW DOES YOUR VOTE AFFECT OUR TENDER OFFER?

Even if the stockholders elect our Nominees to the Board, IAC does not intend to purchase Shares tendered unless the conditions to the Offer are either satisfied or waived. Election of our Nominees will signal that a majority of stockholders voting at the Annual Meeting consider our fully funded, \$38.00, all-cash Offer for 100% of the Shares to be in their best interests. If elected, and subject to their fiduciary duties, our Nominees would have the power to take those steps necessary to permit the stockholders of the Company to accept the Offer, including (i) redeeming the Rights or amending the Rights Agreement so as not to apply to the Offer and the Merger, (ii) ensuring that the Offer and the Merger are not subject to the supermajority voting provisions of Article Seventh of the Company's Restated Certificate of Incorporation, as amended, and (iii) terminating the Leveraged Recapitalization and 20% Share Buyback prior to the acceptance for payment of any Shares tendered thereunder. By electing our Nominees, you can send the message that you favor this result. If the stockholders of the Company do not elect our Nominees, we will allow the Offer to expire.

IF YOU ELECT OUR NOMINEES, ARE YOU AGREEING TO TENDER YOUR SHARES IN THE OFFER?

No. Your vote to elect our Nominees does not obligate you to tender your Shares in the Offer.

Although the election of our Nominees to the Board is an important step toward prompt consummation of the Offer and the Merger, we are not asking the Company's stockholders to tender their Shares by means of this proxy solicitation or to consent to or vote on the Merger at this time.

WHO ARE IAC'S DIRECTOR NOMINEES?

We are proposing that Julian A. Brodsky and John C. Linehan be elected to replace the incumbent Class I directors, and Arthur M. de Graffenried III, William T. Vinson and Stanford S. Warshawsky be elected as Class I, Class II and Class III directors of the Company, respectively, to fill the newly created vacancies on the Board. Our Nominees are independent within the meaning of the New York Stock Exchange listing standards and, except as described herein, are not affiliated with BASF, IAC or any other subsidiary of BASF, or with the Company or any subsidiary of the Company. They are highly qualified individuals who will fully discharge the fiduciary obligations they would owe to the Company and its stockholders under Delaware law. The principal occupation and business experience of each nominee is set forth in this proxy statement under the section entitled "The Nominees," which we urge you to read.

WHAT MATTERS ARE BEFORE THE STOCKHOLDERS AT THE ANNUAL MEETING?

At the Annual Meeting, you will be asked to consider the following matters:

Proposal 1. Election of directors; and

Proposal 2. Ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm.

We urge you to return the WHITE proxy card and vote in favor of our Nominees with regard to Proposal 1. BASF has no recommendation with respect to Proposal 2.

WHO CAN VOTE AT THE ANNUAL MEETING?

If you owned Shares at the close of business on May 5, 2006, the Record Date, you are entitled to vote for our Nominees at the Annual Meeting.

HOW MANY SHARES MUST BE VOTED IN FAVOR OF OUR NOMINEES TO ELECT THEM?

Assuming a quorum is present at the Annual Meeting, the affirmative vote of a majority of the votes cast at the Annual Meeting is required for the election of directors.

WHAT SHOULD YOU DO TO VOTE FOR OUR NOMINEES?

If your Shares are registered in your own name, please sign, date and return the enclosed WHITE proxy card to IAC, in care of Innisfree M&A Incorporated, in the postage-paid envelope provided at 501 Madison Avenue, 20th Floor, New York, NY 10022.

If your Shares are held in the name of a broker, dealer, commercial bank, trust company or other nominee, only it can execute a WHITE proxy card with respect to your Shares and only upon receipt of your specific instructions. Accordingly, it is critical that you promptly contact the person responsible for your account and give instructions to promptly mark, sign, date and return the enclosed WHITE proxy card in favor of the election of our Nominees. We urge you to confirm in writing your instructions to the person responsible for your account and provide a copy of those instructions to IAC, in care of Innisfree M&A Incorporated, so that we will be aware of all instructions given and can attempt to ensure that those instructions are followed.

WHOM SHOULD YOU CALL IF YOU HAVE ANY QUESTIONS ABOUT THE SOLICITATION?

Please call our proxy solicitor, Innisfree M&A Incorporated, toll free at (877) 750-5837 (from the U.S. and Canada) or 00-800-7710-9971 (from Europe).

Edgar Filing: ENGELHARD CORP - Form PRN14A

Each of the Nominees has consented, if elected, to serve as a director of the Company and to be named in this proxy statement and in other soliciting materials as a Nominee. We do not expect that any of the Nominees will be unable to stand for election or serve as a director, but if any vacancy in the slate of candidates nominated by us occurs for any reason (including if the Company makes or announces any changes to its bylaws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying any or all of the Nominees), the Shares represented by the enclosed WHITE proxy card will be voted for a substitute candidate nominated by IAC in compliance with the rules of the Commission and any other applicable law.

Compensation of Directors of the Company

We anticipate that each Nominee, upon election, will receive director's fees, consistent with the Company's past practice, for services as a director of the Company. According to the Company's public filings, directors who are not also employees of the Company receive an annual retainer of \$50,000 and a fee for each Board or committee meeting attended (\$1,500). The chairmen of the audit and compensation committees each received an additional retainer of \$10,000, while the chairmen of each of the other committees of the Board received an additional retainer of \$7,500 for each committee meeting that they chaired. Each non-employee director received an annual retainer of \$5,000 for each committee on which he or she served. In addition, directors who were not also employees were granted \$20,000 worth of deferred stock units. According to the Company's public filings, each person who becomes a non-employee director prior to June 30, 2006 will be awarded 7,593 Shares effective as of such person's election to the Board and each director also receives options to purchase 3,000 Shares with an exercise price equal to the fair market value of such Shares at the date of grant of the options, which become exercisable in four equal installments, commencing on the first anniversary of the date of grant and annually thereafter. We are not aware of any other arrangement pursuant to which any director of the Company was to be compensated for services during the Company's last fiscal year.

Other than as described herein, neither IAC nor BASF is aware of any other arrangements pursuant to which non-employee directors of the Company were to be compensated for services as a director during the Company's last fiscal year.

All information regarding the Company's director compensation and benefits arrangements set forth in this proxy statement is derived solely from the Company's public filings. IAC and BASF have relied upon the accuracy of such information and have not made any independent attempt to verify the accuracy of such information.

Arrangements between BASF and the Nominees

Each Nominee has received a fee of \$40,000 from BASF for agreeing to stand for election as a director of the Company. BASF has agreed to indemnify each Nominee, to the fullest extent applicable law permits, from and against any and all expenses, judgments, fines, settlements and other amounts arising out of any threatened or filed action, suit or proceeding, whether civil, criminal, administrative or investigative, asserted against or incurred by the Nominee in his capacity as a Nominee for election as a director of the Company, or arising out of his status in that capacity. BASF has also agreed to hire, and pay the reasonable out-of-pocket expenses associated with, one independent law firm to represent the Nominees, and to reimburse each Nominee for other reasonable out-of-pocket expenses.

Additional Information Concerning the Nominees

The Nominees have furnished certain additional information located in Annex I of this proxy statement as required by the Commission.

PROPOSAL 1: ELECTION OF DIRECTORS

According to publicly available information, the Board currently consists of six members divided into three classes. Each member of a class of directors holds office until the third succeeding annual meeting after his election and until his successor is elected and qualified or until he shall resign or shall have been removed. Two Class I directors will be elected at the Annual Meeting for terms of three years. In addition, the Company has stated that the size of the Board will be increased from six to nine members at the Annual Meeting, and stockholders of the Company will be asked to elect nominees for the three newly created vacancies. These three nominees will be allocated evenly among the Company's three classes of directors as set forth below. The Company has proposed to re-elect the two incumbent Class I directors, Marion H. Antonini and Henry R. Slack, whose terms will expire at the Annual Meeting. The Company is also proposing to elect Mr. Michael A. Spurduto, Mr. Howard L. Minigh, and Mr. Alain Lebec, as Class I, Class II, and Class III directors, respectively, to fill the three newly created vacancies.

At the Annual Meeting, we will propose that the Company's stockholders elect Julian A. Brodsky and John C. Linehan as Class I directors of the Company to replace the two incumbent Class I directors. We will also propose that the Company's stockholders elect Arthur M. de Graffenried III, William T. Vinson and Stanford S. Warshawsky as Class I, Class II and Class III directors, respectively, to fill the three newly created vacancies. Each Nominee, if elected, would hold office until the annual meeting of the Company's stockholders at which the term of the class of directors of which they are a member expires (as further set out below), and until a successor has been duly elected and qualified.

Each Nominee shall, upon election to the Board, exercise his independent judgment in accordance with his fiduciary duties in all matters that come before the Board.

If elected, and subject to their fiduciary duties, the Nominees would have the power to take those steps that they deem necessary or advisable to facilitate the consummation of the Offer and the Merger including (i) redeeming the Rights or amending the Rights Agreement so as not to apply to the Offer and the Merger, (ii) ensuring that the Offer and the Merger are not subject to the supermajority voting provisions of Article Seventh of the Company's Restated Certificate of Incorporation, as amended, and (iii) terminating the Leveraged Recapitalization and 20% Share Buyback prior to the acceptance for payment of any Shares tendered thereunder. By electing our Nominees, you can demonstrate that you favor this result.

WE STRONGLY URGE YOU TO VOTE FOR THE ELECTION OF THE NOMINEES BY SIGNING, DATING AND RETURNING THE ENCLOSED WHITE PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED TO YOU WITH THIS PROXY STATEMENT. IF YOU HAVE SIGNED THE WHITE PROXY CARD AND NO MARKING IS MADE, YOU WILL BE DEEMED TO HAVE GIVEN A DIRECTION TO VOTE ALL THE SHARES REPRESENTED BY THE WHITE PROXY CARD FOR THE ELECTION OF THE NOMINEES.

REASONS TO VOTE FOR OUR NOMINEES

BASF and IAC urge all stockholders of the Company to vote FOR the election of the Nominees.

A vote in favor of the Nominees allows each stockholder to demonstrate support for the Offer.

As a result of the expansion of the Board effective at the Annual Meeting, the five directors to be elected at the Annual Meeting will constitute a majority of the Board. Thus, the Annual Meeting has become a referendum for you to indicate whether you prefer our fully funded, \$38.00, all-cash Offer for 100% of the Shares or the Company's Leveraged Recapitalization and 20% Share Buyback. By voting to elect the Nominees, you can express your preference for our Offer.

The Offer is subject to a number of conditions that will not be satisfied unless the Board takes action to (i) redeem the Rights (or amend the Rights Agreement to make the Rights inapplicable to the Offer and the Merger), (ii) ensure that the Offer and the Merger are not subject to the supermajority voting provisions of Article Seventh of the Company's Restated Certificate of Incorporation, as amended, and (iii) terminate the Leveraged Recapitalization and 20% Share Buyback prior to the acceptance for payment of any Shares tendered thereunder.

If elected, the Nominees will act in a manner consistent with their fiduciary duties and seek to maximize value for stockholders. As a majority of the Board, the Nominees would, however, have the power to take those steps that they deem necessary or advisable to facilitate the consummation of the Offer and the Merger, including (i) redeeming the Rights or amending the Rights Agreement so as not to apply to the Offer and the Merger, (ii) ensuring that the Offer and the Merger are not subject to the supermajority voting provisions of Article Seventh of the Company's Restated Certificate of Incorporation, as amended, and (iii) terminating the Leveraged Recapitalization and 20% Share Buyback prior to the acceptance for payment of any Shares tendered thereunder. By voting to elect the Nominees, you will be indicating your support for those actions.

The Offer is an opportunity for you to realize a significant, timely cash return without the risks attendant to the Company's Leveraged Recapitalization and 20% Share Buyback.

We have offered \$38.00 per Share in cash for 100% of the Company's outstanding Shares. The Company's Leveraged Recapitalization and 20% Share Buyback provides for the purchase of only 26 million Shares (or approximately 20% of the outstanding Shares on a fully diluted basis).

Our Offer is not conditioned on the receipt of financing. The Company's Leveraged Recapitalization and 20% Share Buyback is conditioned upon the Company's receipt of financing of up to \$1.2 billion in order to consummate the buyback and pay related expenses.

If our Offer is successful and we accept for payment Shares tendered thereunder, you would receive shortly thereafter \$38.00 per Share in cash for all of your Shares tendered into the Offer. If the Nominees are not elected and you tender your Shares into the Company's self-tender, but more than 26 million Shares are tendered, you would receive cash for only a fraction of your Shares. The value of as much as 80% of your Shares would depend on the future trading value of the Shares.

Unlike our fully funded, \$38.00, all-cash Offer for 100% of the Shares, the per Share value of the Company's Leveraged Recapitalization and 20% Share Buyback is highly dependent on the future trading price of the Shares, which in turn is subject to the risk that the Company is unable to achieve its projected future performance. The Company has projected that it will deliver a 16% compounded annual growth rate of earnings per share, which far exceeds the Company's 4% historical compounded annual growth rate between December 31, 2001 and December 31, 2005. The Company has made this projection despite the fact that it will be

Edgar Filing: ENGELHARD CORP - Form PRN14A

operating under the burden of nearly twice the Company's current leverage as a result of the share buyback. The Company has also projected that it will realize and sustain additional cost savings of \$15 million per year beginning in 2007 even though these additional savings were not included in the Company's business plan prior to the announcement of the Leveraged Recapitalization and 20% Share Buyback. By the Company's own admission, the Company's results of operations and ability to achieve internal business plans are subject to certain risks, and any failure of the Company to achieve its projected results could negatively affect the trading price of the Shares, which price we believe has been artificially supported since the public announcement of our Offer. Our Offer of \$38.00 per Share in cash poses no such risks.

The Offer price represents a significant premium to the Share price levels prior to the public announcement of the Offer and is higher than even the Company's all-time high Share trading price. The \$38.00 per Share price to be paid in the Offer represents a 26% premium above the \$30.05 New York Stock Exchange ("NYSE") closing price of the Shares on December 20, 2005 (the day before BASF's first meeting with the Company), a 26% premium above the \$30.15 NYSE closing price of the Shares on December 30, 2005 (the last trading day before BASF announced its intention to make the Offer), a 34% premium above the NYSE 90-day average share price (Volume Weighted Average Price) of \$28.42 as of December 20, 2005 and a 15% premium to the all-time intraday high NYSE Share trading price of \$33.00 on April 11, 2002.

VOTING AND PROXY PROCEDURES

Eligibility to Vote

According to publicly available information, the Shares constitute the Company's only class of voting securities, and each Share entitles its record holder to one vote. Only holders of Shares as of the Record Date are entitled to vote at the Annual Meeting and execute proxies with respect to matters to be voted upon at the Annual Meeting. The Company has set May 5, 2006 as the Record Date for the Annual Meeting. If you were a stockholder of record on the Record Date, you may vote your Shares at the Annual Meeting even if you have sold your Shares before or after the Record Date, subject to the rights, if any, of your transferees under applicable law. Accordingly, please vote the Shares held by you on the Record Date, or grant a proxy to vote such Shares on the WHITE proxy card.

Quorum Requirements

The bylaws of the Company provide that the holders of a majority of the Shares that are issued and outstanding on the Record Date and entitled to vote, whether present in person or by proxy, shall constitute a quorum for the transaction of business at the Annual Meeting. Abstentions, votes withheld and broker non-votes will be counted as present for purposes of determining whether a quorum is present. "Broker non-votes" are shares for which a bank, broker or other nominee holder has not received voting instructions and which the nominee holder does not have discretionary power to vote on a particular matter. IAC does not believe that banks, brokers or other nominee holders will have discretion to vote on any matter voted at the Annual Meeting. Shares that voted "For," "Abstain" or "Withheld" on a matter are treated as shares voted at the Annual Meeting with respect to such matter. Broker non-votes are not treated as votes cast at the Annual Meeting.

Vote Requirements

According to the Company's Revised Preliminary Proxy Statement filed on May 8, 2006 with the Commission, as of May 5, 2006, there were 124,011,840 Shares outstanding. IAC currently owns 100 Shares beneficially and of record.

The affirmative vote of a majority of the votes cast is required for the election of directors. Broker non-votes will not be counted in the election of directors and therefore will have no effect on the election since the directors are elected by a majority of the votes cast at the Annual Meeting, assuming a quorum is present. Stockholders of the Company do not have cumulative voting rights in the election of directors.

Voting by Proxy

YOUR PROXY IS IMPORTANT. WE STRONGLY URGE YOU TO VOTE FOR THE ELECTION OF OUR NOMINEES. IF YOU WISH TO DO SO, PLEASE SIGN, DATE AND RETURN THE ENCLOSED WHITE PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED TODAY.

The WHITE proxy card will be voted at the Annual Meeting in accordance with your instructions on such card. Execution of the WHITE proxy card will not affect your right to attend the Annual Meeting and to vote in person.

If your Shares are registered in your own name, please sign, date and mail the enclosed WHITE proxy card to IAC, in care of Innisfree M&A Incorporated, in the postage-paid envelope provided.

If your Shares are held in the name of a broker, dealer, commercial bank, trust company or other nominee, only it can execute a proxy with respect to your Shares and only upon receipt of your specific instructions. Accordingly, it is critical that you promptly contact the person responsible for your account and give instructions for a WHITE proxy card to be executed representing your Shares. We urge you to confirm in writing your instructions to the person responsible for your account and provide a copy of

those instructions to IAC, in care of Innisfree M&A Incorporated, so that we will be aware of all instructions given and can attempt to ensure that those instructions are followed.

Whether or not you are able to attend the Annual Meeting, you are urged to sign and date the enclosed WHITE proxy card and return it in the enclosed self-addressed, prepaid envelope. All valid proxies received prior to the Annual Meeting will be voted. If you specify a choice with respect to any item by marking the appropriate box on the proxy card, the Shares will be voted in accordance with that specification. IF NO SPECIFICATION IS MADE, THE PERSONS NAMED ON THE ENCLOSED WHITE PROXY CARD WILL VOTE YOUR SHARES FOR THE NOMINEES.

Other Proposals to be Considered at the Annual Meeting

At the Annual Meeting, in addition to electing five directors, the Company intends to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm. The Company's Board has sent you management's proxy statement discussing this proposal ("Proposal 2"). The affirmative vote of a majority of the votes cast is required to approve Proposal 2. BASF has no recommendation with respect to Proposal 2. BASF will vote proxies for or against Proposal 2 as you direct on your WHITE proxy card, or, if no direction is indicated on your WHITE proxy card, BASF will abstain from voting your proxy on Proposal 2. Abstentions will have the same effect as a vote against Proposal 2.

BASF, IAC and their affiliates do not know of any other business that will be presented at the Annual Meeting. If, however, other matters are properly presented, the persons named in the enclosed WHITE proxy card will vote the Shares represented thereby in accordance with their best judgment pursuant to the discretionary authority granted in the proxy. As a result, by executing, dating and returning the enclosed WHITE proxy card, you will not be able to exercise your full voting power in the event that additional business is presented at the Annual Meeting (including if such business is announced in a proxy statement circulated by the Company). Instead, if such additional business is presented, the persons named in the enclosed WHITE proxy card will vote the Shares represented thereby in accordance with their best judgment in relation to such additional business.

Revocation of Proxies

Any stockholder who has mailed a proxy card to the Company may revoke it before it is voted by mailing a duly executed WHITE proxy card to IAC, in care of Innisfree M&A Incorporated, bearing a date LATER than the proxy card delivered to the Company. Only your latest dated proxy will be counted in the votes cast at the Annual Meeting. Proxies may also be revoked at any time prior to voting by: (i) delivering to the Company (Attention: Corporate Secretary) a written notice stating that the proxy is revoked; (ii) delivering a duly executed proxy bearing a later date than the proxy delivered previously; or (iii) attending the Annual Meeting and voting in person.

OTHER INFORMATION

Solicitation of Proxies

This proxy solicitation is being made by IAC and BASF. Proxies may be solicited by mail, facsimile, courier services, Internet, telephone, telegraph, in person and by advertisements. Solicitations may be made by certain directors, officers and employees of IAC and BASF, none of whom will receive additional compensation for the proxy solicitation. Information regarding directors, officers and certain employees of IAC and BASF who may solicit proxies is set forth on Annex III of the proxy statement.

In addition, IAC has retained Innisfree M&A Incorporated for solicitation and advisory services in connection with the proxy solicitation and the Offer, for which Innisfree M&A Incorporated will receive a fee of not more than \$400,000.00 together with reimbursement for its reasonable out-of-pocket expenses and will be indemnified against certain liabilities and expenses, including certain

liabilities under the federal securities laws. As part of the solicitation, IAC and BASF, the Nominees and Innisfree M&A Incorporated may communicate with stockholders of the Company by mail, facsimile, courier services, Internet, advertising, telephone or telecopier, in person, or by advertisements but it is not anticipated that stockholders will be asked to submit proxies by telephone or Internet. Innisfree M&A Incorporated will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. It is anticipated that Innisfree M&A Incorporated will employ approximately 125 persons to solicit the stockholders for their proxies.

IAC has requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all materials related to the proxy solicitation to the beneficial owners of Shares they hold of record. IAC will reimburse these record holders for their reasonable out-of-pocket expenses in so doing.

Lehman Brothers (which collectively refers to Lehman Brothers Holdings Inc. and its affiliates) is acting as dealer manager in connection with the Offer and has provided certain financial advisory services to IAC and BASF in connection with the solicitation and the Offer. BASF has agreed to pay Lehman Brothers reasonable and customary compensation for its services as financial advisor in connection with the Offer (including the services of Lehman Brothers as dealer manager). BASF has also agreed to reimburse Lehman Brothers (in its capacity as dealer manager and financial advisor) for all reasonable out-of-pocket expenses incurred by Lehman Brothers, including the reasonable fees and expenses of legal counsel, and to indemnify Lehman Brothers against certain liabilities and expenses in connection with its engagement, including certain liabilities under the federal securities laws.

Lehman Brothers does not admit that it or any of its directors, officers, employees or affiliates is a "participant," as defined in Schedule 14A promulgated under the Securities Exchange Act of 1934, as amended, by the Commission in the solicitation of proxies, or that Schedule 14A requires the disclosure of certain information concerning them. However, in connection with Lehman Brothers' role as financial advisor to BASF and IAC, the following investment banking employees of Lehman Brothers may communicate in person, by telephone or otherwise with a limited number of institutions, brokers or other persons who are stockholders of the Company and may solicit proxies from these institutions, brokers or other persons: Senior Vice President, Kevin Blum and Managing Directors, Carlos A. Fierro and Paul Collins. The business address of each such person is c/o Lehman Brothers Inc., 745 Seventh Avenue, New York, NY 10019 and the telephone number for each such person at that address is (888) 610-5877. Lehman Brothers engages in a full range of investment banking, securities trading, market-making and brokerage services for institutional and individual clients. In the normal course of its business, Lehman Brothers may trade securities of the Company for its own accounts and the accounts of its customers, and, accordingly, may at any time hold a long or short position in such securities. Lehman Brothers has informed BASF that, as of May 1, 2006, it held a net long position of approximately 54,018 Shares for its own account. Lehman Brothers may have voting and dispositive power with respect to certain Shares held in asset management, brokerage and other accounts. Lehman Brothers and its affiliates disclaim beneficial ownership of such Shares.

BASF and IAC will bear the costs of this solicitation and will not seek reimbursement of those costs from the Company. The total expenditures for, in furtherance of, or in connection with the solicitation of proxies, including costs related to the Offer and to the solicitation of proxies, include expenditures for attorneys, accountants, financial advisors, proxy solicitors, public relations advisors, printing, advertising, transportation, postage, litigation and related expenses and filing fees, and, other than the payment for Shares under the Offer, are expected to aggregate approximately \$[] million, of which \$[] has been paid to date. The portion of those costs allocable solely to the solicitation of proxies is not readily determinable.

Annex III sets forth information about the directors and executive officers of IAC and BASF who may solicit proxies and their employees and other representatives, if any, who may also assist Innisfree M&A Incorporated in soliciting proxies. Annex III also sets forth certain information relating to Shares

these participants, IAC and BASF own and certain transactions between any of them and the Company.

Appraisal Rights

No appraisal rights are available in connection with this proxy solicitation or the Offer. However, if the Merger is subsequently consummated between IAC and the Company, stockholders who have not tendered their Shares in the Offer will have certain rights under the General Corporation Law of Delaware to dissent from the Merger and demand appraisal of, and to receive payment in cash of the fair value of, their Shares. The preservation and exercise of dissenters' rights in connection with the Merger will require strict adherence to the applicable provisions of the General Corporation Law of Delaware.

EXECUTING A WHITE PROXY CARD IN FAVOR OF THE ELECTION OF OUR NOMINEES WILL NOT PREVENT A HOLDER OF SHARES AFTER CONSUMMATION OF THE OFFER FROM SUBSEQUENTLY DEMANDING APPRAISAL OF THOSE SHARES IN CONNECTION WITH THE CONSUMMATION OF ANY MERGER.

Stockholder Proposals

Pursuant to the Revised Preliminary Proxy Statement filed by the Company with the Commission on May 8, 2006, to be considered for inclusion in the proxy statement relating to the 2007 annual meeting of stockholders of the Company, stockholder proposals must be received after February 3, 2007 and before March 6, 2007. If proposals are received after March 6, 2007, the Company's proxy statement for the 2007 annual meeting of stockholders of the Company may confer discretionary authority to vote on such matter without any discussion of such matter in the Company's proxy statement for the 2007 annual meeting of stockholders of the Company. If a proposal is received before that date, the proxies that management solicits for the meeting may still exercise discretionary voting authority on the proposal under circumstances consistent with the proxy rules of the Commission.
