**ITEM 2.02 RESULTS OF OPERATIONS AND FINANCIAL CONDITION**

On November 10, 2008, Information Services Group, Inc. ( ISG or the Company ) released its earnings for the third quarter 2008 which ended on September 30, 2008 and is furnishing a copy of the earnings release to the Securities and Exchange Commission under Item 2.02 of this Current Report on Form 8-K. In addition, ISG will discuss its financial results during a teleconference call on Tuesday, November 11, 2008 at 2 p.m. (EDT). To access the teleconference call, go to ISG s website at [www.informationsg.com](http://www.informationsg.com). The press release is furnished herewith as Exhibit 99.1 and shall not be deemed filed for purposes of the Exchange Act.

ISG reports all financial information required in accordance with generally accepted accounting principals (GAAP). ISG believes, however, that evaluating its ongoing operating results will be enhanced if it also discloses certain non-GAAP information. These non-GAAP financial measures exclude non-cash and certain other special charges that many investors believe may obscure the user s overall understanding of ISG s current financial performance and the Company s prospects for the future. ISG believes that these non-GAAP measures provide useful information to investors because they improve the comparability of the financial results between periods and provide for greater transparency to key measures used to evaluate the Company s performance.

ISG provides EBITDA (defined as net income plus income taxes, net interest income/(expense), depreciation and amortization of intangible assets resulting from acquisitions) and cash earnings (defined as net income plus amortization of intangible assets and non-cash stock based compensation) which are non-GAAP measures that the Company believes provide useful information to both management and investors by excluding certain expenses, which management believes are not indicative of ISG s core operations. These non-GAAP measures are used by ISG to evaluate the Company s business strategies and management s performance.

Non-GAAP financial measures, when presented, are reconciled to the most closely applicable GAAP measure. Non-GAAP measures are provided as additional information and should not be considered in isolation or as a substitute for results prepared in accordance with GAAP.
