For the quarter ended June 30, 2005, the registrant currently estimates that it had revenues of approximately \$370,000 and a net loss of approximately \$800,000. Results for the quarter ended June 30, 2005 remain subject to further adjustment and actual results may differ significantly from the foregoing estimates. The main reasons for this decrease in revenues can be attributed to a decrease in sales force and the increase in net loss can be attributed to the accounting treatment of the Company's convertible debt.
