("Brink") and all the shareholders of Brink pursuant to which ParTech has agreed to purchase the equity interest of Brink in a two-step closing. The purchase price for the shares will be \$10 million in cash, which shall be payable over a period of 3 years. In addition there is a contingent purchase price with a maximum payment of \$7 million through 2018, based upon the achievement of certain financial targets. The agreement provides for a portion of the purchase price to be delivered into escrow if one or more claims arise within the first twelve months of the transaction.
