CALCULATION OF FILING FEE

Transaction Valuation(1)
\$3,092,742,455

Amount of Filing Fee(2)
\$220,512.54

(1) Calculated solely for purposes of determining the filing fee. The calculation assumes the purchase of 47,166,171 shares of common stock, par value \$0.10 per share, and 75,311 shares of common stock subject to restricted stock units, in each case, at \$63.50 per share. The transaction value also includes the aggregate offer price for a maximum of 2,811,996 shares of common stock issuable pursuant to outstanding options with an exercise price less than \$63.50 per share, which is calculated by multiplying the number of shares underlying such outstanding options by an amount equal to \$63.50 minus the weighted average exercise price of such options. The share numbers are based on representations made by the Company to Purchaser and Parent as of December 3, 2010.

(2) Calculated in accordance with Exchange Act Rule 0-11 by multiplying the transaction value by 0.0000713.

x Check the box if any part of the fee is offset as provided by Rule 0-11(a)(2) and identify the filing with which the offsetting fee was previously paid. Identify the previous filing by registration statement number, or the form or schedule and the date of its filing.

Regulation M-A Item 1011

(a) **Agreements, Regulatory Requirements and Legal Proceedings.** Item 11(a) of the Schedule TO is hereby amended and supplemented by restating in its entirety the sub-section captioned *Litigation* as follows:

Litigation.

On December 1, 2010, a putative class action lawsuit was filed in the Sebastian County Circuit Court of Arkansas, docketed as *Cortell v. Baldor Electric Company, et al.*, Case Number CV-2010-2142 VI. On December 9, 2010, the plaintiff filed an amended complaint. The amended complaint names the Company, each of the members of the Company Board, and Parent and Purchaser as defendants. The amended complaint alleges, among other things, that the Company Board breached fiduciary duties owed to the Company's shareholders by failing to take steps to maximize shareholder value. The amended complaint also alleges that the Company, Parent and Purchaser aided and abetted the Company Board in the alleged breach of their fiduciary duties. The plaintiff seeks relief that includes, among other things, an injunction prohibiting the consummation of the Merger, a court order declaring that the Company Board breached the Company Board's fiduciary duties in entering into the Merger Agreement, rescission (to the extent the Merger terms have already been implemented), and the payment of plaintiffs' attorneys' fees and costs. The plaintiff also filed on December 9, 2010 a motion for preliminary injunction and an emergency motion for expedited discovery.

On December 2, 2010, a putative class action lawsuit was filed in the Circuit Court of St. Louis County, Missouri, docketed as *Fortier v. McFarland, et al.*, Case Number 10 SL-CC 4903. The complaint names the Company, each of the members of the Company Board, and Parent and Purchaser as defendants. The lawsuit alleges, among other things, that the Company Board breached fiduciary duties owed to the Company's shareholders by failing to take steps to maximize shareholder value. The complaint also alleges that the Company, Parent and Purchaser aided and abetted the Company Board in the alleged breach of their fiduciary duties. The plaintiff seeks relief that includes, among other things, an injunction prohibiting the consummation of the Merger, rescission (to the extent the Merger terms have already been implemented), and the payment of plaintiff's attorneys' fees and costs.

On December 6, 2010, a putative class action lawsuit was filed in the Circuit Court of St. Louis County, Missouri, docketed as *Chance v. McFarland, et al.*, Case Number 10 SL-CC 4904. The complaint names the Company, each of the members of the Company Board, and Parent and Purchaser as defendants. The lawsuit alleges, among other things, that the Company Board breached fiduciary duties owed to the Company's shareholders by failing to take steps to maximize shareholder value. The complaint also alleges that the Company, Parent and Purchaser aided and abetted the Company Board in the alleged breach of their fiduciary duties. The plaintiff seeks relief that includes, among other things, an injunction prohibiting the consummation of the Merger, rescission (to the extent the Merger terms have already been implemented), and the payment of plaintiff's attorneys' fees and costs.

Parent and Purchaser believe that each of these lawsuits is without merit and intend to vigorously defend against the claims against them. There can be no assurance, however, with regard to the outcome of any of these lawsuits.
