Item 1.01. Entry into a Material Definitive Agreement.

On May 24, 2016, Oxford Industries, Inc. (the Company) entered into a Fourth Amended and Restated Credit Agreement (the Credit Agreement). The Credit Agreement provides for a revolving credit facility of up to \$325,000,000, which may be used to refinance existing debt, to fund working capital, to fund future acquisitions and for general corporate purposes. The Credit Agreement amends and restates the Company's Third Amended and Restated Credit Agreement, dated June 14, 2012 (as amended on November 21, 2013, the Prior Credit Agreement).

The material terms of the Credit Agreement are as follows:

- The parties to the Credit Agreement include the Company and its subsidiary, Tommy Bahama Group, Inc., as the borrowers (the Borrowers), certain subsidiaries of the Company as guarantors (the Guarantors), the financial institutions party thereto as lenders, the financial institutions party thereto as issuing banks, and SunTrust Bank, as administrative agent (the Administrative Agent).
- The Credit Agreement provides for a revolving credit facility of up to \$325,000,000, which may be increased by up to an additional \$100,000,000 by the Borrowers (which, at the Borrowers' election, may take the form of a first in-last out tranche), subject to certain conditions.
- Availability under the Credit Agreement is limited to a borrowing base consisting of specified percentages of eligible categories of assets, including certain inventory, receivables, and eligible trademarks. The Administrative Agent has certain discretion to establish reserves with respect to the calculation of borrowing base availability.
- The Borrowers may elect to receive base rate advances or LIBOR advances under the Credit Agreement with applicable margins based upon a two-tier pricing grid depending on average excess availability, with LIBOR interest rate margins of 125 or 150 basis points above LIBOR.
- The Borrowers' obligations under the Credit Agreement are secured by a first priority security interest in substantially all of the assets of the Borrowers and the Guarantors, including accounts receivable, books and records, chattel paper, deposit accounts, equipment, certain general intangibles, inventory, investment property (including the equity interests of certain subsidiaries), negotiable collateral, life insurance policies, supporting obligations, commercial tort claims, cash and cash equivalents, eligible trademarks, proceeds and other personal property.

- The Credit Agreement contains a financial covenant that applies only if excess availability is less than the greater of (i) \$23,500,000 or (ii) 10% of total availability for three consecutive business days. In such case, the Company's fixed charge coverage ratio for the preceding twelve fiscal month period may not be less than 1.0 to 1.0 for that period.
- The Credit Agreement contains a number of customary affirmative covenants regarding, among other things, the delivery of financial and other information to the Administrative Agent and other lenders, maintenance of records, compliance with law, maintenance of property and insurance and conduct of business.
- The Credit Agreement also contains certain negative covenants, including covenants that limit the Borrowers and their subsidiaries' ability to (i) incur debt, (ii) guaranty certain obligations, (iii) incur liens, (iv) pay dividends to shareholders or repurchase shares of the Company's common stock, (v) make investments, (vi) sell assets or stock of subsidiaries, (vii) acquire assets or businesses, (viii) merge or consolidate with other companies, or (ix) prepay, retire, repurchase or redeem debt.
- The Credit Agreement is scheduled to mature on May 24, 2021.

The Prior Credit Agreement provided for a revolving credit facility of up to \$235,000,000 and was scheduled to mature on November 21, 2018. The Company believes that the applicable margins, terms for inclusion of assets in the borrowing base, negative covenants and other terms and conditions under the Credit Agreement are more favorable to the Company than under the Prior Credit Agreement. The above description of the Credit Agreement is not complete and is qualified in its entirety by the actual terms of the Credit Agreement and the related Fourth Amended and Restated Pledge and Security Agreement, attached hereto as Exhibits 10.1 and 10.2, respectively, and incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth above under Item 1.01 is hereby incorporated by reference into this Item 2.03.

Item 9.01. Financial Statements and Exhibits.
