Items 5 and 6 of the Schedule TO are hereby amended and supplemented as follows:

The information set forth in Section 11 The Purchase Agreement; Other Agreements of the Offer to Purchase is amended and supplemented to add the paragraphs set forth below:

***Offer Letter with Michel Lagarde***

*The following summary description of the Lagarde Offer Letter (as defined below) and all other provisions of the Lagarde Offer Letter discussed herein are qualified by reference to such Lagarde Offer Letter, which has been filed as Exhibit (d)(3) to the Schedule TO filed with the SEC in connection with the Offer and is incorporated herein by reference. The Lagarde Offer Letter may be examined and copies may be obtained at the places and in the manner set forth in Section 8 Certain Information Concerning Thermo Fisher and Purchaser. Shareholders and other interested parties should read the Lagarde Offer Letter for a more complete description of the provisions summarized below.*

On July 14, 2017, Thermo Fisher entered into an offer letter with Michel Lagarde for the position of Senior Vice President and President, Contract Development and Manufacturing of Thermo Fisher, contingent upon the Offer Closing (the **Lagarde Offer Letter** ). Mr. Lagarde's employment agreement with Patheon

Pharmaceutical Services, Inc., as described in the Schedule 14D-9, will remain in effect, except as modified by the Lagarde Offer Letter.

Pursuant to the Lagarde Offer Letter, Mr. Lagarde's annual base salary initially will remain \$750,000, payable in regular installments in accordance with Thermo Fisher practices, and his target annual incentive opportunity initially will remain 100% of his annual base salary. Mr. Lagarde will be eligible for an additional bonus of up to \$750,000, the actual amount of which will be determined based on the achievement of individual synergy objectives for 2018 and 2019.

Upon the Offer Closing, Mr. Lagarde's time-vesting Patheon Options and Patheon RSUs will be exchanged for Adjusted Options and Adjusted RSUs on the same terms as are applicable to other award holders generally. Upon the Offer Closing, Mr. Lagarde's performance-vesting Patheon Options will be canceled and exchanged for options to purchase shares of Thermo Fisher common stock (the **Replacement Options**) with a value (as determined using a methodology to be mutually agreed between Thermo Fisher and Mr. Lagarde) equal to the value of such canceled performance-vesting Patheon Options assuming the applicable performance goals were achieved in full. The Replacement Options will vest ratably over a two-year period, with 50% vesting on each of the first and second anniversaries of the Offer Closing. If Mr. Lagarde's employment is terminated involuntarily without cause or due to death or disability, or he resigns for good reason, all of his unvested Adjusted Options, Adjusted RSUs and Replacement Options will vest in full.

Thermo Fisher will recommend to its compensation committee that, as soon as practicable following the Offer Closing, Mr. Lagarde be granted Thermo Fisher equity awards with an aggregate value of \$2,500,000, which will consist of 50% stock options and 50% time-based restricted stock units. The stock options will have a seven-year term, and vest ratably over a four-year period, with 25% vesting on each of the first through fourth anniversaries of the grant date. The restricted stock units will vest over a three-and-a-half-year period, with 15% vesting six months following the grant date, and 25%, 30% and 30% vesting 18 months, 30 months and 42 months following the grant date, respectively. In addition, Mr. Lagarde will be eligible for annual long-term incentive awards with a target value of at least \$1,000,000 for 2018 and \$2,500,000 for 2019.

As an executive of Thermo Fisher, Mr. Lagarde will also be eligible for additional life insurance paid by Thermo Fisher, and Mr. Lagarde will have the option to defer a portion of his compensation (salary and bonus) into Thermo Fisher's deferred compensation plan, which provides a 100% match on the first 6% of compensation deferred into the plan, subject to plan rules and restrictions. Mr. Lagarde will additionally be eligible for an executive long-term disability ( **LTD** ) benefit paid by Thermo Fisher, which can provide up to an additional \$10,000 of monthly LTD benefit.

Mr. Lagarde will continue to receive his current benefit and executive perquisite levels for at least one year following the Offer Closing, and after integration, his benefits will be at least equal to those of similarly situated executives at Thermo Fisher. During the period between the Offer Closing and May 1, 2018, Mr. Lagarde will continue to be eligible to receive severance benefits under his employment agreement with Patheon Pharmaceutical Services, Inc., as described in the Schedule 14D-9, except that Mr. Lagarde has agreed and acknowledged that his new position with Thermo Fisher is not a basis for asserting a good reason termination. On May 2, 2018, Mr. Lagarde will be eligible for benefits under Thermo Fisher's Executive Severance Policy and upon the Offer Closing, Mr. Lagarde will be eligible for benefits under Thermo Fisher's standard Executive Change in Control Retention Agreement, which severance and change-in-control benefits will be at least equal to those of similarly situated executives at Thermo Fisher. Generally, under Thermo Fisher's Executive Severance Policy, Mr. Lagarde would be entitled to, among other benefits, severance pay equal to 1.5 times Mr. Lagarde's base annual salary and target bonus at the time if Mr. Lagarde's employment is terminated without cause (as defined in the policy).

Mr. Lagarde's eligibility for benefits under Thermo Fisher's Executive Severance Policy is contingent upon his execution of a noncompetition agreement upon the Offer Closing. Pursuant to the noncompetition agreement, during Mr. Lagarde's employment with Thermo Fisher and for 18 months thereafter, he will be prohibited from competing with Thermo Fisher and soliciting Thermo Fisher's customers, clients and employees. During the period from the Offer Closing until the second anniversary thereof, activities will only be considered competitive for purposes of the noncompetition agreement if they are competitive with the business of Patheon as conducted on the date of the Offer Closing; after the second anniversary of the Offer Closing, activities that are competitive with any business of Thermo Fisher will be considered competitive for purposes of the noncompetition agreement.

The information set forth in Section 12 Purpose of the Offer; Plans for Patheon is amended as follows:

The first sentence of the final paragraph under the heading Plans for Patheon is hereby amended and restated in its entirety to read as follows:

It is possible that, in addition to Michel Lagarde, certain members of Patheon's current management team will enter into new employment arrangements with Patheon, Thermo Fisher or their affiliates after the completion of the Offer and the transactions contemplated by the Purchase Agreement.
