Item 4. Purpose of Transaction

Cascade has been in discussions with the Issuer concerning the Issuer, the effect of the Issuer s previously announced holding company reorganization on the Note issued to Cascade by the Issuer in 2007, and the regulatory approvals and other conditions necessary for Cascade to increase its ownership interest in the Issuer from time to time through open market purchase transactions or otherwise to 10% or more but less than 20% of the Issuer s outstanding voting securities. Even if Cascade were to enter into a standstill agreement and receive the required regulatory approvals, there can be no assurance as to when, over what period of time, or to what extent Cascade may decide to increase its ownership interest in the Issuer. There also can be no assurance that Cascade will reach agreement with the Issuer concerning how the Note issued to Cascade will be treated in connection with the Issuer s holding company reorganization.
