Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On September 16, 2011, China Precision Steel, Inc. (the "Company") received notice from the Listing Qualifications Department of the NASDAQ Stock Market, LLC indicating that, for the last 30 consecutive business days, the bid price for the Company's common stock had closed below the minimum \$1.00 per share required for continued inclusion on the NASDAQ Capital Market ("NASDAQ") under NASDAQ Listing Rule 5550(a)(2). The notification letter states that the Company will be provided 180 calendar days, or until March 14, 2012, to regain compliance with the minimum bid price requirement. In order to regain compliance, shares of the Company's common stock must maintain a minimum bid closing price of at least \$1.00 per share for a minimum of ten consecutive business days.

The Company intends to actively monitor the bid price for its common stock between now and March 14, 2012, and will consider all available options, including a reverse stock split, to resolve the deficiency and regain compliance with the NASDAQ minimum bid price requirements.
