PIK Payment In Kind.

REIT Real Estate Investment Trust

- Senior floating-rate interests often require prepayments from excess cash flows or permit the borrower to repay (1) at its election. The degree to which borrowers repay, whether as a contractual requirement or at their election, cannot be predicted with accuracy. As a result, the actual remaining maturity may be substantially less than the stated maturities shown. However, it is anticipated that the senior floating-rate interests will have an expected average life of approximately two to three years. The stated interest rate represents the weighted average interest rate of all contracts within the senior loan facility. Senior Loans typically have rates of interest which are redetermined either daily, monthly, quarterly or semi-annually by reference to a base lending rate, plus a premium. These base lending rates are primarily the London-Interbank Offered Rate (LIBOR), and secondarily the prime rate offered by one or more major United States banks (the Prime Rate) and the certificate of deposit (CD) rate or other base lending rates used by commercial lenders. Unfunded loan commitments. The Trust may enter into certain credit agreements all or a portion of which may (2) be unfunded. The Trust is obligated to fund these commitments at the Borrower s discretion. Security valued at fair value using methods determined in good faith by or at the direction of the Trustees. (3) (4) Defaulted security. Currently the issuer is in default with respect to interest payments. (5) Security exempt from registration under Rule 144A of the Securities Act of 1933. These securities may be sold in transactions exempt from registration, normally to qualified institutional buyers. At September 30, 2006, the
- aggregate value of the securities is \$18,839,672 or 5.9% of the Trust s net assets.

 (6) Non-income producing security.
- (7) Restricted security.

The Trust had the following swap agreements outstanding at September 30, 2006:

Credit Default Swaps

Notional Amount		Expiration Date	Description	Net Unrealized Appreciation (Depreciation)	
\$	1,000,000	9/20/2008	Agreement with Credit Suisse/First Boston dated 2/6/2004 whereby the Trust will receive 2.45% per year times the notional amount. The Trust makes a payment only upon a default event on underlying loan assets (13 in total, each representing 7.69% of the notional value of the swap).	\$ (3,894)	
\$	1,500,000	3/20/2010	Agreement with Lehman Brothers dated 3/15/2005 whereby the Trust will receive 2.20% per year times the notional amount. The Trust makes a payment of the notional amount only upon a default event on the reference entity, a Revolving Credit Agreement issued by Inergy, L.P.	65,082	

At September 30, 2006, the Trust had sufficient cash and/or securities to cover potential obligations arising from open swap contracts.

The cost and unrealized appreciation (depreciation) in value of the investment securities at September 30, 2006, as computed on a federal income tax basis, were as follows:

Aggregate cost	\$	538,612,851
Gross unrealized appreciation	\$	5,064,611
Gross unrealized depreciation	(1,724,6	60
Net unrealized appreciation	\$	3,339,951

Unrealized depreciation on swap contracts was \$61,188.

Restricted Securities

At September 30, 2006, the Trust owned the following securities (representing less than 0.1% of net assets) which were restricted as to public resale and not registered under the Securities Act of 1933 (excluding Rule 144A securities). The Trust has various registration rights (exercisable under a variety of circumstances) with respect to these securities. The fair value of these securities is determined based on valuations provided by brokers when available, or if not available, they are valued at fair value using methods determined in good faith by or at the direction of the Trustees.

Item 2. Controls and Procedures

(a) It is the conclusion of the registrant s principal executive officer and principal financial officer that the effectiveness of the registrant s current disclosure controls and procedures (such disclosure controls and procedures having been evaluated within 90 days of the date of this filing) provide reasonable assurance that the information required to be disclosed by the registrant on this Form N-Q has been recorded, processed, summarized and reported within the time period specified in the Commission s rules and forms and that the information required to be disclosed by the registrant on this Form N-Q has been accumulated and communicated to the registrant s principal executive officer and principal financial officer in order to allow timely decisions regarding required disclosure.

(b) There have been no changes in the registrant s internal controls over financial reporting during the fiscal quarter for which the report is being filed that have materially affected, or are reasonably likely to materially affect the registrant s internal control over financial reporting.

Signatures

Pursuant to the requirements of the Securities Exchange Act of 1934 and the Investment Company Act of 1940, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.
