SEC's Collection of Information

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Filing of Form N-17f-2 is mandatory for an investment company that has custody of securities or similar investments. The accountant must prepare a certificate stating that the examination has occurred and describing the examination, and must transmit the certificate to the Commission with Form N-17f-2 as a cover sheet. The Commission uses the Form to ensure that the certificate is properly attributed to the investment company. The Commission estimates that the burden of completing Form N-17f-2 is approximately 1.0 hours per filing. Report of Independent Registered Public Accounting Firm

To the Board of Trustees

ING Global Advantage and Premium Opportunity Fund

We have examined management's assertion, included in the accompanying Management Statement Regarding Compliance with Certain Provisions of the Investment Company Act of 1940 (the Act), that ING Global Advantage and Premium Opportunity (the Fund), complied with the applicable requirements of subsections (b) and (c) of rule 17f-2 under the Act with respect to the securities held by affiliated sub-custodian banks pursuant to rule 17f-5 of the Act as of May 31, 2008, June 30, 2008, and August 31, 2008. Management is responsible for the Fund's compliance with those requirements. Our responsibility is to express an opinion on management's assertion about the Fund's compliance based on our examinations.

Our examinations were conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included examining, on a test basis, evidence about the Fund's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. Included among our procedures were the following tests performed as of May 31, 2008, June 30, 2008, and August 31, 2008, and, with respect to agreement of security purchases and sales, for the period October 31, 2007 through August 31, 2008:

- (1) Confirmation of all securities held in book entry form by the Bank of New York Mellon (formerly, The Bank of New York) (custodian);
- (2) Confirmation of securities held in book entry form by ING Belgium S.A./N.V. (affiliated sub-custodian bank);
- (3) Confirmation of securities held in book entry form by Euroclear Belgium (foreign depository);
- (4) Confirmation or inspection of documentation of all securities purchased but not received, hypothecated, pledged, placed in escrow, or out for transfer with brokers, pledges and/or transfer agents;
- (5) Reconciliation of all such securities to the books and records of the Fund, the custodian and the affiliated sub-custodian bank;

(6) Agreement of selected security purchases and sales during the period October 31, 2007 through August 31, 2008 from the books and records of the Fund to broker confirmations or bank statements.

We believe that our examinations provide a reasonable basis for our opinion. Our examinations do not provide a legal determination on the Fund's compliance with the specified requirements.

In our opinion, management's assertion that the Fund complied with the applicable requirements of subsections (b) and (c) of rule 17f-2 of the Act as of May 31, 2008, June 30, 2008, and August 31, 2008, with respect to the securities reflected in the investment accounts of the Fund that are held by the affiliated sub-custodian banks pursuant to rule 17f-5 of the Act, is fairly stated, in all material respects. We have not examined the Fund's compliance with rule 17f-5 of the Act and express no opinion thereon.
