*\$525,000,000 aggregate principal amount of 6.125% Senior Notes due 2023*

On March 26, 2014, United Rentals (North America), Inc. ( URNA ), a wholly-owned subsidiary of United Rentals, Inc. ( URI ), completed an offering of \$525 million aggregate principal amount of its 6.125% Senior Notes due 2023 (the Reopened Notes ). The Reopened Notes were sold pursuant to URI and URNA s shelf registration statement on Form S-3 (File No. 333-177552) (the Registration Statement ) previously filed with the Securities and Exchange Commission (the SEC ) under the Securities Act of 1933, as amended (the Securities Act ), as supplemented by the final prospectus supplement dated March 12, 2014 and filed with the SEC on March 14, 2014.

The Reopened Notes were issued pursuant to an indenture (the 2023 Indenture ), dated as of October 30, 2012, among URNA, URI, certain domestic subsidiaries of URNA (the Subsidiary Guarantors and, together with URI, the Guarantors ) and Wells Fargo Bank, National Association, as trustee. The Reopened Notes have identical terms, are fungible with and are part of a single series of senior debt securities with the \$400,000,000 principal amount of our outstanding 6.125% Senior Notes due 2023 (the Original Notes and, together with the Reopened Notes, the 2023 Notes ).

The 2023 Notes mature on June 15, 2023 and bear interest at a rate of 6.125% per year payable semi-annually in cash in arrears on June 15 and December 15 of each year. The next interest payment date is June 15, 2014.

The 2023 Notes are senior obligations of URNA and rank equally with all of its existing and future senior indebtedness, effectively junior to any of its existing and future secured indebtedness to the extent of the value of the collateral securing such indebtedness and senior in right of payment to any of its existing and future subordinated indebtedness.

The 2023 Notes are guaranteed on a senior basis by URI and the Subsidiary Guarantors. The guarantees are senior obligations of the Guarantors and rank equally with all of their existing and future senior indebtedness, effectively junior to any of their existing and future secured indebtedness to the extent of the value of the collateral securing such indebtedness and senior in right of payment to any of their existing and future subordinated indebtedness. The 2023 Notes are not guaranteed by URNA s foreign subsidiaries.

URNA may redeem some or all of the 2023 Notes, at its option, at any time on or after December 15, 2017, at the following redemption prices (expressed as percentages of principal amount), plus accrued and unpaid interest, if any, to the applicable redemption date, if redeemed during the twelve-month period beginning on December 15 of each of the years indicated below:
