

Item 1.01 Entry into a Material Definitive Agreement

On February 27, 2007, AXT, Inc., (**AXT** or **the Company**) entered into an agreement (the **Agreement**) with Recapture Metals Limited of Ontario, Canada (**Recapture**).

Under the terms of the Agreement, during the eighteen month period beginning July 1, 2007, Recapture will supply the Company's subsidiary in Beijing, People's Republic of China with 1,000 kilograms per month of 99.99999% pure Gallium, up to a maximum of 18,000 kilograms of Gallium. The Agreement provides for a minimum purchase amount of 18,000 kilograms of Gallium unless the Agreement is terminated prior to the expiration of the eighteen month period on December 31, 2008. Grounds for termination prior to the expiration of the term are limited to Recapture's inability to meet its supply obligations under the Agreement, breach of the Agreement by the non-terminating party or insolvency of the non-terminating party.

The Agreement is filed as **Exhibit 10.22** to this Form 8-K and is incorporated herein in its entirety. As the Company has applied for confidential treatment from the Securities and Exchange Commission with respect to certain commercially sensitive pricing terms contained in the Agreement, such pricing terms have been redacted from **Exhibit 10.22** and have been replaced by the symbol ***.
