**Item 1.01** Entry into a Material Definitive Agreement.

On February 2, 2005, the Compensation Committee (the *Committee*) of the Board of Directors (the *Board*) of Valero Energy Corporation (the *Company*) approved certain compensation arrangements for each of the *Company's* named executive officers (as defined in Item 402(a)(3) of Regulation S-K). On February 3, 2005, the independent directors of the Board ratified and approved the compensation arrangements payable to the *Company's* Chief Executive Officer. In addition, a new non-employee director was elected to the Board on February 3, 2005, thus allowing the director to participate in the *Company's* compensation arrangements for non-employee directors. These compensation arrangements are described below.

*Incentive Bonus.* The Committee (and the independent directors of the Board with respect to the CEO) approved incentive bonus awards for 2004 for each of the *Company's* named executive officers pursuant to the terms of the Valero Energy Corporation Annual Bonus Plan (the *Bonus Plan*). To calculate bonus amounts for 2004, the Committee started with the target percentage of base salary for each executive, and then adjusted the target upward or downward depending on the *Company's* level of achievement with respect to certain financial performance goals. In addition, the Committee could further adjust bonus awards upward or downward by up to 25 percent, based upon such individual factors as the Committee deemed appropriate. The following three quantitative measures of financial performance were used to determine incentive bonuses for 2004; the performance factors were given equal weight in determining potential adjustments to target percentages of base salary:

return on investment ( *ROI* ) of the *Company* compared with the average ROI for its peer group for the 12-month period ended September 30, 2004;

earnings per share ( *EPS* ) of the *Company* compared to a target EPS approved in advance by the Compensation Committee; and

total shareholder return ( *TSR* ) of the *Company* compared to a target TSR approved in advance by the Committee (TSR measures the growth in the daily average closing price per share of the *Company's* Common Stock during the month of November, including the reinvestment of dividends, compared with the daily average closing price of the *Company's* Common Stock during the corresponding period in the prior year).

The 2004 incentive bonuses were payable in cash, but participants could elect to use 25 percent of their bonus award to purchase, at fair market value, shares of Common Stock.

*Performance Share Awards.* The Committee (and the independent directors of the Board with respect to the CEO) approved awards of performance shares for each of the *Company's* named executive officers pursuant to the terms of the *Company's* 2001 Executive Stock Incentive Plan (the *2001 ESIP*). The performance shares are payable in shares of the *Company's* common stock, \$.01 par value ( *Common Stock* ). The performance shares vest annually in one-third increments beginning on the first anniversary of their grant date. Upon vesting, the performance shares are converted into a number of shares of Common Stock based upon the *Company's* total shareholder return during rolling three-year periods that end on December 31 of each year following the date of grant. At the end of each performance period, the

Company's total

shareholder return is compared to its peer group and is ranked by quartile. Holders of the performance shares then earn 0 percent, 50 percent, 100 percent or 150 percent of that portion of the initial grant that is vesting, depending upon whether the Company's total shareholder return is in the last, third, second or first quartile, respectively; holders earn 200 percent if the Company is the highest ranking entity in the peer group.

*Compensation Arrangements for New Non-Employee Director.* On February 3, 2005, Donald L. Nickles was elected to the Board. Accordingly, he is eligible to receive equity compensation grants from the Company pursuant to the terms of the Company's (i) Restricted Stock Plan for Non-Employee Directors ( NED RS Plan ), and (ii) Non-Employee Director Stock Option Plan ( NED SO Plan ). In addition, he is entitled to the non-employee director fees generally payable to the Company's non-employee directors. The foregoing compensation arrangements are further described on pages 6 and 7 of the Company's proxy statement for the 2004 annual meeting of stockholders (file no. 1-13175, filed March 26, 2004) under the caption Compensation of Directors, and that information is hereby incorporated by reference into this Current Report.

*Note.* The forms of agreements filed as exhibits to this Current Report together with the 2001 ESIP, the Bonus Plan, the NED RS Plan, the NED SO Plan and the disclosures stated above contain the material terms and conditions for participation in the compensation arrangements described in this Item. In reliance on Instruction 1 to Item 601(b)(10) of Regulation S-K, the Company is not filing each individual's personal arrangement under the plans.

**Item 5.02** Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

On February 3, 2005, Donald L. Nickles was elected to the Board. Mr. Nickles will serve on the Board's Finance Committee.
