Item 1.01 Entry into Material Definitive Agreement.

On March 22, 2012, Cyclacel Pharmaceuticals, Inc. (the **Company**) entered into a purchase agreement (the **Agreement**) with certain existing institutional stockholders (the **Investors**) and raised gross proceeds of \$3,036,000 to fund certain litigation-related expenses on certain intellectual property (the **Litigation**) and otherwise for general corporate purposes. Under the terms of the Agreement, the Investors purchased 4,688,079 shares of the Company's common stock, par value \$0.001 per share (the **Common Shares**) at a per share purchase price of \$0.6476, which is equal to the 10-day average closing price of the Company's common stock for the period ending on Wednesday, March 21, 2012, and obtained certain contractual economic rights, generally related to the Litigation (the **Economic Rights**), including rights to receive additional shares (**Additional Shares**) or warrants (**Warrants**) to purchase shares of common stock (**Warrant Shares**) in certain circumstances. The Common Shares are subject to a lock-up for a period of one year from the date of issuance. The Economic Rights are transferable at any time to an affiliate of each respective Investor, and are subject to a right of first refusal in favor of the Company with respect to each proposed sale, transfer or other disposition.

The Common Shares described above were offered and sold, and the Additional Shares and Warrants, if and when issued, will be sold, pursuant to an exemption from the registration requirements of the Securities Act of 1933, as amended (the **Securities Act**), pursuant to Section 4(2) of the Securities Act and/or Regulation D promulgated thereunder on the basis that, among other things, the transaction did not involve a public offering, the Investors are accredited investors, the Investors took the securities for investment and not resale and the Company took appropriate measures to restrict the transfer of the securities.

The Agreement also provides for certain registration rights with respect to the Common Shares, and if issued, the Additional Shares. The Company is required, upon demand of a majority-in-interest of the Investors, to use its commercially reasonable efforts to file a registration statement for the resale of such securities, and to cause such registration statement to be declared effective no later than 90 days following the date of such Investors' demand (or 180 days following such date, if the Securities and Exchange Commission determines to review the registration statement at issue). The Investors are also entitled to piggyback registration rights, subject to cut-backs, as more fully set forth in the Agreement. The Company also agreed to other customary obligations regarding registration, including indemnification and maintenance of the effectiveness of the registration statements.

The Company intends to file the Agreement as an exhibit to its next periodic report and plans to seek confidential treatment of certain terms in the Agreement at such time.
