The following documents previously filed by the Registrant with the Securities and Exchange Commission (the Commission) are incorporated by reference into this Registration Statement (other than, in each case, documents or information deemed to have been furnished to, rather than filed with, the Commission, which documents or information are specifically not incorporated by reference herein):

(b) The Registrant's Quarterly Reports on Form 10-Q for the quarterly periods ended March 31, 2018 and June 30, 2018, filed with the Commission on May 3, 2018 and August 2, 2018, respectively.

(c) The Registrant's Current Reports on Form 8-K filed with the Commission on January 16, 2018, February 15, 2018, April 19, 2018, April 26, 2018, May 4, 2018, June 18, 2018, June 28, 2018, July 17, 2018,

Item 4. Description of Securities.

The Deferred Compensation Obligations represent unsecured obligations (the Obligations) of the Registrant to pay deferred compensation from time to time in the future in accordance with the terms of the Plans.

Eligible employees of the Registrant are entitled to defer receipt of base salary and bonus compensation into the Executive Plan, and non-employee members of the Board of Directors of the Registrant (the Board) are entitled to defer receipt of director fees into the Director Plan, in accordance with the terms of the Plans. The Plans are intended to be unfunded plans for purposes of the Employee Retirement Income Security Act of 1974, as amended, and the Obligations are general unsecured obligations of the Registrant, subject to the claims of its general creditors. The amount of compensation to be deferred by each participating eligible employee or Board member (individually, a Participant and collectively, the Participants) is determined in accordance with the applicable Plan based on elections by each Participant.

Under the Plans, amounts credited to a Participant's account are credited based upon deemed investment returns under the investment funds offered under the Plans and selected by the Participant, including Common Stock of the Registrant. The Obligations generally are payable upon the earlier of a Participant's death or Separation from Service (as defined in the Plans), and subject to the requirement that distributions to Participants who are Specified Employees, as defined in the Executive Plan, at the time of their Separation from Service will be delayed until the last day of the month that is six months after such Separation from Service), subject to certain exceptions, including for in-service withdrawals in the event of an Unforeseeable Emergency (as defined in the Plans), certain court-ordered distributions, distributions in the event the Plan fails to meet the requirements of Section 409A of the Internal Revenue Code, and distributions upon termination of the applicable Plan. The Obligations generally are payable in cash in the form of a lump-sum distribution or in installments paid over five-, 10-, 15- or 20-year periods, as elected by the Participant at the time of the initial election to defer compensation, except that account balances reflecting a deemed investment in Common Stock will, unless otherwise determined by Compensation and Human Resources Committee of the Board (the Committee), be distributed in shares of Common Stock. Any fractional shares will be paid in cash.

A Participant may designate one or more beneficiaries to receive any portion of the Obligations payable in the event of death. Participants or beneficiaries may not assign or transfer any right or interest in the Plans in which they are participating, and the payments under each Plan may not be subject to alienation, attachment, execution, levy, pledge or garnishment by or on behalf of creditors of Participants or beneficiaries.

The Plans are administered by the Committee, or its designee. The Registrant may amend or terminate the Plans at any time, pursuant to the terms and conditions set forth therein.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Delaware law provides that directors of a corporation will not be personally liable to the corporation or its stockholders for monetary damages for breach of their fiduciary duties as directors, except for liability:

- for any breach of their duty of loyalty to the corporation or its stockholders;

- for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
- under Section 174 of the Delaware General Corporation Law (the DGCL) relating to unlawful payments of dividends or unlawful stock repurchases or redemptions; or
- for any transaction from which the director derived an improper personal benefit.

The limitation of liability does not apply to liabilities arising under the federal or state securities laws and does not affect the availability of equitable remedies, such as injunctive relief or rescission.

Article Eighth of the Registrant's restated certificate of incorporation, as amended, provides that no director will be personally liable to the Registrant or its stockholders for monetary damages for a breach of fiduciary duty as a director, except for liability: (i) for any breach of the director's duty of loyalty to the Registrant or its stockholders, (ii) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit.

Article VI of the amended and restated bylaws (the Bylaws) of the Registrant provides that officers and directors will be indemnified to the fullest extent permitted by the DGCL, and that the Registrant will pay expenses incurred by directors and officers in defending actions in advance of any final disposition, provided that the officer or director agrees to repay the amounts if it is ultimately determined that he or she is not entitled to be indemnified under the Bylaws or otherwise.

The Registrant maintains a standard policy of directors' and officers' liability insurance.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

For the list of exhibits, see the Exhibit Index to this Registration Statement, which is incorporated herein by reference.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
