Garmin Reports Record Third Quarter 2003. Revises Guidance Upward

CAYMAN ISLANDS, October 29, 2003/PRNewswire/—Garmin Ltd. (Nasdaq: GRMN_news) today announced record revenue for its third fiscal quarter ended September 27, 2003. Revenue for the quarter increased 26 percent to \$135.6 million from \$107.8 million in the year-ago quarter. Net income was \$35.3 million, or \$0.32 diluted earnings per share, compared to \$38.4 million or \$0.36 diluted earnings per share in the year-ago quarter. Third quarter net income included a \$9.0 million foreign currency loss as a result of a weaker U.S. dollar compared to the Taiwan dollar. Excluding the effects of foreign currency, diluted EPS for the quarter was \$0.39 compared to \$0.29 in the year-ago quarter, exceeding management's guidance of \$0.33 to \$0.36.

Demand for our products continues strong, driven by increased demand across all product lines. Consumer awareness of the utility of GPS navigation continues to expand and we have experienced growth in our core markets as a result, said Dr. Min Kao, CEO of Garmin Ltd. The consumer segment recorded a 32 percent growth in revenues during this quarter and 27 percent year to date. Deliveries of the iQue 3600 product and the introduction of the StreetPilot 2610 and 2650 products have been received positively in the market, and we are also pleased to have completed the acquisition of UPS Aviation Technologies in August.

Consumer revenue for the third quarter totaled \$106.0 million—a 32% growth compared to the third quarter of 2002. In addition, aviation revenue totaled \$29.6 million—an 8 percent increase compared to the year-ago quarter. Total units sold for the quarter increased to 517,000 from 378,000 representing an increase of 37 percent.

Revenue increased across all geographic regions during the third quarter of fiscal 2003 when compared to the year-ago quarter:

Edgar Filing: GARMIN LTD - Form 8-K

North America revenue was \$99.0 million compared to \$77.9 million, up 27 percent. Europe revenue was \$28.7 million compared to \$22.8 million, up 26 percent. Asia revenue was \$7.9 million compared to \$7.0 million, up 13 percent.

We are pleased with another quarter of strong financial performance, said Kevin Rauckman, chief financial officer of Garmin Ltd. Our consumer business has now logged its eighth consecutive quarter of year-over-year revenue growth in excess of 20%. Gross margins remained strong at 56.6 percent compared to 54.8 percent in the prior year's third quarter. We also generated \$27.8 million of free cash flow for the quarter, resulting in a cash and marketable securities balance of \$515 million at the end of the September 2003 quarter. We also completed the acquisition of UPS Aviation Technologies, Inc. for \$38 million in cash late in the quarter. Results from the acquisition accounted for \$3 million of revenue and no EPS impact during the quarter.

Revenue for the nine-month period ending September 27, 2003 was \$402.8 million up 22 percent from the \$331.5 million generated in the year-ago period. Net income increased to \$124.0 million or \$1.14 diluted earnings per share, compared to \$97.3 million or \$0.90 diluted earnings per share in the year-ago period. Net income for the nine-month period ended September 27, 2003 included a \$11.1 million foreign currency loss as a result of a weaker U.S. dollar compared to the Taiwan dollar. Excluding the effects of foreign currency, diluted EPS for the period was \$1.22 compared to \$0.90 in the year-ago period, an increase of 36%.

Consumer revenue for the nine-month period totaled \$315.6 million a 27 percent growth compared to the year-ago period. Aviation revenue totaled \$87.2 million a 6 percent increase compared to the same period in fiscal 2002. Total units sold for the period increased to 1,476,000 units from 1,079,000 units in the same period last fiscal year representing an increase of 37 percent.

Revenue increased across all geographic regions during the nine months ending September 27, 2003 when compared with the same period in 2002:

North America revenue was \$284.6 million compared to \$239.3 million, up 19 percent.

Europe revenue was \$99.2 million compared to \$76.0 million, up 31 percent.

Asia revenue was \$19.0 million compared to \$16.1 million, up 18 percent.

Fourth Quarter and Fiscal 2003 Outlook

The company estimates that its diluted EPS for the fourth fiscal quarter of 2003, excluding effects for foreign currency, will be in the range of \$0.43 to \$0.45 on revenues of \$155 million to \$160 million.

The company has revised its fiscal year 2003 guidance upward and now estimates that its diluted EPS for the year, excluding effects of foreign currency, will be in the range of \$1.65 to \$1.67 (earlier guidance was \$1.54 to \$1.60) on revenues of \$558 million to \$563 million (earlier guidance was \$525 million to \$540 million).

The Company also will pay its first dividend as a public company in December at \$0.50 per share, as previously announced.

Earnings Call Information

The information for Garmin Ltd.'s earnings call is as follows:

When: Wednesday, October 29, 2003 at 11:00 a.m. Eastern
Where: <http://www.garmin.com/aboutGarmin/invRelations/irCalendar.html>
How: Simply log on to the web at the address above or call to listen in at 888-757-3036.
Contact: investor.relations@garmin.com

A phone recording will be available for 24 hours following the earnings call and can be accessed by dialing 800-642-1687 utilizing the access code 3177260. An archive of the live webcast will be available until August 30, 2003 on the Garmin website at <http://www.garmin.com>.
