GENERAL INFORMATION ABOUT VOTING

Solicitation of Proxies

The enclosed proxy is solicited by and on behalf of our board of directors. In addition to the solicitation of proxies by use of the mail, officers and other employees of Ashford may solicit the return of proxies by personal interview, telephone, e-mail or facsimile. We will not pay additional compensation to our officers and employees for their solicitation efforts, but we will reimburse them for any out-of-pocket expenses they incur in their solicitation efforts. We also intend to request persons holding shares of our common stock in their name or custody, or in the name of a nominee, to send proxy materials to their principals and request authority for the execution of the proxies, and we will reimburse such persons for their expense in doing so. We will bear the expense of soliciting proxies for the annual meeting of stockholders, including the cost of mailing.

We have retained MacKenzie Partners Inc. to aid in the solicitation of proxies and to verify records relating to the solicitation. MacKenzie will receive a base fee of \$20,000, plus out-of-pocket expenses.

Voting Securities

Our only outstanding voting equity securities are shares of our common stock. Each share of common stock entitles the holder to one vote. As of March 10, 2015 there were 1,986,851 shares of common stock outstanding and entitled to vote. Only stockholders of record at the close of business on March 10, 2015 are entitled to vote at the annual meeting of stockholders or any adjournment of the annual meeting.

Voting

If you hold your common stock in your own name as a holder of record, you may instruct the proxies to vote your common stock by signing, dating and mailing the proxy card in the postage-paid envelope provided. You may also vote your common stock in person at the annual meeting of stockholders.

If your common stock is held on your behalf by a broker, bank or other nominee, you will receive instructions from them that you must follow to have your common stock voted at the annual meeting of stockholders.

Counting of Votes

Edgar Filing: Ashford Inc - Form PRE 14A

A quorum will be present if the holders of a majority of the outstanding shares entitled to vote are present, in person or by proxy, at the annual meeting of stockholders. If you have returned valid proxy instructions or if you hold your shares in your own name as a holder of record and attend the annual meeting of stockholders in person, your shares will be counted for the purpose of determining whether there is a quorum. If a quorum is not present, the annual meeting of stockholders may be adjourned by the chairman of the meeting or by a vote of a majority of the shares represented at the annual meeting until a quorum has been obtained.

The affirmative vote of a plurality of the outstanding shares of our common stock cast at the annual meeting will be required to elect each nominee to our board of directors (Proposal 1). The affirmative vote of a majority of the outstanding shares of our common will be required for the approval of an amendment to our charter to declassify our board (Proposal 2). The affirmative vote of a majority of all of the votes cast at the annual meeting will be required to ratify the appointment of Ernst & Young LLP as our independent auditors for the year ending December 31, 2015 (Proposal 3). The affirmative vote of a majority all of the votes cast at the annual meeting will be required to extend the term of our shareholder rights plan an additional three years (Proposal 4). The affirmative vote of a majority of all of the votes cast at the annual meeting will be required to approve the amendment to our bylaws to require that only stockholders that have owned at least 1% of our outstanding common stock continuously for at least one year may nominate director candidates and propose other business to be considered by the company's stockholders at an annual meeting of stockholders (Proposal 5). For any other matter, unless otherwise required by Delaware or other applicable law, the affirmative vote of a majority of all of the votes cast at the annual meeting is required to approve the matter.

The election of directors, the board declassification proposal, the extension of our shareholder rights proposal, and the proposal to amend our bylaws are non-discretionary items and may not be voted by brokers, banks or other nominees who have not received specific voting instructions from the beneficial owner of the shares. It is therefore important that you provide instructions to your broker so that your shares will be counted in the election of directors, the board declassification proposal, the extension of our shareholder rights proposal and the proposal to amend our bylaws. The ratification of the appointment of Ernst & Young LLP as independent auditors is a discretionary item,

Table of Contents

and as such, banks, brokers and other nominees that do not receive voting instructions from beneficial owners may vote on this proposal in their discretion.

Broker non-votes occur when a broker, bank or other nominee holding shares on your behalf votes the shares on some matters but not others. Abstentions, broker non-votes and withheld votes are included in determining whether a quorum is present, but will not be included in vote totals and will not affect the outcome of the vote on Proposal 1, Proposal 2, Proposal 3, Proposal 4 or Proposal 5.

If you sign and return your proxy card without giving specific voting instructions, your shares will be voted consistent with management recommendations.

Right To Revoke Proxy

If you hold shares of common stock in your own name as a holder of record, you may revoke your proxy instructions through any of the following methods:

- notify our Secretary in writing before your shares of common stock have been voted at the annual meeting of stockholders;
- sign, date and mail a new proxy card to Broadridge; or
- attend the annual meeting of stockholders and vote your shares of common stock in person.

You must meet the same deadline when revoking your proxy as when voting your proxy. See the **Voting** section of this proxy statement for more information.

If shares of common stock are held on your behalf by a broker, bank or other nominee, you must contact them to receive instructions as to how you may revoke your proxy instructions.

Multiple Stockholders Sharing the Same Address

Edgar Filing: Ashford Inc - Form PRE 14A

The Securities and Exchange Commission (the **SEC**) rules allow for the delivery of a single copy of an annual report and proxy statement to two or more stockholders who share an address, unless we have received contrary instructions from one or more of the stockholders. We will deliver promptly upon written or oral request separate copies of our annual report and proxy statement to a stockholder at a shared address to which a single copy was delivered. Requests for additional copies of the proxy materials, and requests that in the future separate proxy materials be sent to stockholders who share an address, should be directed to Ashford Inc., Attention: Investor Relations, 14185 Dallas Parkway, Suite 1100, Dallas, Texas, 75254 or by calling (972) 490-9600. In addition, stockholders who share a single address but receive multiple copies of the proxy materials may request that in the future they receive a single copy by contacting us at the address and phone number set forth in the previous sentence. Depending upon the practices of your broker, bank or other nominee, you may need to contact them directly to continue duplicate mailings to your household. If you wish to revoke your consent to householding, you must contact your broker, bank or other nominee. If you hold shares of common stock in your own name as a holder of record, householding will not apply to your shares.

If you wish to request extra copies, free of charge, of any annual report, proxy statement or information statement, please send your request to Ashford Inc., Attention: Investor Relations, 14185 Dallas Parkway, Suite 1100, Dallas, Texas, 75254 or call (972) 490-9600. You can also obtain copies from our web site at www.ashfordinc.com.

PROPOSAL NUMBER ONE ELECTION OF DIRECTORS

One of the purposes of the annual meeting of stockholders is to elect directors to hold office until the expiration of the terms of their designated class pursuant to our charter and until their successors have been elected and qualified. If Proposal 2 authorizing a charter amendment to declassify our board of directors is approved by stockholders, the Class I directors being elected at this annual meeting will be elected to serve a one year term, and upon the termination of the current terms of the Class II and Class III directors, those directors (or their successors) will be elected to serve one year terms. Two of the seven directors, Messrs. John Mauldin and Gerald J. Reihsen, III, are designated as Class I directors with terms expiring at the first annual meeting of stockholders of the company to which this proxy statement relates. Our nominating/corporate governance committee has recommended, and our board of directors has nominated, both Messrs. Mauldin and Reihsen for re-election.

Set forth below are the names, principal occupations, committee memberships, ages, directorships held with other companies, and other biographical data for each of the two nominees for director, as well as the month and year each nominee first began his service on our board of directors. Also, set forth below is the beneficial ownership of shares of our common stock as of March 10, 2015 (the record date) for each nominee. For a discussion of beneficial ownership, see the Security Ownership of Management and Certain Beneficial Owners section of this proxy statement. If any nominee becomes unable to stand for election as a director, an event that our board of directors does not presently expect, proxies will be voted for a replacement nominee if one is designated by our board of directors.

The board of directors unanimously recommends a vote FOR all nominees.

Board Member Independence

Our board determines the independence of our directors in accordance with Section 803A of The New York Stock Exchange Market (**NYSE MKT**) Company Guide and in accordance with our Corporate Governance Guidelines. The full text of our board of director s Corporate Governance Guidelines can be found in the Investor Relations section of our website at www.ashfordinc.com by clicking INVESTORS, then Governance Documents, and then Corporate Governance Guidelines. The NYSE MKT Company Guide requires an affirmative determination by our board of directors that the director does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In determining whether any director has a material relationship with us that would impair independence, our board of directors reviewed both the NYSE MKT Company Guide and our own Corporate Guidelines.

Our board of directors has affirmatively determined that, with the exception of Mr. Monty Bennett, our chairman and chief executive officer, and Mr. J. Robison Hays, III, our chief strategy officer, each director is independent of Ashford and its management under the standards set forth in our Corporate Governance Guidelines and the NYSE MKT Company Guide.

In making the independence determinations with respect to our current directors, our board of directors examined relationships between each of our directors or their affiliates and Ashford or its affiliates, including those reported below under the heading Certain Relationships and Related Person Transactions on page 24 of this proxy statement. Our board of directors determined that none of these transactions impaired the independence of the directors involved and one additional relationship that did not rise to the level of a reportable related party transaction but was taken into consideration by our board of directors in making independence determinations. Mr. Wheeler s wife owns a commercial printing company that is occasionally utilized by Ashford Inc., Ashford Trust and Ashford Prime for printing needs. In 2014, total fees paid to this company by Ashford Inc., Ashford Trust and Ashford Prime was \$87,284. Our board of directors determined that this transaction did not impair the independence of Mr. Wheeler. As a result of such analysis and independence determinations, our board of directors is comprised of a

Edgar Filing: Ashford Inc - Form PRE 14A

majority of independent directors, as required in Section 803A(1) of the NYSE MKT Company Guide. Any reference to an independent director herein means such director satisfies the independence criteria set forth in the NYSE MKT Company Guide.

Board Leadership Structure

Our board of directors has the flexibility to determine the appropriate leadership structure for our company. In making decisions related to our leadership structure, specifically when determining whether to have a joint chief executive officer and chairman or to separate these offices, the board considers many factors, including the specific needs of the company in light of its current strategic initiatives and the best interest of stockholders. Upon the completion of our spin-off from Ashford Trust in November 2014, our board of directors determined that Mr. Monty J. Bennett was the best candidate to fill the role of chairman of the board as well as to serve as our chief executive officer. In making this determination, the board took into consideration the company's strategic initiatives, Mr.

Table of Contents

Bennett's expertise in the hospitality industry, which he has developed over the last 20 years, and his superior performance, as evidenced by the total stockholder return during Mr. Bennett's tenure as chief executive officer of Ashford Trust. Our board believes that combining the roles of chairman and chief executive officer at this time is in the best interest of our stockholders and that our current leadership structure provides a very well-functioning and effective balance between strong company leadership and appropriate safeguards and oversight by independent directors.

The combined role of chairman and chief executive officer is both counterbalanced and enhanced by an independent director serving as the lead director. Pursuant to our corporate governance guidelines, in 2014 our board of directors appointed Mr. Brian Wheeler to serve as the lead independent director for a one-year term. The lead director has the following duties and responsibilities:

- preside at all meetings of the board at which the chairman is not present and all executive sessions of the independent or non-employee directors;
- advise the chairman and chief executive officer of decisions reached and suggestions made at meetings of independent or non-management directors;
- serve as liaison between the chairman and the independent directors;
- approve information sent to the board;
- approve meeting agendas for the board;
- approve meeting schedules to assure that there is sufficient time for discussion of all agenda items;
- authorize the calling of meetings of the independent directors; and
- if requested by major shareholders, be available for consultation and direct communication.

In addition, pursuant to our charter and our Corporate Governance Guidelines, the board must maintain a majority of independent directors at all times, and if the chairman of the board is not an independent director, at least two-thirds of the directors must be independent. Our board must

Edgar Filing: Ashford Inc - Form PRE 14A

also comply with each of the conflict of interest policies discussed in Certain Relationships and Related Person Transactions Conflicts of Interest. Our charter provisions, governance policies and conflicts of interest policies are designed to provide a strong and independent board that provides balance to the chief executive officer and chairman positions and ensure independent director input and control over matters involving potential conflicts of interest

Each of these committees is composed exclusively of independent directors. Each of the committees is governed by a written charter that has been approved by our board of directors. It reviews and makes recommendations on matters involving general operation of the board and our corporate governance and annually recommends to the board nominees for each committee of the board. In addition, the committee annually facilitates the assessment of the board of directors' performance as a whole and of the individual directors and reports thereon to the board. The committee has the sole authority to retain and terminate any search firm to be used to identify director candidate.

Compensation Committee Interlocks and Insider Participation

The members of the compensation committee of the board of directors are independent directors. None of these directors, or any of our executive officers, serve as a member of a board of directors or any compensation committee of any entity that has one or more executive officers serving as a member of our board.

Director Nomination Procedures

Identifying and Evaluating Candidates for Director. The nominating/corporate governance committee recommends qualified candidates for board membership based on the following criteria:

- Business or other relevant experience; and
- The extent to which the interplay of the candidate's expertise, skills, knowledge and experience with that of other board members will build a board that is effective, collegial and responsive to the needs of the company.

In connection with the selection of nominees for director, consideration will also be given to the board's desire for an overall balance of diversity, including professional background, experience and perspective. While the committee does not have a specific policy concerning diversity, it does consider potential benefits that may be achieved through diversity in viewpoint, professional experience, education and skills. The board, taking into consideration the recommendations of the nominating/corporate governance committee, is responsible for selecting the director nominees and for appointing directors to the board to fill vacancies, with primary emphasis on the criteria set forth above.

The total number of shares that may be made subject to equity awards under our 2014 Incentive Plan initially is equal to 420,000 shares, which is the equivalent of approximately 15% of the sum of the estimated (i) issued and outstanding shares of our common stock immediately following the completion of our spin-off and (ii) the shares of our common stock reserved for issuance pursuant to the deferred compensation obligations we assumed in connection with the spin-off. The 2014 Incentive Plan is administered by the compensation committee of our board of directors.

Material Terms of Our Incentive Plan. Our 2014 Incentive Plan authorizes (i) the purchase of common stock for cash at a purchase price to be decided by the compensation committee, but not more than the fair market value per share of such common stock purchased on the date of such purchase, and (ii) the grant of:

- nonqualified stock options to purchase common stock;
- incentive options to purchase common stock;
- unrestricted stock;
- restricted stock;
- phantom stock;
- stock appreciation rights; and
- other stock or cash-based awards.

Shares Subject to Our Incentive Plan. We initially reserved 420,000 shares of common stock for issuance under our 2014 Incentive Plan, which is the equivalent of approximately 15% of the sum of (i) the issued and outstanding shares of our common stock immediately following the spin-off and (ii) the shares of our common stock

reserved for issuance pursuant to the deferred compensation obligations we assumed in connection with the spin-off. In the event the outstanding shares of common stock are changed into or exchanged for a different number or kind of shares or other securities of the company by reason of a merger, consolidation, recapitalization, reclassification, stock split, stock dividend, combination of shares or the like, the aggregate number and class of securities available under our 2014 Incentive Plan will be ratably adjusted. In the event the number of shares to be delivered upon the exercise or payment of any award granted under the 2014 Incentive Plan is reduced for any reason whatsoever, including any optional forfeitures for the payment of taxes, or in the event any award granted under our 2014 Incentive Plan can no longer under any circumstances be exercised or paid, the number of shares no longer subject to such award will be released from such award and be available under the 2014 Incentive Plan for the grant of additional awards.

The 2014 Incentive Plan contains a provision pursuant to which there is an automatic increase of authorized shares on January 1 of each year equal to 15% of the sum of (i) the fully diluted share count and (ii) the shares of common stock reserved for issuance under the company's deferred compensation plan, less shares available under the 2014 Incentive Plan as of December 31 of the previous year. After application of this provision, as of January 1, 2015, we have 375,546 shares of our common stock, or securities convertible into 375,546 shares of our common stock available for issuance under our 2014 Incentive Plan.

Eligibility. Under the 2014 Incentive Plan, we may grant awards to the employees, consultants and non-employee directors of our company and its affiliates. While we may grant incentive stock options only to employees of the company or its affiliates, we may grant nonqualified stock options, bonus stock, stock appreciation rights, stock awards and performance awards to any eligible participant. We have approximately 90 employees and five non-employee directors, all of whom are eligible to participate in the 2014 Incentive Plan.

Administration. Our 2014 Incentive Plan is administered by the compensation committee of our board of directors. With respect to any grant or award to any individual covered by Section 162(m) of the Code which is intended to be performance-based compensation, the compensation committee consists solely of two or more members of our board of directors, each of whom qualifies as an outside director as described in such Section 162(m) of the Code and a non-employee director within the meaning of Section 16b-3 under the Exchange Act.

The compensation committee selects the participants who are granted any award, and employees, consultants and non-employee directors of our company or our affiliates are eligible to receive awards under the 2014 Incentive Plan, except that only employees of our company are eligible to receive an award of an incentive stock option and only employees, consultants and non-employee directors of our company are eligible to receive an award of a nonqualified stock option or stock appreciation right.

The 2014 Incentive Plan will terminate on the tenth anniversary of the date of approval by our stockholders, and no new awards may be granted after the termination date. Awards made before the termination of our 2014 Incentive Plan will continue in accordance with their terms.

Deferred Compensation Plan

In 2007, Ashford Trust implemented a deferred compensation plan which allowed its executives and directors, at their election, to defer portions of their compensation. We assumed the plan in connection with the spin-off, and it was subsequently amended and restated. Mr. Monty Bennett is the only named executive officer that has participated in this plan. On the spin-off date, we assumed a liability of \$16,956,712 in connection with Mr. Bennett's portion of the deferred compensation plan. No additional compensation was deferred under the amended and restated plan following the spin-off.

Pursuant to the terms of the amended and restated plan, Mr. Bennett elected to invest his deferred compensation amounts in our common stock. As a result of this election, we have agreed to issue Mr. Bennett 195,579 shares of our common stock to satisfy the assumed deferred compensation obligation, and such shares will be issued beginning when the applicable deferral periods expire. Absent further deferrals, we will be obligated to begin payment of the deferred compensation obligations (and issuance of shares of our common stock) to Mr. Bennett beginning in January 2016.

Prior to our assumption and amendment of the plan in November 2014, Ashford Trust paid plan participants who elected the company stock investment option dividend equivalents, which accrued as additional shares, if and to the extent Ashford Trust paid dividends on its common stock. Thereby, each executive who participated in the plan and elected the company stock investment option received his investment shares plus any related dividend equivalent shares at the time that distributions were made from the plan subject to applicable rules and limitations. After our assumption and amendment of the plan in November 2014, participants may elect our common stock as an investment option, and we will continue to make such dividend equivalent payments in shares of common stock to the extent we pay dividends and participants elect common stock as the investment option.

Table of Contents**SECURITY OWNERSHIP OF MANAGEMENT AND CERTAIN BENEFICIAL OWNERS**

The following table sets forth certain information regarding the ownership of our common stock by (i) each person who beneficially owns, directly or indirectly, more than 5% of our common stock, (ii) each of our directors, director nominees, our chief executive officer and our two most highly compensated executive officers and (iii) all of our directors, director nominees and executive officers as a group.

In accordance with SEC rules, each listed person's beneficial ownership includes: (i) all shares the person actually owns beneficially or of record; (ii) all shares over which the person has or shares voting or dispositive control (such as in the capacity of a general partner of an investment fund); and (iii) all shares the person has the right to acquire within 60 days. Except as otherwise noted in the footnotes below, each person or entity identified below has sole voting and investment power with respect to such securities.

As of March 10, 2015, we had an aggregate of 1,986,851 shares of common stock outstanding. Except as indicated in the footnotes to the table below, the business address of the stockholders listed below is the address of our principal executive office, 14185 Dallas Parkway, Suite 1100, Dallas, Texas 75254.

(1) Ownership excludes any ownership of common units in Ashford LLC, our operating company.

(2) This number excludes the company's obligation to issue common stock to Mr. Monty Bennett pursuant to the company's deferred compensation plan. As of March 10, 2015, the company had reserved an aggregate of 195,579 shares of common stock for issuance to Mr. Monty Bennett, which are issuable periodically over a five-year period that will begin in January 2016. As of the record date, the company

Edgar Filing: Ashford Inc - Form PRE 14A

has not reserved any additional shares for issuance to Mr. Monty Bennett under the deferred compensation plan; however, we pay dividend equivalents to participants in our deferred compensation plan who elect the company common stock as an investment option to the extent we pay dividends on our common stock. The dividend equivalents are equal to dividends, if any, paid with respect to our common stock and are accrued to the plan participant in the form of additional shares of common stock payable at the time distributions are made from the plan. Mr. Bennett's deferred compensation continues to be invested in company common stock; however, there may be legal or exchange limitations on the number of shares issuable to him as a result of his deferral elections. Assuming the company ultimately issues the maximum allowable number of shares to Mr. Monty Bennett under the deferred compensation plan and further assuming that all units held by him ultimately are redeemed and we elect to satisfy the redemption price through the issuance of common stock, Mr. Monty Bennett would own 408,487 shares of our common stock.

(3) Based on information provided by HG Vora Special Opportunities Master Fund, Ltd. (**Vora**) in a Schedule 13G/A filed with the Securities and Exchange Commission on February 17, 2015. Per its Schedule 13G/A, Vora has shared voting power and shared dispositive power over all such shares. The principal business address of Vora is Queensgate House, South Church Street, Grand Cayman, KY1-1108. Per its Schedule 13G, HG Vora Capital Management, LLC and Parag Vora, an individual, are also listed as reporting persons and each reported the same information as Vora with regard to the number of shares beneficially owned and the number of shares over which it has voting and dispositive power.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Advisory Relationship with Ashford Trust and Ashford Prime

Ashford Trust created us to separate its asset management and advisory business from its hospitality investment business. In connection with our separation from Ashford Trust, Ashford LLC became our operating company, and it continues to advise Ashford Prime pursuant to the existing advisory agreement between Ashford Prime and Ashford LLC. Ashford LLC also became the advisor to Ashford Trust. Pursuant to our advisory agreements with Ashford Trust and Ashford Prime, we (through our operating company Ashford LLC) are responsible for implementing the investment strategies and decisions and the management of the day-to-day operations of Ashford Trust and Ashford Prime, in each case subject to the supervision and oversight of the respective board of directors of such entity. We may also perform similar services for new or existing platforms created by us, Ashford Trust or Ashford Prime.

Our advisory agreements with Ashford Prime and Ashford Trust each have an initial 20-year term. Each advisory agreement is automatically renewed for successive one-year terms after its expiration unless terminated either by us or Ashford Trust or Ashford Prime, as applicable. We are entitled to receive from each of Ashford Trust and Ashford Prime an annual base fee calculated as 0.70% of the total market capitalization of such entities, subject to a minimum quarterly fee. We are also entitled to receive an incentive fee from each of Ashford Trust and Ashford Prime based on their respective out-performance, as measured by total annual stockholder return, as compared to such entity's respective peers. In the year ended December 31, 2014, we received base fees of \$4.0 million and \$8.7 million from Ashford Trust and Ashford Prime, respectively. We received no incentive fees in 2014.

In addition, we are entitled to receive directly or be reimbursed, on a monthly basis, for all expenses paid or incurred by us or our affiliates on behalf of Ashford Trust or Ashford Prime or in connection with the services provided by us pursuant to the advisory agreements, which includes each of Ashford Trust's and Ashford Prime's pro rata share of our office overhead and administrative expenses incurred in providing our duties under the advisory agreements. For the year ended December 31, 2014, we received reimbursements of approximately \$693,000 and \$1.8 million from Ashford Trust and Ashford Prime, respectively.

The board of directors of each of Ashford Trust and Ashford Prime also has the authority to make annual equity awards to us or directly to our employees, officers, consultants and non-employee directors, based on the achievement by Ashford Trust or Ashford Prime, as applicable, of certain financial and other hurdles established by the respective boards of directors. In 2014, Ashford Prime awarded equity grants of its common stock or LTIP units to our officers and employees valued at \$2.1 million. In March 2015, Ashford Trust awarded equity grants of its common stock or LTIP units to our executive officers valued at \$13.95 million.

If we are requested to perform services outside the scope of an advisory agreement, Ashford Trust or Ashford Prime, as applicable, is obligated to separately pay for such additional services. No such fees for additional services were paid in 2014.

We are also entitled to receive a termination fee from each of Ashford Trust and Ashford Prime under certain circumstances.

Advisory Relationship with Ashford Select. In addition, Ashford Trust has formed Ashford Hospitality Select, Inc. (***Ashford Select***), a company dedicated to investing primarily in existing premium branded, upscale and upper-midscale, select-service hotels. In connection with the launch of Ashford Select's new select-service platform, we may enter into an advisory agreement with Ashford Select.

Our entry into an advisory agreement with Ashford Select is contingent upon, among other factors, the negotiation of definitive agreements by Ashford Trust, Ashford Select and us, the availability of acceptable financing for Ashford Select, the receipt of all necessary third-party consents (including lender consents) by Ashford Trust, the completion of Ashford Trust's contribution of the select-service portfolio to Ashford Select and other customary closing conditions. The final terms of the advisory agreement, as authorized by our board of directors, would govern the advisory relationship between us and Ashford Select, and such terms have not yet been finalized.

Relationship between Ashford LLC and Ashford Investment Management

In July 2014, in contemplation of launching a private securities investment fund platform, Ashford Trust formed AIM as a subsidiary of Ashford LLC. Pursuant to investment management agreements between AIM and subsidiaries of Ashford Trust and Ashford Prime, AIM serves as the investment manager of separate accounts for each of Ashford Trust and Ashford Prime. Pursuant to the related investment management agreements, AIM is responsible for the investment and reinvestment of the assets in such accounts. AIM also acts as investment advisor to AIM Real Estate Hedged Equity (U.S.) Fund, LP (the **Onshore Fund**), AIM Real Estate Hedged Equity (Cayman) Fund, Ltd. (the **Offshore Fund**) and AIM Real Estate Hedged Equity Master Fund, LP (the **Master Fund**), and collectively with the Onshore Fund and the Offshore Fund, the **Funds**).

Mr. Monty J. Bennett, our chief executive officer and chairman of our board of directors, owns (i) 25% of AIM Management Holdco, LLC, a Delaware limited liability company that is the sole member of AIM (**AIM Holdco**), and (ii) 25% of AIM Performance Holdco, LP, a Delaware limited partnership that owns a 99.99% limited partnership interest in the general partner of the Onshore Fund and the Master Fund (**AIM Performance Holdco**). Mr. J. Robison Hays, III, our chief strategy officer, owns (i) 15% of AIM Holdco and (ii) 15% of AIM Performance Holdco. Ashford LLC holds the remaining equity interests in each of AIM Holdco and AIM Performance Holdco and 100% of the interests of AIM General Partner, LLC, a Delaware limited liability company which serves as the general partner of AIM Performance Holdco and the general partner of the general partner of the Onshore Fund and the Master Fund. The collective 40% equity interest held by Messrs. Bennett and Hays in AIM Holdco results in an indirect ownership of a 40% equity interest in AIM or any affiliates that are created by Ashford LLC to serve as investment advisors to private securities funds. Similarly, the collective 40% equity interest held by Messrs. Bennett and Hays in AIM Performance Holdco results in an indirect ownership of an approximately 40% equity interest in the general partner of the Onshore Fund and the Master Fund or any affiliates that are created by Ashford LLC to serve as the general partner or similar capacity of such private securities funds. The interests held by Messrs. Bennett and Hays are economically equivalent to the held by Ashford LLC in such entities.

Ashford Trust and Ashford Prime have delegated to AIM all of their powers, duties and responsibilities with regard to the investment and reinvestment of the accounts, and appointed AIM as their agent in fact with full authority to buy, sell or otherwise effect investment transactions for the accounts. Ashford Trust and Ashford Prime retain no rights to dispose or vote the securities in the accounts. Unless otherwise mutually agreed, AIM will not be compensated by Ashford Trust or Ashford Prime for its services under the investment management agreements, however, each of Ashford Trust and Ashford Prime have agreed to reimburse certain expenses of AIM ratably based upon their respective pro rata share of assets under management by AIM. In 2014, neither Ashford Trust nor Ashford Prime reimbursed any expenses to AIM.

Registration Rights Agreements

We entered into a registration rights agreement with the members of Ashford LLC (other than Ashford Trust) with respect to any Ashford LLC common units not exchanged in the exchange offer that partially effected our spin-off. Pursuant to the registration rights agreement, we agreed to file a shelf registration statement with the SEC on the first anniversary of the completion of our spin-off, and thereafter use our reasonable efforts to have the registration statement declared effective, covering the continuous resale of the shares of common stock issuable, at our option, to the members of our operating company, upon redemption of common units not exchanged in the exchange offer. We may, at our option, satisfy our obligation to prepare and file a resale registration statement by filing a registration statement registering the issuance by us of shares of our common stock (other than shares issued to affiliates) under the Securities Act of 1933, as amended (the **Securities Act**) to holders of Ashford LLC common units upon redemption. Upon effectiveness of any such registration statement, those persons may sell such shares covered by the registration statement in the secondary market without being subject to the volume limitations or other requirements of Securities Act Rule 144. We will bear expenses incident to the registration requirements other than any selling commissions, SEC or state securities registration fees, and transfer taxes or certain other fees or taxes relating to such shares.

The registration rights agreement contains indemnification and contribution provisions by us for the benefit of the Ashford LLC common unit holders and their respective affiliates and representatives. Also, in limited situations, the registration rights agreement contains indemnification and contributions by Ashford Trust and the Ashford LLC common unit holders for the benefit of us and any underwriters with respect to the information included in any registration statement, prospectus or related document.

Table of Contents

The registration rights under the registration rights agreement remain in effect with respect to any shares covered by the registration rights agreement until:

- such shares have been sold pursuant to an effective registration statement under the Securities Act or distributed pursuant to an exemption from registration;
- such shares have been sold to the public pursuant to Rule 144 under the Securities Act and the shares are no longer restricted under the Securities Act; or
- such shares have been sold in a transaction in which the transferee is not entitled to the benefits of the registration rights agreement.

Relationship and Agreements between Ashford Inc. and Remington

Immediately prior to the completion of the spin-off, we entered into a mutual exclusivity agreement with Remington, pursuant to which we agreed to utilize Remington to provide property management, project management and development services for all hotels, if any, that we may acquire as well as all hotels that future companies advised by us may acquire, to the extent that we have the right, or control the right, to direct such matters, unless our independent directors either (i) unanimously vote not to utilize Remington for such services or (ii) based on special circumstances or past performance, by a majority vote elect not to engage Remington because they have determined, in their reasonable business judgment, that it would be in our best interest not to engage Remington or that another manager or developer could perform the duties materially better. In exchange for our agreement to engage Remington for such services for all hotels, if any, that we may acquire as well as all hotels that future companies advised by us may acquire, Remington has agreed to grant to any such companies advised by us a first right of refusal to purchase any investments identified by Remington and any of its affiliates that meet the initial investment criteria of such entities, as identified in the advisory agreement between us and such entities, subject to any prior rights granted by Remington to other entities, including Ashford Trust, Ashford Prime and us. The services that Remington provides under the mutual exclusivity agreement to Ashford Trust, Ashford Prime and future companies advised by us includes (i) property management services, which consist of the day-to-day operations of hotels; (ii) project management services, which consist of planning, management and implementation of capital improvements and plans related to capital projects; and (iii) development services, which consist of building hotel properties or constructing hotel improvements. Currently, our business strategy does not include providing any of these types of services.

Mr. Monty J. Bennett will potentially benefit from the receipt of property management fees, project management fees and development fees by Remington from such future companies that we advise, as well as any such fees payable by us if we acquire or develop hotels in the future. Currently, our business strategy does not contemplate the acquisition or development of hotels.

Conflicts of Interest

Edgar Filing: Ashford Inc - Form PRE 14A

Each of our executive officers and one of our directors also serve as key employees and as officers of Ashford Trust and Ashford Prime, and will continue to do so. Furthermore, so long as we serve as an advisor to Ashford Prime, we will be allowed to designate two persons as candidates for election as director of Ashford Prime at any stockholder meeting at which directors are to be elected. Such nominees may be executive officers of us or Ashford Prime. Mr. Monty J. Bennett, our chief executive officer and a nominee for our board of directors, is also the chief executive officer and chairman of the board of directors of Ashford Trust and Ashford Prime. Although we consulted with our third-party financial advisors when structuring the terms of our agreements with Ashford Trust and Ashford Prime, we did not conduct arm's-length negotiations with respect to the terms of such agreements. As a result, the principals of Ashford Trust may have had the ability to influence the type and level of benefits that they and our other affiliates will receive. Accordingly, our advisory agreements and other agreements with each of Ashford Trust and Ashford Prime, including fees and other amounts payable, may not be as favorable to us as if they had been negotiated on an arm's-length basis with unaffiliated third parties.

Mr. Monty J. Bennett is an owner and the chief executive officer of Remington and is an owner, the chief executive officer and a director of Ashford Trust and Ashford Prime. As a result, his duties to us as a director and officer may conflict with his duties to, and pecuniary interest in, Remington, Ashford Trust and Ashford Prime.

Table of Contents

Pursuant to our advisory agreements with each of Ashford Prime and Ashford Trust, each such entity acknowledges that our personnel will advise Ashford Trust and Ashford Prime and may also advise other businesses in the future and will not be required to present Ashford Trust or Ashford Prime with investment opportunities that we determine are outside of their respective initial investment guidelines and within the investment guidelines of another business we advise. To the extent we deem an investment opportunity suitable for recommendation, we must present Ashford Trust with any such investment opportunity that satisfies its initial investment guidelines and must present Ashford Prime with any such investment opportunity that satisfies Ashford Prime's initial investment guidelines, but in each case we will have discretion to determine which investment opportunities satisfy such entity's initial investment guidelines. If, however, either Ashford Trust or Ashford Prime materially changes its investment guidelines without our express consent, we will be required to use our best judgment to allocate investment opportunities to Ashford Trust, Ashford Prime and other entities we advise, taking into account such factors as we deem relevant, in our discretion, subject to any then-existing obligations we may have to such other entities. Any new individual investment opportunities that satisfy Ashford Prime's investment guidelines will be presented to its board of directors, who will have up to 10 business days to accept any such opportunity prior to it being available to Ashford Trust or another business advised by us. Likewise, any new individual investment opportunities that satisfy Ashford Trust's investment guidelines will be presented to its board of directors, who will have up to 10 business days to accept any such opportunity prior to it being available to Ashford Prime or another business advised by us. Portfolio investment opportunities (the acquisition of two or more properties in the same transaction) are treated differently. Some portfolio investment opportunities may include hotels that satisfy the investment objectives of both Ashford Trust and Ashford Prime or of another business we advise. If the portfolio cannot be equitably divided by asset type and acquired on the basis of such asset types in satisfaction of each such entity's investment guidelines, we will be required to allocate investment opportunities between Ashford Trust, Ashford Prime and any other businesses we advise in a fair and equitable manner, consistent with such entities' investment objectives. In making this determination, using substantial discretion, we will consider the investment strategy and guidelines of each entity with respect to acquisition of properties, portfolio concentrations, tax consequences, regulatory restrictions, liquidity requirements, financing and other factors we deem appropriate. We may utilize options, rights of first offer or other arrangements to subsequently reallocate assets. In making the allocation determination, we have no obligation to make any investment opportunity available to Ashford Trust or Ashford Prime.

From time to time, as may be determined by our independent directors and the independent directors of Ashford Prime, Ashford Trust and any other company subsequently advised by us, each such entity may provide financial accommodations, guaranties, back-stop guaranties, and other forms of financial assistance to the other entities on terms that the respective independent directors determine to be fair and reasonable.

POTENTIAL PAYMENTS UPON TERMINATION OF EMPLOYMENT OR CHANGE OF CONTROL

Executive Officers

Upon the completion of our spin-off from Ashford Trust in November 2014, we entered into employment agreements with each of our executive officers, and we assumed Ashford Trust's existing deferred compensation plan. Under the terms of the employment agreements, each of our named executive officers is entitled to receive certain severance benefits after termination of employment. The amount and nature of these benefits vary depending on the circumstances under which employment terminates. The employment agreements provide for certain specified benefits during the entire term of the employment agreement.

Each of the employment agreements of our named executive officers provides that, if the executive's employment is terminated as a result of death or disability of the executive; by us without cause (including non-renewal of the agreement by us); by the executive for good reason; or after a change of control (each as defined in the applicable employment agreement), the executive will be entitled to accrued and unpaid salary to the date of such termination and any unpaid incentive bonus from the prior year plus the following severance payments and benefits, subject to his execution and non-revocation of a general release of claims:

- a lump-sum cash severance payment (more fully described below);
- pro-rated payment of the incentive bonus for the year of termination, payable at the time incentive bonuses are paid to the remaining senior executives for the year in which the termination occurs;
- all restricted equity securities held by such executive will become fully vested; and
- health, life and disability benefits for 36 months following the termination of employment of Mr. Bennett, or 24 months following the termination of employment of the other executives, in each case at the same cost to the executive as in effect immediately preceding such termination, subject to reduction to the extent that the executive receives comparable benefits from a subsequent employer, payable by the company over the period of coverage (other than a Remington affiliate for Mr. Bennett).

The lump sum severance payment payable upon termination of an executive's employment agreement in any of the circumstances described above is calculated as the sum of such executive's then-current annual base salary plus his average bonus over the prior three years, multiplied by a severance multiplier. The severance multiplier is:

- one for all executives in the event of termination as a result of death or disability of the executive;

- two for all executives other than Mr. Bennett and three for Mr. Bennett in the event of and termination by us without cause (including non-renewal of the agreement) or termination by the executive for good reason;
- two for Mr. Brooks and three for Messrs. Bennett and Kessler in the event of termination by the company without cause or by the executive with good reason following a change in control.

If an executive's employment is terminated by the executive officer without good reason (as defined in the applicable employment agreement), the executive will be entitled to accrued and unpaid salary to the date of such termination and any unpaid incentive bonus from the prior year. Additionally, the employment agreements for each of the executives includes non-compete provisions, and in the event the executive elects to end his employment with us without good reason, in exchange for the executive honoring his non-compete provisions, he will be entitled to the following additional payments:

- health benefits for the duration of the executive's non-compete period following the executive's termination of employment at the same cost to the executive as in effect immediately preceding such termination, subject to reduction to the extent that the executive receives comparable benefits from a subsequent employer, except that Mr. Monty Bennett is not entitled to this benefit; and
- a non-compete payment equal to the sum of his then-current annual base salary plus average bonus over the prior three years, paid equally over the twelve-month period immediately following the executive's termination.

Table of Contents

If any named executive officer's employment agreement is terminated by the company for cause, the executive will be entitled solely to any accrued and unpaid salary to the date of such termination and any unpaid incentive bonus from the prior year.

Each of the employment agreements contain standard confidentiality, non-compete, non-solicitation and non-interference provisions. The confidentiality and non-interference provisions apply during the term of the employment agreement and for anytime thereafter. The non-solicitation provisions apply during the term of the agreement, and for a period of one year following the termination of the executive. The non-compete provisions apply during the term of the employment agreements and for a period of one year thereafter. The non-compete provisions of Mr. Monty Bennett's employment agreement specifically allow Mr. Bennett to engage in certain potentially competitive activities consistent with his positions at Remington and consistent with the mutual exclusivity agreement between Remington and the company.

Additionally, in the event of an executive's termination for any reason, all deferred compensation amounts payable under our deferred compensation plan become due and payable in a single lump sum payment within 45 days of the termination date notwithstanding the deferral periods previously elected by the executive.

PROPOSAL NUMBER TWO APPROVAL OF AN AMENDMENT TO OUR CHARTER TO DECLASSIFY THE BOARD OF DIRECTORS OF THE COMPANY

Proposed Amendment to the Amended and Restated Certificate of Incorporation

Currently, the company's charter, the Amended and Restated Certificate of Incorporation, divides board members into three classes. One class will be elected at each of the next three annual meetings of stockholders, beginning at this year's meeting, to hold office for a term beginning on the date of the election and ending on the date of the third annual meeting of stockholders following the beginning of the term.

After careful consideration, the board has determined that it would be in the best interests of the stockholders to declassify the board to allow the stockholders to vote on the election of the entire board each year, rather than on a staggered basis. The proposed amendment to the charter (the *Proposed Charter Amendment*) is set forth in **Exhibit A** to this proxy statement.

If this proposal is approved by the stockholders, the Proposed Charter Amendment will be filed with the Delaware Secretary of State, and all directors will become subject to election on an annual basis for a one-year term beginning with the expiration of the initial term of each class of directors. Vacancies which may occur during the year may be filled by the board and each director so appointed shall serve for a term which will expire at the next annual meeting of stockholders.

If the stockholders do not approve this proposal, then the board will remain classified, with each class of directors serving a term of three years, and the Class I director standings for election at this 2015 annual meeting of stockholders, if elected, will expire on the date of the 2018 annual meeting of stockholders.

Notwithstanding the foregoing, in all cases, each director will hold office until his or her successor is duly elected, or until his or her earlier resignation or removal.

Considerations of the Board

The board recognizes that a classified structure may offer several advantages, such as promoting board continuity and stability, encouraging directors to take a long-term perspective, and ensuring that a majority of the board will always have prior experience with the company, especially in light of an increasingly complex and changing regulatory environment. Additionally, classified boards may motivate potential acquirers seeking control to initiate arms-length discussions with the board, rather than engaging in unsolicited or coercive takeover tactics, since potential acquirers are unable to replace the entire board in a single election, thereby better enabling the board to maximize stockholder value and to ensure the equal and fair treatment of stockholders. The board also recognizes that a classified structure may reduce directors' accountability to stockholders because such a structure does not enable stockholders to express a view on each director's performance by means of an annual vote. Moreover, many institutional investors believe that the election of directors is the primary means for stockholders to influence corporate governance policies and to hold management accountable for implementing those policies.

In determining whether to support declassification of the board, the board considered the arguments in favor of and against continuation of the classified board structure and determined that it would be in the best interests of the company and the stockholders to declassify the board.

The board of directors unanimously recommends a vote FOR approval of Proposal Number Two, the amendment to our charter providing for the declassification of the board.

**PROPOSAL NUMBER THREE RATIFICATION OF THE APPOINTMENT OF
ERNST & YOUNG LLP AS OUR INDEPENDENT AUDITORS**

We are asking our stockholders to ratify our audit committee's appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015. Ernst & Young LLP has audited our financial statements since we commenced operations in 2014. Stockholder ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm is not required by our bylaws or otherwise. However, our board of directors is submitting the selection of Ernst & Young LLP to our stockholders for ratification as a matter of good corporate practice. If our stockholders fail to ratify the selection, the audit committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the audit committee in its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in the best interests of us and our stockholders.

Our audit committee is responsible for appointing, setting compensation, retaining and overseeing the work of our independent registered public accounting firm. Our audit committee pre-approves all audit and non-audit services provided to us by our independent registered public accounting firm. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is subject to a specific budget. The audit committee has delegated pre-approval authority to its chairperson when expedition of services is necessary. The independent registered public accounting firm and management are required to periodically report to the full audit committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date. The audit committee approved all fees paid to Ernst & Young LLP during the past year with no reliance placed on the de minimis exception established by the SEC for approving such services.

Services provided by Ernst & Young LLP during 2014, our only year of operation, included the audits of our annual financial statements. Services also included the limited review of unaudited quarterly financial information; review and consultation regarding filings with the SEC and the Internal Revenue Service; and consultation on financial and tax accounting and reporting matters. During the year ended December 31, 2014, fees incurred related to our principal accountants, Ernst & Young LLP, consisted of the following:

	Year Ended December 31, 2014
Audit Fees	\$ 360,000
Audit-Related Fees(1)	
Tax Fees(2)	
All Other Fees	
Total	\$ 360,000

(1) Audit related fees included accounting consultations in connection with acquisitions and other matters as well as attest services not required by statute or regulation.

(2) Tax fees included review of tax returns and consultations on various tax matters.

Edgar Filing: Ashford Inc - Form PRE 14A

Our audit committee has considered all fees provided by the independent auditors to us and concluded this involvement is compatible with maintaining the auditors' independence.

Representatives of Ernst & Young LLP will be present at the annual meeting, will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

The board of directors unanimously recommends a vote FOR approval of Proposal Number Three, the ratification of the appointment of Ernst & Young LLP as our independent auditors for the year ending December 31, 2015.

PROPOSAL NUMBER FOUR APPROVAL OF EXTENSION OF SHAREHOLDER RIGHTS PLAN

On November 16, 2014, our board declared a dividend of one preferred share purchase right (a ***Right***) payable on November 27, 2014, for each outstanding share of common stock, par value \$0.01 per share, outstanding on November 27, 2014 to the stockholders of record on that date. Each Right initially entitles the registered holder to purchase from the company one one-thousandth of a share of Series A Preferred Stock, par value \$0.01 per share (the ***Preferred Shares***), of the company, at a price of \$275 per one one-thousandth of a Preferred Share represented by a Right, subject to adjustment. The description and terms of the Rights are set forth in a Rights Agreement, dated effective November 17, 2014, between the company and Computershare Trust Company, N.A., as Rights Agent (the ***Rights Agreement***) and filed by the company on a Current Report on Form 8-K.

The Rights Agreement is intended to ensure the fair and equal treatment of the company's shareholders in connection with any initiative to acquire effective control of the company. It is also intended to reduce the likelihood that any person or group would gain control of the company by open market accumulation of common shares or otherwise without paying a control premium for all common shares. The Rights issued under the Rights Agreement were initially set to expire on March 15, 2015 (the ***Final Expiration Date***); however, on February 25, 2015, our board extended the Final Expiration Date until the date of the company's annual stockholder meeting. The board now requests that stockholders vote to approve a further extension of the Final Expiration Date to February 25, 2018. If the stockholders do not approve such further extension, the Rights will expire on the date of the annual stockholder meeting.

The board of directors unanimously recommends a vote FOR approval of Proposal Number Four, extension of shareholder rights plan.

PROPOSAL NUMBER FIVE APPROVAL OF AMENDMENT TO OUR BYLAWS TO MODIFY SHAREHOLDER PROPOSAL PROCESS

Overview

We are asking our stockholders to vote to approve an amendment (the ***Proposed Bylaw Amendment***) to the company's Amended and Restated Bylaws (the ***Bylaws***) to require that only stockholders of record that have owned at least 1% of our outstanding shares of common stock continuously for at least one year (the ***Ownership Threshold***) may nominate director candidates (***Stockholder Nominations***) and propose other business (***Stockholder Business*** and, together with Stockholder Nominations, ***Stockholder Proposals***) to be considered by the stockholders at an annual meeting of stockholders.

Purpose and Effect of the Proposed Bylaw Amendment

The nominating/corporate governance committee and the board have carefully considered the implications of amending the Bylaws to require that only stockholders meeting the Ownership Threshold may submit Stockholder Proposals for consideration at an annual meeting of stockholders and have determined that the Proposed Bylaw Amendment is advisable and in the best interests of the company and its stockholders. On February 24, 2015, the board unanimously approved the Proposed Bylaw Amendment, subject to approval by the stockholders at the annual meeting.

The board recognizes that allowing all stockholders the ability to submit Stockholder Proposals for the consideration of the company's stockholders at annual meetings of stockholders is viewed by some as an important governance best practice. However, some Stockholder Proposals can be expensive and disruptive to the company's normal business operations. Specifically, the board is concerned that some stockholders in the past have abused the Stockholder Proposal process by submitting frivolous Stockholder Proposals with the true intent of interfering with the board's management of the business and affairs of the company. For example, a large labor union has targeted the company, Ashford Trust and Ashford Prime with stockholder proposals, and a solicitation of written requests for a special meeting of the Ashford Trust's stockholders, in what our board and the boards of Ashford Trust and Ashford Prime believe is an attempt by this stockholder to assert its influence in a labor dispute at one of the Ashford Trust's hotels. It appears that the union is endeavoring to misuse the company's corporate governance process to inflict economic damage on the company, Ashford Trust and Ashford Prime, and indirectly, on our stockholders as well as those of Ashford Trust and Ashford Prime. The union's proposals appear to be made for no purpose other than to obtain advantage in the labor dispute. Our board believes the union's true motive is to further its own personal interests, at considerable expense to the company, and to the detriment of its stockholders.

The union has a long history of using a nominal holding in company stock to manipulate corporate governance for its bargaining advantage in other matters and to have a basis to provoke governance fights with corporate boards and management. Over the past decade, this union has submitted at least thirty-two stockholder proposals (not counting the proposals sent to the company, Ashford Trust and Ashford Prime) to companies in the financial, hospitality, gaming and food sectors, the very sectors in which the union attempts to organize workers. We believe that this union holds shares in various public companies, not for investment purposes, but for the sole purpose of being able to make shareholder proposals, which require significant management attention and corporate resources and cause management to focus on matters other than the operation of the business. We believe that this union views this process as a means to further its own goals and gain leverage in labor negotiations, rather than to enhance corporate governance practices.

Edgar Filing: Ashford Inc - Form PRE 14A

The union's practice is to push for changes in corporate governance in order to increase its leverage in disputes about representation and labor negotiations. On several prior occasions, the union has tried this same tactic with Ashford Trust. The union has attempted to pass proposals twice that, if passed, would affect Ashford Trust's corporate governance. For each of these proposals, the company has had to expend resources and efforts on correcting misstatements by the union and ensuring that its stockholders were fully informed of the ramifications of the union's proposals. For example, in May of 2009, the union attempted to separate the roles of the Ashford Trust's Chairman and Chief Executive Officer, which Ashford Trust's board had previously determined was in the best interests of their company to be combined. This proposal was voted down by the Ashford Trust's stockholders. Undeterred, four years later, in May of 2013, the union again sought to separate the roles of the Ashford Trust's

Table of Contents

Chairman and Chief Executive Officer positions. The Ashford Trust's stockholders voted this proposal down, too. That same year, the Ashford Trust requested permission from the SEC to omit two other of the union's proposals from its 2013 proxy materials. In both instances, the SEC determined that it would not recommend enforcement action if the Ashford Trust omitted the proposals. It seems clear that these sorts of proposals are not submitted with a view towards protecting or maximizing return on the union's nominal investment in any of the company, Ashford Trust or Ashford Prime, or that of other stockholders, but rather to further the union's goals in labor negotiations.

This year alone, the union has submitted nine separate proposals to the company, Ashford Trust and Ashford Prime. This abuse, instead of advancing the collective interests of the company's stockholders, needlessly wastes company resources. Our company, Ashford Trust, and Ashford Prime have incurred substantial costs in defending against these frivolous proposals. In addition, our board, management team and other employees have spent countless hours of their valuable time dealing with these proposals that could have otherwise been spent advancing the interests of the company and all of its stockholders. For example, Ashford Trust is currently expending significant resources on protracted litigation in Maryland state court to defend against seven improper proposals the union is attempting to raise at Ashford Trust's 2015 annual meeting of stockholders. These proposals were not brought properly or timely under Ashford Trust's bylaws and many of them simply attempt to usurp the responsibilities of Ashford Trust's management team and board of directors' obligations to manage the business and affairs of the company. We believe it is clear from these proposals that the true intent of the union in utilizing this tactic is to harass Ashford Trust in an effort to achieve leverage in an unrelated labor dispute. It is this sort of abuse and waste of company resources that we wish to eliminate by approval of the Proposed Bylaw Amendment.

The board believes that a stockholder without a meaningful stake in the company should not be entitled to submit Stockholder Proposals, particularly, as we have seen historically, when those proposals are submitted to advance the interests of such stockholders, interests which may not be shared by the majority of stockholders of the company. The board strongly believes that stockholders who have a meaningful and long-term interest in the company are the stockholders that submit proposals more likely to be in the best interest of the company and its stockholders. Accordingly, those are the stockholders that should be entitled to submit Stockholder Proposals.

In light of these considerations, the Board believes that establishing an ownership requirement of 1% and a minimum one year continuous holding period in order for stockholders to submit a Stockholder Proposal achieves a reasonable balance between enhancing shareholder rights and adequately protecting shareholder interests. These minimum requirements will help insure against frivolous, self-interested proposals which tend to abuse the corporate governance process.

The Proposed Bylaw Amendment

Article I, Section 11 of the Bylaws currently sets forth the procedures and requirements that stockholders must follow in order to submit Stockholder Proposals for consideration at an annual meeting of stockholders. The Proposed Bylaw Amendment would amend Sections 11(a)(1) and 11(b) of Article I of the Bylaws to establish that only stockholders meeting the Ownership Threshold may submit Stockholder Proposals.

Additional Information

Edgar Filing: Ashford Inc - Form PRE 14A

The general description of the Proposed Bylaw Amendment set forth above is qualified in its entirety by reference to the text of the Proposed Bylaw Amendment, which is attached as **Exhibit B** to this proxy statement. Additions to the Bylaws are indicated by underlining and deletions are indicated by strike outs.

Approval of the Proposed Bylaw Amendment requires the affirmative vote of the holders of a majority of all of the votes cast at the annual meeting. If approved, the Proposed Bylaw Amendment will become effective immediately. If the Proposed Bylaw Amendment is not approved by the requisite vote, then the Bylaws will not be amended.

The board of directors unanimously recommends a vote FOR Proposal Number Five, the amendment to the company's Amended and Restated Bylaws.

Even if the proper notice is received timely, the proxies named in management's proxy for that annual meeting of stockholders may nevertheless exercise their discretionary authority with respect to such matter by advising stockholders of such proposal and how they intend to exercise their discretion to vote on such matter, unless the stockholder making the proposal solicits proxies with respect to the proposal to the extent required by Rule 14a-4(c)(2) under the Exchange Act.

Section 5. Organization and Conduct. Every meeting of stockholders shall be conducted by the Chairman of the Board or, in the case of a vacancy in the office or absence of the Chairman of the Board, by one of the following officers present at the meeting in the following order: the Vice Chairman of the Board, if there is one, the Chief Executive Officer, the President, the Chief Operating Officer, the Chief Financial Officer, the Chief Strategy Officer, the Executive Vice President of Asset Management, the Vice Presidents in their order of rank and seniority, the Secretary, or, in the absence of such officers, a chairman chosen by a majority of the members of the Board of Directors in attendance at the meeting or if none, a chairman chosen by the stockholders by the vote of a majority of the votes cast by stockholders present in person or by proxy at the meeting. The order of business and all other matters of procedure at any meeting of stockholders shall be determined by the chairman of the meeting. The chairman of the meeting may prescribe such rules, regulations and procedures and take such action as, in the discretion of the chairman and without any action by the stockholders, are appropriate for the proper conduct of the meeting, including, without limitation, (a) restricting admission to the time set for the commencement of the meeting; (b) limiting attendance at the meeting to stockholders of record of the Corporation, their duly authorized proxies and such other individuals as the chairman of the meeting may determine; (c) limiting participation at the meeting on any matter to stockholders of record of the Corporation entitled to vote on such matter, their duly authorized proxies and other such individuals as the chairman of the meeting may determine; (d) limiting the time allotted to questions or comments; (e) determining when and for how long the polls should be opened and when the polls should be closed; (f) maintaining order and security at the meeting; (g) removing any stockholder or any other individual who refuses to comply with meeting procedures, rules or guidelines as set forth by the chairman of the meeting; (h) convening a meeting or (for any or no reason) recessing or adjourning the meeting to a later date and time and at a place announced at the meeting; and (i) complying with any state and local laws and regulations concerning safety and security. The chairman of the meeting of stockholders, in addition to making any other determinations that may be appropriate to the conduct of the meeting, shall, if the facts warrant, determine and declare to the meeting that a matter or business was not properly brought before the meeting and if such chairman should so determine, such chairman shall so declare to the meeting and any such matter or business not properly brought before the meeting shall not be transacted or considered. Unless otherwise determined by the chairman of the meeting, meetings of stockholders shall not be required to be held in accordance with the rules of parliamentary procedure.

Section 6. Quorum. Except as otherwise provided by law, the Charter or these Bylaws, at each meeting of stockholders, the presence in person or by proxy of the holders of a majority in voting power of the outstanding shares of stock entitled to vote at such meeting shall constitute a quorum. If such quorum is not established at any meeting of the stockholders, the chairman of the meeting or the stockholders so present by a majority of voting power thereof may adjourn the meeting until a quorum shall attend. Notice need not be given of such

Table of Contents

adjourned meeting if the time and place thereof are announced at the meeting at which an adjournment is taken unless the adjournment is for more than 30 days or a new record date is fixed for determination of the stockholders entitled to vote at the adjourned meeting. At such adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the original meeting.

The stockholders present either in person or by proxy, at a meeting which has been duly called and at which a quorum has been established, may continue to transact business until adjournment, notwithstanding the withdrawal from the meeting of enough stockholders to leave fewer than would be required to establish a quorum.

Section 7. Voting. A plurality of all the votes cast at a meeting of stockholders duly called and at which a quorum is present shall be sufficient to elect a director. Each share may be voted for as many individuals as there are directors to be elected and for whose election the share is entitled to be voted. Cumulative voting is not permitted. A majority of the votes cast at a meeting of stockholders duly called and at which a quorum is present shall be sufficient to approve any other matter which may properly come before the meeting, unless more than a majority of the votes cast is required by the Charter, these Bylaws, the rules or regulations of any stock exchange applicable to the Corporation, or applicable law or pursuant to any regulation applicable to the Corporation or its securities. Except as otherwise provided by law, abstentions and broker non-votes shall not be counted as votes cast for purposes of determining the outcome of any vote. Unless otherwise provided by statute or by the Charter, each stockholder entitled to vote at any meeting of stockholders shall be entitled to one vote for each share of stock held by such stockholder which has voting power on the matter in question. Voting on any question or in any election may be *viva voce* unless the chairman of the meeting shall order that voting be by ballot or otherwise.

Section 8. Proxies. A holder of record of shares of stock of the Corporation may cast votes in person or by proxy executed by the stockholder or by the stockholder's duly authorized agent in any manner permitted by law. Such proxy or evidence of authorization of such proxy shall be filed with the Secretary before or at the meeting. No proxy shall be valid more than three years after its date unless a longer period is otherwise provided in the proxy.

Section 9. Voting of Stock by Certain Holders. Stock of the Corporation registered in the name of a corporation, partnership, trust, limited liability company or other entity, if entitled to be voted, may be voted by the president or a vice president, general partner, trustee or managing member thereof, as the case may be, or a proxy appointed by any of the foregoing individuals, unless some other person who has been appointed to vote such stock pursuant to a bylaw or a resolution of the governing body of such corporation or other entity or agreement of the partners of a partnership presents a certified copy of such bylaw, resolution or agreement, in which case such person may vote such stock. Any director or fiduciary may vote stock registered in the name of such person in the capacity of such director or fiduciary, either in person or by proxy.

Shares of stock of the Corporation directly or indirectly owned by it shall not be voted at any meeting and shall not be counted for purposes of determining the presence of a quorum,

unless such shares are held by the Corporation in a fiduciary capacity, in which case they may be voted and shall be counted in determining the presence of a quorum.

Section 10. Inspectors. The Corporation shall appoint, before any meeting of stockholders, one or more inspectors to act at the meeting or any adjournment thereof and to make a written report thereof. The Corporation may designate one or more persons as alternate inspectors to replace an inspector who fails to act. In the event that no inspector so appointed or designated is able to act at the meeting of stockholders, the chairman of the meeting shall appoint one or more inspectors to act at the meeting. Each inspector, before entering upon the discharge of his or her duties, shall take and sign an oath to execute faithfully the duties of inspector with strict impartiality and according to the best of his or her ability. The inspectors shall (i) ascertain the number of shares of capital stock of the Corporation outstanding and the voting power of each such share, (ii) determine the number of shares of stock represented at the meeting, in person or by proxy, and the validity of proxies and ballots, (iii) tabulate all votes and ballots, (iv) determine and retain for a reasonable period a record of the disposition of any challenges made to any determination by the inspectors, and (v) certify their determination of the number of shares of capital stock of the Corporation represented at the meeting and such inspectors' count of all votes and ballots. Such certificate and report shall specify such other information as may be required by law. In determining the validity and counting of proxies and ballots cast at any meeting of stockholders of the Corporation, the inspectors may consider such information as is permitted by applicable law. No person who is a candidate for an office at an election may serve as an inspector at such election.

**ARTICLE II
DIRECTORS**

Section 1. Powers. All of the powers of the Corporation shall be exercised by or under the direction of the Board of Directors except as otherwise provided by the Charter or required by law.

Section 2. Number and Terms. The Board of Directors shall establish and may increase or decrease the number of directors of the Corporation; *provided* that the number thereof shall never be less than one nor more than 15. The terms of the members of the Board of Directors shall be as set forth in Article VI of the Charter.

Section 3. Director Independence.

(a) **Independence.** The Board of Directors shall nominate candidates for election or re-election to the Board of Directors (or recommend the election or re-election of such candidates as nominated by others) such that, and shall take such other corporate actions as may be reasonably required to provide that, to the best knowledge of the Board of Directors, if such candidates are elected by the stockholders, following the time of Listing, at least a majority of the members of the Board of Directors shall be Independent Directors (as defined below). Following the time of Listing, the Board of Directors shall only elect any person to fill a vacancy on the Board of Directors if, to the best knowledge of the Board of Directors, after such person's election at least a majority of the members of the Board of Directors shall be Independent Directors. The foregoing provisions of this paragraph shall not cause a director who, upon commencing such director's service as a member of the Board of Directors was determined by the Board of Directors to be an Independent Director but did not in fact qualify as such, or who by reason of any change in circumstances ceases to qualify as an Independent Director, from serving the remainder of the term as a director for which such director was selected. Notwithstanding the foregoing provisions of this paragraph and unless otherwise provided by law, no action of the Board of Directors shall be invalid by reason of the failure at any time of a majority of the members of the Board of Directors to be Independent Directors.

Table of Contents

(b) *Independent Director.* The term Independent Director means a director who (i) qualifies as an independent director within the meaning of the corporate governance listing standards from time to time adopted by the NYSE MKT LLC (or, if at any time the Corporation's common stock is not listed on the NYSE MKT LLC and is listed on a securities exchange other than the NYSE MKT LLC, the applicable corporate governance listing standards of such other securities exchange) with respect to the composition of the board of directors of a listed company (without regard to any independence criteria applicable under such standards only to the members of a committee of the board of directors) and (ii) also satisfies the minimum requirements of director independence of Rule 10A-3(b)(1) under the Exchange Act (as from time to time in effect), whether or not such director is a member of the Audit Committee of the Board of Directors.

Section 4. Qualification. No Director need be a stockholder of the Corporation. Unless waived by the Board of Directors, no individual may serve as a director of the Corporation if he or she has reached the age of 70 years at the time of election. Upon attaining the age of 70, a director shall tender a letter of resignation from the Board of Directors, effective upon the expiration of the calendar year in which such director attains the age of 70. Such director shall also tender a letter of resignation effective upon the expiration of each term served by the director after attaining the age of 70. Additionally, upon any change in employment of a director or a change in the duties of such director in connection with his or her employment, such director shall tender a letter of resignation effective upon the expiration of the calendar year in which such change occurs. Any such resignation shall be contingent upon acceptance by the Board of Directors, and the Board of Directors shall determine whether, in light of all the circumstances, it should accept such resignation.

Section 5. Vacancies. Any vacancy occurring on the Board of Directors, including any vacancy created by reason of an increase in the number of directors, shall be filled in the manner provided in Article VI, Section 6.5 of the Charter.

Section 6. Resignation. Any Director may resign at any time by giving notice to the Board of Directors. Such resignation shall be effective upon receipt unless it is specified to be effective at some other time or upon the happening of some other event.

Section 7. Regular Meetings. The regular annual meeting of the Board of Directors shall be held, without other notice than this Bylaw, on the same date and at the same place as the annual meeting of stockholders following the close of such meeting of stockholders. if one is elected, the Lead Director, if one is elected, or the Chief Executive Officer. The person calling any such special meeting of the Board of Directors may fix the hour, date and place thereof.

Section 10. Notice of Meetings. Notice of the hour, date and place of all special meetings of the Board of Directors shall be given to each director by the Secretary or an Assistant Secretary, or in case of the death, absence, incapacity or refusal of such persons, by the Chairman of the Board, if one is elected, or the Chief Executive Officer or such other officer designated by the Chairman of the Board, if one is elected, or the Chief Executive Officer. Notice of any special meeting of the Board of Directors shall be given to each director in person or by telephone, electronic mail, facsimile transmission or by telegram sent to his or her business or home address at least 24 hours in advance of the meeting, or by written notice mailed to his or her business or home address at least 48 hours in advance of the meeting. Such notice shall be deemed to be delivered when hand delivered to such address, when read to such Director by telephone, when deposited in the mail so addressed with postage thereon prepaid, upon transmission of the message by electronic mail, upon completion of transmission of a facsimile message and receipt of a completed answer back indicating receipt or when delivered to the telegraph company if sent by telegram.

A waiver of notice executed before or after a meeting by a director and filed with the records of the meeting shall be deemed to be equivalent to an effective notice of the meeting. The attendance of a director at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting solely for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting was not lawfully called or convened and does not further participate in the meeting. Except as otherwise required by law, by the Charter or by these Bylaws, neither the business to be transacted at, nor the purpose of, any meeting of the Board of Directors need be specified in the notice or waiver of notice of such meeting.

Section 11. Quorum. At any meeting of the Board of Directors, a majority of the directors then in office shall constitute a quorum for the transaction of business, but if less than a quorum is present at a meeting, a majority of the directors present may adjourn the meeting from time to time. Any business which might have been transacted at the meeting as originally noticed may be transacted at such adjourned meeting at which a quorum is present.

Section 12. Action at Meeting. At any meeting of the Board of Directors at which a quorum is present and subject to Section 6.6 of Article VI of the Charter, a majority of the directors present may take any action on behalf of the Board of Directors, unless otherwise required by law, by the Charter or these Bylaws.

Section 13. Action by Consent. Unless otherwise restricted by the Charter or these Bylaws, any action required or permitted to be taken at any meeting of the Board of Directors or any committee thereof may be taken without a meeting if all members of the Board of Directors or such committee, as the case may be, consent thereto in writing or by electronic transmission. Such writing or writings or electronic transmissions shall be filed with the records of the proceedings of the Board of Directors in accordance with applicable law.

Section 14. Manner of Participation. Members of the Board of Directors or of any committee designated by the Board of Directors pursuant to Section 15 of this Article II may participate in meetings thereof by means of telephone conference or similar communications equipment by means of which all directors participating in the meeting can hear each other at the same time, and participation in a meeting in accordance herewith shall constitute presence in person at such meeting for purposes of these Bylaws.

Section 15. Committees. The Board of Directors may designate one or more committees, including an Audit Committee, a Compensation Committee and a Nominating/Corporate Governance Committee, to consist of one or more of the members of the Board of Directors. The Board of Directors may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of a member of the committee, the member or members thereof present at any meeting and not disqualified from voting, whether or not he, she or they constitute a quorum, may unanimously appoint another member of the Board of Directors to act at the meeting in place of any such absent or disqualified member. Any such committee, to the extent permitted by law and to the extent provided in the resolution of the Board of Directors, shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation to be affixed to all papers which may require it. Except as the Board of Directors may otherwise determine or as required by law, by the Charter or by these Bylaws, any such committee may make rules for conduct of its business, but unless otherwise provided by the Board of Directors or in such rules, its business shall be conducted so far as possible in the same manner as is provided by the Charter and by these Bylaws for the Board of Directors. Any committee to which the Board of Directors delegates any of its powers or duties shall keep records of its meetings and shall report its action to the Board of Directors.

Section 16. Compensation of Directors. Directors shall receive compensation for their service as a director as shall be determined by a majority of the members of the Board of Directors, *provided* that directors who are serving the Corporation as officers or employees and who receive compensation for their services as such (Employee Directors) shall not receive any salary or other compensation for their services as directors of the Corporation; *provided, however*, that such Employee Directors may be paid their reasonable expenses incurred as a director.

In the absence of the Secretary, any Assistant Secretary may perform the duties and responsibilities of the Secretary.

Table of Contents

Any Assistant Secretary shall have such powers and perform such duties as the Board of Directors or the Chief Executive Officer may from time to time designate.

Section 16. Other Powers and Duties. Subject to these Bylaws and to such limitations as the Board of Directors may from time to time prescribe, the officers of the Corporation shall each have such powers and duties as generally pertain to their respective offices, as well as such powers and duties as from time to time may be conferred by the Board of Directors or the Chief Executive Officer.

**ARTICLE IV
STOCK**

Section 1. Certificates of Stock. The shares of the Corporation shall be represented by certificates, provided that the Board of Directors may provide by resolution or resolutions that some or all of any or all classes or series of stock shall be uncertificated shares. Any such resolution shall not apply to shares represented by certificate until such certificate is surrendered to the Corporation. Each holder of stock represented by certificates shall be entitled to a certificate of the stock of the Corporation in such form as may from time to time be prescribed by the Board of Directors. Such certificate shall bear the seal of the Corporation, if one has been adopted, and shall be signed by or in the name of the Corporation by the Chairman of the Board of Directors or the Vice Chairman of the Board of Directors, or the President or a Vice President, and countersigned by the Treasurer or an Assistant Treasurer or the Secretary or an Assistant Secretary. Any and all signatures on the certificate may be a facsimile, including those of any transfer agent or registrar. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed on such certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the Corporation with the same effect as if he or she were such officer, transfer agent or registrar at the time of its issue. Every certificate for shares of stock which are subject to any restriction on transfer and every certificate issued when the Corporation is authorized to issue more than one class or series of stock shall contain such legend with respect thereto as is required by law.

Section 2. Transfers. Subject to any restrictions on transfer and unless otherwise provided by the Board of Directors, shares of stock may be transferred only on the books of the Corporation by the surrender to the Corporation or its transfer agent of the certificate therefor properly endorsed or accompanied by a written assignment or power of attorney properly executed, with transfer stamps (if necessary) affixed, and with such proof of the authenticity of signature as the Corporation or its transfer agent may reasonably require.

Section 3. Dividends. Dividends upon the capital stock of the Corporation, subject to the requirements of the DGCL and the provisions of the Charter, if any, may be declared by the Board of Directors at any regular or special meeting of the Board of Directors (or any action by written consent in lieu thereof in accordance with Section 13 of Article II hereof), and may be paid in cash, in property, or in shares of the Corporation's capital stock. Before payment of any dividend, there may be set aside out of any funds of the Corporation available for dividends such sum or sums as the Board of Directors from time to time, in its absolute discretion, deems proper as a reserve or reserves to meet contingencies, or for purchasing any of the shares of capital stock, warrants, rights, options, bonds, debentures, notes, scrip or other securities or evidences of

indebtedness of the Corporation, or for equalizing dividends, or for repairing or maintaining any property of the Corporation, or for any proper purpose, and the Board of Directors may modify or abolish any such reserve.

Section 4. Record Holders. Except as may otherwise be required by law, by the Charter or by these Bylaws, the Corporation shall be entitled to treat the record holder of stock as shown on its books as the owner of such stock for all purposes, including the payment of dividends and the right to vote with respect thereto, regardless of any transfer, pledge or other disposition of such stock, until the shares have been transferred on the books of the Corporation in accordance with the requirements of applicable law and these Bylaws.

It shall be the duty of each stockholder to notify the Corporation or its transfer agent of his or her post office address and any changes thereto.

Section 5. Record Date. In order that the Corporation may determine the stockholders entitled to receive notice of or to vote at any meeting of stockholders or any adjournments thereof, or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action, the Board of Directors may fix, in advance, a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors and which shall not be more than 60 days nor less than 10 days before the date of such meeting, nor more than 60 days prior to any other action. In such case, only stockholders of record on such record date shall be so entitled, notwithstanding any transfer of stock on the stock transfer books of the Corporation after the record date.

If no record date is fixed:

(a) the record date for determining stockholders entitled to receive notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held; and

(b) the record date for determining stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

Section 6. Replacement of Certificates. The Corporation may issue a new certificate of stock in place of any certificate theretofore issued by it, alleged to have been lost, stolen or destroyed, and the Corporation may require the owner of the lost, stolen or destroyed certificate, or such owner's legal representative, to give the Corporation a bond sufficient to indemnify it against any claim that may be made against it on account of the alleged loss, theft or destruction of any certificate or the issuance of such new certificate.

Section 7. *Transfer Agents and Registrars.* The Corporation may serve as the transfer agent and registrar of the shares of stock of the Corporation, or the Board of Directors may, in its discretion, appoint one or more responsible bank, trust company or other entity as the Board of Directors may deem advisable, from time to time, to act as transfer agent and registrar of shares of stock.

Section 8. *Stockholders' Addresses.* Every stockholder or transferee shall furnish the Secretary or a transfer agent with the address to which notice of meetings and all other notices may be served upon or mailed to such stockholder or transferee.

Section 9. *Repurchase of Shares of Stock.* Subject to the requirements of applicable law, the Corporation may purchase shares of its own stock and invest its assets in its own shares of stock, provided that in each case the consent of the Board of Directors shall have been obtained.

**ARTICLE V
INDEMNIFICATION**

Section 1. *Right to Indemnification.* The Corporation shall, to the maximum extent permitted by the DGCL in effect from time to time, indemnify, and, without a preliminary determination of the ultimate entitlement to indemnification, pay or reimburse reasonable expenses in advance of final disposition of a proceeding (upon receipt by the Corporation of an undertaking by or on behalf of the person requesting advancement to repay the amount advanced if it shall ultimately be determined that such person is not entitled to be indemnified by the Corporation) to (a) any individual who is a present or former director or officer of the Corporation or (b) any individual who, while a director or officer of the Corporation and at the request of the Corporation, serves or has served another corporation, real estate investment trust, partnership, joint venture, trust, employee benefit plan or any other enterprise as a director, officer, partner or trustee and, in each case, shall indemnify such person from and against any claim or liability to which such person may become subject or which such person may incur by reason of his or her status as a present or former director or officer of the Corporation or director, officer, partner or trustee of such other entity (each, an Indemnitee). The Corporation shall, to the maximum extent permitted by the DGCL in effect from time to time, provide such indemnification and advancement of expenses to a person who served a predecessor of the Corporation in any of the capacities described above (any such person shall also be deemed to be an Indemnitee).

Section 2. *Indemnification of Employees and Agents of the Corporation.* With the approval of the Board of Directors, the Corporation shall, to the maximum extent permitted by the DGCL in effect from time to time, and to such further extent as it shall deem appropriate under the circumstances, provide such indemnification and advancement of expenses as described in Section 1 above, to any employee or agent of the Corporation or a predecessor of the Corporation (each such person shall also be deemed to be an Indemnitee).

Section 3. *Right of Indemnitee to Bring Suit.* If a claim under this Article V is not paid in full by the Corporation within 60 days after a written claim has been received by the Corporation, except in the case of a claim for an advancement of expenses, in which case the

Table of Contents

applicable period shall be 20 days, the Indemnitee may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim. If the Indemnitee is successful in whole or in part in any such suit, or in a suit brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the Indemnitee shall also be entitled to be paid the expense of prosecuting or defending such suit. In any suit brought by an Indemnitee who is a present or former director to enforce a right to indemnification hereunder (but not in a suit brought by the Indemnitee to enforce a right to an advancement of expenses), it shall be a defense that such Indemnitee has not met the applicable standard of conduct set forth in the DGCL. In addition, in any suit by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the Corporation shall be entitled to recover such expenses upon a final adjudication that the Indemnitee who is a present or former director has not met the applicable standard of conduct set forth in the DGCL. Neither the failure of the Corporation (including its Board of Directors, independent legal counsel, or stockholders) to have made a determination prior to the commencement of such suit that indemnification of the Indemnitee is proper in the circumstances because the Indemnitee has met the applicable standard of conduct set forth in the DGCL, nor an actual determination by the Corporation (including its Board of Directors, independent legal counsel or stockholders) that the Indemnitee has not met such applicable standard of conduct, shall create a presumption that the Indemnitee has not met the applicable standard of conduct. In any suit brought by the Indemnitee to enforce a right to indemnification or to an advancement of expenses hereunder, or by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the burden of proving that the Indemnitee is not entitled to be indemnified, or to such advancement of expenses, under this Article V or otherwise shall be on the Corporation.

Section 4. Non-Exclusivity of Rights. The rights to indemnification and to advancement of expenses conferred in this Article V shall not be exclusive of any other right that any person may have or hereafter acquire under these Bylaws, the Charter or any statute, agreement, vote of stockholders or disinterested directors or otherwise.

Section 5. Insurance. The Corporation may maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the Corporation or any director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the DGCL.

ARTICLE VI MISCELLANEOUS PROVISIONS

Section 1. Fiscal Year. The fiscal year of the Corporation shall end on December 31 of each year or on such other date as may be fixed by the Board of Directors.

Section 2. Seal. The seal of the Corporation shall be in the form of a circle and shall have inscribed thereon the name of the Corporation and the year of its organization. The seal may be used by causing it or a facsimile thereof to be impressed or affixed or reproduced.

Section 3. Execution of Instruments. All deeds, leases, transfers, contracts, bonds, notes and other obligations to be entered into by the Corporation in the ordinary course of its

business without action by the Board of Directors may be executed on behalf of the Corporation by the Chairman of the Board, if one is elected, the Chief Executive Officer, the President or the Treasurer or any other officer, employee or agent of the Corporation as the Board of Directors may authorize.

Section 4. Voting of Securities. Unless the Board of Directors otherwise provides by resolution, the Chairman of the Board, if one is elected, the Chief Executive Officer, the President or the Treasurer may from time to time appoint an attorney or attorneys or agent or agents of the Corporation, in the name and on behalf of the Corporation, to cast the votes which the Corporation may be entitled to cast as the holder of stock or other securities in any other corporation or other entity, any of whose stock or other securities may be held by the Corporation, at meetings of the holders of the stock or other securities of such other corporation or other entity, or to consent in writing, in the name of the corporation as such holder, to any action by such other corporation or other entity, and may instruct the person or persons so appointed as to the manner of casting such votes or giving such consents, and may execute or cause to be executed in the name and on behalf of the Corporation and under its corporate seal or otherwise, all such written proxies or other instruments as he or she may deem necessary or proper. Any of the rights set forth in this Section 4 of Article VI which may be delegated to an attorney or agent may also be exercised directly by the Chairman of the Board, the Chief Executive Officer, the President or the Treasurer.

Section 5. Registered Agent. The Corporation shall have and maintain a registered agent in the State of Delaware upon whom legal process may be served in any action or proceeding against the Corporation.

Section 6. Corporate Records. The original or attested copies of the Charter, Bylaws and records of all meetings of the incorporators, stockholders and the Board of Directors and the stock transfer books, which shall contain the names of all stockholders, their record addresses and the amount of stock held by each, may be kept outside the State of Delaware and shall be kept at the principal office of the Corporation, at the office of its counsel or at an office of its transfer agent.

Section 7. Amendments. These Bylaws may be amended by a majority of the Board of Directors.

Section 8. Offices. The registered office of the Corporation within the State of Delaware shall be located at such place as the Board of Directors may designate. The Corporation may have additional offices, including a principal executive office, at such place or places both within and without the State of Delaware as the Board of Directors may from time to time determine or the business of the Corporation may require.
