ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS

This Form 8-K/A is being filed to restate the Form 8-K filed by Alliance Data Systems Corporation on September 24, 2001.

On September 14, 2001, a wholly owned subsidiary of Alliance Data Systems Corporation ( Alliance ), acquired substantially all the assets of Mailbox Capital Corporation ( Mailbox ) by the assumption of all the outstanding senior indebtedness and a portion of the subordinated indebtedness of Mailbox, together totaling \$32.5 million. An earn out agreement was also entered into allowing for additional funds to be earned depending on the annual level of business for the next year. The acquisition was effective September 1, 2001 and non-material adjustments were made to the amount of indebtedness assumed at closing. Alliance paid off the indebtedness immediately subsequent to assumption using Alliance s own funds. Alliance intends to continue to use the acquired assets in the same manner as previously used by Mailbox which was to provide services such as statement generation and data processing for clients in a variety of industries including utilities, telecom, financial, government and retail. Alliance has issued a press release announcing the transaction which is being filed as an exhibit.

Alliance s acquisition of Mailbox is not financially material, individually or in the aggregate with other acquisitions since the audited financial statements dated December 31, 2000, and financial statements and pro forma financial information are not required.
