This account was generated as a result of past stock issues, when the Company's shares were paid at a premium with respect to their issue price. The capitalization of this account is only for the purpose of increasing clarity in the Company's financial statements, and was subject to shareholder's approval due to the modification in the Company's By-laws (Article 5). This capitalization will not imply a change in the Company's Total Shareholders' Equity.

As a result, the new text of Item 1 of Article 5 of the By-laws reads as follows: "The capital of the Company amounts to Ch\$850,980,475,453, divided into 957,157,085 shares without par value, totally paid and subscribed."
