Item 8.01 Other Events

On September 11, 2009, the Company issued its promissory note dated as of September 1, 2009 payable to Cheyne Special Situations Fund, LP, the holder of the Company's senior debt, in the principal amount of \$1,401,522. This note supersedes and replaces in its entirety the Company's note dated August 1, 2009 payable to Cheyne in the principal amount of \$1,452,477. The reduced principal amount reflects a payment of principal made by the Company in August. This note, which represents a further amendment to the Company's working capital note, is senior debt and secured by substantially all of the assets of the Company and its subsidiaries. This note reduces the monthly payments from \$125,000 to \$62,500 and extends the maturity date to December 31, 2010.
