PROXY STATEMENT

INTRODUCTION

In connection with the solicitation of proxies by the Board of Directors of Howard Bancorp, Inc., a Maryland corporation (“Howard Bancorp” or the “Company”), for use at the Company’s Annual Meeting of Stockholders, to be held at 11:30 a.m. (local time) on Wednesday, May 27, 2015 (the “Meeting”), and at any adjournment or postponement of the Meeting, we are first making this proxy statement, the Notice of Annual Meeting of Stockholders and the form of proxy card available on or about April 14, 2015, to all stockholders of the Company entitled to vote at the Meeting. The Meeting will be held at the following location:

Corporate Offices of

Howard Bancorp, Inc.

6011 University Boulevard

Suite 370

Ellicott City, MD 21043

NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS

Pursuant to rules adopted by the Securities and Exchange Commission, we have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the “Notice”) to our stockholders of record. All stockholders will have the ability to access the proxy materials, including the Company’s Annual Report on Form 10-K for the year ended December 31, 2014, on the website referred to in the Notice or request to receive an e-mailed or printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request an e-mailed or printed copy may be found in the Notice. If you request printed copies, these materials will also include a proxy card for the Meeting that you can use to vote your shares.

We intend to mail the Notice on or about April 14, 2015 to all stockholders of record entitled to vote at the Meeting. We may send record holders a proxy card, along with a second Notice, on or after April 24, 2015.

The cost of this proxy solicitation is being paid by the Company. In addition to the use of the mail, proxies may be solicited personally or by telephone by officers, regular employees or directors of the Company, who will not receive any special compensation for their services. The Company may also engage an outside firm to assist in the solicitation of the proxies. The Company may also reimburse brokers, custodians, nominees and other fiduciaries for their reasonable out-of-pocket and clerical costs for forwarding proxy materials to the beneficial owners of our common stock.

VOTING RIGHTS AND PROXIES

Voting Rights; Quorum; Vote Required to Approve

Only stockholders of record at the close of business on April 2, 2015 (the "Record Date"), will be entitled to notice of and to vote at the Meeting or any adjournment or postponement of the Meeting. On that date, the Company had 4,147,633 shares of common stock, par value \$0.01 per share, outstanding, held by approximately 296 stockholders of record. The common stock is the only class of the Company's stock of which shares are outstanding and entitled to vote at the Meeting. Each share of our common stock is entitled to one vote on all matters submitted to a vote of the stockholders. Stockholders do not have the right to cumulate votes in the election of directors.

The presence, in person or by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast at the Meeting will be necessary to constitute a quorum at the Meeting. Abstentions and broker non-votes (as long as there is one routine matter to be voted on at the meeting, as discussed further below) are counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Meeting.

Assuming a quorum is present, the affirmative vote of a plurality of the shares cast in person or represented by proxy at the Meeting is required to elect the director nominees. In other words, the nominees who receive the greatest number of votes cast, up to the number of nominees up for election, will be elected. Withheld votes and broker non-votes will have no effect on the outcome of the election of directors.

The approval of the issuance and sale of 2,173,913 shares of the Company's common stock in the private placement requires the affirmative vote of holders of a majority of the votes cast at the Meeting. Under the rules of the NASDAQ Stock Market LLC ("NASDAQ"), abstentions count as votes cast and will have the same effect as a vote against this proposal. Broker non-votes will not count as votes cast and will have no effect on the outcome of this proposal.

The affirmative vote of at least a majority of all votes cast at the Meeting is required for the approval of the non-binding resolution to approve the compensation of our named executive officers. Abstentions and broker non-votes are not included in calculating votes cast with respect to this proposal and will have no effect on the outcome of this proposal.

The affirmative vote of at least a majority of all votes cast at the Meeting is required for the ratification of the appointment of Stegman & Company as the Company's independent registered public accounting firm. Abstentions are not included in calculating votes cast with respect to this proposal and will have no effect on the outcome of this

proposal.

If your shares are held in the name of a bank, broker or other similar holder of record (referred to as “in street name”), you will receive instructions from the holder of record that you must follow in order for you to specify how your shares will be voted at the Meeting. In general, brokers who hold shares of record in street name have the authority to vote shares for which their customers do not provide voting instructions on certain limited routine, uncontested items. In the case of non-routine or contested items, the brokerage firm holding street name shares cannot vote the shares if it has not received voting instructions from the beneficial holder of such shares. A broker “non-vote” occurs when a proxy received from a broker but the shares represented by such proxy are not voted on a particular matter because the broker has not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the broker does not have discretionary power to vote the shares.

If your shares of common stock are held of record by a bank or other nominee, whether such nominee can exercise discretionary authority to vote your shares on any matter at the Meeting in the absence of instructions from you will depend on your specific arrangement with your nominee record holder. In the absence of an arrangement with your record holder granting such discretionary authority, your record holder nominee will not have discretionary authority to vote your shares on any matter at the Meeting in the absence of specific voting instructions from you.

Under the applicable rules of the various securities exchanges applicable to their member brokerage firms, the proposal to ratify the appointment of our independent registered public accounting firm is considered a “routine” item upon which brokerage firms may vote in their discretion on behalf of their clients if such clients have not furnished voting instructions. If your broker holder of record signs and returns a proxy card on your behalf, but does not indicate how the common stock should be voted, the common stock represented on the proxy card will be voted FOR ratification of the appointment of Stegman & Company as our independent public accounting firm for 2015. The election of directors, the approval of the issuance and sale of the Company’s common stock in the private placement and the non-binding advisory vote to approve the compensation of our named executive officers are considered “non-routine” items for which brokerage firms may not vote in their discretion on behalf of clients who do not furnish voting instructions and, thus, there may be “broker non-votes” at the Meeting with respect to these proposals. **IF YOU HOLD YOUR SHARES IN STREET NAME THROUGH A BROKER, YOU MUST PROVIDE VOTING INSTRUCTIONS TO YOUR BROKER RECORD HOLDER IN ORDER FOR YOUR SHARES TO BE VOTED WITH REGARD TO THE ELECTION OF DIRECTORS, THE ISSUANCE AND SALE OF THE COMPANY’S COMMON STOCK AND THE NON-BINDING ADVISORY VOTE ON THE COMPANY’S NAMED EXECUTIVE OFFICER COMPENSATION. FURTHER, IF YOUR SHARES ARE HELD IN STREET NAME BY A BANK OR OTHER NOMINEE TO WHOM YOU HAVE NOT GRANTED DISCRETIONARY AUTHORITY TO VOTE YOUR SHARES, YOUR SHARES WILL NOT BE VOTED ON ANY PROPOSAL AT THE MEETING UNLESS YOU PROVIDE VOTING INSTRUCTIONS TO YOUR RECORD HOLDER.**

Proxies

Properly executed proxies received by the Company in time to be voted at the Meeting will be voted as specified by stockholders on the proxy form. In the absence of specific instructions, proxies received will be voted as follows, except that shares held by brokers for which voting instructions were not received by the beneficial owners will only be voted with respect to ratification of the independent registered public accountants:

· FOR the election of the nominees for election as directors.

· FOR the issuance and sale of 2,173,913 shares of the Company’s common stock in the private placement.

· FOR approval of the non-binding advisory vote on the compensation of the Company’s named executive officers.

· FOR ratification of Stegman & Company as the independent registered public accounting firm to audit the Company’s financial statements for 2015.

Management does not know of any matters that will be brought before the Meeting, other than as described in this Proxy Statement. If other matters are properly brought before the Meeting, the persons named in the proxy intend to vote the shares to which the proxies relate in accordance with their best judgment.

WE ANTICIPATE THAT THE COMPANY’S DIRECTORS AND EXECUTIVE OFFICERS WILL VOTE THEIR SHARES OF THE COMPANY’S COMMON STOCK IN FAVOR OF THE NOMINEES FOR ELECTION TO THE BOARD OF DIRECTORS LISTED HEREIN, FOR THE APPROVAL OF THE

ISSUANCE AND SALE OF THE COMPANY'S COMMON STOCK, FOR THE APPROVAL OF THE NON-BINDING ADVISORY VOTE ON THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS, AND FOR RATIFICATION OF THE APPOINTMENT OF STEGMAN & COMPANY.

The inspectors of election appointed for the Meeting will determine the presence of a quorum and will tabulate the votes cast at the Meeting.

As set forth in the Notice, you may authorize a proxy to vote your shares on your behalf and indicate how such shares should be voted by telephone, by Internet, or by mail by requesting a paper copy of the materials. **PLEASE CAST YOUR VOTE PROMPTLY in order to assure that your shares are voted.**

You may revoke your proxy at any time before it is voted at the Meeting:

- o by granting a later proxy with respect to the same shares;
- o by sending written notice to Charles E. Schwabe, Corporate Secretary of the Company, at the Company's address noted above, at any time prior to the proxy being voted; or
- o by voting in person at the Meeting.

Attendance at the Meeting will not, in itself, revoke a proxy. If your shares are held in street name by your bank, broker or other nominee, you will need additional documentation to vote in person at the Meeting. Please see the voting form provided by your bank, broker or other nominee, as record holder of the shares, for additional information regarding the voting of your shares.

ITEM 1. ELECTION OF DIRECTORS

Our Bylaws provide that the number of directors may be increased or decreased by the Board of Directors. The number of directors is currently fixed at 14 with no vacancies. Effective upon the expiration of the terms of the current Class I directors at the Meeting, the Board of Directors has determined that the number of directors will be reduced to twelve, including four Class I directors. The directors of the Company are divided into three classes - Class I, Class II and Class III - each class consisting of an equal number of directors, or as nearly equal as possible. One class of directors is elected at each annual meeting to hold office for a term of three years and until their successors have been duly elected and qualify. During his or her term, a director may only be removed by the affirmative vote of at least 80% of the votes entitled to be cast on the matter and only for cause. The Board believes that the staggered terms of the Board of Directors help to assure the continuity and stability of the Company's business strategies and policies. Each director of the Company also serves as a director of Howard Bank.

The Board of Directors has determined that all of our directors, with the exception of Ms. Scully, are independent directors as determined under the definition of independence set forth in the rules and listing standards of NASDAQ. In making this determination, the Board of Directors considered the transactions and relationships disclosed under "Certain Relationships and Related Transactions" below.

The Board of Directors has nominated the following persons for election as director, all of whom currently serve as directors:

| Class | Nominees | To Serve Until Annual Meeting in |
|-------|--|----------------------------------|
| I | Messrs. Clark, Keenan, Lundeen, and Morgan | 2018 |
| III | Ms. McGraw | 2017 |

Each director elected at the Meeting will be elected to serve for the period from his or her election until the identified annual meeting of stockholders and until his or her successor is elected and qualifies.

Each of the nominees for election as a director currently serves as a member of the Board of Directors. Unless authority is withheld and except with respect to shares held in street name by brokers for which voting instructions were not received from the beneficial owners, all proxies received in response to this solicitation will be voted for the election of the nominees listed above. Each nominee has indicated a willingness to serve if elected. However, if any nominee becomes unable to serve prior to the Meeting, a substitute or substitutes will be nominated by the Board of Directors, and those proxies voted for the original nominee or nominees will be voted for such substitute(s).

Nominees receiving a plurality of the votes cast at the Meeting in the election of directors will be elected as director, in the order of the number of votes received. Directors and executive officers of the Company as a group have the power to vote or direct the voting of 913,856 shares of our common stock, or approximately 22% of the shares of common stock outstanding on the Record Date, and have indicated their intention to vote **“FOR”** the election of all of the nominees for election as director.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” EACH OF THE NOMINEES TO THE COMPANY’S BOARD OF DIRECTORS.

Set forth below is certain information as of April 2, 2015 concerning the nominees for election as director of the Company and each current director whose term will continue after the Meeting. Except as otherwise indicated, the occupation listed has been such person's principal occupation for at least the last five years.

COMMITTEES AND MEETINGS OF THE BOARD OF DIRECTORS; CORPORATE GOVERNANCE

The Board of Directors of the Company met nine times during 2014. All members of the Board of Directors attended at least 75% of the meetings held by the Board of Directors and by all committees on which such member served during 2014. There currently are four standing committees of our Board of Directors:

Audit Committee
Executive Committee
Governance and Nominating Committee
Compensation Committee

Corporate Governance

The Board of Directors is committed to fulfill its responsibilities to stockholders and other Company stakeholders consistent with sound corporate governance policies adopted by the Board on behalf of the Company that incorporate the best contemporary standards and practices. Among other policies, we have adopted a code of conduct that applies to our employees, including our Chief Executive Officer and our Chief Financial Officer, and a separate code of conduct that applies to our non-employee directors. These policies provide our directors, senior management and all our employees with a framework that defines responsibilities, sets high standards of professional and personal conduct, and promotes compliance with the various financial, ethical, legal and other obligations and responsibilities applicable to the Company.

The Company's codes of conduct and other corporate governance policies can be viewed at Howard Bank's website www.howardbank.com under Investor Relations – Corporate Governance – Governance Documents.

Board Leadership Structure; Lead Independent Director

Currently, our President and Chief Executive Officer also serves as the Chairman of the Board. The Company believes this leadership structure is most appropriate for us because we believe having the CEO serve as Chairman fosters an alignment of various company leadership duties and having the person most familiar with all aspects of the Company's day to day operations lead the Board enhances accountability and effectiveness.

In addition to the Chairman of the Board, which is the only Board position filled by a member of management, the Board of Directors has established the position of Lead Independent Director. Mr. Latta currently serves as the Lead Independent Director.

The Lead Independent Director provides leadership to and reports to the Board focused on enhancing effective corporate governance, provides a source of Board leadership complementary to, collaborative with and independent of the leadership of the Board Chair/CEO, and promotes best practices and high standards of corporate governance.

The Lead Independent Director serves as a member of the Executive Committee, the Governance and Nominating Committee and any other committee of the Board to which he is appointed.

Board's Role in Risk Oversight

The Board of Directors has an active role in overseeing and monitoring our risk management processes. The board appointed a Chief Risk Officer last year responsible for the strategic management of all enterprise risk- credit, compliance, operational, cyber and physical security. The Board of Directors regularly reviews information regarding the Company's asset quality, securities portfolio, capital, liquidity, compensation, financial reporting, strategic plan, products, security and operations. The Board of Directors oversees the risk management process through correlated committee processes and through Board management of, and/or participation in, these committees. The Compensation Committee is responsible for overseeing the management of risks related to our executive and non-executive compensation plans. The Audit Committee has responsibility for oversight of financial reporting, information technology, security and regulatory risks. The Governance and Nominating Committee manages risk associated with the Board of Directors, including independence and competence of the directors. The Executive Committee is responsible for oversight of the management of risks associated with our policies and procedures related to financial management, interest rate sensitivity, liquidity, investment, and capital, and is also responsible for management of risk associated with loans and reviews loans as set forth in the Bank's loan policies.

We also have an outsourced internal audit provider that reports to the Audit Committee. On an annual basis, or more frequently if required, the Audit Committee approves a schedule of internal reviews and audits for this firm to complete. This firm reports the findings from these reviews and audits to the Audit Committee on at least a quarterly basis. The Chair of the Audit Committee makes a full report of each finding to the full Board of Directors.

The Board of Directors does not believe that the administration of its risk oversight function has had any effect on its leadership structure as described above.

Committees of the Board of Directors

Audit Committee

The Board of Directors of the Company has established a standing Audit Committee in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. The Audit Committee is responsible for the selection, review and oversight of the Company's independent registered public accounting firm; the approval of all audit, review and attest services provided by the independent public accounting firm; the integrity of the Company's reporting practices; and evaluation of the Company's internal controls and accounting procedures. It also periodically reviews audit reports with the Company's independent public accounting firm. The Audit Committee is responsible for the selection, review and oversight of the Company's outsourced internal audit company. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which can be viewed at Howard Bank's website www.howardbank.com under Investor Relations – Corporate Governance – Governance Documents. The Audit Committee is currently comprised of Mr. Basir, the Chair, and Messrs. Clark, Hartson, Keenan, Latta, and Morgan. Each member of the Audit Committee is independent, as determined under the definition of independence set forth in the rules and listing standards of NASDAQ. During 2014 the Audit Committee met six times. The Board of Directors has determined that Mr. Keenan is an "audit committee financial expert" as that term is defined by the rules and regulations of the Securities and Exchange Commission.

The Audit Committee is also responsible for the pre-approval of all non-audit services provided by the Company's independent registered public accounting firm. Non-audit services are only provided by the Company's auditors to the extent permitted by law. Pre-approval is required unless a "de minimis" exception is met. To qualify for the "de minimis" exception: the aggregate amount of all such non-audit services provided to the Company must constitute not more than five percent of the total amount of revenues paid by the Company to its independent public accounting firm during the fiscal year in which the non-audit services are provided; such services were not recognized by the Company at the time of the engagement to be non-audit services; and the non-audit services are promptly brought to the attention of the Committee and approved prior to the completion of the audit by the Committee or by one or more members of the Committee to whom authority to grant such approval has been delegated by the Committee.

Governance and Nominating Committee

The Governance and Nominating Committee is responsible for: assisting, advising and making recommendations to the Board of Directors on corporate governance matters, including the identification, selection, and recommendation of qualified individuals to become Board members; selecting and recommending that the Board approve the director nominees for the annual meeting of stockholders; developing and recommending to the Board a set of corporate governance guidelines; developing and recommending a Board committee structure and recommending the membership and chairs of committees; overseeing the evaluations of the Board; and overseeing the succession planning for the Chief Executive Officer. The charter for the Governance and Nominating Committee can be viewed at Howard Bank's website www.howardbank.com under Investor Relations – Corporate Governance – Governance Documents.

The Governance and Nominating Committee identifies nominees for the Board of Directors by first evaluating the current Board members willing to continue serving as directors. Current Board members with skills and experience that are relevant to our business and who are willing to continue their service are first considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining new skills, backgrounds and perspective, in light of our developing needs. If a vacancy exists, the Committee solicits suggestions for director candidates from a number of sources, which can include other Board members, management, and individuals personally known to members of the Board.

Pursuant to our guidelines for selecting potential new board members, in selecting and evaluating persons to recommend to the Board as nominees for director, the Governance and Nominating Committee strives to select persons who have high integrity and relevant experience and who bring a diverse set of appropriate skills and backgrounds to the Board. In this regard, the Governance and Nominating Committee also gives consideration to matching the geographic base of candidates with the geographic coverage of the Company, and to diversity on the Board that reflects the community that we serve. The Governance and Nominating Committee will also take into account whether a candidate satisfies the criteria for “independence” under NASDAQ’s listing standards. These factors are subject to change from time to time.

The Governance and Nominating Committee also evaluates candidates for nomination to the Board of Directors who are recommended by stockholders. Stockholders who wish to recommend individuals for consideration by the Governance and Nominating Committee to become nominees for election to the Board may do so by submitting a written recommendation to the Company’s Secretary at its executive offices. Submissions must include: (i) all information relating to such person that would indicate such person’s qualification to serve on the Board of Directors, including that information set forth in Article I, Section 1.10 of our Bylaws; (ii) such other information relating to such person that is required to be disclosed in connection with solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934; (iii) an indication of whether such individual can read and understand basic financial statements; and (iv) Board committee memberships for the Governance and Nominating Committee to consider. A written consent of the individual to stand for election if nominated and to serve if elected by the stockholders must accompany the submission. The Governance and Nominating Committee will consider recommendations received by a date not later than 120 days before the anniversary date of the mailing of the Company’s proxy materials in connection with the prior year’s annual meeting of stockholders for nomination at the next annual meeting. The Governance and Nominating Committee will consider nominations received beyond that date at the annual meeting subsequent to the next annual meeting.

There is no difference in the manner in which the Governance and Nominating Committee evaluates candidates for membership on the Board based on whether such candidate is recommended by a stockholder, the Governance and Nominating Committee, a director or by any other source. No submission for Board nominees by a stockholder was received by the Company with respect to the Meeting.

The Governance and Nominating Committee is currently comprised of Ms. Staton, the Chair, Ms. Lawson, and Messrs. Latta and Lundeen. Each member of the Committee is independent, as determined under the definition of

independence set forth in NASDAQ's rules and listing standards. During 2014 the Governance and Nominating Committee met seven times.

Compensation Committee

The Compensation Committee assists, advises and makes recommendations to the Board of Directors on executive and director compensation matters, including evaluating and recommending to the Board compensation and benefit plans for executives and directors of the Company, as well as evaluating the performance of the Company's executives. The Compensation Committee also has been delegated responsibility for making certain compensation decisions relating to the Company's executives and under the Company's equity compensation plans. The Compensation Committee solicits the recommendation of our Chairman, President and Chief Executive Officer with respect to compensation determinations concerning the other executive officers of the Company, but does not delegate its authority with respect to compensation matters to any other person.

The Compensation Committee also may request others, including compensation consultants and legal counsel, to attend meetings or to provide relevant information to assist the committee in its work. In this connection, the Compensation Committee has the authority to retain compensation and benefits consultants and legal counsel used to assist the committee in fulfilling its responsibilities. The Compensation Committee retained a compensation consultant during the year ended December 31, 2014.

The Compensation Committee has engaged the ChaseCompGroup as its independent outside consultant. Beginning in the fourth quarter of 2015, the ChaseCompGroup gave input to the Compensation Committee on a number of matters, including review of the overall compensation of our CEO and executive officers in comparison to peer companies, review of the compensation of our directors in relation to peer companies and assistance with respect to the consideration and adoption of a Supplemental Executive Retirement Plan. ChaseCompGroup has no relationship with the Company other than as the Committee's consultant. The aggregate costs of the services provided by the ChaseCompGroup were less than \$120,000.00, and the Committee does not believe that their engagement raises any independence issues.

The charter for the Committee can be viewed at Howard Bank's website www.howardbank.com under Investor Relations – Corporate Governance – Governance Documents.

The Compensation Committee is currently comprised of Mr. Clark, the Chair, and Messrs. Arnold, Latta, Pettingill and Smith. Each member of the Committee is independent, as determined under the definition of independence set forth NASDAQ's rules and listing standards. During 2014 the Compensation Committee met nine times.

Director Fees. For the first three quarters of 2014, directors of the Company were compensated as follows: Each of our non-employee directors was compensated at the rate of \$500 for each meeting of our Board of Directors attended. In addition, each non-employee director was compensated for each committee meeting attended. The Chairperson of the committee was compensated at the rate of \$350 per meeting attended and committee members were compensated at the rate of \$250 per committee meeting attended. Director compensation was generally paid quarterly. Each non-employee director was permitted to make an annual election to have his or her director compensation paid in the form of cash, stock, or a mix of cash and stock. When non-employee directors elected to have their compensation paid in the form of shares of stock, the number of shares of stock awarded was equal to the total compensation earned, divided by the fair market value of our shares of common stock as of the date of award (i.e., the last business day of the calendar quarter for which the compensation was payable). The boards of directors and committees of both the Company and the Bank generally meet concurrently, and compensation was determined on the basis of such concurrent meetings being considered as one board or committee meeting. The Lead Independent Director was also awarded per quarter, as a retainer, an additional 250 shares of our common stock.

Effective October 1, 2014, non-employee directors of the Company are compensated for their services as directors as follows: Each receives a retainer of \$16,500 per year consisting of a cash payment of \$10,000 plus shares of Company common stock having a value of \$6,500. No fees are paid for attendance at Board meetings. Each non-employee director is also compensated at the rate of \$300 for attending each meeting of a Company or a Howard Bank Board committee of which the director is a member. Combined meetings of Company and Bank committees are treated as a single meeting for compensation purposes. Attendance may be in person or by telephone or video conference for compensation purposes. In addition, each non-employee director who holds any of the following Board leadership positions receives a cash retainer in the amount per annum indicated:

| | |
|---|--------------------------------------|
| · | Lead Independent Director - \$12,500 |
| · | Audit Committee Chair - \$5,000 |
| · | All Other Committee Chairs - \$3,500 |

Non-employee director compensation is calculated and paid quarterly. Although retainers are stated in amounts per annum, a retainer is payable only for such quarters for which a director holds the position for which the retainer is payable. All director compensation earned during a calendar quarter to be paid in the form of Company common stock is deemed awarded as of the close of business on the last business day of such calendar quarter (the "Award Date"). The stock is awarded under our 2013 Equity Incentive Plan and is fully vested and unrestricted (except for any restriction on transferability required by applicable securities laws and regulations). The number of shares to be awarded to each non-employee director for a calendar quarter is calculated by dividing (i) the total amount of the compensation earned by the director during the calendar quarter and to be paid by the award of stock by (ii) the closing price per share of the Company's common stock on the Award Date.

In 2014, non-employee directors earned cash payments of \$129,650, and awards of 6,024 shares of common stock as compensation for their service as directors, including attending board of director and committee meetings, as disclosed in the above table. The directors receive no other compensation for their services.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Howard Bank and the Company may engage in transactions in the ordinary course of business with some of its directors, executive officers, holders of five percent or more of any class of our securities and entities and individuals affiliated with those persons. In addition, Howard Bank has had in the past, and may have in the future, banking transactions, including making loans to and loan guarantees on behalf of, with directors, executive officers, holders of five percent or more of any class of our securities and the business and professional organizations in which they are associated in the ordinary course of business. All such transactions will be made on terms that are no less favorable to us than those that could be obtained at the time from unaffiliated third parties and otherwise in accordance with applicable law. Further, any loans, loan commitments and loan guarantees are and will be made in accordance with all applicable laws and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans to unrelated persons. In addition, a majority of our independent directors must approve all material affiliated transactions and loans that are in excess of \$500,000, including any forgiveness of loans, with our directors, executive officers, holders of five percent or more of any class of our securities, and entities and individuals affiliated with such persons.

In the opinion of management, these transactions do not and will not involve more than the normal risk of collectability or present other unfavorable features. Directors or officers with any personal interest in any loan application are excluded from considering any such loan application. The aggregate amount of loans outstanding to Howard Bank's directors, executive officers and their affiliates at December 31, 2014 was approximately \$10.9 million.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The federal securities laws require that our directors and executive officers and persons holding more than ten percent of our outstanding shares of common stock report their ownership and changes in such ownership on Forms 3, 4 and 5 to the Securities and Exchange Commission and to us. Securities and Exchange Commission rules require disclosure in the Company's proxy statement or Annual Report on Form 10-K of the failure of an officer, director or ten percent beneficial owner to file a Form 3, 4 or 5 on a timely basis. Relying on representations of its directors and executive officers subject to Section 16 and copies of reports filed with the SEC, we believe that, except as set forth below, no director or executive officer of the Company failed to timely file such ownership reports during the year ended December 31, 2014. We are not aware of any stockholders that own 10% of our common stock. The following Forms 3, 4 or 5 were filed late during 2014 or with respect to transactions during 2014 (all such forms have since been filed):

A Form 5 required to be filed by Nasser Basir in February 2015 to report a transfer of shares of common stock by gift during 2014.

A Form 4 required to be filed by each of Mary Ann Scully, Paul G. Brown, Charles E. Schwabe and George C. Coffman to report the forfeiture of restricted stock scheduled to vest on April 4, 2014 based on failure to meet 2013 performance goals.

ITEM 2. APPROVAL OF THE ISSUANCE OF 2,173,913 SHARES OF THE COMPANY'S COMMON STOCK AT A PRICE OF \$11.50 PER SHARE IN ACCORDANCE WITH INVESTMENT AGREEMENTS BETWEEN THE COMPANY AND THE INVESTORS NAMED THEREIN, DATED AS OF MARCH 2, 2015

Terms of the Transaction

On March 2, 2015, the Company entered into Investment Agreements (the "Investment Agreements") with certain institutional accredited investors (each an "Investor" and collectively the "Investors") pursuant to which, subject to stockholder approval and other closing conditions as set forth therein, the Company agreed to sell, and the Investors agreed to purchase, an aggregate of 2,173,913 shares of the Company's common stock (the "Shares") for a purchase price of \$11.50 per share or an aggregate of \$24,999,999.50 (the "Private Placement"). Such Shares represent more than 20% of the Company's issued and outstanding shares of common stock and are to be sold at a price that is less than the greater of book or market value of the common stock.

The \$11.50 offering price represents a 16.4% discount to the closing market price of the common stock on the NASDAQ Capital Market on March 2, 2015 and a 9.4% discount to the 20-day rolling average closing price on such date. The common stock was trading at prices ranging from \$10.84 to \$14.90 during the period that the offering price was being discussed with the Investors (January 20 through February 23, 2015). In determining the offering price in the Private Placement, the Board considered primarily historical and current trading prices for our common stock, our prospects for future earnings, the need to offer the common stock at a price that would be attractive to investors relative to the then current trading and historical trading prices for our common stock, the Board's belief as to the likely demand for shares of our common stock and the offering price at which the Company could raise the capital it was seeking, our financial performance to date, conditions in the stock market and the financial services industry in general, financial indicators and operating ratios of the Company compared to peer group companies, and other factors they considered appropriate, as well as the advice of the Company's financial advisor.

Pursuant to the Investment Agreements, the Company agreed to, as promptly as practicable, take all steps necessary to hold a meeting of its stockholders for the purpose of considering the approval of the issuance and sale of the Shares in the Private Placement as required by NASDAQ Listing Rule 5635(d), as discussed below.

On the same date that the Company entered into the Investment Agreements, the Company entered into an Agreement and Plan of Merger (the "Merger Agreement") with Patapsco Bancorp, Inc., a Maryland Corporation and the parent company of The Patapsco Bank, pursuant to which Patapsco Bancorp will merge with and into the Company, with the Company as the surviving entity in the merger (the "Merger"). The Merger Agreement also provides that The Patapsco Bank will merge with and into Howard Bank, with Howard Bank being the surviving bank, pursuant to a separate Agreement and Plan of Merger entered into between the Bank and The Patapsco Bank. In the Merger, the Company will issue to the stockholders of Patapsco Bancorp a mix of cash and common stock with an aggregate value of \$10,053,000. For more information about the Merger Agreement and the Merger, please see the Company's Current

Report on Form 8-K filed with the Securities and Exchange Commission (the "SEC") on March 3, 2015.

The Company intends to use the net proceeds of the Private Placement to support the proposed Merger (assuming it is consummated) and for additional working capital, including increasing Howard Bank's loans and investments, and other general corporate purposes, including other potential acquisitions. The Company will not be using the net proceeds of the Private Placement to finance the Merger, as the Company has adequate funds to consummate the cash portion of the Merger consideration without the proceeds of the Private Placement. Following discussions with its regulators, the Company deemed it prudent that it have at least \$10 million of additional capital before consummating the Merger, and the Private Placement will more than satisfy this requirement and also support additional growth of the Company. The Merger is subject to various closing conditions, including regulatory approvals and approval by Patapsco Bancorp's stockholders and our stockholders, and there can be no certainty that the Merger will be consummated. Closing of the Private Placement is not conditioned upon the closing of Merger and, if approved by the Company's stockholders, we expect the Private Placement to close before the Merger and before it is known whether the closing conditions to the Merger have been fulfilled.

At a later date the Company will file a registration statement on Form S-4 to register the issuance of the shares of common stock the Company will issue to the stockholders of Patapsco Bancorp in the Merger, and thereafter the Company will hold a special meeting of its stockholders to consider and vote on the issuance of the common stock in the Merger. We will not consummate the merger unless the Company's stockholders approve the issuance of the common stock in the Merger, and the other conditions to closing are satisfied or, except with respect to stockholder and regulatory approvals, waived. The Company is not soliciting proxies for approval of the issuance of the shares of common stock in the Merger at this time. Please see "Important Information Regarding the Proposed Merger."

Pursuant to the Investment Agreements, the Company also agreed to file, within 30 days of the closing of the Private Placement, which we expect to take place, if approved by the Company's stockholders, within a few days of the Meeting, a registration statement with the SEC with respect to resale of the Shares by the Investors and to use all diligent efforts to cause such registration statement to become effective by the earlier of (i) 120 days after the filing of the registration statement and (ii) within five business days after notice from the SEC that such registration statement may be declared effective.

The following table sets forth the name of each Investor and the number of Shares the Company will issue to each Investor at the closing of the Private Placement pursuant to the Investment Agreements assuming the requisite approval by Company stockholders:

Important Information Regarding the Proposed Merger

This proxy statement does not constitute an offer to sell or the solicitation of an offer to buy any securities or a solicitation of any vote or approval in connection with the proposed Merger. In connection with the Merger, the Company will file with the SEC a registration statement on Form S-4 (the "Form S-4") to register the offer and sale of the shares of common stock to be issued to Patapsco Bancorp's stockholders. The registration statement will include a proxy statement of Patapsco Bancorp that also will constitute a proxy statement and a prospectus of the Company. A definitive proxy statement and prospectus will be mailed to stockholders of Patapsco Bancorp and the Company seeking their approval of the Merger and the shares of common stock to be issued in the Merger, respectively. The Company and Patapsco Bancorp may also file other relevant documents with SEC regarding the proposed transaction. **We urge investors and security holders of the Company to read the proxy statement/prospectus included in the Form S-4 and other documents that may be filed with the SEC when they become available because they will contain important information about the Merger.** These documents are not currently available. Investors and security holders will be able to obtain these documents (when available) free of charge at the SEC's website, www.sec.gov. Copies of the documents filed by the Company with the SEC will be available free of charge on the Howard Bank website www.howardbank.com under the tab "Investor Relations" and then under the heading "SEC Documents" or by contacting George C. Coffman, our Investor Relations Contact. You may also read and copy any reports, statements and other information filed with the SEC at the SEC's Public Reference Room at 100 F Street, NE, Washington DC. Information about the operation of the SEC Public Reference Room may be obtained by calling the SEC at 1-800-SEC-0330. The information on the Company's website is not, and shall not be deemed to be, a part of this proxy statement or incorporated into other filings the Company makes with the SEC.

Why the Company Needs Stockholder Approval of the Private Placement

The Company's common stock is listed on the NASDAQ Capital Market. NASDAQ Listing Rule 5635 requires stockholder approval of a transaction other than a public offering involving the sale, issuance or potential issuance by an issuer of common stock (or securities convertible into or exercisable for common stock) at a price that is less than the greater of book or market value of the stock if the number of shares of common stock to be issued is or may be equal to 20% or more of the common stock, or 20% or more of the voting power, outstanding before the issuance. The number of Shares that will be issued in the Private Placement constitutes more than 20% of the number of shares of our common stock outstanding on the date hereof and will be more than 20% of the number of shares of our common stock outstanding on the date of the closing of the Private Placement. In addition, as discussed above, the \$11.50 offering price in the Private Placement is less than the closing price of the common stock on the NASDAQ Capital Market on the date we entered into the Investment Agreements.

Effect of Proposal on Current Stockholders: Pre-emptive Rights

The issuance of the Shares in the Private Placement will result in the Company's current stockholders possessing a smaller percentage interest in the voting power and liquidation value of the Company. Subsequent to the Private Placement, however, no Investor will own or control more than 9.9% of the outstanding shares of common stock. The Private Placement will not result in a change in control of the Company.

In general holders of the Company's common stock have no preemptive rights to purchase additional shares of common stock. Two stockholders who purchased Company common stock in a prior private placement of Company common stock are currently entitled to preemptive rights that allow them to maintain their percentage ownership in any subsequent offerings of common stock or securities convertible into our common stock; such rights expire on July 20, 2015. These stockholders waived their preemption rights with respect to the Private Placement.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" APPROVAL OF THE ISSUANCE AND SALE OF 2,173,913 SHARES OF THE COMPANY'S COMMON STOCK AT A PRICE OF \$11.50 PER SHARE IN ACCORDANCE WITH INVESTMENT AGREEMENTS BETWEEN THE COMPANY AND THE INVESTORS NAMED THEREIN, DATED AS OF MARCH 2, 2015.

ITEM 3. NON-BINDING ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Compensation of the executive officers of the Company is determined by the Board of Directors based upon recommendations of and through its Compensation Committee (the “Compensation Committee”). The Compensation Committee is comprised of independent non-employee directors, and its role and composition are further described in this Proxy Statement under *Compensation Committee*. The Compensation Committee Overview contained in this Proxy Statement describes the Company’s executive compensation philosophy, including core principles and objectives, and how it has been implemented. The compensation paid by the Company to its named executive officers is described in this Proxy Statement under *Executive Compensation*.

Pursuant to Section 14A of the Securities Exchange Act of 1934, we are providing our stockholders with the opportunity to express their views, on a non-binding, advisory basis, on the compensation of our named executive officers as disclosed in this proxy statement. We first held this vote, which is often referred to as the “say-on-pay” vote, at our annual meeting of stockholders held in 2013. At such meeting, consistent with the Board of Directors’ recommendation, our stockholders voted to hold the say-on-pay vote on an annual basis; therefore our Board of Directors determined that the Company will hold future non-binding advisory votes on the compensation of our named executive officers every year, until the next required vote on the frequency of stockholder votes on the compensation of our named executive officers, which will be in 2019. This vote provides stockholders with the opportunity to endorse or not endorse the compensation of our named executive officers by voting on the following non-binding, advisory resolution:

RESOLVED, that the stockholders of Howard Bancorp, Inc. (the “Company”) approve, on an advisory basis, the compensation of the Company’s named executive officers as disclosed in the compensation tables and related material in the Proxy Statement for the 2015 annual meeting of stockholders.

Approval of the non-binding, advisory proposal regarding the compensation of our named executive officers requires the affirmative vote of a majority of the votes cast on the matter at the Meeting. Directors and executive officers of the Company as a group have the power to vote or direct the voting of 913,856 shares of our common stock, or approximately 22% of the shares of common stock outstanding on the Record Date, and have indicated their intention to vote “**FOR**” the approval of the non-binding, advisory proposal to approve the compensation of our named executive officers.

Because the vote is advisory, it will not be binding upon the Board of Directors or the Compensation Committee and may not be construed as overruling a decision by the Board or the Compensation Committee, or create or imply any additional fiduciary duty on the Board. It will also not affect any compensation paid or awarded to any executive. The Board of Directors and its Compensation Committee may, however, take into account the outcome of the vote when considering future executive compensation arrangements.

The Board of Directors believes that the Company's executive compensation program is reasonable in comparison both to similar sized companies in the industry and to the Company's performance, and that it strongly aligns the interests of the Company's executive officers with the interests of the Company's stockholders in the creation of long-term value of the Company as well as the components that drive long-term value.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" APPROVAL OF THE NON-BINDING ADVISORY RESOLUTION TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DESCRIBED IN THIS PROXY STATEMENT.

EXECUTIVE COMPENSATION

Compensation Overview

The Compensation Committee's responsibilities with regard to compensation are to: develop and implement an annual process for evaluating the performance of the Chief Executive Officer; make recommendations to the Board concerning the compensation of the Chief Executive Officer; in consultation with the Chief Executive Officer, determine the compensation of the other executive officers; make recommendations to the Board concerning compensation to directors; advise the Board and the Chief Executive Officer on other compensation and benefit matters; and administer various Company incentive plans.

The Company's executive compensation philosophy embraces the following core principles and objectives:

- Attract and retain top talent who demonstrate success and professional growth and who model the Company's values of excellence, leadership, discipline, teamwork and community spirit.
- Reward desired performance and behavior in order to drive and enhance Company performance and achievement of its short-term and long-term goals.
 - Increase commitment through vesting of equity-based compensation awards over time.
- Maintain compensation competitiveness within the marketplace from which the Company accesses the desired level of talent.
- Include a strategic emphasis on performance-based compensation, utilizing a mix of short-term and long-term incentive compensation that rewards specific performance, achievements and outcomes and aligns individual rewards with Company performance and enhancement of stockholder value.
- Structure compensation plans so as not to encourage employees to take unnecessary or excessive risks that threaten the value of the Company and so as not to encourage the manipulation of earnings to enhance the compensation of any employee.

Under the Company's compensation policies established by the Compensation Committee, changes in base compensation are made, and cash and equity-based incentive compensation is awarded, based both on the individual executive officer's performance and on the performance of the entire Company. In assessing performance for purposes of compensation decisions, the Compensation Committee considers a number of factors, including achievements against individual and Company goals identified and approved at the beginning of each year. The Company also considers the total compensation and the mix of compensation paid by financial services companies with characteristics similar to those of the Company to officers with comparable responsibilities and experience.

In assessing performance for the purposes of establishing compensation, the Committee does not exclusively rely on a mechanical formula, but instead weighs the performance against goals and other factors described above as considered

appropriate in the circumstances.

The key components of our 2014 executive compensation program for all named executive officers consist of a base salary, a performance-based cash incentive plan (the “STI” Short Term Incentive Plan), an equity based compensation plan (the “LTI” Long term incentive/restricted stock award plan), and a nonqualified supplemental executive retirement benefit program for Ms. Scully.

As previously described in the summary of the Compensation Committee beginning on page 15, the Compensation Committee has engaged ChaseCompGroup as its independent outside consultant. ChaseCompGroup gave input to the Compensation Committee on a number of matters, including review of the overall compensation of our CEO and executive officers in comparison to peer companies and assistance with respect to the consideration and adoption of a Supplemental Executive Retirement Plan.

Base Salary

The Compensation Committee believes that base salaries for the Company's executive officers should be targeted at market competitive levels using a peer group of banks of similar size. Base salaries are reviewed annually and adjusted to the extent deemed appropriate based on our review of market data and assessment of Company and individual executive performance. In 2014, our named executive officers received no base salary increases over 2013 base salary levels. Base salary increases for 2015 are described in the summary information for each executive's employment agreement.

Short Term Incentive

The Compensation Committee established an annual cash incentive compensation program for 2014 based upon the achievement of specified Company-wide results as well as individual goals of the named executive officers. Thresholds for annual cash incentives were set at 90%, 100% and 115% of certain financial metrics and individual goals, with our CEO having target cash bonus awards ranging from 18.75% to 62.5% of base salary and the other named executive officers having target awards ranging from 15% to 50% of base salary. While the Company achieved many of its objectives in 2014, certain of the specific Company-wide targets were not met in 2014 if the one-time gains associated with the purchase of certain assets and assumption of certain liabilities from NBR Financial Bank are disregarded. As a result, the Compensation Committee concluded the named executive officers were not eligible for a formulaic cash bonus under the terms of the STI program. However, the Compensation Committee recommended and the Board approved discretionary bonuses as indicated in the Summary Compensation Table based upon both the organic and the acquired growth in the loan, assets and deposits of the Company, the achievement of significant growth and year-end profitability of the mortgage company, the substantial increase in Company tangible book value, and progress on other strategic initiatives. Each of those discretionary bonuses was below the amount that would have been awarded under the formula at the 100% threshold level.

Long Term Incentive

The Compensation Committee believes stock-based incentive compensation is an important tool to further align the interests of our executive officers with the long-term interests of our stockholders and uses the LTI for that purpose. In April 2013 the Compensation Committee granted restricted stock awards to our executive officers in an aggregate amount of 50,000 shares, half of which were tied to a combination of performance and time vesting over three years and half of which were tied only to three-year time vesting. In 2014 the Committee determined that the first year performance targets were not met with respect to this award and one-third of the performance-related share grants were not issued to the executives. In April 2014 the Committee granted restricted stock awards to our executive officers in the aggregate amount of 42,000 shares, 25,000 of which were tied to a combination of performance and time vesting over a period of three years and 17,000 of which were tied to three-year time vesting. In 2014 the Compensation Committee concluded that the performance targets for the performance awards granted in 2013 and 2014 eligible for vesting in 2015 were achieved and earned by the executives. The Compensation Committee has direct oversight and administrative responsibility for the Company's equity compensation plans and reports all awards to the Board of Directors.

The foregoing description regarding the cash incentive compensation program and restricted stock awards for 2013 does not apply to Mr. Altieri, who joined the Company in April 2013 and whose base salary, bonus and stock awards for 2013 were determined by the terms of his employment agreement. Mr. Altieri did participate in the restricted stock award program for 2014.

Given the structure of and amounts payable under the above-described plans, the Committee has concluded that these plans do not serve as an inducement for any executive officer or other employee to engage in any inappropriate risk-taking activity that would threaten the value of the Company. Further, the Company believes it has appropriate controls in place to mitigate and reduce the risk of inappropriate risk-taking activity.

Supplemental Executive Retirement Program

The Committee engaged several external resources with specific expertise to assist in the development of a compensation program enhancement to help us retain the services of our executives who we believe to be instrumental in the success of the Company. These resources included ChaseCompGroup, the Company's independent compensation consulting firm, and Banc Consulting Partners, an entity that specializes in the design of executive benefit plans, including Supplemental Executive Retirement Programs. Compensation practices and programs at peer banks were reviewed and compared to those of the Bank incorporating the perspectives of these external professionals.

As a result of this review, the Company adopted a Supplemental Executive Retirement Plan (the "SERP" effective December 1, 2104 (the "Effective Date"). Eligibility to participate in the SERP is limited to highly compensated employees as determined by the Board of Directors. As of the Effective Date, eligibility to participate in the SERP has been granted solely to Ms. Scully, our President and Chief Executive Officer. The SERP is unfunded and designed to be a nonqualified deferred compensation retirement plan in compliance with Section 409A of the Internal Revenue Code.

The SERP is a defined benefit style program in which the participant is promised a benefit according to a set formula; such benefit is paid to the participant (or his or her beneficiary) in equal quarterly installments over a period of 15 years following the later of (i) the participant's severance from employment with the Bank after attainment of the Normal Retirement Age (as defined in the SERP) or (ii) the attainment of Normal Retirement Age if severance has occurred first. Under the SERP, Ms. Scully will receive \$100,000 each year for 15 years once she begins to receive her benefit. Given her prior service with the Bank, Ms. Scully is vested at December 31, 2014 in 66.67% of her accrued benefit. Provided she remains an employee of the Bank at the applicable vesting time, Ms. Scully will earn vesting on a graduated schedule in which she will become fully vested on August 25, 2019, which has been established for purposes of the SERP as her retirement date.

To the extent not already fully vested, a participant in the SERP will fully vest in their benefit upon the occurrence of the participant's death or Disability (as defined in the SERP) or if the Bank terminates the SERP following a Change in Control (as defined in the SERP). Upon a participant's Termination for Cause (as defined in the SERP), he or she forfeits all benefits under the SERP including any amounts in which he or she has previously vested.

Summary Compensation Table. The following table sets forth a comprehensive overview of the compensation for Ms. Scully, our Chief Executive Officer and President, and our next two most highest paid executive officers whose total compensation exceeded \$100,000 during 2014 (the “named executive officers”) for the years ended December 31, 2014 and 2013.

Employment Agreements

The following summarizes the material terms of the employment agreements between the named executive officers and Howard Bank.

Chief Executive Officer - Mary Ann Scully

Howard Bank entered into an amended and restated employment agreement with Mary Ann Scully on December 18, 2008 pursuant to which Ms. Scully serves as President and Chief Executive Officer of Howard Bancorp and Howard Bank.

The amended and restated employment agreement provided for an initial term expiring on March 31, 2011 and, unless written notice that the agreement will not be renewed is provided to Ms. Scully, is renewed for an additional year on each subsequent March 31 (beginning on March 31, 2009), such that the remaining term at each renewal will be three years. Ms. Scully's term of employment is currently extended through March 31, 2018.

Ms. Scully's employment agreement provides for an initial annual salary subject to annual increases as may be determined by Howard Bank's Board of Directors. Ms. Scully's current annual salary is set at \$350,000. Ms. Scully is also entitled to a bonus as determined each year by the Bank's board of directors and to participate in any other bonus, incentive and other executive compensation programs as are made available to the Bank's executive management. The agreement also provides that Ms. Scully is not compensated for her services as a director.

Howard Bank may terminate Ms. Scully's employment under the agreement for certain events constituting Cause as defined in the agreement. In addition, Howard Bank may terminate the agreement without Cause or upon Ms. Scully's Permanent Disability as defined in the agreement, in each case upon written notice to Ms. Scully. Ms. Scully may terminate her employment at any time under the agreement.

If Howard Bank terminates Ms. Scully's employment without Cause or upon Ms. Scully's Permanent Disability, or Ms. Scully terminates her employment for Good Reason or upon her Permanent Disability, and a Change in Control, as defined in the agreement, has not occurred, then Ms. Scully will be entitled to receive an amount equal to her current base salary plus all benefits she is then receiving for a period equal to the remaining term of the agreement plus any incentive compensation already accrued for that year. In addition, all of her stock awards and stock options shall immediately vest upon the effective date of such termination. If the termination is due to Permanent Disability, then such amount payable will be reduced if and to the extent that Ms. Scully receives payments under any disability

insurance or other program maintained by Howard Bank.

If, within 12 months following a Change in Control, Ms. Scully's employment is terminated under the agreement by Ms. Scully for any reason or by Howard Bank without Cause, then, instead of the payments provided for above, Ms. Scully will be entitled to: (i) a lump sum payment equal to the sum of (a) 2.99 times her average annual compensation (consisting of base pay and bonus) during the most recent three years minus the aggregate present value of any other payments she receives that are treated as contingent upon the Change in Control (not including (ii), (iii) and (iv) of this sentence, and (b) a pro-rated bonus; (ii) immediate vesting of all stock awards; (iii) immediate exercisability of any unexercised stock options; and (iv) continued medical coverage for the remaining term of the agreement as available to the Bank's other employees.

If any severance payment or distribution made to Ms. Scully is determined to be subject to the limitations of Section 280G of the Internal Revenue Code of 1986, as amended (a "Parachute Payment"), Ms. Scully will be entitled to a full tax "gross-up" to cover any excise taxes on such amount, unless the total value of all such payments and benefits (as measured for purposes of Section 280G) exceeds the taxable threshold by 10% or less, in which event the payments and benefits will instead be reduced so as to fall below the taxable threshold.

Ms. Scully's employment also terminates upon mutual agreement of the parties or immediately upon her death. If her employment is terminated upon death, all of Ms. Scully's stock awards and stock options shall immediately vest.

The agreement also contains confidentiality, non-compete and non-solicitation provisions.

The term of Mr. Coffman's employment is currently extended through March 31, 2018.

Mr. Coffman's employment agreement provides for an initial annual salary, subject to annual increases as may be determined by the Bank's board of directors. He also may receive an annual bonus to be determined by the Bank's board of directors. Mr. Coffman's current annual salary is set at \$275,000. Mr. Coffman is also entitled to a bonus as determined each year by the board of directors and to participate in any other bonus, incentive and other executive compensation programs as are made available to the Bank's executive management.

Executive Officer – Mr. Altieri

On April 30, 2013, Howard Bank entered into an employment agreement with Mr. Altieri pursuant to which he serves as an Executive Vice President and President of the Mortgage Division of Howard Bank.

The employment agreement provides for an initial term expiring on April 30, 2015, which has been extended until April 30, 2016. The agreement may be renewed upon notice provided by the Bank's Chief Executive Officer on or before 90 days before the applicable termination date.

Mr. Altieri's employment agreement provides for an initial annual salary, subject to annual increases as may be determined by the Bank's board of directors. Mr. Altieri's annual salary is currently set at \$245,000. Mr. Altieri also will receive an annual incentive based upon the pretax revenues of the Mortgage Division, provided, however, that the agreement included a bonus of at least \$50,000 for 2013. Mr. Altieri's employment agreement also provided for, as of the April 30, 2013 effective date, an initial bonus of \$50,000 and a grant of 5,000 shares of restricted stock vesting over a three-year period. He is also entitled to a \$750 a month car allowance and to participate in any other bonus, incentive and other executive compensation programs as are made available to the Bank's executive management.

Howard Bank may terminate Mr. Altieri's employment under the agreement for certain events constituting Cause as defined in the agreement. In addition, Howard Bank may terminate the agreement without Cause or upon Mr. Altieri's Permanent Disability as defined in the agreement, in each case upon written notice to Mr. Altieri. Mr. Altieri may terminate his employment at any time under the agreement.

If Howard Bank terminates Mr. Altieri's employment without Cause or upon Mr. Altieri's Permanent Disability, or Mr. Altieri terminates his employment for Good Reason or upon his Permanent Disability, and a Change in Control, as defined in the agreement, has not occurred, then Mr. Altieri will be entitled to receive an amount equal to his current base salary plus all benefits he is then receiving for a period equal to the remaining term of the agreement plus any incentive compensation already accrued for that year. In addition, all of his stock awards and stock options shall immediately vest upon the effective date of such termination. If the termination is due to Permanent Disability, then such amount payable will be reduced if and to the extent that Mr. Altieri receives payments under any disability insurance or other program maintained by Howard Bank.

If, within 12 months following a Change in Control, Mr. Altieri's employment is terminated under the agreement by Howard Bank without Cause, then, instead of the payments provided for above, Mr. Altieri will be entitled to: (i) a lump sum payment equal to the sum of (a) two times his average annual compensation (consisting of base pay and bonus) during the most recent three years minus the aggregate present value of any other payments he receives that are treated as contingent upon the Change in Control (not including (ii), (iii) and (iv) of this sentence, and (b) a pro-rated bonus; (ii) immediate vesting of all stock awards; (iii) immediate exercisability of any unexercised stock options; and (iv) continued medical coverage for the remaining term of the agreement as available to the Bank's other employees.

Mr. Altieri's employment also terminates upon mutual agreement of the parties or immediately upon his death. If his employment is terminated upon death, all of Mr. Altieri's stock awards and stock options shall immediately vest.

The agreement also contains confidentiality, non-compete and non-solicitation provisions.

The Bank maintains a supplemental executive retirement plan ("SERP") that provides Ms. Scully (or her designated beneficiary) with additional compensation upon her reaching age 68. Upon attainment of age 68, Ms. Scully is entitled to total annual benefit of \$100,000 for a period of 15 years. A reduced benefit is payable if prior to her attaining age 68 Ms. Scully's employment is terminated due to her death or disability, by the Bank without cause or by Ms. Scully for any reason, or if the Bank terminates the Plan within 30 days before or 12 months following a change in control.

The board of directors of the Bank may designate additional Bank personnel to participate in the SERP, however, participation is limited to a select group of management or highly compensated employees.
