NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

September 30, 2017

NOTE 1 — BASIS OF PRESENTATION

The accompanying unaudited consolidated financial statements have been prepared in accordance with generally accepted accounting principles for interim financial statements and the instructions to Form 10-Q of the Securities and Exchange Commission. Accordingly, they do not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements. However, in the opinion of management, all adjustments (consisting of normal recurring adjustments) considered necessary for a fair presentation have been included. Operating results for the nine months ended September 30, 2017, are not necessarily indicative of the results that may be expected for the year ending December 31, 2017. For further information, please refer to the consolidated financial statements and footnotes thereto included in the Company's Form 10-K for the year ended December 31, 2016.

NOTE 2 — SUMMARY OF ORGANIZATION

The First Bancshares, Inc., Hattiesburg, Mississippi (the "Company"), was incorporated June 23, 1995, under the laws of the State of Mississippi for the purpose of operating as a bank holding company. The Company's primary asset is its interest in its wholly-owned subsidiary, The First, A National Banking Association (the "Bank").

At September 30, 2017, the Company had approximately \$1.8 billion in assets, \$1.2 billion in net loans, \$1.5 billion in deposits, and \$167.0 million in stockholders' equity. For the nine months ended September 30, 2017, the Company reported net income of \$8.2 million. After tax merger related costs of \$3.9 million were expensed during the nine months ended September 30, 2017.

In each of the first, second, and third quarters of 2017, the Company declared and paid a dividend of \$.0375 per common share.

NOTE 3 — RECENT ACCOUNTING PRONOUNCEMENTS

In May 2017, the FASB issued ASU No. 2017-09, “Stock Compensation, Scope of Modification Accounting.” ASU 2017-09 clarifies when changes to the terms of conditions of a share-based payment award must be accounted for as modifications. Companies will apply the modification accounting guidance if any change in the value, vesting conditions or classification of the award occurs. The new guidance should reduce diversity in practice and result in fewer changes to the terms of an award being accounted for as modifications, as the guidance will allow companies to make certain non-substantive changes to awards without accounting for them as modifications. It does not change the accounting for modifications. ASU 2017-09 is effective for interim and annual reporting periods beginning after December 15, 2017; early adoption is permitted. ASU 2017-09 is not expected to have a material impact on the Company’s Consolidated Financial Statements.

In March 2017, the FASB issued ASU No. 2017-08, “*Premium Amortization on Purchased Callable Debt Securities.*” ASU 2017-08 shortens the amortization period for the premium on certain purchased callable debt securities to the earliest call date. Currently, entities generally amortize the premium as an adjustment of yield over the contractual life of the security. The ASU does not change the accounting for purchased callable debt securities held at a discount as the discount will continue to be accreted to maturity. ASU 2017-08 is effective for interim and annual reporting periods beginning after December 15, 2018; early adoption is permitted. The guidance calls for a modified retrospective transition approach under which a cumulative-effect adjustment will be made to retained earnings as of the beginning of the first reporting period in which ASU 2017-08 is adopted. The Company is currently evaluating the provisions of ASU 2017-08 to determine the potential impact the new standard will have on its Consolidated Financial Statements.

In January 2017, the FASB issued ASU No. 2017-04, “*Simplifying the Test for Goodwill Impairment.*” ASU 2017-04 removes Step 2 of the goodwill impairment test, which requires a hypothetical purchase price allocation. Under the amended guidance, a goodwill impairment charge will now be recognized for the amount by which the carrying value of a reporting unit exceeds its fair value, not to exceed the carrying amount of goodwill. This guidance is effective for interim and annual periods beginning after December 15, 2019, with early adoption permitted for any impairment tests performed after January 1, 2017. The Company is currently assessing the impact of ASU 2017-04 on its Consolidated Financial Statements.

In August 2016, the FASB issued ASU No. 2016-15, “*Classification of Certain Cash Receipts and Cash Payments.*” Current GAAP is unclear or does not include specific guidance on how to classify certain transactions in the statement of cash flows. ASU 2016-15 is intended to reduce diversity in practice in how eight particular transactions are classified in the statement of cash flows. ASU 2016-15 is effective for interim and annual reporting periods beginning after December 15, 2017. Early adoption is permitted, provided that all of the amendments are adopted in the same period. Entities will be required to apply the guidance retrospectively. If it is impracticable to apply the guidance retrospectively for an issue, the amendments related to that issue would be applied prospectively. As this guidance only affects the classification within the statement of cash flows, ASU 2016-15 is not expected to have a material impact on the Company's Consolidated Financial Statements.

In June 2016, the Financial Accounting Standards Board (FASB) issued ASU No. 2016-13, “*Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*” (ASU 2016-13). ASU 2016-13 requires a new impairment model known as the current expected credit loss (“CECL”) which significantly changes the way impairment of financial instruments is recognized by requiring immediate recognition of estimated credit losses expected to occur over the remaining life of financial instruments. The main provisions of ASU 2016-13 include (1) replacing the “incurred loss” approach under current GAAP with an “expected loss” model for instruments measured at amortized cost, (2) requiring entities to record an allowance for credit losses related to available-for-sale debt securities rather than a direct write-down of the carrying amount of the investments, as is required by the other-than-temporary-impairment model under current GAAP, and (3) a simplified accounting model for purchased credit-impaired debt securities and loans. ASU 2016-13 is effective for interim and annual reporting periods beginning after December 15, 2019, although early adoption is permitted. The Company is currently assessing the impact of the adoption of ASU 2016-13 on its Consolidated Financial Statements.

In February 2016, the FASB issued ASU NO. 2016-02 “*Leases (Topic 842)*.” ASU 2016-02 establishes a right of use model that requires a lessee to record a right of use asset and a lease liability for all leases with terms longer than 12 months. Leases will be classified as either finance or operating with classification affecting the pattern of expense recognition in the income statement. For lessors, the guidance modifies the classification criteria and the accounting for sales-type and direct financing leases. A lease will be treated as a sale if it transfers all of the risks and rewards, as well as control of the underlying asset, to the lessee. If risks and rewards are conveyed without the transfer of control, the lease is treated as a financing. If neither risks and rewards nor control is conveyed, an operating lease results. The amendments are effective for fiscal years beginning after December 15, 2018, including interim periods within those fiscal years for public business entities. Entities are required to use a modified retrospective approach for leases that exist or are entered into after the beginning of the earliest comparative period in the financial statements, with certain practical expedients available. Early adoption is permitted. The Company is assessing the impact of ASU 2016-02 on its accounting and disclosures.

NOTE 4 – BUSINESS COMBINATIONS

Acquisitions

Iberville Bank

On January 1, 2017, the Company completed its acquisition of 100% of the common stock of Iberville Bank, Plaquemine, Louisiana, from A. Wilbert’s Sons Lumber and Shingle Co. (“Iberville Parent”), and immediately thereafter merged Iberville Bank (“Iberville”), the wholly-owned subsidiary of Iberville Parent, with and into The First. The Company paid a total of \$31.1 million in cash. Approximately \$2.5 million of the purchase price is being held in escrow as contingency for flood-related losses in the loan portfolio that may be incurred due to flooding in Iberville’s market area in the fall of 2016.

In connection with the acquisition, the Company recorded approximately \$5.6 million of goodwill and \$2.7 million of core deposit intangible. The core deposit intangible is to be expensed over 10 years.

The Company acquired Iberville’s \$149.4 million loan portfolio at an estimated fair value discount of \$0.8 million. The discount represents expected credit losses, adjusted for market interest rates and liquidity adjustments.

Expenses associated with the acquisition were \$3.5 million for the nine month period ended September 30, 2017. These costs included system conversion and integrating operations charges as well as legal and consulting expenses, which have been expensed as incurred.

The preliminary amounts of the acquired identifiable assets and liabilities as of the acquisition date were as follows:

The following unaudited supplemental pro forma information is presented to show the Company's estimated results assuming Iberville was acquired as of January 1, 2016. These unaudited pro forma results are not necessarily indicative of the operating results that the Company would have achieved had it completed the acquisition as of January 1, 2016 and should not be considered as representative of future operating results. Pro forma information for 2017 is not necessary because Iberville Bank is included in the Company's results for the entire nine and three months ended September 30, 2017.

Gulf Coast Community Bank

Also on January 1, 2017, the Company completed the merger of Gulf Coast Community Bank ("GCCB"), Pensacola, Florida, with and into The First. The Company issued to GCCB's shareholders shares of the Company's common stock which, for purposes of the GCCB acquisition, were valued through averaging the trading price of the Company's common stock price over a 30 day trading period ending on the fifth business day prior to the closing of the acquisition. Fractional shares were acquired with cash. The consideration was approximately \$2.3 million.

In connection with the acquisition, the Company recorded approximately \$1.1 million of goodwill and \$1.0 million of core deposit intangible. The core deposit intangible is to be expensed over 10 years.

The Company acquired GCCB's \$91.0 million loan portfolio at a fair value discount of approximately \$2.2 million. The discount represents expected credit losses, adjusted for market interest rates and liquidity adjustments.

Expenses associated with the acquisition were \$2.8 million for the nine month period ended September 30, 2017. These costs included systems conversion and integrating operations charges, as well as legal and consulting expenses, which have been expensed as incurred.

The preliminary amounts of the acquired identifiable assets and liabilities as of the acquisition date were as follows:

NOTE 7 – COMPREHENSIVE INCOME

As presented in the Consolidated Statements of Comprehensive Income, comprehensive income includes net income and other comprehensive income. The Company's sources of other comprehensive income are unrealized gains and losses on available-for-sale investment securities and loans held for sale. Gains or losses on investment securities that were realized and reflected in net income of the current period, which had previously been included in other comprehensive income as unrealized holding gains or losses in the period in which they arose, are considered to be reclassification adjustments that are excluded from other comprehensive income in the current period.

NOTE 8 – FINANCIAL INSTRUMENTS WITH OFF-BALANCE-SHEET RISK

The Company is a party to financial instruments with off-balance-sheet risk in the normal course of business to meet the financing needs of its customers. At September 30, 2017, and December 31, 2016, these financial instruments consisted of the following:

(\$ In Thousands)	September 30, 2017	December 31, 2016

NOTE 9 – FAIR VALUE DISCLOSURES AND REPORTING, THE FAIR VALUE OPTION AND FAIR VALUE MEASUREMENTS

FASB's standards on financial instruments, and on fair value measurements and disclosures, require all entities to disclose in their financial statement footnotes the estimated fair values of financial instruments for which it is practicable to estimate fair values. In addition to disclosure requirements, FASB's standard on investments requires that our debt securities which are classified as available-for-sale and our equity securities that have readily determinable fair values be measured and reported at fair value in our Consolidated Financial Statements. Certain impaired loans are also reported at fair value, as explained in greater detail below, and foreclosed assets are carried at the lower of cost or fair value. FASB's standard on financial instruments permits companies to report certain other financial assets and liabilities at fair value, but we have not elected the fair value option for any of those financial instruments.

Fair value measurement and disclosure standards also establish a framework for measuring fair values. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability, in an orderly transaction between market participants on the measurement date. Further, the standards establish a fair value hierarchy that encourages an entity to maximize the use of observable inputs and limit the use of unobservable inputs when measuring fair values. The standards describe three levels of inputs that may be used to measure fair values:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable

market data.

Level 3: Significant unobservable inputs that reflect a company's own assumptions about the factors that market participants would likely consider in pricing an asset or liability.

Fair value estimates are made at a specific point in time based on relevant market data and information about the financial instruments. The estimates do not reflect any premium or discount that could result from offering the Company's entire holdings of a particular financial instrument for sale at one time, nor do they attempt to estimate the value of anticipated future business related to the instruments. In addition, the tax ramifications related to realized gains and losses could have a significant effect on fair value estimates but have not been considered in those estimates. Because no active market exists for a significant portion of our financial instruments, fair value disclosures are based on judgments regarding current economic conditions, risk characteristics of various financial instruments and other factors. The estimates are subjective and involve uncertainties and matters of significant judgment, and therefore cannot be determined with precision. Changes in assumptions could significantly alter the fair values presented. The following methods and assumptions were used by the Company to estimate its financial instrument fair values disclosed at September 30, 2017 and December 31, 2016:

Cash and cash equivalents and fed funds sold: The carrying amount is estimated to be fair value.

Securities (available-for-sale and held-to-maturity): Fair values are determined by obtaining quoted prices on nationally recognized securities exchanges or by matrix pricing, which is a mathematical technique used widely in the industry to value debt securities by relying on their relationship to other benchmark quoted securities when quoted prices for specific securities are not readily available.

Loans and leases: For variable-rate loans and leases that re-price frequently with no significant change in credit risk or interest rate spread, fair values are based on carrying values. Fair values for other loans and leases are estimated by discounting projected cash flows at interest rates being offered at each reporting date for loans and leases with similar terms, to borrowers of comparable creditworthiness. The carrying amount of accrued interest receivable approximates its fair value.

Loans held for sale: Since loans designated by the Company as available-for-sale are typically sold shortly after making the decision to sell them, realized gains or losses are usually recognized within the same period and fluctuations in fair values are not relevant for reporting purposes. If available-for-sale loans are held on our books for an extended period of time, the fair value of those loans is determined using quoted secondary-market prices.

Collateral-dependent impaired loans: Collateral-dependent impaired loans are carried at fair value when it is probable that the Company will be unable to collect all amounts due according to the contractual terms of the original loan agreement and the loan has been written down to the fair value of its underlying collateral, net of expected disposition costs where applicable.

Bank-owned life insurance: Fair values are based on net cash surrender policy values at each reporting date.

Other securities: Certain investments for which no secondary market exists are carried at cost and the carrying amount for those investments typically approximates their estimated fair value, unless an impairment analysis indicates the need for adjustments.

Deposits (noninterest-bearing and interest-bearing): Fair values for non-maturity deposits are equal to the amount payable on demand at the reporting date, which is the carrying amount. Fair values for fixed-rate certificates of deposit are estimated using a cash flow analysis, discounted at interest rates being offered at each reporting date by the Bank for certificates with similar remaining maturities. The carrying amount of accrued interest payable approximates its fair value.

FHLB and other borrowings: Current carrying amounts are used as an approximation of fair values for federal funds purchased, overnight advances from the Federal Home Loan Bank ("FHLB"), borrowings under repurchase agreements, and other short-term borrowings maturing within ninety days of the reporting dates. Fair values of other short-term borrowings are estimated by discounting projected cash flows at the Company's current incremental

borrowing rates for similar types of borrowing arrangements.

Long-term borrowings: Fair values are estimated using projected cash flows discounted at the Company's current incremental borrowing rates for similar types of borrowing arrangements.

Subordinated debentures: Fair values are determined based on the current market value for like instruments of a similar maturity and structure.

Off-Balance Sheet Instruments – Fair values of off-balance sheet financial instruments are based on fees charged to enter into similar agreements. However, commitments to extend credit do not represent a significant value until such commitments are funded or closed. Management has determined that these instruments do not have a distinguishable fair value and no fair value has been assigned.

Estimated fair values for the Company's financial instruments are as follows, as of the dates noted:

Where quoted prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 securities include highly liquid government bonds, mortgage products and exchange traded equities. If quoted market prices are not available, securities are classified within Level 2 of the valuation hierarchy, and fair values are estimated by using pricing models, quoted prices of securities with similar characteristics, or discounted cash flow. Level 2 securities include U. S. agency securities, mortgage-backed securities, obligations of states and political subdivisions and certain corporate, asset-backed and other securities. In certain cases where there is limited activity or less transparency around inputs to the valuation, securities are classified within Level 3 of the valuation hierarchy.

Following is a description of the valuation methodologies used for assets measured at fair value on a non-recurring basis and recognized in the accompanying balance sheets, as well as the general classification of such assets pursuant to the valuation hierarchy.

Impaired Loans

Loans for which it is probable that the Company will not collect all principal and interest due according to contractual terms are measured for impairment. Allowable methods for estimating fair value include using the fair value of the collateral for collateral dependent loans or, where a loan is determined not to be collateral dependent, using the discounted cash flow method.

If the impaired loan is identified as collateral dependent, then the fair value method of measuring the amount of impairment is utilized. This method requires obtaining a current independent appraisal of the collateral and applying a discount factor to the value. If the impaired loan is determined not to be collateral dependent, then the discounted cash flow method is used. This method requires the impaired loan to be recorded at the present value of expected future cash flows discounted at the loan's effective interest rate. The effective interest rate of a loan is the contractual interest rate adjusted for any net deferred loan fees or costs, or premium or discount existing at origination or acquisition of the loan. Impaired loans are classified within Level 2 of the fair value hierarchy.

Other Real Estate Owned

Other real estate owned acquired through loan foreclosure is initially recorded at fair value less estimated costs to sell, establishing a new cost basis. The adjustment at the time of foreclosure is recorded through the allowance for loan losses. Due to the subjective nature of establishing the fair value, the actual fair value of the other real estate owned or foreclosed asset could differ from the original estimate. If it is determined the fair value declines subsequent to foreclosure, a valuation allowance is recorded through non-interest expense. Operating costs associated with the assets are also recorded as non-interest expense. Gains and losses on the disposition of other real estate owned and foreclosed assets are netted and posted to other non-interest expense. Other real estate owned measured at fair value on a non-recurring basis at September 30, 2017, amounted to \$7.9 million. Other real estate owned is classified within Level 2 of the fair value hierarchy.

The following table presents the fair value measurement of assets measured at fair value on a nonrecurring basis and the level within the fair value hierarchy in which the fair value measurements fell at September 30, 2017 and December 31, 2016.

NOTE 10 - SECURITIES

The following disclosure of the estimated fair value of financial instruments is made in accordance with authoritative guidance. The estimated fair value amounts have been determined using available market information and valuation methodologies that management believes are appropriate. However, considerable judgment is necessarily required to interpret market data to develop the estimates of fair value. Accordingly, the estimates presented herein are not necessarily indicative of the amounts that could be realized in a current market exchange. The use of different market assumptions and/or estimation methodologies may have a material effect on the estimated fair value amounts.

NOTE 11 – LOANS

Loans typically provide higher yields than the other types of earning assets, and, thus, one of the Company's goals is for loans to be the largest category of the Company's earning assets. For the quarters ended September 30, 2017 and December 31, 2016, average loans accounted for 74.1% and 73.8% of average earning assets, respectively. The Company controls and mitigates the inherent credit and liquidity risks through the composition of its loan portfolio.

Generally, the Company will place a delinquent loan in nonaccrual status when the loan becomes 90 days or more past due. At the time a loan is placed in nonaccrual status, all interest which has been accrued on the loan but remains unpaid is reversed and deducted from earnings as a reduction of reported interest income. No additional interest is accrued on the loan balance until the collection of both principal and interest becomes reasonably certain. The following tables summarize by class our loans classified as past due in excess of 30 days or more in addition to those loans classified as non-accrual:

In connection with our acquisition of BCB Holding Company, Inc. in 2014, we acquired loans with deteriorated credit quality. These loans were recorded at estimated fair value at the acquisition date with no carryover of the related allowance for loan losses. The acquired loans were segregated as of the acquisition date between those considered to be performing (acquired non-impaired loans) and those with evidence of credit deterioration (acquired impaired loans). Acquired loans are considered impaired if there is evidence of credit deterioration and if it is probable, at acquisition, all contractually required payments will not be collected.

The following table presents information regarding the contractually required payments receivable, cash flows expected to be collected and the estimated fair value of loans acquired in the BCB acquisition as of July 1, 2014, the closing date of the transaction:

Internal Risk Ratings

The Company categorizes loans into risk categories based on relevant information about the ability of borrowers to service their debt, such as: current financial information, historical payment experience, credit documentation, public information, and current economic trends, among other factors. The Company uses the following definitions for risk ratings, which are consistent with the definitions used in supervisory guidance:

Special Mention. Loans classified as special mention have a potential weakness that deserves management's close attention. If left uncorrected, these potential weaknesses may result in deterioration of the repayment prospects for the loan or of the Company's credit position at some future date.

Substandard. Loans classified as substandard are inadequately protected by the current net worth and paying capacity of the obligor or of the collateral pledged, if any. Loans so classified have a well-defined weakness or weaknesses that jeopardize the liquidation of the debt. They are characterized by the distinct possibility that the institution will sustain some loss if the deficiencies are not corrected.

Doubtful. Loans classified as doubtful have all the weaknesses inherent in those classified as substandard, with the added characteristic that the weaknesses make collection or liquidation in full, on the basis of currently existing facts, conditions, and values, highly questionable and improbable.

Loans not meeting the criteria above that are analyzed individually as part of the above described process are considered to be pass rated loans.

As of September 30, 2017 and December 31, 2016, and based on the most recent analysis performed, the risk categories of loans by class of loans (excluding mortgage loans held for sale) were as follows:

CRITICAL ACCOUNTING POLICIES

The Company’s financial statements are prepared in accordance with accounting principles generally accepted in the United States. The financial information and disclosures contained within those statements are significantly impacted by Management’s estimates and judgments, which are based on historical experience and incorporate various assumptions that are believed to be reasonable under current circumstances. Critical accounting policies are evaluated on an ongoing basis to ensure that the Company's financial statements incorporate our most recent expectations with regard to those areas.

FINANCIAL CONDITION

The First represents the primary asset of the Company. The First reported total assets of \$1.8 billion at September 30, 2017 compared to \$1.3 billion at December 31, 2016, an increase of \$0.5 billion. Loans increased \$331.1 million to \$1.2 billion or 38.2%, during the first nine months of 2017. Deposits at September 30, 2017, totaled \$1.5 billion compared to \$1.0 billion at December 31, 2016. The First acquired loans of \$237.3 million and deposits of \$355.6 million as a result of the acquisitions of Iberville and GCCB during the first quarter of 2017. See Note 4 – Business Combinations.

For the nine month period ended September 30, 2017, The First reported net income of \$9.7 million compared to \$8.7 million for the nine months ended September 30, 2016. Merger charges net of tax equaled \$3.4 million for the first nine months of 2017.

NONPERFORMING ASSETS AND RISK ELEMENTS

Diversification within the loan portfolio is an important means of reducing inherent lending risks. At September 30, 2017, The First had no concentrations of ten percent or more of total loans in any single industry or any geographical area outside its immediate market areas, which include Mississippi, Louisiana, Alabama and Florida.

At September 30, 2017, The First had loans past due as follows:

(\$ In Thousands)

Past due 30 through 89 days	\$ 3,141
Past due 90 days or more and still accruing	1,436

The accrual of interest is discontinued on loans which become ninety days past due (principal and/or interest), unless the loans are adequately secured and in the process of collection. Nonaccrual loans totaled \$4.9 million at September

30, 2017, an increase of \$1.6 million from December 31, 2016.

Other real estate owned is carried at fair value, determined by an appraisal, less estimated costs to sell. Other real estate owned totaled \$7.9 million at September 30, 2017.

A loan is classified as a restructured loan when the following two conditions are present: First, the borrower is experiencing financial difficulty and second, the creditor grants a concession it would not otherwise consider but for the borrower's financial difficulties. At September 30, 2017, the Bank had \$7.3 million in loans that were modified as troubled debt restructurings, of which \$4.7 million were performing as agreed with modified terms.

EARNINGS PERFORMANCE

The Company earns income from two primary sources. The first is net interest income, which is interest income generated by earning assets less interest expense on deposits and other borrowed money. The second is non-interest income, which primarily consists of customer service charges and fees as well as mortgage income but also comes from non-customer sources such as bank-owned life insurance. The majority of the Company's non-interest expense is comprised of operating costs that facilitate offering a full range of banking services to our customers.

Net interest income AND NET INTEREST MARGIN

Net interest income increased by \$4.9 million, or 48.4%, for the third quarter of 2017 relative to the third quarter of 2016. The level of net interest income we recognize in any given period depends on a combination of factors including the average volume and yield for interest-earning assets, the average volume and cost of interest-bearing liabilities, and the mix of products which comprise the Company's earning assets, deposits, and other interest-bearing liabilities. Net interest income is also impacted by the reversal of interest for loans placed on non-accrual status during the reporting period, and the recovery of interest on loans that had been on non-accrual and were paid off, sold or returned to accrual status.

The following tables depict, for the periods indicated, certain information related to the average balance sheet and average yields on assets and average costs of liabilities. Such yields are derived by dividing income or expense by the average balance of the corresponding assets or liabilities. Average balances have been derived from daily averages.

PROVISION FOR LOAN AND LEASE LOSSES

The Company has developed policies and procedures for evaluating the overall quality of its credit portfolio and the timely identification of potential problem loans. Management's judgment as to the adequacy of the allowance is based upon a number of assumptions which it believes to be reasonable, but which may not prove to be accurate, particularly given the Company's growth and the economy. Thus, there can be no assurance that charge-offs in future periods will not exceed the allowance for loan losses or that additional increases in the loan loss allowance will not be required.

The Company's allowance consists of two parts. The first part is determined in accordance with authoritative guidance regarding contingencies. The Company's determination of this part of the allowance is based upon quantitative and qualitative factors. A loan loss history based upon the prior seven years is utilized in determining the appropriate allowance. Historical loss factors are determined by risk rated loans by loan type. These historical loss factors are applied to the loans by loan type to determine an indicated allowance. The loss factors of peer groups are considered in the determination of the allowance and are used to assist in the establishment of a long-term loss history for areas in which this data is unavailable and incorporated into the qualitative factors to be considered. The historical loss factors may also be modified based upon other qualitative factors including but not limited to local and national economic conditions, trends of delinquent loans, changes in lending policies and underwriting standards, concentrations, and management's knowledge of the loan portfolio. These factors require judgment upon the part of management and are based upon state and national economic reports received from various institutions and agencies including the Federal Reserve Bank, United States Bureau of Economic Analysis, Bureau of Labor Statistics, meetings with the Company's loan officers and loan committee, and data and guidance received or obtained from the Company's regulatory authorities.

The second part of the allowance is determined in accordance with authoritative guidance regarding loan impairment. Impaired loans are determined based upon a review by internal loan review and senior management.

The sum of the two parts constitutes management's best estimate of an appropriate allowance for loan losses. When the estimated allowance is determined, it is presented to the Company's audit committee for review and approval on a quarterly basis.

A loan is considered impaired when, based on current information and events, it is probable that the Company will be unable to collect the scheduled payments of principal or interest when due according to the contractual terms of the loan agreement. Factors considered by management in determining impairment include payment status, collateral value, and the probability of collecting scheduled principal and interest payments when due. Loans that experience insignificant payment delays and payment shortfalls generally are not classified as impaired. Management determines the significance of payment delays and payment shortfalls on a case-by-case basis, taking into consideration all of the circumstances surrounding the loan and the borrower, including the length of the delay, the reasons for the delay, the borrower's prior payment record, and the amount of the shortfall in relation to the principal and interest owed.

Impairment is measured on a loan by loan basis, and a specific allowance is assigned to each loan determined to be impaired. Impaired loans not deemed collateral dependent are analyzed according to the ultimate repayment source, whether that is cash flow from the borrower, guarantor or some other source of repayment. Impaired loans are deemed collateral dependent if, in the Company's opinion, the ultimate source of repayment will be generated from the liquidation of collateral.

The Company discontinues accrual of interest on loans when management believes, after considering economic and business conditions and collection efforts, that a borrower's financial condition is such that the collection of interest is doubtful. Generally, the Company will place a delinquent loan in nonaccrual status when the loan becomes 90 days or more past due. At the time a loan is placed in nonaccrual status, all interest which has been accrued on the loan but remains unpaid is reversed and deducted from earnings as a reduction of reported interest income. No additional interest is accrued on the loan balance until the collection of both principal and interest becomes reasonably certain.

Noninterest expense increased \$16.3 million in year-over-year comparison consisting of increases in salaries and benefits of \$6.9 million of which \$5.4 million relates to the acquisitions.

PROVISION FOR INCOME TAXES

The Company sets aside a provision for income taxes on a monthly basis. The amount of the provision is determined by first applying the Company's statutory income tax rates to estimated taxable income, which is pre-tax book income adjusted for permanent differences, and then subtracting available tax credits if applicable. Permanent differences include but are not limited to tax-exempt interest income, bank-owned life insurance cash surrender value income, and certain book expenses that are not allowed as tax deductions.

The Company's provision for income taxes was \$3.1 million for the year through September 30, 2017, and remained unchanged when compared to same period of 2016.

BALANCE SHEET ANALYSIS

EARNING ASSETS

The Company's interest-earning assets are comprised of investments and loans, and the composition, growth characteristics, and credit quality of both are significant determinants of the Company's financial condition. Investments are analyzed in the section immediately below, while the loan and lease portfolio and other factors affecting earning assets are discussed in the sections following investments.

INVESTMENTS

The Company's investments can at any given time consist of debt securities and marketable equity securities (together, the "investment portfolio"), investments in the time deposits of other banks, surplus interest-earning balances in our Federal Reserve Bank ("FRB") account, and overnight fed funds sold. Surplus FRB balances and fed funds sold to correspondent banks represent the temporary investment of excess liquidity. The Company's investments serve several purposes: 1) they provide liquidity to even out cash flows from the loan and deposit activities of customers; 2) they provide a source of pledged assets for securing public deposits, bankruptcy deposits and certain borrowed funds which

require collateral; 3) they constitute a large base of assets with maturity and interest rate characteristics that can be changed more readily than the loan portfolio, to better match changes in the deposit base and other funding sources of the Company; 4) they are another interest-earning option for surplus funds when loan demand is light; and 5) they can provide partially tax exempt income. Total securities, excluding other securities, totaled \$359.0 million, or 20.1% of total assets at September 30, 2017, compared to \$249.2 million, or 19.5% of total assets at December 31, 2016.

We had no fed funds sold at September 30, 2017 and \$0.4 million of fed funds sold at December 31, 2016; and interest-bearing balances at other banks decreased to \$29.6 million at September 30, 2017 from \$30.0 million at December 31, 2016 primarily due to a decrease in our Federal Reserve Bank account. The Company's investment portfolio increased \$92.4 million due to acquisitions to a total fair market value of \$360.4 million at September 30, 2017, reflecting an increase of \$109.8 million, or 43.8%, for the first nine months of 2017. The Company carries investments principally at their fair market values. The Company holds a small amount of "held-to-maturity" investments with a fair market value of \$7.4 million at September 30, 2017 as compared to \$7.4 million at December 31, 2016. All other investment securities are classified as "available-for-sale" to allow maximum flexibility with regard to interest rate risk and liquidity management.

Refer to table shown in NOTE 10 - SECURITIES for information on the Company's amortized cost and fair market value of its investment portfolio by investment type.

LOAN AND LEASE PORTFOLIO

The Company's gross loans and leases, excluding the associated allowance for losses and including loans held for sale, totaled \$1.203 billion at September 30, 2017, an increase of \$329.8 million, or 37.8%, since December 31, 2016. The acquisitions accounted for approximately \$237.3 million of the increase. At September 30, 2017, the company had direct energy related loans of \$20.2 million, representing 1.7% of the total loan portfolio. A majority of the outstanding are secured by marine assets that operate in the Gulf of Mexico, which are under term contracts to major operators tied primarily to oil and gas production.

A distribution of the Company's loans showing the balance and percentage of loans by type is presented for the noted periods in the table below. The balances shown are before deferred or unamortized loan origination, extension, or commitment fees, and deferred origination costs.

The following table shows the composition of the loan portfolio by category:

In the context of this discussion, a "real estate mortgage loan" is defined as any loan, other than a loan for construction purposes, secured by real estate, regardless of the purpose of the loan. The Company follows the common practice of financial institutions in the Company's market area of obtaining a security interest in real estate whenever possible, in addition to any other available collateral. This collateral is taken to reinforce the likelihood of the ultimate repayment of the loan and tends to increase the magnitude of the real estate loan portfolio component. Generally, the Company limits its loan-to-value ratio to 80%. Management attempts to maintain a conservative philosophy regarding its underwriting guidelines and believes that the risk elements of its loan portfolio have been reduced through strategies that diversify the lending mix.

Loans held for sale consist of mortgage loans originated by the Bank and sold into the secondary market. Commitments from investors to purchase the loans are obtained upon origination.

NONPERFORMING ASSETS

Nonperforming assets are comprised of loans for which the Company is no longer accruing interest, and foreclosed assets including mobile homes and OREO. If the Company grants a concession to a borrower in financial difficulty, the loan falls into the category of a troubled debt restructuring (“TDR”). TDRs may be classified as either nonperforming or performing loans depending on their accrual status. The following table presents comparative data for the Company’s nonperforming assets and performing TDRs as of the dates noted:

Nonperforming assets totaled \$12.7 million at September 30, 2017, compared to \$9.3 million at December 31, 2016. The increase of \$3.4 million is attributable to the acquisitions with associated fair value marks. The ALLL/total loans ratio was 0.68% at September 30, 2017 and .87% at December 31, 2016. Including valuation accounting adjustments on acquired loans, the total valuation plus ALLL was 1.16% of loans at September 30, 2017. The ratio of annualized net charge-offs (recoveries) to total loans was (0.005)% for the quarter ended September 30, 2017 compared to (0.04)% for the quarter ended September 30, 2016. As noted in our first quarter 2015 10-Q, the Company had been notified that a recovery of \$941,000 was more likely than not expected during 2015. We received the first installment during the second quarter of 2015 which totaled \$481,000 and the second installment during the third quarter of 2015 which totaled \$241,000. The remaining balance of \$219,000 was received in 2016.

ALLOWANCE FOR LOAN AND LEASE LOSSES

The allowance for loan and lease losses is established through a provision for loan and lease losses. It is maintained at a level that management believes is adequate to absorb probable incurred losses inherent in the remaining loan portfolio. Specifically identifiable and quantifiable losses are immediately charged off against the allowance; recoveries are generally recorded only when sufficient cash payments are received subsequent to the charge off.

The table that follows summarizes the activity in the allowance for loan and lease losses for the noted periods:

OFF-BALANCE SHEET ARRANGEMENTS

The Company maintains commitments to extend credit in the normal course of business, as long as there are no violations of conditions established in the outstanding contractual arrangements. Unused commitments to extend credit totaled \$265.2 million at September 30, 2017 and \$220.3 million at December 31, 2016, although it is not likely that all of those commitments will ultimately be drawn down. Unused commitments represented approximately 22.1% of gross loans outstanding at September 30, 2017 and 25.2% at December 31, 2016, with the increase due in part to higher commitments in commercial and industrial loans. The Company also had undrawn letters of credit issued to customers totaling \$8.2 million at September 30, 2017 and \$1.7 million at December 31, 2016. The effect on the Company's revenues, expenses, cash flows and liquidity from the unused portion of the commitments to provide credit cannot be reasonably predicted because there is no guarantee that the lines of credit will ever be used. However, the "Liquidity" section in this Form 10-Q outlines resources available to draw upon should we be required to fund a significant portion of unused commitments. For more information regarding the Company's off-balance sheet arrangements, see NOTE 8 to the consolidated financial statements.

In addition to unused commitments to provide credit, the Company is utilizing a \$82.0 million letter of credit issued by the Federal Home Loan Bank ("FHLB") on the Company's behalf as security as of September 30, 2017. That letter of credit is backed by loans which are pledged to the FHLB by the Company.

OTHER ASSETS

The Company's balance of non-interest earning cash and due from banks was \$63.7 million at September 30, 2017 and \$31.7 million at December 31, 2016. The balance of cash and due from banks depends on the timing of collection of outstanding cash items (checks), the level of cash maintained on hand at our branches, and our reserve requirement among other things, and is subject to significant fluctuation in the normal course of business. While cash flows are normally predictable within limits, those limits are fairly broad and the Company manages its short-term cash position through the utilization of overnight loans to and borrowings from correspondent banks, including the Federal Reserve Bank and the Federal Home Loan Bank. Should a large "short" overnight position persist for any length of time, the Company typically raises money through focused retail deposit gathering efforts or by adding brokered time deposits. If a "long" position is prevalent, the Company will let brokered deposits or other wholesale borrowings roll off as they mature, or might invest excess liquidity in higher-yielding, longer-term bonds.

Total equity securities increased \$3.0 million due to an increase in FHLB stock and federal reserve stock. The Company's net premises and equipment at September 30, 2017 was \$46.2 million and \$34.6 million at December 31, 2016; the result being an increase of \$11.6 million, or 33.4% for the first nine months of 2017. Included in the acquisition of Iberville was \$4.0 million in bank-owned life insurance, creating a balance of \$26.4 million at September 30, 2017. Bank-owned life insurance is also discussed above in the "Non-Interest Income and Non-Interest Expense" section. Goodwill increased by \$6.7 million during the period, as a result of the acquisitions, ending the first nine months of 2017 with a balance of \$20.4 million. Other intangible assets, consisting primarily of the Company's core deposit intangible, increased by \$3.1 million due to the acquisitions. The Company's goodwill and other intangible assets are evaluated annually for potential impairment, and pursuant to that analysis management has determined that no impairment exists as of September 30, 2017.

Other real estate owned increased \$1.8 million, or 30.7% during the first nine months of 2017. This increase comes from the acquisition of GCCB. See Note 4 – Business Combinations.

DEPOSITS AND INTEREST BEARING LIABILITIES

DEPOSITS

Deposits are another key balance sheet component impacting the Company's net interest margin and other profitability metrics. Deposits provide liquidity to fund growth in earning assets, and the Company's net interest margin is improved to the extent that growth in deposits is concentrated in less volatile and typically less costly non-maturity deposits such as demand deposit accounts, NOW accounts, savings accounts, and money market demand accounts. Information concerning average balances and rates paid by deposit type for the three-month periods ended September 30, 2017 and 2016 is included in the Average Balances and Rates tables appearing above, in the section titled "Net Interest Income and Net Interest Margin." A distribution of the Company's deposits showing the balance and percentage of total deposits by type is presented for the noted periods in the following table.

Deposit Distribution (\$ In Thousands)	Sept. 30, 2017	December 31, 2016

OTHER INTEREST-BEARING LIABILITIES

The Company's non-deposit borrowings may, at any given time, include fed funds purchased from correspondent banks, borrowings from the Federal Home Loan Bank, advances from the Federal Reserve Bank, securities sold under agreements to repurchase, and/or junior subordinated debentures. The Company uses short-term FHLB advances and fed funds purchased on uncommitted lines to support liquidity needs created by seasonal deposit flows, to temporarily satisfy funding needs from increased loan demand, and for other short-term purposes. The FHLB line is committed, but the amount of available credit depends on the level of pledged collateral.

Total non-deposit interest-bearing liabilities increased by \$25.3 million, or 31.9%, in the first nine months of 2017, due to an increase in notes payable to the FHLB. Repurchase agreements decreased \$5.0 million. The Company had junior subordinated debentures totaling \$10.3 million at September 30, 2017 and December 31, 2016, in the form of long-term borrowings from trust subsidiaries formed specifically to issue trust preferred securities.

OTHER NON-INTEREST BEARING LIABILITIES

Other liabilities are principally comprised of accrued interest payable and other accrued but unpaid expenses. Other liabilities increased by \$4.0 million, or 100.8%, during the first nine months of 2017, due to the increase in other accrued but unpaid expenses.

liquidity and market Risk MANAGEMENT

LIQUIDITY

Liquidity management refers to the Company's ability to maintain cash flows that are adequate to fund operations and meet other obligations and commitments in a timely and cost-effective manner. Detailed cash flow projections are reviewed by management on a monthly basis, with various scenarios applied to assess our ability to meet liquidity needs under adverse conditions. Liquidity ratios are also calculated and reviewed on a regular basis. While those ratios are merely indicators and are not measures of actual liquidity, they are closely monitored and we are focused on maintaining adequate liquidity resources to draw upon should unexpected needs arise.

The Company, on occasion, experiences cash needs as the result of loan growth, deposit outflows, asset purchases or liability repayments. To meet short-term needs, the Company can borrow overnight funds from other financial institutions, draw advances via FHLB lines of credit, or solicit brokered deposits if deposits are not immediately obtainable from local sources. The net availability on lines of credit from the FHLB totaled \$414.1 million at September 30, 2017. Furthermore, funds can be obtained by drawing down the Company's correspondent bank deposit accounts, or by liquidating unpledged investments or other readily saleable assets. In addition, the Company can raise immediate cash for temporary needs by selling under agreement to repurchase those investments in its portfolio which are not pledged as collateral. As of September 30, 2017, the market value of unpledged debt securities plus pledged securities in excess of current pledging requirements comprised \$95.6 million of the Company's investment balances, compared to \$101.2 million at December 31, 2016. The increase in unpledged securities from September, 2017 compared to December 2016 is primarily due to an increase in portfolio assets. Other forms of balance sheet liquidity include but are not necessarily limited to any outstanding fed funds sold and vault cash. The Company has a higher level of actual balance sheet liquidity than might otherwise be the case, since we utilize a letter of credit from the FHLB rather than investment securities for certain pledging requirements. That letter of credit, which is backed by loans that are pledged to the FHLB by the Company, totaled \$82.0 million at September 30, 2017. Management is of the opinion that available investments and other potentially liquid assets, along with the standby funding sources it has arranged, are more than sufficient to meet the Company's current and anticipated short-term liquidity needs.

The Company's liquidity ratio as of September 30, 2017 was 14.1%, as compared to internal policy guidelines of 10% minimum. Other liquidity ratios reviewed include the following along with policy guidelines:

	Sept. 30, 2017		Policy	Policy
			Maximum	Compliance
Loans to Deposits (including FHLB advances)	75.0	%	90.0	% In Policy
Net Non-core Funding Dependency Ratio	6.0	%	20.0	% In Policy
Fed Funds Purchased / Total Assets	0.0	%	10.0	% In Policy
FHLB Advances / Total Assets	4.4	%	20.0	% In Policy
FRB Advances / Total Assets	0.0	%	10.0	% In Policy
Pledged Securities to Total Securities	72.0	%	90.0	% In Policy

Continued growth in core deposits and relatively high levels of potentially liquid investments have had a positive impact on our liquidity position in recent periods, but no assurance can be provided that our liquidity will continue at current robust levels.

The holding company's primary uses of funds are ordinary operating expenses and stockholder dividends, and its primary source of funds is dividends from the Bank since the holding company does not conduct regular banking operations. Management anticipates that the Bank will have sufficient earnings to provide dividends to the holding company to meet its funding requirements for the foreseeable future. Both the holding company and the Bank are subject to legal and regulatory limitations on dividend payments, as outlined in Item 5(c) Dividends in the Company's Annual Report on Form 10-K for the year ended December 31, 2016.

INTEREST RATE RISK MANAGEMENT

Market risk arises from changes in interest rates, exchange rates, commodity prices and equity prices. The Company does not engage in the trading of financial instruments, nor does it have exposure to currency exchange rates. Our market risk exposure is primarily that of interest rate risk, and we have established policies and procedures to monitor and limit our earnings and balance sheet exposure to changes in interest rates. The principal objective of interest rate risk management is to manage the financial components of the Company's balance sheet in a manner that will optimize the risk/reward equation for earnings and capital under a variety of interest rate scenarios.

To identify areas of potential exposure to interest rate changes, we utilize commercially available modeling software to perform earnings simulations and calculate the Company's market value of portfolio equity under varying interest rate scenarios every month. The model imports relevant information for the Company's financial instruments and

incorporates Management's assumptions on pricing, duration, and optionality for anticipated new volumes. Various rate scenarios consisting of key rate and yield curve projections are then applied in order to calculate the expected effect of a given interest rate change on interest income, interest expense, and the value of the Company's financial instruments. The rate projections can be shocked (an immediate and parallel change in all base rates, up or down), ramped (an incremental increase or decrease in rates over a specified time period), economic (based on current trends and econometric models) or stable (unchanged from current actual levels).

We use seven standard interest rate scenarios in conducting our 12-month net interest income simulations: “static,” upward shocks of 100, 200, 300 and 400 basis points, and downward shocks of 100, and 200 basis points. Pursuant to policy guidelines, we typically attempt to limit the projected decline in net interest income relative to the stable rate scenario to no more than 5% for a 100 basis point (bp) interest rate shock, 10% for a 200 bp shock, 15% for a 300 bp shock, and 20% for a 400 bp shock. As of September 30, 2017, the Company had the following estimated net interest income sensitivity profile, without factoring in any potential negative impact on spreads resulting from competitive pressures or credit quality deterioration:

September 30, 2017 (\$ In Thousands)	Net Interest Income at Risk – Sensitivity Year 1							
	-200 bp	-100 bp	STATIC	+100 bp	+200 bp	+300 bp	+400 bp	
Net Interest Income	\$53,060	\$54,580	\$58,067	\$59,791	\$61,432	\$63,091	\$64,615	
Dollar Change	-5,007	-3,487		1,724	3,365	5,024	6,548	
NII @ Risk - Sensitivity Y1	-8.6 %	-6.0 %		3.0 %	5.8 %	8.7 %	11.3 %	

If there were an immediate and sustained downward adjustment of 200 basis points in interest rates, all else being equal, net interest income over the next twelve months would likely be approximately \$5.0 million lower than in a stable interest rate scenario, for a negative variance of 8.6%. The unfavorable variance increases if rates were to drop below 200 basis points, due to the fact that certain deposit rates are already relatively low (on NOW accounts and savings accounts, for example), and will hit a natural floor of close to zero while non-floored variable-rate loan yields continue to drop. This effect would be exacerbated by accelerated prepayments on fixed-rate loans and mortgage-backed securities when rates decline, although rate floors on some of our variable-rate loans partially offset other negative pressures. While management believes that further interest rate reductions are highly unlikely, the potential percentage drop in net interest income exceeds our internal policy guidelines in declining interest rate scenarios and we will continue to monitor our interest rate risk profile and take corrective action as deemed appropriate.

Net interest income would likely improve by \$3.4 million, or 5.8%, if interest rates were to increase by 200 basis points relative to a stable interest rate scenario, with the favorable variance expanding the higher interest rates rise. The initial increase in rising rate scenarios will be limited to some extent by the fact that some of our variable-rate loans are currently at rate floors, resulting in a re-pricing lag while base rates are increasing to floored levels, but the Company still appears well-positioned to benefit from a material upward shift in the yield curve.

The Company’s one year cumulative GAP ratio is approximately 220.3%, which means that there are more assets repricing than liabilities within the first year. The Company is “asset-sensitive.” These results are based on cash flows from assumptions of assets and liabilities that reprice (maturities, likely calls, prepayments, etc.) Typically, the net interest income of asset-sensitive companies should improve with rising rates and decrease with declining rates.

In addition to the net interest income simulations shown above, we run stress scenarios modeling the possibility of no balance sheet growth, the potential runoff of “surge” core deposits which flowed into the Company in the most recent economic cycle, and potential unfavorable movement in deposit rates relative to yields on earning assets. Even though net interest income will naturally be lower with no balance sheet growth, the rate-driven variances projected for net interest income in a static growth environment are similar to the changes noted above for our standard projections. When a greater level of non-maturity deposit runoff is assumed or unfavorable deposit rate changes are factored into the model, projected net interest income in declining rate and flat rate scenarios does not change materially relative to standard growth projections. However, the benefit we would otherwise experience in rising rate scenarios is minimized and net interest income remains relatively flat.

The economic value (or “fair value”) of financial instruments on the Company’s balance sheet will also vary under the interest rate scenarios previously discussed. The difference between the projected fair value of the Company’s financial assets and the fair value of its financial liabilities is referred to as the economic value of equity (“EVE”), and changes in EVE under different interest rate scenarios are effectively a gauge of the Company’s longer-term exposure to interest rate risk. Fair values for financial instruments are estimated by discounting projected cash flows (principal and interest) at projected replacement interest rates for each account type, while the fair value of non-financial accounts is assumed to equal their book value for all rate scenarios. An economic value simulation is a static measure utilizing balance sheet accounts at a given point in time, and the measurement can change substantially over time as the characteristics of the Company’s balance sheet evolve and interest rate and yield curve assumptions are updated.

The change in economic value under different interest rate scenarios depends on the characteristics of each class of financial instrument, including stated interest rates or spreads relative to current or projected market-level interest rates or spreads, the likelihood of principal prepayments, whether contractual interest rates are fixed or floating, and the average remaining time to maturity. As a general rule, fixed-rate financial assets become more valuable in declining rate scenarios and less valuable in rising rate scenarios, while fixed-rate financial liabilities gain in value as interest rates rise and lose value as interest rates decline. The longer the duration of the financial instrument, the greater the impact a rate change will have on its value. In our economic value simulations, estimated prepayments are factored in for financial instruments with stated maturity dates, and decay rates for non-maturity deposits are projected based on historical patterns and Management’s best estimates. The table below shows estimated changes in the Company’s EVE as of September 30, 2017, under different interest rate scenarios relative to a base case of current interest rates:

(\$ In Thousands)	Balance Sheet Shock				+100 bp	+200 bp	+300 bp	+400 bp
	-200 bp	-100 bp	STATIC (Base)					
Market Value of Equity	\$389,176	\$387,021	\$447,973	\$495,850	\$533,964	\$565,223	\$590,236	
Change in EVE from base	-58,797	-60,952		47,877	85,991	117,250	142,263	
% Change	-13.1 %	-13.6 %		10.7 %	19.2 %	26.2 %	31.8 %	
Policy Limits	-20.0 %	-10.0 %		-10.0 %	-20.0 %	-30.0 %	-40.0 %	

The table shows that our EVE will generally deteriorate in declining rate scenarios, but should benefit from a parallel shift upward in the yield curve. As noted previously, however, Management believes that the potential for a significant rate decline is low. We also run stress scenarios for EVE to simulate the possibility of higher loan prepayment rates, unfavorable changes in deposit rates, and higher deposit decay rates. Model results are highly sensitive to changes in assumed decay rates for non-maturity deposits, in particular.

CAPITAL RESOURCES

At September 30, 2017 the Company had total stockholders' equity of \$167.0 million, comprised of \$9.2 million in common stock, less than \$0.1 million in treasury stock, \$105.0 million in surplus, \$51.6 million in undivided profits, \$1.7 million in accumulated comprehensive income for available-for-sale securities. Total stockholders' equity at the end of 2016 was \$154.5 million. The increase of \$12.5 million, or 8.1%, in stockholders' equity during the first nine months of 2017 is comprised of capital added via net earnings of \$8.2 million, \$2.7 million increase in accumulated comprehensive income for available-for-sale securities, and 2.2 million of common stock issued for the purchase of GCCB, offset by \$1.0 million in cash dividends paid.

The Company uses a variety of measures to evaluate its capital adequacy, including risk-based capital and leverage ratios that are calculated separately for the Company and the Bank. Management reviews these capital measurements on a quarterly basis and takes appropriate action to help ensure that they meet or surpass established internal and external guidelines. As permitted by the regulators for financial institutions that are not deemed to be “advanced approaches” institutions, the Company has elected to opt out of the Basel III requirement to include accumulated other comprehensive income in risk-based capital. The following table sets forth the Company’s and the Bank’s regulatory capital ratios as of the dates indicated.

Regulatory capital ratios slightly decreased from December 31, 2016 to September 30, 2017 as asset growth outpaced capital formation. Our capital ratios remain very strong relative to the median for peer financial institutions, and at September 30, 2017 were well above the threshold for the Company and the Bank to be classified as “well capitalized,” the highest rating of the categories defined under the Bank Holding Company Act and the Federal Deposit Insurance Corporation Improvement Act of 1991. We do not foresee any circumstances that would cause the Company or the Bank to be less than well capitalized, although no assurance can be given that this will not occur.

Reconciliation of Non-GAAP Financial Measures

We report net interest income and net interest margin on a fully tax equivalent, or FTE, basis, which calculations are not in accordance with generally accepted accounting principles, or GAAP. The tax equivalent adjustment to net interest income recognizes the income tax savings when comparing taxable and tax-exempt assets and assumes a 34% tax rate. Management believes that it is a standard practice in the banking industry to present net interest income and net interest margin on a fully tax equivalent basis, and believes it enhances the comparability of income and expenses arising from taxable and nontaxable sources. Net interest income and net interest margin on a fully tax equivalent basis should not be viewed as a substitute for net interest income or net interest margin provided in accordance with GAAP. See reconciliation of net interest income (FTE) to net interest income calculated in accordance with GAAP and net interest margin (FTE) to net interest margin calculated in accordance with GAAP below:

CONTROLS AND PROCEDURES

Evaluation of Disclosure Controls and Procedures

As of September 30, 2017, (the “Evaluation Date”), we carried out an evaluation, under the supervision of and with the participation of our Chief Executive Officer and our Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures, as such term is defined under Rule 13a-15(e) and 15d-15(e) promulgated under the Securities Exchange Act of 1934, as amended. Based on this evaluation, as of the Evaluation Date, our Chief Executive Officer and our Chief Financial Officer concluded that our disclosure controls and procedures are effective to ensure that information we are required to disclose in reports that we file or submit under the Exchange Act is recorded, processed, summarized, and reported within the time periods specified in SEC rules and forms.

Changes in Internal Controls

There have been no changes, significant or otherwise, in our internal controls over financial reporting that occurred during the quarter ended September 30, 2017, that have materially affected, or are reasonably likely to affect, our

internal control over financial reporting.

PART II – OTHER INFORMATION

ITEM 1: LEGAL PROCEEDINGS

The Company is involved in various legal proceedings in the normal course of business. Management does not believe, based on currently available information, that the outcome of any such proceedings will have a material adverse effect on our financial condition or results of operations.

ITEM 1A: RISK FACTORS

There were no material changes in the Company's risk factors since December 31, 2016, other than as set forth below:

Shareholder approval for the proposed merger of Southwest with and into the Company may not be received and regulatory consents or approvals may not be received, may take longer than expected or impose conditions that are not presently anticipated.

Before the merger may be completed, Southwest's shareholders must approve the transaction and such shareholder approval may not be received. In addition, various approvals or consents must be obtained from the Federal Reserve, the OCC, and other bank, securities, antitrust and other regulatory authorities. These regulators may impose conditions on consummation of the merger or require changes to the terms of the merger. Although we do not currently expect that any such conditions or changes would be imposed, there can be no assurance that they will not be, and such conditions or changes could have the effect of delaying the effective time of the merger or imposing additional costs on or limiting our revenues following the merger. Furthermore, such conditions or changes may constitute a burdensome condition that may allow us to terminate the merger agreement and we may exercise our right to terminate the merger agreement. There can be no assurance as to whether the regulatory approvals will be received, the timing of those approvals, or whether any conditions will be imposed.

We may fail to realize the anticipated cost savings and other financial benefits of the proposed acquisition of Southwest on the anticipated schedule, if at all.

The Company and Southwest have historically operated independently. The success of the merger of Southwest with and into The Company will depend, in part, on our ability to successfully combine our businesses. To realize the anticipated benefits of the merger, after the effective time of the merger, we expect to integrate Southwest's business into our own. We may face significant challenges in integrating Southwest's operations in a timely and efficient manner and in retaining personnel from these two banks that we consider to be key personnel. We anticipate that we will achieve cost savings from the merger when the two companies have been fully integrated, however achieving the anticipated cost savings and financial benefits of the mergers will depend, in part, on whether we can successfully integrate these businesses. Actual growth and cost savings, if achieved, may be lower than what we expect and may take longer to achieve than anticipated. It is possible that the integration process could result in the loss of key employees, the disruption of each company's ongoing businesses or inconsistencies in standards, controls, procedures, and policies that adversely affect our ability to maintain relationships with clients, customers, depositors and employees or to achieve the anticipated benefits of the merger. In addition, integration efforts following the mergers will require the dedication of significant management resources, which may temporarily distract management's attention from the day-to-day business of the combined company. Any inability to realize the full extent of, or any of, the anticipated cost savings and financial benefits of the mergers, as well as any delays encountered in the integration process, could have an adverse effect on the business and results of operations of the combined company, which may affect the market price of our common stock.

We will incur significant transaction and merger-related costs in connection with the proposed acquisition of Southwest.

We have incurred and expect to incur a number of non-recurring costs associated with the proposed acquisition of Southwest. These costs and expenses include fees paid to financial, legal and accounting advisors, severance, retention bonus and other potential employment-related costs, filing fees, printing expenses and other related charges. Some of these costs are payable by us regardless of whether the acquisition is completed. There are also a large number of processes, policies, procedures, operations, technologies and systems that must be integrated in connection with the merger and the integration of the two companies' businesses. While we have assumed that a certain level of expenses would be incurred in connection with the acquisition, there are many factors beyond our control that could affect the total amount or the timing of the integration and implementation expenses.

There may also be additional unanticipated significant costs in connection with the acquisition that we may not recoup. These costs and expenses could reduce the realization of efficiencies, strategic benefits and additional income we expect to achieve from the acquisition. Although we expect that these benefits will offset the transaction expenses and implementation costs over time, the net benefit may not be achieved in the near term or at all.

AGREEMENT AND PLAN OF MERGER

This Agreement and Plan of Merger (this “*Agreement*”) is dated as of October 24, 2017, 2017, by and between The First Bancshares, Inc., a Mississippi corporation (“*FBMS*”), and Southwest Banc Shares, Inc., an Alabama corporation (“*SWBS*”) and, together with FBMS, the “*Parties*” and each a “*Party*”).

WITNESSETH

WHEREAS, the boards of directors of the Parties have determined that it is in the best interests of their respective companies and their respective shareholders to consummate the business combination transaction provided for in this Agreement in which SWBS will, on the terms and subject to the conditions set forth in this Agreement, merge with and into FBMS (the “*Merger*”), with FBMS as the surviving company in the Merger (sometimes referred to in such capacity as the “*Surviving Entity*”);

WHEREAS, as a condition to the willingness of FBMS to enter into this Agreement, certain directors of SWBS have entered into voting agreements (each a “*SWBS Voting Agreement*” and collectively, the “*SWBS Voting Agreements*”), substantially in the form attached hereto as Exhibit A, dated as of the date hereof, with FBMS, pursuant to which each such director has agreed, among other things, to vote certain of the SWBS Common Stock owned by such director in favor of the approval of this Agreement and the transactions contemplated hereby, subject to the terms of the SWBS Voting Agreement;

WHEREAS, the Parties desire to make certain representations, warranties and agreements in connection with the Merger and also to prescribe certain conditions to the Merger; and

WHEREAS, for federal income tax purposes, it is intended that the Merger qualify as a “reorganization” within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the “*Code*”), and this Agreement is intended to be and is adopted as a “plan of reorganization” for purposes of Sections 354 and 361 of the Code.

NOW, THEREFORE, in consideration of the mutual promises herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

Article I

THE MERGER

Section 1.01 The Merger. Subject to the terms and conditions of this Agreement, in accordance with the Mississippi Business Corporation Act (the “*MBCA*”) and the Alabama Business Corporation Law (the “*ABCL*”), at the Effective Time, SWBS shall merge with and into FBMS pursuant to the terms of this Agreement. FBMS shall be the Surviving Entity in the Merger and shall continue its existence as a corporation under the laws of the State of Mississippi. As of the Effective Time, the separate corporate existence of SWBS shall cease.

Section 1.02 Articles of Incorporation and Bylaws. At the Effective Time, the articles of incorporation of FBMS in effect immediately prior to the Effective Time shall be the articles of incorporation of the Surviving Entity until thereafter amended in accordance with applicable Law. The bylaws of FBMS in effect immediately prior to the Effective Time shall be the bylaws of the Surviving Entity until thereafter amended in accordance with applicable Law and the terms of such bylaws.

Section 1.03 Bank Merger. Except as provided below, immediately following the Effective Time and sequentially but in effect simultaneously on the Closing Date, First Community Bank, an Alabama state-chartered bank and a direct wholly owned subsidiary of SWBS (“*First Community Bank*”), shall be merged (the “*Bank Merger*”) with and into The First, A National Banking Association, a national banking association and a direct wholly owned subsidiary of FBMS (“*The First*”), in accordance with the provisions of applicable federal and state banking laws and regulations, and The First shall be the surviving bank (the “*Surviving Bank*”). The Bank Merger shall have the effects as set forth under applicable federal and state banking laws and regulations, and the board of directors of the Parties shall cause the board of directors of The First and First Community Bank, respectively, to approve a separate merger agreement (the “*Bank Plan of Merger*”) in substantially the form attached hereto as Exhibit B, and cause the Bank Plan of Merger to be executed and delivered as soon as practicable following the date of execution of this Agreement. Each of FBMS and SWBS shall also approve the Bank Plan of Merger in their capacities as sole shareholders of The First and First Community Bank, respectively. As provided in the Bank Plan of Merger, the Bank Merger may be abandoned at the election of The First at any time, whether before or after filings are made for regulatory approval of the Bank Merger, but if the Bank Merger is abandoned for any reason, First Community Bank shall continue to operate under its name; *provided* that prior to any such election, FBMS shall (a) reasonably consult with SWBS and its regulatory counsel and (b) reasonably determine in good faith that such election will not, and would not reasonably be expected to, prevent, delay or impair any Party’s ability to consummate the Merger or the other transactions contemplated by this Agreement.

Section 1.04 Effective Time; Closing.

(a) Subject to the terms and conditions of this Agreement, the Parties will make all such filings as may be required to consummate the Merger and the Bank Merger by applicable Laws. The Merger shall become effective as set forth in the articles of merger (the “*Articles of Merger*”) related to the Merger that shall be filed with the Secretary of State of the State of Mississippi and the Secretary of State of the State of Alabama, as provided in the MBCA and ABCL, on the Closing Date. The “*Effective Time*” of the Merger shall be the later of (i) the date and time of filing of the Articles of Merger, or (ii) the date and time when the Merger becomes effective as set forth in the Articles of Merger, which shall be no later than three (3) Business Days after all of the conditions to the Closing set forth in Article VI (other than conditions to be satisfied at the Closing, which shall be satisfied or waived at the Closing) have been satisfied or waived in accordance with the terms hereof.

(b) The closing of the transactions contemplated by this Agreement (the “*Closing*”) shall take place beginning immediately prior to the Effective Time (such date, the “*Closing Date*”) at the offices of Alston & Bird LLP, One

Atlantic Center, 1201 West Peachtree Street, Atlanta, GA 30309, or such other place as the Parties may mutually agree. At the Closing, there shall be delivered to FBMS and SWBS the Articles of Merger and such other certificates and other documents required to be delivered under Article VI.

Section 1.05 Additional Actions. If, at any time after the Effective Time, any Party shall consider or be advised that any further deeds, documents, assignments or assurances in Law or any other acts are necessary or desirable to carry out the purposes of this Agreement (such Party, the “**Requesting Party**”), the other Party and its Subsidiaries and their respective officers and directors shall be deemed to have granted to the Requesting Party and its Subsidiaries, and each or any of them, an irrevocable power of attorney to execute and deliver, in such official corporate capacities, all such deeds, assignments or assurances in Law or any other acts as are necessary or desirable to carry out the purposes of this Agreement, and the officers and directors of the Requesting Party and its Subsidiaries, as applicable, are authorized in the name of the other Party and its Subsidiaries or otherwise to take any and all such action.

Section 1.06 Officers and Directors. The officers and directors of FBMS immediately prior to the Effective Time shall remain the officers and directors of FBMS, until their respective successors have been duly elected, appointed or qualified or until their earlier death, resignation or removal in accordance with the articles of incorporation and bylaws of FBMS.

Section 1.07 Reservation of Right to Revise Structure. FBMS may at any time and without the approval of SWBS change the method of effecting the business combination contemplated by this Agreement if and to the extent that it reasonably deems such a change to be necessary; *provided, however*, that no such change shall (i) alter or change the amount or form of the consideration to be issued to Holders as Merger Consideration as currently contemplated in this Agreement, (ii) reasonably be expected to materially impede or delay consummation of the Merger, (iii) adversely affect the federal or state income tax treatment of Holders in connection with the Merger, (iv) require submission to or approval of SWBS’s shareholders after the plan of merger set forth in this Agreement has been approved by SWBS’s shareholders, or (v) result in the Merger or other method of effecting the business combination failing to be a reorganization described in Section 368(a) of the Code or FBMS and SWBS failing to be parties to such reorganization. In the event that FBMS elects to make such a change, the Parties agree to cooperate to execute appropriate documents to reflect the change.

Article II

MERGER CONSIDERATION; EXCHANGE PROCEDURES

Section 2.01 Merger Consideration. Subject to the provisions of this Agreement, at the Effective Time, automatically by virtue of the Merger and without any action on the part of the Parties or any shareholder of SWBS:

(a) Each share of FBMS Common Stock that is issued and outstanding immediately prior to the Effective Time shall remain outstanding following the Effective Time and shall be unchanged by the Merger.

(b) Each share of SWBS Common Stock owned directly by FBMS, SWBS or any of their respective Subsidiaries (other than shares in trust accounts, managed accounts and the like for the benefit of customers or shares held as collateral for outstanding debt previously contracted) immediately prior to the Effective Time shall be cancelled and retired at the Effective Time without any conversion thereof, and no payment shall be made with respect thereto.

(c) Each share of SWBS Common Stock outstanding immediately prior to the Effective Time (other than Dissenting Shares, treasury stock and shares described in Section 2.01(b)), shall be converted, in accordance with the procedures set forth in this Article II, into the right to receive (i) the Per Share Cash Consideration, and (ii) the Per Share Stock Consideration.

For purposes of this Agreement:

“Cash Consideration” means an amount equal to \$24 million, provided that if SWBS’s Adjusted Tangible Common Equity as of the Closing is less than \$32 million, the Cash Consideration shall be reduced by an amount equal to (x) \$32 million minus (y) SWBS’s actual Adjusted Tangible Common Equity as of the Closing.

“Actual Closing Price” means the average closing price of the FBMS Common Stock as reported on the Nasdaq Stock Market for the ten Trading Days preceding the date that is the fifth business day preceding the Closing Date.

“Adjusted Closing Price” means (i) if the Actual Closing Price is at least 20% higher than the Signing Price (as defined below), then an amount equal to 120% of the Signing Price; or (ii) if the Actual Closing Price is at least 20% lower than the Signing Price, an amount equal to 80% of the Signing Price; or (iii) if the Actual Closing Price is neither 20% higher than the Signing Price nor 20% lower than the Signing Price, then an amount equal to the Actual Closing Price.

“Merger Consideration” means the Per Share Stock Consideration together with the Per Share Cash Consideration.

“Per Share Cash Consideration” means Pro Rata Share of the Cash Consideration.

“Per Share Stock Consideration” means a Pro Rata Share of the Stock Consideration.

“*Signing Price*” means \$30.45.

“*Stock Consideration*” shall mean a number of shares of FBMS Common Stock calculated by dividing \$36 million by the Adjusted Closing Price.

“*Pro Rata Share*” shall mean the quotient obtained by dividing (i) the number one by (ii) the total number of shares of SWBS Common Stock outstanding as of the Effective Time.

(d) Notwithstanding anything in this Agreement to the contrary, shares of SWBS Common Stock that are issued and outstanding immediately prior to the Effective Time and which are held by a shareholder who did not vote in favor of the Merger (or consent thereto in writing) and who is entitled to demand and properly demands the fair value of such shares pursuant to, and who complies in all respects with, the provisions of Article 13 of the ABCL (the “*Dissenting Shares*”), shall not be converted into or be exchangeable for the right to receive the Merger Consideration, but instead the holder of such Dissenting Shares (hereinafter called a “*Dissenting Shareholder*”) shall be entitled to payment of the fair value of such shares in accordance with the provisions of Article 13 of the ABCL (and at the Effective Time, such Dissenting Shares shall no longer be outstanding and shall automatically be cancelled and shall cease to exist), unless and until such Dissenting Shareholder shall have failed to perfect such holder’s right to receive, or shall have effectively withdrawn or lost rights to demand or receive, the fair value of such shares of SWBS Common Stock under such provisions of the ABCL. If any Dissenting Shareholder shall effectively withdraw or lose such Holder’s dissenter’s rights under the applicable provisions of the ABCL, each such Dissenting Share shall be deemed to have been converted into and to have become exchangeable for, the right to receive the Merger Consideration, without any interest thereon, in accordance with the applicable provisions of this Agreement. SWBS shall give FBMS (i) prompt notice of any written notices to exercise dissenters’ rights in respect of any shares of SWBS Common Stock, attempted withdrawals of such notices and any other instruments served pursuant to the ABCL and received by SWBS relating to dissenters’ rights and (ii) the opportunity to participate in negotiations and proceedings with respect to demands for fair value under the ABCL. SWBS shall not, except with the prior written consent of FBMS, voluntarily make any payment with respect to, or settle, or offer or agree to settle, any such demand for payment. Any portion of the Merger Consideration made available to the Exchange Agent pursuant to this Article II to pay for shares of SWBS Common Stock for which dissenters’ rights have been perfected shall be returned to FBMS upon demand. If the amount paid to a Dissenting Shareholder exceeds such Dissenting Shareholder’s Merger Consideration, such excess amount shall not reduce the amount of Merger Consideration paid to other Holders.

Section 2.02 SWBS Stock-Based Awards.

(a) Immediately prior to the Effective Time, each share of SWBS Common Stock subject to vesting restrictions granted under the SWBS Stock Plans (a “*SWBS Restricted Share*”) that is outstanding immediately prior to the Effective Time shall become fully vested and nonforfeitable and shall be converted automatically into and shall thereafter represent the right to receive the Per Share Cash Consideration and the Per Share Stock Consideration, less the amount of any required withholding Tax, pursuant to Section 2.01(c).

(b) Prior to the Effective Time, the board of directors of SWBS (or, if appropriate, any committee thereof administering the SWBS Stock Plans) shall adopt such resolutions or take such other actions, including obtaining any necessary consents or amendments to the applicable award agreements and equity plans, as may be required to effectuate the provisions of this Section 2.02.

Section 2.03 Rights as Shareholders; Stock Transfers. At the Effective Time, all shares of SWBS Common Stock, when converted in accordance with Section 2.01, shall no longer be outstanding and shall automatically be cancelled

and retired and shall cease to exist, and each Certificate or Book-Entry Share previously evidencing such shares shall thereafter represent only the right to receive for each such share of SWBS Common Stock, the Merger Consideration and any cash in lieu of fractional shares of FBMS Common Stock in accordance with this Article II. At the Effective Time, holders of SWBS Common Stock shall cease to be, and shall have no rights as, shareholders of SWBS, other than the right to receive the Merger Consideration and cash in lieu of fractional shares of FBMS Common Stock as provided under this Article II. After the Effective Time, there shall be no registration of transfers on the stock transfer books of SWBS of shares of SWBS Common Stock.

Section 2.04 Fractional Shares. Notwithstanding any other provision hereof, no fractional shares of FBMS Common Stock and no certificates or scrip therefor, or other evidence of ownership thereof, will be issued in the Merger. In lieu thereof, FBMS shall pay or cause to be paid to each holder of a fractional share of FBMS Common Stock, rounded to the nearest one hundredth of a share, an amount of cash (without interest and rounded to the nearest whole cent) determined by multiplying the fractional share interest in FBMS Common Stock to which such holder would otherwise be entitled by the Adjusted Closing Price.

Section 2.05 Plan of Reorganization. It is intended that the Merger and the Bank Merger shall each qualify as a “reorganization” within the meaning of Section 368(a) of the Code, and that this Agreement shall constitute a “plan of reorganization” as that term is used in Sections 354 and 361 of the Code.

Section 2.06 Exchange Procedures. As promptly as practicable after the Effective Time but in no event later than three (3) Business Days after the Closing Date, and *provided that* SWBS has delivered, or caused to be delivered, to the Exchange Agent all information that is necessary for the Exchange Agent to perform its obligations as specified herein, the Exchange Agent shall mail or otherwise cause to be delivered to each Holder appropriate and customary transmittal materials, which shall specify that delivery shall be effected, and risk of loss and title to the Certificates or Book-Entry Shares shall pass, only upon delivery of the Certificates or Book-Entry Shares to the Exchange Agent, as well as instructions for use in effecting the surrender of the Certificates or Book-Entry Shares in exchange for the Merger Consideration as provided for in this Agreement (the “*Letter of Transmittal*”). The form of the Letter of Transmittal is attached hereto at Exhibit F.

Section 2.07 Deposit of Merger Consideration.

(a) Prior to the Effective Time, FBMS shall (i) deposit, or shall cause to be deposited, with the Exchange Agent stock certificates representing the number of shares of FBMS Common Stock and cash sufficient to deliver the Merger Consideration (together with, to the extent then determinable, any cash payable in lieu of fractional shares pursuant to Section 2.04, and if applicable, cash in an aggregate amount sufficient to make the appropriate payment to the holders of Dissenting Shares) (collectively, the “*Exchange Fund*”), and (ii) instruct the Exchange Agent to promptly pay such Merger Consideration and cash in lieu of fractional shares upon receipt of a properly completed Letter of Transmittal in accordance with this Agreement.

(b) Any portion of the Exchange Fund that remains unclaimed by the shareholders of SWBS for one (1) year after the Effective Time (as well as any interest or proceeds from any investment thereof) shall be delivered by the Exchange Agent to FBMS. Any shareholders of SWBS who have not theretofore complied with this Section 2.07 and Section 2.08(a) shall thereafter look only to FBMS for the Merger Consideration deliverable in respect of each share of SWBS Common Stock such shareholder held as of immediately prior to the Effective Time, as determined pursuant to this Agreement, in each case without any interest thereon. If outstanding Certificates or Book-Entry Shares for shares of SWBS Common Stock are not surrendered or the payment for them is not claimed prior to the date on which such shares of FBMS Common Stock or cash escheat to or become the property of any governmental unit or agency according to the relevant abandoned property laws, such unclaimed items shall escheat to the appropriate governmental unit or agency. Neither the Exchange Agent nor any Party shall be liable to any Holder represented by any Certificate or Book-Entry Share for any Merger Consideration (or any dividends or distributions with respect thereto) paid to a public official pursuant to applicable abandoned property, escheat or similar Laws. FBMS and the Exchange Agent shall be entitled to rely upon the stock transfer books of SWBS to establish the identity of those Persons entitled to receive the Merger Consideration specified in this Agreement, which books shall be conclusive with respect thereto. In the event of a dispute with respect to ownership of any shares of SWBS Common Stock represented by any Certificate or Book-Entry Share, FBMS and the Exchange Agent shall be entitled to tender to the custody of any court of competent jurisdiction any Merger Consideration represented by such Certificate or Book-Entry Share and file legal proceedings interpleading all parties to such dispute, and will thereafter be relieved with respect to any claims thereto.

Section 2.08 Delivery of Merger Consideration.

(a) Upon surrender to the Exchange Agent of its Certificate(s) or Book-Entry Share(s), accompanied by a properly completed Letter of Transmittal timely delivered to the Exchange Agent, a Holder will be entitled to receive such Holder's pro rata portion of the Aggregate Merger Consideration and any cash in lieu of fractional shares of FBMS Common Stock to be issued or paid in consideration therefor (with such cash rounded to the nearest whole cent) in respect of the shares of SWBS Common Stock represented by such Holder's Certificates or Book-Entry Shares. FBMS shall use commercially reasonable efforts to cause the Exchange Agent to provide to each such Holder their pro rata portion of the Aggregate Merger Consideration and any cash in lieu of fractional shares of SWBS Common Stock to be issued or paid in consideration therefor (with such cash rounded to the nearest whole cent) in respect of the shares of SWBS Common Stock represented by such Holder's Certificates or Book-Entry Shares promptly after the Effective Time. The Exchange Agent and FBMS, as the case may be, shall not be obligated to deliver cash and/or shares of FBMS Common Stock to a Holder to which such Holder would otherwise be entitled as a result of the Merger until such Holder surrenders the Certificates or Book-Entry Shares representing the shares of SWBS Common Stock for exchange as provided in this Article II, or, an appropriate affidavit of loss and indemnity agreement and/or a bond in such amount as may be reasonably required in each case by FBMS or the Exchange Agent.

(b) All shares of FBMS Common Stock to be issued pursuant to the Merger shall be deemed issued and outstanding as of the Effective Time and if ever a dividend or other distribution is declared by FBMS in respect of the FBMS Common Stock, the record date for which is at or after the Effective Time, that declaration shall include dividends or other distributions in respect of all shares of FBMS Common Stock issuable pursuant to this Agreement. No dividends or other distributions in respect of the FBMS Common Stock shall be paid to any holder of any unsurrendered Certificate or Book-Entry Share until such Certificate or Book-Entry Share is surrendered for exchange in accordance with this Article II. Subject to the effect of applicable Laws, following surrender of any such Certificate or Book-Entry Share, there shall be issued and/or paid to the holder of the certificates representing whole shares of FBMS Common Stock issued in exchange therefor, without interest, (i) at the time of such surrender, the dividends or other distributions with a record date at or after the Effective Time and with a payment date prior to surrender with respect to such whole shares of FBMS Common Stock and not paid and (ii) at the appropriate payment date, the dividends or other distributions payable with respect to such whole shares of FBMS Common Stock with a record date at or after the Effective Time but with a payment date subsequent to surrender.

(c) FBMS or the Exchange Agent, as applicable, shall be entitled to deduct and withhold from any amounts otherwise payable pursuant to this Agreement to any Holder such amounts as FBMS is required to deduct and withhold under applicable Law. Any amounts so deducted and withheld shall be remitted to the appropriate Governmental Authority and upon such remittance shall be treated for all purposes of this Agreement as having been paid to the Holder in respect of which such deduction and withholding was made by FBMS or the Exchange Agent, as applicable.

Section 2.09 Anti-Dilution Provisions. A complete and accurate list of all such jurisdictions described in (a) and (b) is set forth in SWBS Disclosure Schedule 3.01.

Section 3.02 Capital Stock.

(a) The authorized capital stock of SWBS consists of 3,000,000 shares of SWBS Common Stock. As of the date hereof, there are 71,317 shares of SWBS Common Stock issued and outstanding. (b) As of the date hereof, SWBS has no Knowledge of any reason (i) why the Regulatory Approvals referred to in Section 6.01(b) will not be received in customary time frames from the applicable Governmental Authorities having jurisdiction over the transactions contemplated by this Agreement or (ii) why any Burdensome Condition would be imposed.

Section 3.07 Financial Statements; Internal Controls.

(a) SWBS has previously delivered or made available to FBMS copies of SWBS's (i) audited consolidated financial statements (including the related notes and schedules thereto) for the years ended December 31, 2016, 2015 and 2014, accompanied by the unqualified audit reports of Mauldin and Jenkins, LLC, independent registered accountants (collectively, the "***Audited Financial Statements***") and (ii) unaudited interim consolidated financial statements (including the related notes and schedules thereto) for the six months ended June 30, 2017 (the "***Unaudited Financial Statements***" and collectively with the Audited Financial Statements, the "***Financial Statements***"). No financial statements of any entity or enterprise other than the SWBS's Subsidiaries are required by GAAP to be included in the consolidated financial statements of SWBS. The audits of SWBS have been conducted in accordance with GAAP. (c) Except as set forth in SWBS Disclosure Schedule 3.07, since January 1, 2014, neither SWBS nor any of its Subsidiaries nor, to SWBS's Knowledge, any director, officer, employee, auditor, accountant or representative of SWBS or any of its Subsidiaries has received, or otherwise had or obtained Knowledge of, any material complaint, allegation, assertion or claim regarding the accounting or auditing practices, procedures, methodologies or methods of SWBS or any of its Subsidiaries or their respective internal accounting controls, including any material complaint, allegation, assertion or claim that SWBS or any of its Subsidiaries has engaged in questionable accounting or auditing practices.

Since January 1, 2014, SWBS and its Subsidiaries have duly filed with the FRB, the FDIC, and any other applicable Governmental Authority, in correct form, the material reports and other documents required to be filed under applicable Laws and regulations and have paid all fees and assessments due and payable in connection therewith, and such reports were complete and accurate and in compliance in all material respects with the requirements of applicable Laws and regulations. Other than normal examinations conducted by a Governmental Authority in the Ordinary Course of Business, no Governmental Authority has notified SWBS or any of its Subsidiaries that it has initiated any proceeding or, to the Knowledge of SWBS, threatened an investigation into the business or operations of SWBS or any of its Subsidiaries since January 1, 2014. There is no unresolved material violation, criticism, or exception by any Governmental Authority with respect to any report or statement relating to any examinations or inspections of SWBS or any of its Subsidiaries. There have been no formal or informal inquiries by, or disagreements or disputes with, any Governmental Authority with respect to the business, operations, policies or procedures of SWBS or any of its Subsidiaries since January 1, 2014.

(a) SWBS Disclosure Schedule 3.15(a) sets forth a true and complete list of each SWBS Benefit Plan. For purposes of this Agreement, “**SWBS Benefit Plan**” means all benefit and compensation plans, contracts, policies or arrangements (i) covering current or former employees of SWBS, any of its Subsidiaries or any of SWBS’s related organizations described in Code Sections 414(b), (c) or (m), or any entity which is considered one employer with SWBS, any of its Subsidiaries or Controlled Group Members under Section 4001 of ERISA or Section 414 of the Code (“**ERISA Affiliates**”) (such current employees collectively, the “**SWBS Employees**”), (ii) covering current or former directors of SWBS, any of its Subsidiaries, or ERISA Affiliates, or (iii) with respect to which SWBS or any of its Subsidiaries has or may have any liability or contingent liability (including liability arising from ERISA Affiliates) including, but not limited to, “employee benefit plans” within the meaning of Section 3(3) of ERISA, health/welfare, change-of-control, fringe benefit, deferred compensation, defined benefit plan, defined contribution plan, stock option, stock purchase, stock appreciation rights, stock based, incentive, bonus plans, retirement plans and other policies, plans or arrangements whether or not subject to ERISA.

(c) All SWBS Benefit Plans are in compliance in all material respects in form and operation with all applicable Laws, including ERISA and the Code. Each SWBS Benefit Plan which is intended to be qualified under Section 401(a) of the Code (“**SWBS 401(a) Plan**”), has received a favorable opinion, determination or advisory letter from the IRS, and SWBS is not aware of any circumstance that could reasonably be expected to result in revocation of any such favorable determination, opinion, or advisory letter or the loss of the qualification of such SWBS 401(a) Plan under Section 401(a) of the Code, and nothing has occurred that would reasonably be expected to result in the SWBS 401(a) Plan ceasing to be qualified under Section 401(a) of the Code. All SWBS Benefit Plans have been administered in all material respects in accordance with their terms. There is no pending or, to SWBS’s Knowledge, threatened litigation or regulatory action relating to the SWBS Benefit Plans. Neither SWBS nor any of its Subsidiaries has engaged in a transaction with respect to any SWBS Benefit Plan, including a SWBS 401(a) Plan that could subject SWBS or any of its Subsidiaries to a tax or penalty under any Law including, but not limited to, Section 4975 of the Code or Section 502(i) of ERISA. No SWBS 401(a) Plan has been submitted under or been the subject of an IRS voluntary compliance program submission that is still outstanding or that has not been fully corrected in accordance with a compliance statement issued by the IRS with respect to any applicable failures. SWBS may amend or terminate any such SWBS Benefit Plan at any time without incurring any liability thereunder for future benefits coverage at any time after such termination.

(h) Except as set forth in SWBS Disclosure Schedule 3.15(h) and except as otherwise provided for in this Agreement, neither the execution of this Agreement, shareholder approval of this Agreement or consummation of any of the transactions contemplated by this Agreement (individually or in conjunction with any other event) will (i) entitle any SWBS Employee to severance pay or any increase in severance pay upon any termination of employment, (ii) accelerate the time of payment or vesting (except as required by Law) or trigger any payment or funding (through a grantor trust or otherwise) of compensation or benefits under, increase the amount payable or trigger any other material obligation pursuant to, any of the SWBS Benefit Plans, (iii) result in any breach or violation of, or a default under, any of the SWBS Benefit Plans, (iv) result in any payment that would be an excess “parachute payment” to a “disqualified individual” as those terms are defined in Section 280G of the Code, or (v) limit or restrict the right of SWBS or, after the consummation of the transactions contemplated hereby, FBMS or any of its Subsidiaries, to merge, amend or terminate any of the SWBS Benefit Plans.

(i) Each SWBS Benefit Plan that is a non-qualified deferred compensation plan or arrangement within the meaning of Section 409A of the Code, and any underlying award, is in compliance in all material respects with Section 409A of the Code. SWBS and its Subsidiaries have correctly classified all individuals who directly or indirectly perform services for SWBS or any of its Subsidiaries for purposes of federal and state unemployment compensation Laws, workers' compensation Laws and the rules and regulations of the U.S. Department of Labor. To SWBS's Knowledge, no officer of SWBS or any of its Subsidiaries is in material violation of any employment contract, confidentiality, non-competition agreement or any other restrictive covenant.

All such Tax Returns were correct and complete in all material respects and have been prepared in substantial compliance with all applicable Laws. All material Taxes due and owing by SWBS or any of its Subsidiaries (whether or not shown on any Tax Return) have been paid. Except as set forth in SWBS Disclosure Schedule 3.18(a), neither SWBS nor any of its Subsidiaries is currently the beneficiary of any extension of time within which to file any material Tax Return. Neither SWBS nor any of its Subsidiaries has ever received written notice of any claim by any Governmental Authority in a jurisdiction where SWBS or such Subsidiary does not file Tax Returns that it is or may be subject to Taxes by that jurisdiction. There are no material Liens for Taxes (other than Taxes not yet due and payable or that are being contested in good faith by appropriate proceedings and for which adequate reserves have been established in accordance with GAAP) upon any of the assets of SWBS or any of its Subsidiaries.

(b) SWBS and each of its Subsidiaries have properly withheld and paid over to the appropriate Governmental Authority all material Taxes required to have been withheld and paid over in connection with any amounts paid or owing to any employee, independent contractor, creditor, stockholder or other Person, and have complied in all material respects with all applicable reporting requirements related to Taxes.

(c) No foreign, federal, state, or local Tax audits or administrative or judicial Tax proceedings are currently being conducted or pending or threatened in writing, in each case, with respect to a material amount of Taxes of SWBS or any of its Subsidiaries. SWBS (i) has not been a member of an affiliated group filing a consolidated federal income Tax Return (other than a group the common parent of which was SWBS), and (ii) has no liability for the Taxes of any Person (other than SWBS and its Subsidiaries) under Regulations Section 1.1502-6 (or any similar provision of foreign, state or local Law), as a transferee or successor, by contract, or otherwise.

(g) The most recent Financial Statements as of the date hereof reflect an adequate reserve, in accordance with GAAP, for all Taxes payable by SWBS and its Subsidiaries for all taxable periods through the date of such Financial Statements. Since December 31, 2016, neither SWBS nor any of its Subsidiaries has incurred any liability for Taxes arising from extraordinary gains or losses, as that term is used in GAAP, outside the Ordinary Course of Business.

(h) Neither SWBS nor any of its Subsidiaries will be required to include any material item of income in, or exclude any material item of deduction from, taxable income for any taxable period (or portion thereof) ending after the Effective Time as a result of any: (i) change in method of accounting pursuant to Section 481 of the Code or any comparable provision under foreign, state or local Law for a taxable period ending on or prior to the Closing Date; (ii)

“closing agreement” as described in Code Section 7121 (or any corresponding or similar provision of foreign, state or local Law) executed on or prior to the Closing Date; (iii) intercompany transactions or any excess loss account described in Regulations under Code Section 1502 (or any corresponding or similar provision of foreign, state or local Law); (iv) installment sale or open transaction disposition made on or prior to the Closing Date; or (v) prepaid amount received on or prior to the Closing Date.

(l) Since January 1, 2001, SWBS has been a validly electing “S corporation” (Subchapter S corporation) under Sections 1361 and 1362 of the Code for federal income Tax purposes, and an “S corporation” in all states that permit comparable flow-through income Tax treatment for state purposes (whether or not the state requires a separate state election). No actions or omissions have been committed by SWBS, holders of SWBS Common Stock or otherwise to cause SWBS to cease to so qualify as an “S corporation.” At no time has SWBS had, within the meaning of Code Section 1361(b) and the Treasury Regulations thereunder: (i) more than 100 shareholders (taking into account the special rules regarding family members in Code Section 1361(c)(1)); (ii) any shareholder who is a person (other than an estate, a trust described in Code Section 1361(c)(2), or an organization described in Code Section 1361(c)(6)) who is not an individual; (iii) any shareholder that is a nonresident alien; or (iv) more than one class of stock. Neither SWBS nor any of its Subsidiaries is a financial institution which uses the reserve method of accounting for bad debts described in Code 585. Any “trust preferred securities” issued by SWBS or any of its Subsidiaries are properly treated as debt, rather than equity, for federal income Tax purposes. Neither SWBS nor any of its Subsidiaries has, in the past ten years, acquired assets from a C corporation in a transaction in which the Tax basis of SWBS or any of its Subsidiaries for the acquired assets was determined, in whole or in part, by reference to the Tax basis of the acquired assets in the hands of the transferor.

(m) Since January 1, 2001, each Subsidiary of SWBS that otherwise would be taxed as a domestic corporation as that term is defined in Section 7701(a)(3) and the Treasury Regulations thereunder, is and always has been, within the meaning of Section 1361(b)(3) and the Treasury Regulations thereunder, a domestic corporation, a 100% subsidiary of SWBS, a properly electing “qualified subchapter S subsidiary” within the meaning of Section 1361(b)(3)(B) of the Code.

(n) Neither SWBS nor any of its Subsidiaries has taken or agreed to take any action, or is aware of any fact or circumstance, that would be reasonably likely to prevent the Merger or the Bank Merger from qualifying for U.S.

All such SWBS Loans are owned by SWBS or its Subsidiary free and clear of any Liens. No claims of defense as to the enforcement of any SWBS Loan have been asserted in writing against SWBS or any of its Subsidiaries for which there is a reasonable possibility of a material adverse determination, and SWBS has no Knowledge of any acts or omissions which would give rise to any claim or right of rescission, set-off, counterclaim or defense for which there is a reasonable possibility of a material adverse determination to its Subsidiaries. Except as set forth in SWBS Disclosure Schedule 3.22(e), no SWBS Loans are presently serviced by third parties, and there is no obligation which could result in any SWBS Loan becoming subject to any third party servicing.

(f) Neither SWBS nor any of its Subsidiaries is a party to any agreement or arrangement with (or otherwise obligated to) any Person which obligates SWBS or any of its Subsidiaries to repurchase from any such Person any Loan or other asset of SWBS or any of its Subsidiaries, unless there is a material breach of a representation or covenant by SWBS or any of its Subsidiaries, and none of the agreements pursuant to which SWBS or any of its Subsidiaries has sold Loans or pools of Loans or participations in Loans or pools of Loans contains any obligation to repurchase such Loans or interests therein solely on account of a payment default by the obligor on any such Loan.

(g) Neither SWBS nor any of its Subsidiaries is now nor has it ever been since January 1, 2014, subject to any fine, suspension, settlement or other contract or other administrative agreement or sanction by, or any reduction in any loan purchase commitment from, any Governmental Authority relating to the origination, sale or servicing of mortgage or consumer Loans.

Neither SWBS nor any of its Subsidiaries is a party to any agreement with any individual or group regarding Community Reinvestment Act matters and neither SWBS nor any of its Subsidiaries is aware of or has Knowledge, that any facts or circumstances exist, which would cause SWBS or any of its Subsidiaries: (i) to be deemed not to be in satisfactory compliance with the Community Reinvestment Act, and the regulations promulgated thereunder, or to be assigned a rating for Community Reinvestment Act purposes by federal or state bank regulators of lower than “satisfactory”; or (ii) to be deemed to be operating in violation of the Bank Secrecy Act and its implementing regulations (31 C.F.R. To its Knowledge, the SWBS Intellectual Property constitutes all of the Intellectual Property necessary to carry on the business of SWBS and its Subsidiaries as currently conducted. The SWBS Intellectual Property is valid and enforceable and has not been cancelled, forfeited, expired or abandoned, and neither SWBS nor any of its Subsidiaries has received notice challenging the validity or enforceability of SWBS Intellectual Property. None of SWBS or any of its Subsidiaries is, nor will any of them be as a result of the execution and delivery of this Agreement or the performance by SWBS of its obligations hereunder, in violation of any licenses, sublicenses and other agreements as to which SWBS or any of its Subsidiaries is a party and pursuant to which SWBS or any of its Subsidiaries is authorized to use any third-party patents, trademarks, service marks, copyrights, trade secrets or computer software, and neither SWBS nor any of its Subsidiaries has received notice challenging SWBS’s or any of its Subsidiaries’ license or legally enforceable right to use any such third-party intellectual property rights. The consummation of the transactions contemplated hereby will not result in the material loss or impairment of the right of SWBS or any of its Subsidiaries to own or use any of SWBS Intellectual Property.

Section 3.32 Insurance.

(a) SWBS Disclosure Schedule 3.32(a) identifies all of the insurance policies, binders, or bonds currently maintained by SWBS and its Subsidiaries (the “*Insurance Policies*”), including the insurer, policy numbers, amount of coverage, effective and termination dates and any pending claims thereunder involving more than \$10,000. SWBS and each of its Subsidiaries is insured with reputable insurers against such risks and in such amounts as the management of SWBS reasonably has determined to be prudent in accordance with industry practices. All of the Insurance Policies are in full force and effect, neither SWBS nor any Subsidiary has received notice of cancellation of any of the Insurance Policies or is otherwise aware that any insurer under any of the Insurance Policies has expressed an intent to cancel any such Insurance Policies, and neither SWBS nor any of its Subsidiaries is in default thereunder, and all claims thereunder have been filed in due and timely fashion in all material respects.

(b) SWBS Disclosure Schedule 3.32(b)(i) sets forth a true, correct and complete description of all bank owned life insurance (“*BOLI*”) owned by SWBS or its Subsidiaries, including the value of its BOLI as of the end of the month prior to the date hereof. The value of such BOLI is and has been fairly and accurately reflected in the most recent balance sheet included in the Financial Statements in accordance with GAAP. Except as set forth on SWBS Disclosure Schedule 3.32(b)(ii), all BOLI is owned solely by First Community Bank, no other Person has any ownership claims with respect to such BOLI or proceeds of insurance derived therefrom and there is no split dollar or similar benefit under SWBS’s BOLI. Neither SWBS nor any of SWBS’s Subsidiaries has any outstanding borrowings secured in whole or part by its BOLI.

Section 3.33 Antitakeover Provisions. No “control share acquisition,” “business combination moratorium,” “fair price” or other form of antitakeover statute or regulation is applicable to this Agreement and the transactions contemplated hereby and thereby.

Section 3.34 SWBS Information. The information relating to SWBS and its Subsidiaries that is provided by or on behalf of SWBS for inclusion in the Proxy Statement-Prospectus and the Registration Statement will not (with respect to the Proxy Statement-Prospectus, as of the date the Proxy Statement-Prospectus is first mailed to SWBS’s shareholders, and as of the date of the SWBS Meeting, with respect to the Registration Statement, as of the time the Registration Statement or any amendment or supplement thereto is declared effective under the Securities Act) contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances in which they are made, not misleading. The portions of the Proxy Statement-Prospectus relating to SWBS and SWBS’s Subsidiaries and other portions thereof within the reasonable control of SWBS and its Subsidiaries will comply in all material respects with the provisions of the Exchange Act, and the rules and regulations thereunder.

Section 3.35 Transaction Costs. SWBS Disclosure Schedule 3.35 sets forth an estimate of attorneys' fees, investment banking fees, accounting fees and other costs or fees of SWBS and its Subsidiaries that, based upon reasonable inquiry, are expected to be paid or accrued through the Closing Date in connection with the Merger and the other transactions contemplated by this Agreement.

The shares of FBMS Common Stock to be issued pursuant to this Agreement, when issued in accordance with the terms of this Agreement, will be duly authorized, validly issued, fully paid and non-assessable and will not be subject to preemptive rights. All shares of FBMS's capital stock issued and outstanding have been issued in compliance with and not in violation of any applicable federal or state securities Laws.

Section 4.03 Corporate Power. FBMS and each of its Subsidiaries has the corporate or similar power and authority to carry on its business as it is now being conducted and to own all of its properties and assets; and FBMS has the corporate power and authority to execute, deliver and perform its obligations under this Agreement and to consummate the transactions contemplated hereby, subject to receipt of all necessary approvals of Governmental Authorities and the Regulatory Approvals.

Section 4.04 Corporate Authority. This Agreement and the transactions contemplated hereby have been authorized by all necessary corporate action of FBMS on or prior to the date hereof. FBMS has duly executed and delivered this Agreement and, assuming due authorization, execution and delivery by SWBS, this Agreement is a valid and legally binding obligation of FBMS, enforceable in accordance with its terms (except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer and similar Laws of general applicability relating to or affecting creditors' rights or by general equity principles).

Section 4.05 SEC Documents: Financial Statements.

(a) FBMS has filed all required reports, forms, schedules, registration statements and other documents with the SEC that it has been required to file since December 31, 2014 (the “**FBMS Reports**”), and has paid all fees and assessments due and payable in connection therewith. As of their respective dates of filing with the SEC (or, if amended or superseded by a subsequent filing prior to the date hereof, as of the date of such subsequent filing), the FBMS Reports complied as to form in all material respects with the requirements of the Securities Act or the Exchange Act, as the case may be, and the rules and regulations of the SEC thereunder applicable to such FBMS Reports, and none of the FBMS Reports when filed with the SEC, or if amended prior to the date hereof, as of the date of such amendment, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(b) The consolidated financial statements of FBMS (including any related notes and schedules thereto) included in the FBMS Reports complied as to form, as of their respective dates of filing with the SEC (or, if amended or superseded by a subsequent filing prior to the date hereof, as of the date of such subsequent filing), in all material respects, with all applicable accounting requirements and with the published rules and regulations of the SEC with respect thereto (except, in the case of unaudited statements, as permitted by the rules of the SEC), have been prepared in accordance with GAAP applied on a consistent basis during the periods involved (except as may be disclosed therein), and fairly present, in all material respects, the consolidated financial position of FBMS and its Subsidiaries and the consolidated results of operations, changes in shareholders’ equity and cash flows of such companies as of the dates and for the periods shown.

(c) FBMS (x) has established and maintained disclosure controls and procedures and internal control over financial reporting (as such terms are defined in paragraphs (e) and (f), respectively, of Rule 13a-15 under the Exchange Act) as required by Rule 13a-15 under the Exchange Act, and (y) has disclosed, based on its most recent evaluation, to its outside auditors and the audit committee of FBMS’s board of directors (A) all significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting (as defined in Rule 13a-15(f) of the Exchange Act) which are reasonably likely to adversely affect FBMS’s ability to record, process, summarize and report financial data and (B) any fraud, whether or not material, that involves management or other employees who have a significant role in FBMS’s internal control over financial reporting.

Section 4.06 Regulatory Reports. Since January 1, 2014, FBMS and each of its Subsidiaries has timely filed with the OCC, the FRB and any other applicable Governmental Authority, all reports and statements, together with any amendments required to be made with respect thereto, that they were required to file since January 1, 2014 under applicable Law (other than FBMS Reports) and have paid all fees and assessments due and payable in connection therewith, except where the failure to file such report or statement or to pay such fees and assessments, either individually or in the aggregate, would not reasonably be likely to have a Material Adverse Effect with respect to FBMS. Except for normal examinations conducted by a Governmental Authority in the regular course of the business of FBMS and its Subsidiaries, no Governmental Authority has notified FBMS that it has initiated or has pending any proceeding or, to the Knowledge of FBMS threatened an investigation into the business or operations of FBMS or any of its Subsidiaries since January 1, 2014, except where such proceedings or investigation would not reasonably be likely to have, either individually or in the aggregate, a Material Adverse Effect with respect to FBMS. There is no unresolved violation, criticism or exception by any Governmental Authority with respect to any report filed by, or relating to any examinations or inspections by any such Governmental Authority of FBMS or any of its Subsidiaries which would reasonably be likely to have, either individually or in the aggregate, a Material Adverse Effect with respect to FBMS.

Section 4.07 Regulatory Approvals; No Defaults. No consents or approvals of, or waivers by, or filings or registrations with, any Governmental Authority are required to be made or obtained by FBMS or any of its Subsidiaries in connection with the execution, delivery or performance by FBMS of this Agreement or to consummate the transactions contemplated by this Agreement, including the Bank Merger, except for (i) the Regulatory Approvals, (ii) the filing with the SEC of the Proxy Statement and the filing and declaration of effectiveness of the Form S-4, (iii) the filing of the Articles of Merger contemplated by Section 1.05(a) and the filing of documents with the FDIC, the OCC, applicable state banking agencies, and the Secretary of State of Alabama to cause the Bank Merger to become effective, (iv) such other filings and reports as required pursuant to the Exchange Act and the rules and regulations promulgated thereunder, or applicable stock exchange requirements, (v) any consents, authorizations, approvals, filings or exemptions in connection with compliance with the rules and regulations of any applicable SRO and the rules of the NASDAQ and (vi) such filings and approvals as are required to be made or obtained under the securities or "Blue Sky" laws of various states in connection with the issuance of the shares of FBMS Common Stock pursuant to this Agreement and approval of listing of such FBMS Common Stock on the NASDAQ. Subject to the receipt of the approvals referred to in the preceding sentence, the execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby by FBMS do not and will not, (1) constitute a breach or violation of, or a default under, the articles of incorporation and bylaws of FBMS, (2) violate any statute, code, ordinance, rule, regulation, judgment, order, writ, decree or injunction applicable to FBMS or any of its Subsidiaries, or any of their respective properties or assets, (3) violate, result in a breach of any provision of or the loss of any benefit under, constitute a default (or an event which, with notice or lapse of time, or both, would constitute a default) under, result in the termination of or a right of termination or cancellation under, accelerate the performance required by, or result in the creation of any Lien upon any of the respective properties or assets of FBMS or any of its Subsidiaries under, any of the terms, conditions or provisions of any note, bond, mortgage, indenture, deed of trust, license, lease, contract, agreement or other instrument or obligation to which FBMS or any of its Subsidiaries is a party, or by which they or any of their respective properties or assets may be bound. As of the date hereof, FBMS is not aware of any reason (i) why the Regulatory Approvals and other necessary consents and approvals will not be received in order to permit consummation of the Merger and Bank Merger on a timely basis, and (ii) why any Burdensome Condition would be imposed.

Section 4.08 FBMS Information. The information relating to FBMS and its Subsidiaries that is supplied by or on behalf of FBMS for inclusion or incorporation by reference in the Proxy Statement-Prospectus and the Registration Statement will not (with respect to the Proxy Statement-Prospectus, as of the date the Proxy Statement-Prospectus is first mailed to SWBS shareholders, and as of the date of the SWBS Meeting, with respect to the Registration Statement, as of the time the Registration Statement or any amendment or supplement thereto is declared effective under the Securities Act) contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances in which they are made, not misleading; *provided, however*, that any information contained in any FBMS Report as of a later date shall be deemed to modify information as of an earlier date.

Section 4.09 Absence of Certain Changes or Events. There has been no change or development with respect to FBMS and its assets and business or combination of such changes or developments since December 31, 2016, which, individually or in the aggregate, has had or is reasonably likely to have a Material Adverse Effect with respect to FBMS.

Section 4.10 Compliance with Laws.

(a) FBMS and each of its Subsidiaries is, and have been since January 1, 2014, in compliance in all material respects with all applicable federal, state, local and foreign Laws, rules, judgments, orders or decrees applicable thereto or to the employees conducting such businesses, including, without limitation, Laws related to data protection or privacy, the USA PATRIOT Act, the Bank Secrecy Act, the Equal Credit Opportunity Act, the Fair Housing Act, the Home Mortgage Disclosure Act, the Community Reinvestment Act, the Fair Credit Reporting Act, the Truth in Lending Act, the Dodd-Frank Act, Sections 23A and 23B of the Federal Reserve Act, the Sarbanes-Oxley Act or the regulations implementing such statutes, all other applicable anti-money laundering Laws, fair lending Laws and other Laws relating to discriminatory lending, financing, leasing or business practices and all agency requirements relating to the origination, sale and servicing of mortgage loans. Neither FBMS nor any of its Subsidiaries has been advised of any supervisory concerns regarding their compliance with the Bank Secrecy Act or related state or federal anti-money laundering laws, regulations and guidelines, including without limitation those provisions of federal regulations requiring (i) the filing of reports, such as Currency Transaction Reports and Suspicious Activity Reports, (ii) the maintenance of records and (iii) the exercise of due diligence in identifying customers.

(b) FBMS and each of its Subsidiaries have all material permits, licenses, authorizations, orders and approvals of, and each has made all filings and applications and registrations with, all Governmental Authorities that are required in order to permit it to own or lease its properties and to conduct its business as presently conducted. All such permits, licenses, certificates of authority, orders and approvals are in full force and effect and, to FBMS's Knowledge, no suspension or cancellation of any of them is threatened.

(c) Neither FBMS nor any of its Subsidiaries has received, since January 1, 2014, written or, to FBMS's Knowledge, oral notification from any Governmental Authority (i) asserting that it is not in compliance with any of the Laws which such Governmental Authority enforces or (ii) threatening to revoke any license, franchise, permit or governmental authorization.

Section 4.11 FBMS Regulatory Matters.

(a) FBMS is regulated as a financial holding company under the Bank Holding Company Act of 1956.

(b) The deposit accounts of The First are insured by the FDIC through the Deposit Insurance Fund to the fullest extent permitted by Law, and all premiums and assessments required to be paid in connection therewith have been paid when due, and no proceedings for the termination of such insurance are pending or, to FBMS's Knowledge, threatened. The First received a rating of "satisfactory" in its most recent examination under the Community Reinvestment Act.

(c) Since January 1, 2014, neither FBMS nor any of its Subsidiaries is party to, or the subject of, any cease-and-desist order, consent order, written agreement, order for civil money penalty, refund, restitution, prompt corrective action directive, memorandum of understanding, supervisory letter, individual minimum capital requirement, operating agreement, or any other formal or informal enforcement action issued or required by, or entered into with, any Governmental Authority. Neither FBMS nor any of its Subsidiaries has made, adopted, or implemented any commitment, board resolution, policy, or procedure at the request or recommendation of any Governmental Authority that limits in any material respect the conduct of its business or that in any material manner relates to its capital adequacy, its payment of dividends or distribution of capital, its credit or risk management, its compliance program, its management, its growth, or its business. Neither FBMS nor any of its Subsidiaries has Knowledge that any Governmental Authority is considering issuing, initiating, ordering, requesting, recommending, or otherwise proceeding with any of the items referenced in this paragraph.

(d) Except for examinations of FBMS and its Subsidiaries conducted by their respective primary functional regulators in the Ordinary Course of Business, no Governmental Authority has initiated, threatened, or has pending any proceeding or, to the Knowledge of FBMS, any inquiry or investigation into the business or operations of FBMS or any of its Subsidiaries, except where such proceeding, inquiry, or investigation would not reasonably be likely to have, either individually or in the aggregate, a Material Adverse Effect with respect to FBMS or to prevent or materially delay receipt of the Regulatory Approvals.

(e) There is no unresolved violation, apparent violation, criticism, matter requiring attention, recommendation, or exception cited, made, or threatened by any Governmental Authority in any report of examination, report of inspection, supervisory letter or other communication with FBMS or any of its Subsidiaries that (i) would reasonably be likely to have, either individually or in the aggregate, a Material Adverse Effect with respect to FBMS or (ii) would reasonably be likely to prevent or materially delay the receipt of the Regulatory Approvals.

Section 4.12 Brokers. Neither FBMS nor any of its officers, directors or any of its Subsidiaries has employed any broker or finder or incurred, nor will it incur, any liability for any broker's fees, commissions or finder's fees in connection with any of the transactions contemplated by this Agreement, except that FBMS has engaged, and will pay a fee or commission to Performance Trust Capital Partners, LLC.

Section 4.13 Tax Matters.

(a) Each of FBMS and its Subsidiaries has filed all material Tax Returns that it was required to file under applicable Laws, other than Tax Returns that are not yet due or for which a request for extension was timely filed consistent with requirements of applicable Law. All such Tax Returns were correct and complete in all material respects and have been prepared in substantial compliance with all applicable Laws. All material Taxes due and owing by FBMS or any of its Subsidiaries (whether or not shown on any Tax Return) have been paid. Since January 1, 2014, neither FBMS nor any of its Subsidiaries has received written notice of any claim by any Governmental Authority in a jurisdiction where FBMS or such Subsidiary does not file Tax Returns that it is or may be subject to Taxes by that jurisdiction. There are no material Liens for Taxes (other than Taxes not yet due and payable or that are being contested in good faith by appropriate proceedings and for which adequate reserves have been established in accordance with GAAP) upon any of the assets of FBMS or any of its Subsidiaries.

(b) No foreign, federal, state, or local Tax audits or administrative or judicial Tax proceedings are currently being conducted or pending or threatened in writing, in each case, with respect to a material amount of Taxes of FBMS or any of its Subsidiaries. Neither FBMS nor any of its Subsidiaries has received from any foreign, federal, state, or local taxing authority (including jurisdictions where FBMS or any of its Subsidiaries have not filed Tax Returns) any (i) notice indicating an intent to open an audit or other review with respect to Taxes or (ii) notice of deficiency or proposed adjustment for any amount of material Tax proposed, asserted, or assessed by any taxing authority against FBMS or any of its Subsidiaries which, in either case (i) or (ii), have not been fully paid or settled.

(c) Since December 31, 2016, neither FBMS nor any of its Subsidiaries has incurred any liability for Taxes arising from extraordinary gains or losses, as that term is used in GAAP, outside the ordinary course of business.

(d) Neither FBMS nor any of its Subsidiaries has been a party to any "listed transaction," as defined in Section 6707A(c)(2) of the Code and Section 1.6011-4(b)(2) of the Regulations in any tax year for which the statute of limitations has not expired.

(e) Neither FBMS nor any of its Subsidiaries has taken or agreed to take any action, or is aware of any fact or circumstance, that would be reasonably likely to prevent the Merger or the Bank Merger from qualifying for U.S.

federal income tax purposes as a “reorganization” within the meaning of Section 368(a) of the Code.

(f) Neither FBMS nor any of its Subsidiaries has been a United States real property holding corporation within the meaning of Code Section 897(c)(2) during the applicable period specified in Code Section 897(c)(1)(A)(ii).

Section 4.15 No Financing. FBMS has and will have as of the Effective Time, without having to resort to external sources, sufficient capital to effect the transactions contemplated by this Agreement.

Section 4.16 Legal Proceedings.

(a) Other than as set forth in FBMS Disclosure Schedule 4.16(a), there are no material civil, criminal, administrative or regulatory actions, suits, demand letters, demands for indemnification, claims, hearings, notices of violation, arbitrations, investigations, orders to show cause, market conduct examinations, notices of non-compliance or other proceedings of any nature pending or, to the Knowledge of FBMS, threatened against FBMS or any of its Subsidiaries or to which FBMS or any of its Subsidiaries is a party, including without limitation, any such actions, suits, demand letters, demands for indemnification, claims, hearings, notices of violation, arbitrations, investigations, orders to show cause, market conduct examinations, notices of non-compliance or other proceedings of any nature that would challenge the validity or propriety of the transactions contemplated by this Agreement.

(b) Other than as set forth on FBMS Disclosure Schedule 4.16(b), there is no material injunction, order, judgment or decree imposed upon FBMS or any of its Subsidiaries, or the assets of FBMS or any of its Subsidiaries, and neither FBMS nor any of its Subsidiaries has been advised of the threat of any such action, other than any such injunction, order, judgement or decree that is generally applicable to all Persons in businesses similar to that of FBMS or any of FBMS’s Subsidiaries

Section 4.17 Loans; Nonperforming and Classified Assets.

(a) FBMS Disclosure Schedule 4.17(a) identifies any written loan, loan agreement, note or borrowing arrangement and other extensions of credit (including, without limitation, leases, credit enhancements, commitments, guarantees and interest-bearing assets) to which FBMS or any of its respective Subsidiaries is a party (collectively, “*Loans*”), under the terms of which the obligor was over sixty (60) days delinquent in payment of principal or interest as of August 31, 2017.

(b) FBMS Disclosure Schedule 4.17(b) identifies each Loan that was classified as “Special Mention,” “Substandard,” “Doubtful,” “Loss,” “Classified,” “Criticized” or words of similar import by FBMS or any bank examiner, together with the principal amount of and accrued and unpaid interest on each such Loan and the identity of the borrower thereunder as of August 31, 2017.

(c) FBMS Disclosure Schedule 4.17(c) identifies each asset of FBMS or any of its Subsidiaries that as of December 31, 2016 was classified as other real estate owned (“**OREO**”) and the book value thereof as of August 31, 2017 as well as any assets classified as OREO between December 31, 2016 and August 31, 2017 and any sales of OREO between December 31, 2016 and August 31, 2017.

(d) To its Knowledge, each Loan held in FBMS’s or any of its Subsidiaries’ loan portfolio (each a “**FBMS Loan**”), in all material respects, (i) is evidenced by notes, agreements or other evidences of indebtedness that are true, genuine and what they purport to be, (ii) to the extent secured, is and has been secured by valid Liens which have been perfected and (iii) is a legal, valid and binding obligation of the FBMS and the obligor named therein, and, assuming due authorization, execution and delivery thereof by such obligor or obligors, enforceable in accordance with its terms, subject to bankruptcy, insolvency, fraudulent conveyance and other Laws of general applicability relating to or affecting creditors’ rights and to general equity principles.

(e) All currently outstanding FBMS Loans were solicited, originated and, currently exist in material compliance with all applicable requirements of Law and the notes or other credit or security documents with respect to each such outstanding FBMS Loan are materially complete and correct. There are no oral modifications or amendments or additional agreements related to the FBMS Loans that are not reflected in the written records of FBMS or its Subsidiary, as applicable. All such FBMS Loans are owned by FBMS or its Subsidiary free and clear of any Liens. No claims of defense as to the enforcement of any FBMS Loan have been asserted in writing against FBMS or any of its Subsidiaries for which there is a reasonable possibility of a material adverse determination, and FBMS has no Knowledge of any acts or omissions which would give rise to any claim or right of rescission, set-off, counterclaim or defense for which there is a reasonable possibility of a material adverse determination to its Subsidiaries. Except as set forth in FBMS Disclosure Schedule 4.17(e), no FBMS Loans are presently serviced by third parties, and there is no obligation which could result in any FBMS Loan becoming subject to any third party servicing.

(f) Neither FBMS nor any of its Subsidiaries is a party to any agreement or arrangement with (or otherwise obligated to) any Person which obligates FBMS or any of its Subsidiaries to repurchase from any such Person any Loan or other asset of FBMS or any of its Subsidiaries, unless there is a material breach of a representation or covenant by FBMS or any of its Subsidiaries, and none of the agreements pursuant to which FBMS or any of its Subsidiaries has sold Loans or pools of Loans or participations in Loans or pools of Loans contains any obligation to repurchase such Loans or interests therein solely on account of a payment default by the obligor on any such Loan.

(g) Neither FBMS nor any of its Subsidiaries is now nor has it ever been since January 1, 2014, subject to any fine, suspension, settlement or other contract or other administrative agreement or sanction by, or any reduction in any loan purchase commitment from, any Governmental Authority relating to the origination, sale or servicing of mortgage or consumer Loans.

SWBS agrees that it shall keep FBMS informed, on a reasonably current basis, of the status and terms of any such proposal, offer, information request, negotiations or discussions (including any amendments or modifications to such proposal, offer or request).

(d) Neither the board of directors of SWBS nor any committee thereof shall (i) withdraw, qualify, amend or modify, or propose to withdraw, qualify, amend or modify, in a manner adverse to FBMS in connection with the transactions contemplated by this Agreement (including the Merger), the SWBS Recommendation, fail to reaffirm the SWBS Recommendation within three (3) Business Days following a request by FBMS, or make any statement, filing or release, in connection with the SWBS Meeting or otherwise, inconsistent with the SWBS Recommendation (it being understood that taking a neutral position or no position with respect to an Acquisition Proposal shall be considered an adverse modification of the SWBS Recommendation); (ii) approve or recommend, or propose to approve or recommend, any Acquisition Proposal; or (iii) enter into (or cause SWBS or any of its Subsidiaries to enter into) any letter of intent, agreement in principle, acquisition agreement or other agreement (A) related to any Acquisition Transaction (other than a confidentiality agreement entered into in accordance with the provisions of Section 5.09(b)) or (B) requiring SWBS to abandon, terminate or fail to consummate the Merger or any other transaction contemplated by this Agreement.

(e) Notwithstanding Section 5.09(d), prior to the date of the SWBS Meeting, the board of directors of SWBS may withdraw, qualify, amend or modify the SWBS Recommendation (a “**SWBS Subsequent Determination**”) after the fifth (5th) Business Day following FBMS’s receipt of a notice (the “**Notice of Superior Proposal**”) from SWBS advising FBMS that the board of directors of SWBS has decided that a bona fide unsolicited written Acquisition Proposal that it received (that did not result from a breach of Section 5.09(a)) constitutes a Superior Proposal if, but only if, (i) the board of directors of SWBS has determined in good faith, after consultation with and having considered the advice of outside legal counsel and its financial advisor, that it is reasonably necessary to take such actions to comply with its fiduciary duties to SWBS’s shareholders under applicable Law, (ii) during the five (5) Business Day period after receipt of the Notice of Superior Proposal by FBMS (the “**Notice Period**”), SWBS and the board of directors of SWBS shall have cooperated and negotiated in good faith with FBMS to make such adjustments, modifications or amendments to the terms and conditions of this Agreement as would enable SWBS to proceed with the SWBS Recommendation without a SWBS Subsequent Determination; *provided, however*, that FBMS shall not have any obligation to propose any adjustments, modifications or amendments to the terms and conditions of this Agreement and (iii) at the end of the Notice Period, after taking into account any such adjusted, modified or amended terms as may have been proposed by FBMS since its receipt of such Notice of Superior Proposal, the board of directors of SWBS has again in good faith made the determination (A) in clause (i) of this Section 5.09(e) and (B) that such Acquisition Proposal constitutes a Superior Proposal. In the event of any material revisions to the Superior Proposal, SWBS shall be required to deliver a new Notice of Superior Proposal to FBMS and again comply with the requirements of this Section 5.09(e), except that the Notice Period shall be reduced to three (3) Business Days.

(f) Notwithstanding any SWBS Subsequent Determination, this Agreement shall be submitted to SWBS’s shareholders at the SWBS Meeting for the purpose of voting on the approval of this Agreement and the transactions contemplated hereby (including the Merger) and nothing contained herein shall be deemed to relieve SWBS of such obligation; *provided, however*, that if the board of directors of SWBS shall have made a SWBS Subsequent Determination with respect to a Superior Proposal, then the board of directors of SWBS may recommend approval of such Superior Proposal by the shareholders of SWBS and may submit this Agreement to SWBS’s shareholders without recommendation, in which event the board of directors of SWBS shall communicate the basis for its recommendation of such Superior Proposal and the basis for its lack of a recommendation with respect to this Agreement and the transactions contemplated hereby to SWBS’s shareholders in the Proxy Statement-Prospectus or an appropriate amendment or supplement thereto.

(g) Nothing contained in this Section 5.09 shall prohibit SWBS or the board of directors of SWBS from complying with SWBS’s obligations required under Rule 14e-2(a) promulgated under the Exchange Act; *provided, however*, that any such disclosure relating to an Acquisition Proposal (other than a “stop, look and listen” or similar communication of the type contemplated by Rule 14d-9(f) under the Exchange Act) shall be deemed a change in the SWBS Recommendation unless the board of directors of SWBS reaffirms the SWBS Recommendation in such disclosure.

Section 5.10 Indemnification.

(a) For a period of six (6) years from and after the Effective Time, and in any event subject to the provisions of Section 5.10(b)(iv), FBMS shall indemnify and hold harmless the present and former directors and officers of SWBS and its Subsidiaries (the “*Indemnified Parties*”), against all costs or expenses (including reasonable attorney’s fees), judgments, fines, losses, claims, damages, or liabilities incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative arising out of actions or omissions of such persons in the course of performing their duties for SWBS or such Subsidiary occurring at or before the Effective Time (including the transactions contemplated by this Agreement) (each a “*Claim*”), to the same extent as such persons have the right to be indemnified pursuant to the Indemnification Agreements set forth in SWBS Disclosure Schedule 5.10 or, if not subject to such an agreement, to the fullest extent permitted by applicable Law.

(b) Any Indemnified Party wishing to claim indemnification under this Section 5.10 shall promptly notify FBMS upon learning of any Claim, *provided that*, failure to so notify shall not affect the obligation of FBMS under this Section 5.10, unless, and only to the extent that, FBMS is materially prejudiced in the defense of such Claim as a consequence. In the event of any such Claim (whether asserted or claimed prior to, at or after the Effective Time), (i) FBMS shall have the right to assume the defense thereof and FBMS shall not be liable to such Indemnified Parties for any legal expenses or other counsel or any other expenses subsequently incurred by such Indemnified Parties in connection with the defense thereof, (ii) the Indemnified Parties will cooperate in the defense of any such matter, (iii) FBMS shall not be liable for any settlement effected without its prior written consent and (iv) FBMS shall have no obligation hereunder to any Indemnified Party if such indemnification would be in violation of any applicable federal or state banking Laws or regulations, or in the event that a federal or state banking agency or a court of competent jurisdiction shall determine that indemnification of an Indemnified Party in the manner contemplated hereby is prohibited by applicable Laws and regulations, whether or not related to banking Laws.

(c) For a period of six (6) years following the Effective Time, FBMS will provide director’s and officer’s liability insurance (herein, “*D&O Insurance*”) that serves to reimburse the present and former officers and directors of SWBS or its Subsidiaries (determined as of the Effective Time) with respect to claims against such directors and officers arising from facts or events occurring before the Effective Time (including the transactions contemplated hereby), which insurance will contain at least the same coverage and amounts, and contain terms and conditions no less advantageous to the Indemnified Party, as that coverage currently provided by SWBS; *provided that*, if FBMS is unable to maintain the insurance called for by this Section 5.10, FBMS will provide as much comparable insurance as is reasonably available; and *provided, further*, that officers and directors of SWBS or its Subsidiaries may be required to make application and provide customary representations and warranties to the carrier of the D&O Insurance for the purpose of obtaining such insurance.

(d) If FBMS or any of its successors and assigns (i) shall consolidate with or merge into any other corporation or entity and shall not be the continuing or surviving corporation or entity of such consolidation or merger, or (ii) shall transfer all or substantially all of its property and assets to any individual, corporation or other entity, then, in each such case, proper provision shall be made so that the successors and assigns of FBMS and its Subsidiaries shall assume the obligations set forth in this Section 5.10.

Section 5.11 Employees; Benefit Plans.

(a) Following the Effective Time, FBMS shall maintain or cause to be maintained employee benefit plans and compensation opportunities for the benefit of employees who are full time employees of SWBS or any of its Subsidiaries on the Closing Date (“**Covered Employees**”) that provide employee benefits and compensation opportunities which, in the aggregate, are substantially comparable to the employee benefits and compensation opportunities that are made available on a uniform and non-discriminatory basis to similarly situated employees of FBMS or its Subsidiaries, as applicable; *provided, however*, that in no event shall any Covered Employee be eligible to participate in any closed or frozen plan of FBMS or its Subsidiaries. FBMS shall give the Covered Employees full credit for their prior service with SWBS and its Subsidiaries (i) for purposes of eligibility (including initial participation and eligibility for current benefits) and vesting under any qualified or non-qualified employee benefit plan maintained by FBMS and in which Covered Employees may be eligible to participate and (ii) for all purposes under any welfare benefit plans, vacation plans, severance plans and similar arrangements maintained by FBMS.

(b) With respect to any employee benefit plan of FBMS that is a health, dental, vision or other welfare plan in which any Covered Employee is eligible to participate, for the plan year in which such Covered Employee is first eligible to participate, FBMS or its applicable Subsidiary shall use its commercially reasonable efforts to (i) cause any pre-existing condition limitations or eligibility waiting periods under such FBMS or Subsidiary plan to be waived with respect to such Covered Employee and his or her covered dependents to the extent such condition was or would have been covered under the SWBS Benefit Plan in which such Covered Employee participated immediately prior to the Effective Time, and (ii) recognize any health, dental, vision or other welfare expenses incurred by such Covered Employee and his or her covered dependents in the year that includes the Closing Date (or, if later, the year in which such Covered Employee is first eligible to participate) for purposes of any applicable copayment, deductibles and annual out-of-pocket expense requirements under any such health, dental, vision or other welfare plan.

(c) Prior to the Effective Time, SWBS shall take, and shall cause its Subsidiaries to take, all actions requested by FBMS that may be necessary or appropriate to, conditioned on the occurrence of the Effective Time, (i) cause one or more SWBS Benefits Plans to terminate as of the Effective Time, or as of the date immediately preceding the Effective Time, (ii) cause benefit accruals and entitlements under any SWBS Benefit Plan to cease as of the Effective Time, or as of the date immediately preceding the Effective Time, (iii) cause the continuation on and after the Effective Time of any contract, arrangement or insurance policy relating to any SWBS Benefit Plan for such period as may be requested by FBMS, or (iv) facilitate the merger of any SWBS Benefit Plan into any employee benefit plan maintained by FBMS or an FBMS Subsidiary, provided in all cases that FBMS shall give SWBS at least five (5)

Business Days' notice of such requested actions, and provided further that in the case of any such actions not within the sole control of SWBS, SWBS shall only be requested to use its commercially reasonable efforts to complete such actions. Notwithstanding the immediately preceding sentence, the SWBS Benefit Plans listed on SWBS Disclosure Schedule 5.11(c) shall not be terminated prior to or as of the Effective Time. SWBS Disclosure Schedule 5.11(c) furthermore sets forth the estimated liabilities under such plans as of the date hereof. All resolutions, notices, or other documents issued, adopted or executed in connection with the implementation of this Section 5.11(c) shall be subject to FBMS's reasonable prior review and approval, which shall not be unreasonably withheld, conditioned or delayed.

(d) Nothing in this Section 5.11 shall be construed to limit the right of FBMS or any of its Subsidiaries (including, following the Closing Date, SWBS and its Subsidiaries) to amend or terminate any SWBS Benefit Plan or other employee benefit plan, to the extent such amendment or termination is permitted by the terms of the applicable plan, nor shall anything in this Section 5.11 be construed to require FBMS or any of its Subsidiaries (including, following the Closing Date, SWBS and its Subsidiaries) to retain the employment of any particular Covered Employee for any fixed period of time following the Closing Date, and the continued retention (or termination) by FBMS or any of its Subsidiaries of any Covered Employee subsequent to the Effective Time shall be subject in all events to FBMS's or its applicable Subsidiary's normal and customary employment procedures and practices, including customary background screening and evaluation procedures, and satisfactory employment performance.

(e) Any employee of SWBS or First Community Bank that becomes an employee of FBMS or The First at the Effective Time who is terminated within one year following the Effective Time (other than for cause, death, disability, normal retirement or voluntarily resignation) shall receive a severance payment equal to one week of base salary (up to a maximum of 12 weeks) for each year of employment, including such employee's years of employment with SWBS or First Community Bank.

Section 5.12 Notification of Certain Changes. FBMS and SWBS shall promptly advise the other Party of any change or event having, or which could reasonably be expected to have, a Material Adverse Effect or which it believes would, or which could reasonably be expected to, cause or constitute a material breach of any of its or its respective Subsidiaries' representations, warranties or covenants contained herein and each Party shall provide on a periodic basis written notice to the other Party of any matters that it becomes aware of that should be disclosed on a supplement or amendment to such Party's Disclosure Schedule; *provided*, that any failure to give notice in accordance with the foregoing shall not be deemed to constitute a violation of this Section 5.12 or the failure of any condition set forth in Section 6.01, Section 6.02 or Section 6.03 to be satisfied, or otherwise constitute a breach of this Agreement by the party failing to give such notice, in each case unless the underlying breach would independently result in a failure of the conditions set forth in Section 6.01, Section 6.02 or Section 6.03 to be satisfied.

Section 5.13 Transition: Informational Systems Conversion. From and after the date hereof, FBMS and SWBS will use their commercially reasonable efforts to facilitate the integration of SWBS with the business of FBMS following consummation of the transactions contemplated hereby, and shall meet on a regular basis to discuss and plan for the conversion of the data processing and related electronic informational systems of SWBS and each of its Subsidiaries (the “*Informational Systems Conversion*”) to those used by FBMS, which planning shall include, but not be limited to, (a) discussion of third-party service provider arrangements of SWBS and each of its Subsidiaries; (b) non-renewal or changeover, after the Effective Time, of personal property leases and software licenses used by SWBS and each of its Subsidiaries in connection with the systems operations; (c) retention of outside consultants and additional employees to assist with the conversion; (d) outsourcing, as appropriate after the Effective Time, of proprietary or self-provided system services; and (e) any other actions necessary and appropriate to facilitate the conversion, as soon as practicable following the Effective Time. FBMS shall promptly reimburse SWBS on request for any reasonable and documented out-of-pocket fees, expenses or charges that SWBS may incur as a result of taking, at the request of FBMS, any action prior to the Effective Time to facilitate the Informational Systems Conversion.

Section 5.14 No Control of Other Party’s Business. Nothing contained in this Agreement shall give FBMS, directly or indirectly, the right to control or direct the operations of SWBS or its Subsidiaries prior to the Effective Time, and nothing contained in this Agreement shall give SWBS, directly or indirectly, the right to control or direct the operations of FBMS or its Subsidiaries prior to the Effective Time. Prior to the Effective Time, each of SWBS and FBMS shall exercise, consistent with the terms and conditions of this Agreement, control and supervision over its and its Subsidiaries’ respective operations.

Section 5.15 Certain Litigation. Each Party shall promptly advise the other Party orally and in writing of any actual or threatened shareholder litigation against such Party and/or the members of the board of directors of SWBS or the board of directors of FBMS related to this Agreement or the Merger and the other transactions contemplated by this Agreement. SWBS shall: (i) permit FBMS to review and discuss in advance, and consider in good faith the views of FBMS in connection with, any proposed written or oral response to such shareholder litigation; (ii) furnish FBMS’s outside legal counsel with all non-privileged information and documents which outside counsel may reasonably request in connection with such shareholder litigation; (iii) consult with FBMS regarding the defense or settlement of any such shareholder litigation, shall give due consideration to FBMS’s advice with respect to such shareholder litigation and shall not settle any such litigation prior to such consultation and consideration; *provided, however*, that SWBS shall not settle any such shareholder litigation if such settlement requires the payment of money damages, without the written consent of FBMS (such consent not to be unreasonably withheld, conditioned or delayed) unless the payment of any such damages by SWBS is reasonably expected by SWBS, following consultation with outside counsel, to be fully covered (disregarding any deductible to be paid by SWBS) under SWBS’s existing director and officer insurance policies, including any tail policy.

Section 5.16 Director Resignations. SWBS will use commercially reasonable efforts to cause to be delivered to FBMS resignations of all the directors of SWBS and its Subsidiaries, such resignations to be effective as of the Effective Time.

Section 5.17 Non-Competition and Non-Disclosure Agreement. Concurrently with the execution and delivery of this Agreement and effective upon Closing, SWBS has caused each director of SWBS and First Community Bank to execute and deliver the Non-Competition and Non-Disclosure Agreement in the forms attached hereto as Exhibit C (with respect to William E. Blackmon, Bill Granade, Fred K. Granade, and Stanley Moore) and Exhibit D (with respect to Lindsey C. Boney III, Paul Bullington, Marietta Urquhart, Carl Craig, Susan Turner, and James Massey) (collectively, the “*Director Restrictive Covenant Agreements*”).

Section 5.18 Claims Letters. Concurrently with the execution and delivery of this Agreement and effective upon the Closing, SWBS has caused each director of SWBS and First Community Bank to execute and deliver the Claims Letter in the form attached hereto as Exhibit E.

Section 5.19 Coordination.

(a) Prior to the Effective Time, subject to applicable Laws, SWBS and its Subsidiaries shall take any actions FBMS may reasonably request from time to time to better prepare the parties for integration of the operations of SWBS and its Subsidiaries with FBMS and its Subsidiaries, respectively. Without limiting the foregoing, senior officers of SWBS and FBMS shall meet from time to time as FBMS may reasonably request, and in any event not less frequently than monthly, to review the financial and operational affairs of SWBS and its Subsidiaries, and SWBS shall give due consideration to FBMS's input on such matters, with the understanding that, notwithstanding any other provision contained in this Agreement, neither FBMS nor The First shall under any circumstance be permitted to exercise control of SWBS or any of its Subsidiaries prior to the Effective Time. SWBS shall permit representatives of The First to be onsite at SWBS to facilitate integration of operations and assist with any other coordination efforts as necessary.

(b) Prior to the Effective Time, subject to applicable Laws, SWBS and its Subsidiaries shall take any actions FBMS may reasonably request in connection with negotiating any amendments, modifications or terminations of any Leases or SWBS Material Contracts that FBMS may request, including, but not limited to, actions necessary to cause any such amendments, modifications or terminations to become effective immediately prior to, or immediately upon, the Closing, and shall cooperate with FBMS and will use its commercially reasonable efforts to negotiate specific provisions that may be requested by FBMS in connection with any such amendment, modification or termination.

(c) From and after the date hereof, subject to applicable Laws, the parties shall reasonably cooperate with the other in preparing for the prompt conversion or consolidation of systems and business operations promptly after the Effective Time (including by entering into customary confidentiality, non-disclosure and similar agreements with the other party and appropriate service providers) and SWBS shall, upon FBMS's reasonable request, introduce FBMS and its representatives to suppliers of SWBS and its Subsidiaries for the purpose of facilitating the integration of SWBS and its business into that of FBMS. In addition, after satisfaction of the conditions set forth in Section 6.01(a) and Section 6.01(b), subject to applicable Laws, SWB shall, upon FBMS's reasonable request, introduce FBMS and its representatives to customers of SWB and its Subsidiaries for the purpose of facilitating the integration of SWB and its business into that of FBMS. Any interaction between FBMS and SWBS's and any of its Subsidiaries' customers and suppliers shall be coordinated by SWBS. SWBS shall have the right to participate in any discussions between FBMS and SWBS's customers and suppliers.

(d) FBMS and SWBS agree to take all action necessary and appropriate to cause First Community Bank to merge with The First in accordance with applicable Laws and the terms of the Plan of Bank Merger immediately following the Effective Time or as promptly as practicable thereafter.

Section 5.20 Transactional Expenses. SWBS has provided in SWBS Disclosure Schedule 3.35 a reasonable good faith estimate of costs and fees that SWBS and its Subsidiaries expect to pay to retained representatives in connection with the transactions contemplated by this Agreement (collectively, “**SWBS Expenses**”). SWBS shall use its commercially reasonable efforts to cause the aggregate amount of all SWBS Expenses to not exceed the total expenses disclosed in SWBS Disclosure Schedule 3.35. SWBS shall promptly notify FBMS if or when it determines that it expects to exceed its budget for SWBS Expenses. Notwithstanding anything to the contrary in this Section 5.20, SWBS shall not incur any investment banking, brokerage, finders or other similar financial advisory fees in connection with the transactions contemplated by this Agreement other than those expressly set forth in SWBS Disclosure Schedule 3.35.

Section 5.21 Confidentiality. Prior to the execution of this Agreement and prior to the consummation of the Merger, subject to applicable Laws, each of FBMS and SWBS, and their respective Subsidiaries, affiliates, officers, directors, agents, employees, consultants and advisors have provided, and will continue to provide one another with information which may be deemed by the party providing the information to be non-public, proprietary and/or confidential, including, but not limited to, trade secrets of the disclosing party. Each Party agrees that it will, and will cause its representatives to, hold any information obtained pursuant to this Article V in accordance with the terms of the confidentiality and non-disclosure agreement, dated as of April 14, 2017 between FBMS and SWBS.

Section 5.22 Tax Matters.

(a) The Parties intend that the Merger and the Bank Merger shall each qualify as a “reorganization” within the meaning of Section 368(a) of the Code and that this Agreement constitute a “plan of reorganization” within the meaning of Section 1.368-2(g) of the Regulations. Except as expressly contemplated or permitted by this Agreement, from and after the date of this Agreement, each of FBMS and SWBS shall use their respective reasonable best efforts to cause each of the Merger and the Bank Merger to qualify as a reorganization within the meaning of Section 368(a) of the Code, and will not take any action, cause any action to be taken, fail to take any action or cause any action to fail to be taken which action or failure to act is intended or is reasonably likely to prevent either the Merger or the Bank Merger from qualifying as a reorganization within the meaning of Section 368(a) of the Code.

(b) FBMS will prepare or caused to be prepared and timely file or cause to be timely filed all Tax returns for SWBS and its Subsidiaries for all periods ending before the Effective Time which are filed after the Effective Time; but such Tax returns will be subject to the review and approval of one or more representatives of SWBS’s shareholders to be appointed by SWBS’s Board of Directors prior to the Effective Time. FBMS agrees to engage Mauldin and

Jenkins, LLP to prepare such Tax returns.

Section 5.23 Board Representation. FBMS agrees to consider appointing a representative proposed by SWBS and mutually agreed upon by SWBS and FBMS to the Board of Directors of The First (the “**Bank Board**”) after the Effective Time. Notwithstanding anything to the contrary in this Agreement, the Parties acknowledge and agree that in no event will FBMS or The First be required by the terms of this Agreement to appoint any director to the Bank Board.

Section 5.24 Termination and Conversion Costs. SWBS shall contact the counterparty to each of the agreements set forth on Schedule 8.01 prior to the Closing Date and obtain a written statement from such Person setting forth the amount of any fees that would be payable by FBMS (as successor to SWBS) to (a) terminate each such agreement following the Closing (the “**Termination Costs**”) and (b) to convert the services contemplated thereby to FBMS’s preferred vendors (the “**Conversion Costs**”). The Termination Costs, as determined in accordance with this Section 5.24, shall be used to calculate the SWBS Transaction Expenses.

Article VI

CONDITIONS TO CONSUMMATION OF THE MERGER

Section 6.01 Conditions to Obligations of the Parties to Effect the Merger. The respective obligations of the Parties to consummate the Merger are subject to the fulfillment or, to the extent permitted by applicable Law, written waiver by the Parties prior to the Closing Date of each of the following conditions:

- (a) Shareholder Vote. This Agreement and the transactions contemplated hereby, as applicable, shall have received the Requisite SWBS Shareholder Approval at the SWBS Meeting.

- (b) Regulatory Approvals; No Burdensome Condition. All Regulatory Approvals required to consummate the Merger and the Bank Merger in the manner contemplated herein shall have been obtained and shall remain in full force and effect and all statutory waiting periods in respect thereof, if any, shall have expired or been terminated, and no such Regulatory Approval includes or contains, or shall have resulted in the imposition of, any Burdensome Condition.

- (c) No Injunctions or Restraints; Illegality. No judgment, order, injunction or decree issued by any court or agency of competent jurisdiction or other legal restraint or prohibition preventing the consummation of any of the transactions contemplated hereby shall be in effect. No statute, rule, regulation, order, injunction or decree shall have been enacted,

entered, promulgated or enforced by any Governmental Authority that prohibits or makes illegal the consummation of any of the transactions contemplated hereby.

(d) Effective Registration Statement. The Registration Statement shall have become effective and no stop order suspending the effectiveness of the Registration Statement shall have been issued and no proceedings for that purpose shall have been initiated or threatened by the SEC or any other Governmental Authority.

(e) Tax Opinions Relating to the Merger. FBMS and SWBS, respectively, shall have received opinions from Alston & Bird LLP and Jones Walker LLP, respectively, each dated as of the Closing Date, in substance and form reasonably satisfactory to FBMS and SWBS, respectively, to the effect that, on the basis of the facts, representations and assumptions set forth in such opinion, the Merger will be treated for federal income tax purposes as a “reorganization” within the meaning of Section 368(a) of the Code. In rendering their opinions, Alston & Bird LLP and Jones Walker LLP may require and rely upon representations as to certain factual matters contained in certificates of officers of each of FBMS and SWBS, in form and substance reasonably acceptable to such counsel.

Section 6.02 Conditions to Obligations of SWBS. The obligations of SWBS to consummate the Merger also are subject to the fulfillment or written waiver by SWBS prior to the Closing Date of each of the following conditions:

(a) Representations and Warranties. The representations and warranties of FBMS (i) set forth in Section 4.09 shall be true and correct in all respects as of the date of this Agreement and as of the Closing Date with the same effect as though made as of the Closing Date, (ii) Section 4.01, Section 4.02, Section 4.03, Section 4.04, Section 4.08, and Section 4.12 shall be true and correct in all material respects as of the date of this Agreement and as of the Closing Date with the same effect as though made as of the Closing Date (except to the extent expressly made as of an earlier date, in which case as of such date) and (iii) set forth in this Agreement, other than those sections specifically identified in clauses (i) or (ii) of this Section 6.02(a), shall be true and correct (disregarding all qualifications or limitations as to “materiality”, “Material Adverse Effect” and words of similar import set forth therein) as of the date of this Agreement and as of the Closing Date with the same effect as though made as of the Closing Date (except to the extent expressly made as of an earlier date, in which case as of such date), except, in the case of this clause (iii), where the failure to be true and correct would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect with respect to FBMS. SWBS shall have received a certificate signed on behalf of FBMS by the Chief Executive Officer or the Chief Financial Officer of FBMS to the foregoing effect.

(b) Performance of Obligations of FBMS. FBMS shall have performed and complied with all of its obligations under this Agreement in all material respects at or prior to the Closing Date, and SWBS shall have received a certificate, dated the Closing Date, signed on behalf of FBMS by its Chief Executive Officer and the Chief Financial Officer to such effect.

(c) No Material Adverse Effect. Since the date of this Agreement (i) no change or event has occurred which has resulted in FBMS or The First being subject to a Material Adverse Effect and (ii) no condition, event, fact, circumstance or other occurrence has occurred that may reasonably be expected to have or result in such parties being subject to a Material Adverse Effect.

Section 6.03 Conditions to Obligations of FBMS. The obligations of FBMS to consummate the Merger also are subject to the fulfillment or written waiver by FBMS prior to the Closing Date of each of the following conditions:

- (a) Representations and Warranties. The representations and warranties of SWBS (i) set forth in Section 3.02(a) and Section 3.09(b) shall be true and correct in all respects (with respect to Section 3.02(a), other than de minimis inaccuracies, it being agreed that for purposes of Section 3.02(a), any inaccuracy in which the applicable amounts as of a date of determination exceed the amounts set forth in Section 3.02(a) by no more than 1% shall be deemed de minimis) as of the date of this Agreement and as of the Closing Date as though made as of the Closing Date, (ii) the first sentence of Section 3.01, Section 3.04(a), Section 3.05, Section 3.14 and Section 3.34 shall be true and correct in all material respects as of the date of this Agreement and as of the Closing Date with the same effect as though made as of the Closing Date (except to the extent expressly made as of an earlier date, in which case as of such date) and (iii) set forth in this Agreement, other than those sections specifically identified in clauses (i) or (ii) of this Section 6.03(a), shall be true and correct (disregarding all qualifications or limitations as to “materiality”, “Material Adverse Effect” and words of similar import set forth therein) as of the date of this Agreement and as of the Closing Date with the same effect as though made as of the Closing Date (except to the extent expressly made as of an earlier date, in which case as of such date), except, in the case of this clause (iii), where the failure to be true and correct would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect with respect to SWBS. FBMS shall have received a certificate signed on behalf of SWBS by the Chief Executive Officer or the Chief Financial Officer of SWBS to the foregoing effect.
- (b) Performance of Obligations of SWBS. SWBS shall have performed and complied with all of its obligations under this Agreement in all material respects at or prior to the Closing Date, and FBMS shall have received a certificate, dated the Closing Date, signed on behalf of SWBS by SWBS’s Chief Executive Officer and Chief Financial Officer, to such effect.
- (c) No Material Adverse Effect. Since the date of this Agreement (i) no change or event has occurred which has resulted in SWBS or any of its Subsidiaries being subject to a Material Adverse Effect and (ii) no condition, event, fact, circumstance or other occurrence has occurred that may reasonably be expected to have or result in such parties being subject to a Material Adverse Effect.
- (d) Plan of Bank Merger. Except as otherwise contemplated by Section 1.03, the Plan of Bank Merger shall have been executed and delivered.
- (e) Dissenting Shares. Dissenting Shares shall be less than five percent (5%) of the issued and outstanding shares of SWBS Common Stock.

(f) Certification of Non-USRPI Status. FBMS shall have received from SWBS, under penalties of perjury, a certificate conforming to the requirements of Regulations Sections 1.897-2(h) and 1.1445-2(c)(3) and otherwise reasonably acceptable to FBMS, dated as of the Closing Date, certifying that no interest in SWBS is a United States real property interest as defined in Section 897(c) of the Code.

(g) Adjusted Minimum Tangible Common Equity. The Adjusted Tangible Common Equity of SWBS shall be no less than \$32 million.

Section 6.04 Frustration of Closing Conditions. Neither FBMS nor SWBS may rely on the failure of any condition set forth in Section 6.01, Section 6.02 or Section 6.03, as the case may be, to be satisfied if such failure was caused by such Party's failure to use its reasonable best efforts to consummate any of the transactions contemplated hereby, as required by and subject to Section 5.03.

Article VII

TERMINATION

Section 7.01 Termination. This Agreement may be terminated, and the transactions contemplated hereby may be abandoned:

(a) Mutual Consent. At any time prior to the Effective Time, by the mutual consent, in writing, of FBMS and SWBS if the board of directors of FBMS and the board of directors of SWBS each so determines by vote of a majority of the members of its entire board.

(b) No Regulatory Approval. By FBMS or SWBS, if either of their respective boards of directors so determines by a vote of a majority of the members of its entire board, in the event any Regulatory Approval required for consummation of the transactions contemplated by this Agreement shall have been denied by final, non-appealable action by such Governmental Authority or an application therefor shall have been permanently withdrawn at the request of a Governmental Authority.

(c) No Shareholder Approval. (d) Breach of Representations and Warranties. By either FBMS or SWBS (provided that the terminating party is not then in material breach of any representation, warranty, covenant or other agreement contained herein in a manner that would entitle the other party to not consummate this Agreement) if there shall have been (i) with respect to

representations and warranties set forth in this Agreement that are not qualified by the term “material” or do not contain terms such as “Material Adverse Effect,” a material breach of any of such representations or warranties by the other party and (ii) with respect to representations and warranties set forth in this Agreement that are qualified by the term “material” or contain terms such as “Material Adverse Effect,” any breach of any of such representations or warranties by the other Party; which breach is not cured prior to the earlier of (y) thirty (30) days following written notice to the Party committing such breach from the other Party or (z) two (2) Business Days prior to the Expiration Date, or which breach, by its nature, cannot be cured prior to the Closing.

(f) Delay. By either FBMS or SWBS if the Merger shall not have been consummated on or before February 20, 2018, *provided, however*, that such date will be automatically extended to April 21, 2018, if the only outstanding condition to Closing under Article VI is the receipt of all Regulatory Approvals (the "**Expiration Date**"), unless the failure of the Closing to occur by such date shall be due to a material breach of this Agreement by the Party seeking to terminate this Agreement.

(g) Failure to Recommend; Etc. In addition to and not in limitation of FBMS's termination rights under Section 7.01(e), by FBMS if (i) there have been a material breach of Section 5.09, or (ii) the board of directors of SWBS (A) withdraws, qualifies, amends, modifies or withholds the SWBS Recommendation, or makes any statement, filing or release, in connection with the SWBS Meeting or otherwise, inconsistent with the SWBS Recommendation (it being understood that taking a neutral position or no position with respect to an Acquisition Proposal shall be considered an adverse modification of the SWBS Recommendation), (B) materially breaches its obligation to call, give notice of and commence the SWBS Meeting under Section 5.04(a), (C) approves or recommends an Acquisition Proposal, (D) fails to publicly recommend against a publicly announced Acquisition Proposal within three (3) Business Days of being requested to do so by FBMS, (E) fails to publicly reconfirm the SWBS Recommendation within three (3) Business Days of being requested to do so by FBMS, or (F) resolves or otherwise determines to take, or announces an intention to take, any of the foregoing actions.

If SWBS elects to exercise its termination right pursuant to the immediately preceding sentence, it shall give prompt written notice to FBMS; provided, that such notice of election to terminate may be withdrawn at any time within the five-day period commencing on the delivery of such notice to FBMS. During this five-day period, FBMS shall have the option, but not the obligation, to increase the Merger Consideration as defined in Section 8.01 as the Walkaway Counter Offer. If FBMS elects to make the Walkaway Counter Offer, it shall give the Walkaway Counter Offer Notice (as defined in Section 8.01 hereof) to SWBS during the five-day period following receipt of the termination notice previously sent by the SWBS, whereupon such notice of termination shall be null and void and of no effect, SWBS shall no longer have the right to terminate the Agreement pursuant to this Section 7.01(h) and this Agreement shall remain in effect in accordance with its terms (except for the payment of the Merger Consideration). Any references in this Agreement to the "Merger Consideration" shall thereafter be deemed to refer to the Merger Consideration after giving effect to any adjustment set forth in the Walkaway Counter Offer Notice. (b) SWBS agrees that the agreements contained in this Section 7.02 are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, FBMS would not enter into this Agreement; accordingly, if SWBS fails promptly to pay any amounts due under this Section 7.02, SWBS shall pay interest on such amounts from the date payment of such amounts were due to the date of actual payment at the rate of interest equal to the sum of (i) the rate of interest published from time to time in The Wall Street Journal, Eastern Edition (or any successor publication thereto), designated therein as the prime rate on the date such payment was due, plus (ii) 200 basis points, together with the costs and expenses of FBMS (including reasonable legal fees and expenses) in connection with such suit.

Section 7.03 Effect of Termination. Except as set forth in Section 7.02(c), termination of this Agreement will not relieve a breaching party from liability for any breach of any covenant, agreement, representation or warranty of this Agreement (a) giving rise to such termination and (b) resulting from fraud or any willful and material breach.

No representations, warranties, agreements or covenants contained in this Agreement shall survive the Effective Time other than this Section 9.01 and any other agreements or covenants contained herein that by their express terms are to be performed after the Effective Time, including, without limitation, Section 5.10.

Section 9.02 Waiver; Amendment. Prior to the Effective Time and to the extent permitted by applicable Law, any provision of this Agreement may be (a) waived by the Party benefited by the provision, provided such waiver is in writing and signed by such Party, or (b) amended or modified at any time, by an agreement in writing among the Parties executed in the same manner as this Agreement, except that after the SWBS Meeting no amendment shall be made which by Law requires further approval by the shareholders of FBMS or SWBS without obtaining such approval. The waiver by any Party of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach.

Section 9.03 Governing Law; Jurisdiction; Waiver of Right to Trial by Jury.

(a) This Agreement shall be governed by, and interpreted and enforced in accordance with, the internal, substantive laws of the State of Mississippi, without regard for conflict of law provisions.

(b) Each Party agrees that it will bring any action or proceeding in respect of any claim arising out of or related to this Agreement or the transactions contemplated hereby exclusively in any federal or state court of competent jurisdiction located in the State of Mississippi (the “*Mississippi Courts*”), and, solely in connection with claims arising under this Agreement or the transactions that are the subject of this Agreement, (i) irrevocably submits to the exclusive jurisdiction of the Mississippi Courts, (ii) waives any objection to laying venue in any such action or proceeding in the Mississippi Courts, (iii) waives any objection that the Mississippi Courts are an inconvenient forum or do not have jurisdiction over any party and (iv) agrees that service of process upon such party in any such action or proceeding will be effective if notice is given in accordance with Section 9.05.

(c) Each Party acknowledges and agrees that any controversy which may arise under this Agreement is likely to involve complicated and difficult issues, and therefore each such Party hereby irrevocably and unconditionally waives any right such Party may have to a trial by jury in respect of any litigation directly or indirectly arising out of or relating to this Agreement, or the transactions contemplated by this Agreement. Each Party certifies and acknowledges that (i) no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce the foregoing waiver, (ii) each Party understands and has considered the implications of this waiver, (iii) each Party makes this waiver voluntarily, and (iv) each Party has been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section 9.03.

Section 9.04 Expenses. Except as otherwise provided in Section 7.02 and in this Section 9.04, each Party will bear all expenses incurred by it in connection with this Agreement and the transactions contemplated hereby, including fees and expenses of its own financial consultants, accountants and counsel. Notwithstanding the foregoing, in the event that this Agreement is terminated by either Party due to a failure to obtain any Regulatory Approval from a Governmental Authority necessary to consummate the transactions contemplated by this Agreement (provided that such failure is not primarily related to the financial or regulatory condition of SWBS) or due to failure by FBMS to satisfy any conditions contained in any such Regulatory Approval, then FBMS shall pay SWBS \$635,000 as reimbursement for its internal and external transaction-related costs and expenses. Such payment shall be made within one (1) Business Day after such termination event by wire transfer of immediately available funds to an account specified by SWBS. Nothing contained in this Agreement shall limit either Party’s rights to recover any liabilities or damages arising out of the other Party’s willful breach of any provision of this Agreement.

Section 9.05 Notices. All notices, requests and other communications hereunder to a Party, shall be in writing and shall be deemed properly given if delivered (a) personally, (b) by registered or certified mail (return receipt requested), with adequate postage prepaid thereon, (c) by properly addressed electronic mail delivery (with confirmation of delivery receipt), or (d) by reputable courier service to such Party at its address set forth below, or at such other address or addresses as such Party may specify from time to time by notice in like manner to the Parties. All notices shall be deemed effective upon delivery.

Section 9.06 Entire Understanding: No Third Party Beneficiaries. This Agreement represents the entire understanding of the Parties and thereto with reference to the transactions contemplated hereby, and this Agreement supersedes any and all other oral or written agreements heretofore made. Except for the Indemnified Parties' rights under Section 5.10, FBMS and SWBS hereby agree that their respective representations, warranties and covenants set forth herein are solely for the benefit of the other Party, in accordance with and subject to the terms of this Agreement, and this Agreement is not intended to, and does not, confer upon any Person (including any person or employees who might be affected by Section 5.11), other than the Parties, any rights or remedies hereunder, including, the right to rely upon the representations and warranties set forth herein. The representations and warranties in this Agreement are the product of negotiations between the Parties and are for the sole benefit of the Parties. Consequently, Persons other than the Parties may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

Section 9.07 Severability. In the event that any one or more provisions of this Agreement shall for any reason be held invalid, illegal or unenforceable in any respect, by any court of competent jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provisions of this Agreement and the Parties will use their commercially reasonable efforts to substitute a valid, legal and enforceable provision which, insofar as practical, implements the purposes and intents of this Agreement.

Section 9.08 Enforcement of the Agreement. The Parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the Parties shall be entitled to seek an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in any court of the United States or any state having jurisdiction without having to show or prove economic damages and without the requirement of posting a bond, this being in addition to any other remedy to which they are entitled at law or in equity.

Section 9.09 Interpretation.

(a) When a reference is made in this Agreement to sections, exhibits or schedules, such reference shall be to a section of, or exhibit or schedule to, this Agreement unless otherwise indicated. The table of contents and captions and headings contained in this Agreement are included solely for convenience of reference; if there is any conflict between a caption or heading and the text of this Agreement, the text shall control. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.”

(b) The Parties have participated jointly in the negotiation and drafting of this Agreement and the other agreements and documents contemplated herein. In the event an ambiguity or question of intent or interpretation arises under any provision of this Agreement or any other agreement or document contemplated herein, this Agreement and such other agreements or documents shall be construed as if drafted jointly by the Parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of authorizing any of the provisions of this Agreement or any other agreements or documents contemplated herein.

(c) The SWBS Disclosure Schedule and the FBMS Disclosure Schedule, as well as all other schedules and all exhibits to this Agreement, shall be deemed part of this Agreement and included in any reference to this Agreement. Any matter disclosed pursuant to any section of either Disclosure Schedule shall be deemed disclosed for purposes of any other section of Article III or Article IV, respectively, to the extent that applicability of the disclosure to such other section is reasonably apparent on the face, notwithstanding the absence of a specific cross-reference, of such disclosure. No item is required to be set forth in either Disclosure Schedule as an exception to a representation or warranty if its absence would not result in the related representation or warranty being deemed untrue or incorrect. The mere inclusion of an item in either Disclosure Schedule as an exception to a representation or warranty shall not be deemed an admission by either party that such item represents a material exception or fact, event or circumstance or that such item is reasonably likely to result in a Material Adverse Effect, or that any breach or violation of applicable Laws or any contract exists or has actually occurred. This Agreement shall not be interpreted or construed to require any person to take any action, or fail to take any action, if to do so would violate any applicable Law.

(d) Any reference contained in this Agreement to specific statutory or regulatory provisions or to any specific Governmental Authority shall include any successor statute or regulation, or successor Governmental Authority, as the case may be. Unless the context clearly indicates otherwise, the masculine, feminine, and neuter genders will be deemed to be interchangeable, and the singular includes the plural and vice versa. As used herein, (i) the term “made available” means any document or other information that was (a) provided by one party or its representatives to the other party or its representatives prior to the date hereof or (b) included in the virtual data room of a party prior to the date hereof, and (ii) the word “or” is not exclusive.

(e) Unless otherwise specified, the references to “Section” and “Article” in this Agreement are to the Sections and Article of this Agreement. When used in this Agreement, words such as “herein”, “hereinafter”, “hereof”, “hereto”, and “hereunder” refer to this Agreement as a whole, unless the context clearly requires otherwise.

Section 9.10 Assignment. No Party may assign either this Agreement or any of its rights, interests or obligations hereunder without the prior written approval of the other Party, and any purported assignment in violation of this Section 9.10 shall be void. Subject to the preceding sentence, this Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective successors and permitted assigns.

Section 9.11 Counterparts. This Agreement may be executed and delivered by facsimile or by electronic data file and in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Party, it being understood that all Parties need not sign the same counterpart. Signatures delivered by facsimile or by electronic data file shall have the same effect as originals.

FORM OF

SWBS VOTING AGREEMENT

THIS VOTING AGREEMENT (this “Agreement”) is dated as of [], 2017, by and between the undersigned holder (“Shareholder”) of common stock of Southwest Banc Shares, Inc., an Alabama corporation (“SWBS”), and The First Bancshares, Inc., a Mississippi corporation (“FBMS”). All capitalized terms used but not defined herein shall have the meanings assigned to them in the Merger Agreement (defined below).

RECITALS:

WHEREAS, concurrently with the execution of this Agreement, FBMS and SWBS are entering into an Agreement and Plan of Merger (as such agreement may be subsequently amended or modified, the “Merger Agreement”), pursuant to which (i) SWBS will merge with and into FBMS, with FBMS as the surviving entity, and (ii) First Community Bank, an Alabama-state chartered bank and wholly-owned subsidiary of SWBS (“First Community Bank”) will merge with and into The First, A National Banking Association, a national banking association and direct wholly-owned subsidiary of FBMS (“The First Bank”), with The First Bank as the surviving bank (collectively, the “Merger”), and in connection with the Merger, each outstanding share of common stock of SWBS, \$0.10 par value per share (“SWBS Common Stock”), will be converted into the right to receive the Merger Consideration and cash in lieu of fractional shares of FBMS Common Stock;

WHEREAS, Shareholder “beneficially owns” (as such term is defined in Rule 13d-3 promulgated under the Securities Exchange Act of 1934, as amended) and is entitled to dispose of (or direct the disposition of) and to vote (or direct the voting of) directly or indirectly the number of shares of SWBS Common Stock indicated on the signature page of this Agreement under the heading “Total Number of Shares of SWBS Common Stock Subject to this Agreement” (such shares, together with any additional shares of SWBS Common Stock subsequently acquired by Shareholder during the term of this Agreement, including through the exercise of any stock option or other equity award, warrant or similar instrument, being referred to collectively as the “Shares”); and

WHEREAS, it is a material inducement to the willingness of FBMS to enter into the Merger Agreement that Shareholder execute and deliver this Agreement.

AGREEMENT:

NOW, THEREFORE, in consideration of, and as a material inducement to, FBMS entering into the Merger Agreement and proceeding with the transactions contemplated thereby, and in consideration of the expenses incurred and to be incurred by FBMS in connection therewith, Shareholder and FBMS agree as follows:

Section 1. Agreement to Vote Shares. Shareholder agrees that, while this Agreement is in effect, at any meeting of shareholders of SWBS, however called, or at any adjournment thereof, or in any other circumstances in which Shareholder is entitled to vote, consent or give any other approval, except as otherwise agreed to in writing in advance by FBMS, Shareholder shall:

(a) appear at each such meeting in person or by proxy or otherwise cause the Shares to be counted as present thereat for purposes of calculating a quorum; and

(b) vote (or cause to be voted), in person or by proxy, all the Shares as to which the Shareholder has, directly or indirectly, the right to vote or direct the voting, (i) in favor of adoption and approval of the Merger Agreement and the transactions contemplated thereby (including any amendments or modifications of the terms thereof approved by the board of directors of SWBS and adopted in accordance with the terms thereof); (ii) in favor of any proposal to adjourn or postpone such meeting, if necessary, to solicit additional proxies to approve the Merger Agreement; (iii) against any action or agreement that would result in a breach of any covenant, representation or warranty or any other obligation or agreement of SWBS contained in the Merger Agreement or of Shareholder contained in this Agreement; and (iv) against any Acquisition Proposal (as defined in the Merger Agreement) or any other action, agreement or transaction that is intended, or could reasonably be expected, to impede, interfere or be inconsistent with, delay, postpone, discourage or materially and adversely affect consummation of the transactions contemplated by the Merger Agreement or this Agreement.

Shareholder further agrees not to vote or execute any written consent to rescind or amend in any manner any prior vote or written consent, as a shareholder of SWBS, to approve or adopt the Merger Agreement unless this Agreement shall have been terminated in accordance with its terms.

Section 2. No Transfers. Until the earlier of (i) the termination of this Agreement pursuant to Section 6 and (ii) receipt of the Requisite SWBS Shareholder Approval, Shareholder agrees not to, directly or indirectly, sell, transfer, pledge, assign or otherwise dispose of, or enter into any contract option, commitment or other arrangement or understanding with respect to the sale, transfer, pledge, assignment or other disposition of, any of the Shares, except the following transfers shall be permitted: (a) transfers by will or operation of Law, in which case this Agreement shall bind the transferee, (b) transfers pursuant to any pledge agreement, subject to the pledgee agreeing in writing, prior to such transfer, to be bound by the terms of this Agreement, (c) transfers in connection with estate and tax planning purposes, including transfers to relatives, trusts and charitable organizations, subject to each transferee agreeing in writing, prior to such transfer, to be bound by the terms of this Agreement, and (d) such transfers as FBMS may otherwise permit in its sole discretion. Any transfer or other disposition in violation of the terms of this Section 2 shall be null and void.

Section 3. Representations and Warranties of Shareholder. Shareholder represents and warrants to and agrees with FBMS as follows:

(a) Shareholder has all requisite capacity and authority to enter into and perform his, her or its obligations under this Agreement.

(b) This Agreement has been duly executed and delivered by Shareholder, and assuming the due authorization, execution and delivery by FBMS, constitutes the valid and legally binding obligation of Shareholder enforceable against Shareholder in accordance with its terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

(c) The execution and delivery of this Agreement by Shareholder does not, and the performance by Shareholder of his, her or its obligations hereunder and the consummation by Shareholder of the transactions contemplated hereby will not, violate or conflict with, or constitute a default under, any agreement, instrument, contract or other obligation or any order, arbitration award, judgment or decree to which Shareholder is a party or by which Shareholder is bound, or any statute, rule or regulation to which Shareholder is subject or, in the event that Shareholder is a corporation, partnership, trust or other entity, any charter, bylaw or other organizational document of Shareholder.

(d) Shareholder is the record and beneficial owner of, or is the trustee that is the record holder of, and whose beneficiaries are the beneficial owners of, and has good title to all of the Shares, and the Shares are owned free and clear of any liens, security interests, charges or other encumbrances. The Shares do not include shares over which Shareholder exercises control in a fiduciary capacity for any other person or entity that is not an Affiliate of Shareholder, and no representation by Shareholder is made with respect thereto. Shareholder has the right to vote the Shares, and none of the Shares is subject to any voting trust or other agreement, arrangement or restriction with respect to the voting of the Shares, except as contemplated by this Agreement. Shareholder does not own, of record or beneficially, any shares of capital stock of SWBS other than the Shares or any other securities convertible into or exercisable or exchangeable for such capital stock, other than any SWBS Restricted Shares.

Section 4. No Solicitation. From and after the date hereof until the termination of this Agreement pursuant to Section 6, Shareholder, in his, her or its capacity as a shareholder of SWBS, shall not, nor shall such Shareholder authorize any partner, officer, director, advisor or representative of, such Shareholder or any of his, her or its Affiliates to, directly or indirectly (and, to the extent applicable to Shareholder, such Shareholder shall use commercially reasonable efforts to prohibit any of his, her or its representatives or Affiliates to), (a) initiate, solicit, induce or knowingly encourage, or take any action to facilitate the making of, any inquiry, offer or proposal which constitutes, or could reasonably be expected to lead to, an Acquisition Proposal, (b) participate in any discussions or negotiations regarding any Acquisition Proposal or furnish, or otherwise afford access, to any person (other than FBMS) any information or data with respect to SWBS or otherwise relating to an Acquisition Proposal, (c) enter into any agreement, agreement in principle or letter of intent with respect to an Acquisition Proposal or approve or resolve to approve any Acquisition Proposal or any agreement, agreement in principle or letter of intent relating to an Acquisition Proposal, (d) solicit proxies with respect to an Acquisition Proposal (other than the Merger Agreement) or otherwise encourage or assist any party in taking or planning any action that would compete with, restrain or otherwise serve to interfere with or inhibit the timely consummation of the Merger in accordance with the terms of the Merger Agreement, or (e) initiate a shareholders' vote or action by consent of SWBS's shareholders with respect to an Acquisition Proposal.¹

¹ Acting only in capacity of shareholder is covered in Section 10.

3

Section 5. Specific Performance; Remedies; Attorneys' Fees. Shareholder acknowledges that it is a condition to the willingness of FBMS to enter into the Merger Agreement that Shareholder execute and deliver this Agreement and that it will be impossible to measure in money the damage to FBMS if Shareholder fails to comply with the obligations imposed by this Agreement and that, in the event of any such failure, FBMS will not have an adequate remedy at law or in equity. Accordingly, Shareholder agrees that injunctive relief or other equitable remedy is the appropriate remedy for any such failure and will not oppose the granting of such relief on the basis that FBMS has an adequate remedy at Law. Shareholder further agrees that Shareholder will not seek, and agrees to waive any requirement for, the securing or posting of a bond in connection with FBMS' seeking or obtaining such equitable relief. In addition, after discussing the matter with Shareholder, FBMS shall have the right to inform any third party that FBMS reasonably believes to be, or to be contemplating, participating with Shareholder or receiving from Shareholder assistance in violation of this Agreement, of the terms of this Agreement and of the rights of FBMS hereunder, and that participation by any such persons with Shareholder in activities in violation of Shareholder's agreement with FBMS set forth in this Agreement may give rise to claims by FBMS against such third party.

Section 6. Term of Agreement; Termination. The term of this Agreement shall commence on the date hereof. This Agreement may be terminated at any time prior to consummation of the transactions contemplated by the Merger Agreement by the mutual written agreement of the parties hereto, and shall be automatically terminated upon the earlier to occur of (a) the Effective Time, (b) the amendment of the Merger Agreement in any manner that materially and adversely affects any of Shareholder's rights set forth therein (including, for the avoidance of doubt, any reduction to the Merger Consideration), (c) termination of the Merger Agreement or (d) three (3) years from the date hereof. Upon such termination, no party shall have any further obligations or liabilities hereunder; *provided, however*, that such termination shall not relieve any party from liability for any breach of this Agreement prior to such termination.

Section 7. Entire Agreement. This Agreement represents the entire understanding of the parties and thereto with reference to the transactions contemplated hereby, and this Agreement supersedes any and all other oral or written agreements heretofore made.

Section 8. Modification and Waiver. No provision of this Agreement may be modified, waived or discharged unless such waiver, modification or discharge is agreed to in writing signed by each party. No waiver by either party hereto at any time of any breach by the other party hereto of, or compliance with, any condition or provision of this Agreement to be performed by such other party shall be deemed a waiver of dissimilar provisions or conditions at the same or any prior subsequent time.

Section 9. Severability. In the event that any one or more provisions of this Agreement shall for any reason be held invalid, illegal or unenforceable in any respect, by any court of competent jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provisions of this Agreement and the parties shall use their commercially reasonable efforts to substitute a valid, legal and enforceable provision which, insofar as practical, implements the purposes and intents of this Agreement.

Section 10. Capacity as Shareholder. This Agreement shall apply to Shareholder solely in his, her or its capacity as a shareholder of SWBS and it shall not apply in any manner to Shareholder in his, her or its capacity as a director of SWBS, if applicable. Nothing contained in this Agreement shall be deemed to apply to, or limit in any manner, the obligations of Shareholder to comply with his, her or its fiduciary duties as a director of SWBS, if applicable.

Section 11. Governing Law. This Agreement shall be governed by, and interpreted and enforced in accordance with, the internal, substantive laws of the State of Mississippi, without regard for conflict of law provisions.

Section 12. Jurisdiction. Any civil action, counterclaim, proceeding, or litigation arising out of or relating to this Agreement shall be brought in the courts of record of the State of Mississippi in Forrest County or the United States District Court, Southern District of Mississippi. Each party consents to the jurisdiction of such Mississippi court in any such civil action, counterclaim, proceeding, or litigation and waives any objection to the laying of venue of any such civil action, counterclaim, proceeding, or litigation in such Mississippi court. Service of any court paper may be effected on such party by mail, as provided in this letter, or in such other manner as may be provided under applicable Laws.

Section 13. WAIVER OF JURY TRIAL. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) EACH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (D) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 13.

Section 14. Waiver of Appraisal Rights; Further Assurances. To the extent permitted by applicable law, Shareholder hereby waives any rights of appraisal or rights to dissent from the Merger or demand fair value for his, her or its Shares in connection with the Merger, in each case, that Shareholder may have under applicable law. From time to time prior to the termination of this Agreement, at FBMS's request and without further consideration, Shareholder shall execute and deliver such additional documents and take all such further action as may be reasonably necessary or desirable to effect the actions and consummate the transactions contemplated by this Agreement. Shareholder further agrees not to commence or participate in, and to take all actions necessary to opt out of any class in any class action with respect to, any claim, derivative or otherwise, against FBMS, The First Bank, SWBS, First Community Bank or any of their respective successors relating to the negotiation, execution or delivery of this Agreement or the Merger Agreement or the consummation of the Merger.

Section 15. Disclosure. Shareholder hereby authorizes SWBS and FBMS to publish and disclose in any announcement or disclosure required by the Securities and Exchange Commission and in the Proxy Statement-Prospectus such Shareholder's identity and ownership of the Shares and the nature of Shareholder's obligations under this Agreement; *provided, however,* that FBMS shall provide Shareholder written drafts of any such disclosure and consider in good faith Shareholder's comments thereto.

Section 16. Counterparts. This Agreement may be executed and delivered by facsimile or by electronic data file and in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other party, it being understood that all parties need not sign the same counterpart. Signatures delivered by facsimile or by electronic data file shall have the same effect as originals.

FORM OF

NON-COMPETITION AND NON-DISCLOSURE AGREEMENT

This Non-Competition and Non-Disclosure Agreement (the “Agreement”), is dated as of [_____], 2017, by and between _____, an individual resident of the State of Alabama (“Director”), and The First Bancshares, Inc., a Mississippi corporation (“FBMS”). All capitalized terms used but not defined herein shall have the meanings assigned to them in the Merger Agreement (defined below).

RECITALS:

WHEREAS, concurrently with the execution of this Agreement, FBMS and Southwest Banc Shares, Inc., an Alabama corporation (“SWBS”), are entering into an Agreement and Plan of Merger (as such agreement may be subsequently amended or modified, the “Merger Agreement”), pursuant to which (i) SWBS will merge with and into FBMS, with FBMS as the surviving entity, and (ii) First Community Bank, an Alabama-state chartered bank and wholly-owned subsidiary of SWBS (“First Community Bank”) will merge with and into The First, National Association, a national banking association and wholly-owned subsidiary of FBMS (“The First”), with The First as the surviving bank (collectively, the “Merger”);

WHEREAS, Director is a shareholder of SWBS and, as a result of the Merger and pursuant to the transactions contemplated by the Merger Agreement, Director is expected to receive significant consideration in exchange for the shares of SWBS Common Stock held by Director;

WHEREAS, prior to the date hereof, Director has served as a member of the Board of Directors of SWBS or First Community Bank, and, therefore, Director has knowledge of the Confidential Information and Trade Secrets (each as hereinafter defined);

WHEREAS, as a result of the Merger, FBMS will succeed to all of the Confidential Information and Trade Secrets, for which FBMS as of the Effective Time, will have paid valuable consideration and desires reasonable protection; and

WHEREAS, it is a material prerequisite to the consummation of the Merger that each director of SWBS and First Community Bank, including Director, enter into this Agreement.

AGREEMENT:

NOW, THEREFORE, in consideration of these premises and the mutual covenants and undertakings herein contained, FBMS and Director, each intending to be legally bound, covenant and agree as follows:

Section 1. Restrictive Covenants.

(a) Director acknowledges that (i) FBMS has separately bargained for the restrictive covenants in this Agreement; and (ii) the types and periods of restrictions imposed by the covenants in this Agreement are fair and reasonable to Director and such restrictions will not prevent Director from earning a livelihood.

(b) Having acknowledged the foregoing, solely in the event that the Merger is consummated, Director covenants and agrees with FBMS as follows:

(i) From and after the Effective Time, Director will not disclose or use any Confidential Information or Trade Secrets for so long as such information remains Confidential Information or a Trade Secret, as applicable, for any purpose, except for any disclosure that is required by applicable Law. In the event that Director is required by Law to disclose any Confidential Information, Director will: (A) if and to the extent permitted by such Law provide FBMS with prompt notice of such requirement prior to the disclosure so that FBMS may waive the requirements of this Agreement or seek an appropriate protective order at FBMS's sole expense; and (B) use commercially reasonable efforts to obtain assurances that any Confidential Information disclosed will be accorded confidential treatment. If, in the absence of a waiver or protective order, Director is nonetheless, in the opinion of his or her counsel, required to disclose Confidential Information, disclosure may be made only as to that portion of the Confidential Information that counsel advises Director is required to be disclosed.

(ii) Except as expressly provided on Schedule I to this Agreement, for a period beginning at the Effective Time and ending two (2) years after the Effective Time, Director will not (except on behalf of or with the prior written consent of FBMS), on Director's own behalf or in the service or on behalf of others, solicit or attempt to solicit any customer of FBMS, The First, SWBS or First Community Bank (each a "Protected Party"), including actively sought prospective customers of First Community Bank as of the Effective Time, for the purpose of providing products or services that are Competitive (as hereinafter defined) with those offered or provided by any Protected Party.

(iii) Except as expressly provided on Schedule I to this Agreement, for a period beginning at the Effective Time and ending two (2) years after the Effective Time, Director will not (except on behalf of or with the prior written consent of FBMS), either directly or indirectly, on Director's own behalf or in the service or on behalf of others, act as a director, manager, officer or employee of any business which is the same as or essentially the same as the business conducted by any Protected Party and which has an office located within the Restricted Territory.

(iv) For a period beginning at the Effective Time and ending two (2) years after the Effective Time, Director will not, on Director's own behalf or in the service or on behalf of others, solicit or recruit or attempt to solicit or recruit,

directly or by assisting others, any employee of any Protected Party, whether or not such employee is a full-time employee or a temporary employee of such Protected Party, whether or not such employment is pursuant to a written agreement and whether or not such employment is for a determined period or is at will, to cease working for such Protected Party; provided that the foregoing will not prevent the placement of any general solicitation for employment not specifically directed towards employees of any Protected Party or hiring any such person as a result thereof.

(c) For purposes of this Section 1, the following terms shall be defined as set forth below:

(i) “Competitive,” with respect to particular products or services, means products or services that are the same as or similar to the products or services of any Protected Party.

(ii) “Confidential Information” means data and information:

(A) relating to the business of SWBS and its Subsidiaries, including First Community Bank, regardless of whether the data or information constitutes a Trade Secret;

(B) disclosed to Director or of which Director became aware as a consequence of Director’s relationship with SWBS and/or First Community Bank;

(C) having value to SWBS and/or First Community Bank and, as a result of the consummation of the transactions contemplated by the Merger Agreement, FBMS and/or The First; and

(D) not generally known to competitors of SWBS or FBMS.

Confidential Information shall include Trade Secrets, methods of operation, names of customers, price lists, financial information and projections, personnel data and similar information; provided, however, that the terms “Confidential Information” and “Trade Secrets” shall not mean data or information that (x) has been disclosed to the public, except where such public disclosure has been made by Director without authorization from SWBS or FBMS, (y) has been independently developed and disclosed by others, or (z) has otherwise entered the public domain through lawful means.

(iii) “Restricted Territory” means each county in Alabama where First Community Bank operates a banking office at the Effective Time and each county contiguous to each of such counties.

(iv) “Trade Secret” means information, without regard to form, including technical or nontechnical data, a formula, a pattern, a compilation, a program, a device, a method, a technique, a drawing, a process, financial data, financial plans, product plans or a list of actual or potential customers or suppliers, that is not commonly known by or available to the public and which information:

(A) derives economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use; and

(B) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

(d) Director acknowledges that irreparable loss and injury would result to FBMS upon the breach of any of the covenants contained in this Section 1 and that damages arising out of such breach would be difficult to ascertain. Director hereby agrees that, in addition to all other remedies provided at law or in equity, FBMS may petition and obtain from a court of law or equity, without the necessity of proving actual damages and without posting any bond or other security, both temporary and permanent injunctive relief to prevent a breach by Director of any covenant contained in this Section 1, and shall be entitled to an equitable accounting of all earnings, profits and other benefits arising out of any such breach. In the event that the provisions of this Section 1 should ever be determined to exceed the time, geographic or other limitations permitted by applicable Law, then such provisions shall be modified so as to be enforceable to the maximum extent permitted by Law. If such provision(s) cannot be modified to be enforceable, the provision(s) shall be severed from this Agreement to the extent unenforceable. The remaining provisions and any partially enforceable provisions shall remain in full force and effect.

Section 2. Term; Termination. This Agreement may be terminated at any time by the written consent of the parties hereto, and this Agreement shall be automatically terminated upon the earlier of (i) termination of the Merger Agreement; (ii) two (2) years following the Effective Time or (iii) upon a Change in Control of FBMS (as defined in Schedule I). For the avoidance of doubt, the provisions of Section 1 shall only become operative upon the consummation of the Merger but, in such event, shall survive the consummation of the Merger until the earlier of (a) two (2) years after the Effective Time or (b) upon a Change in Control of FBMS. Upon termination of this Agreement, no party shall have any further obligations or liabilities hereunder, except that termination of this Agreement will not relieve a breaching party from liability for any breach of any provision of this Agreement occurring prior to the termination of this Agreement.

Section 3. Notices. All notices, requests and other communications hereunder to a party, shall be in writing and shall be deemed properly given if delivered (a) personally, (b) by registered or certified mail (return receipt requested), with adequate postage prepaid thereon, (c) by properly addressed electronic mail delivery (with confirmation of delivery receipt), or (d) by reputable courier service to such party at its address set forth below, or at such other address or addresses as such party may specify from time to time by notice in like manner to the parties hereto. All notices shall be deemed effective upon delivery.

Any civil action, counterclaim, proceeding, or litigation arising out of or relating to this Agreement shall be brought in the courts of record of the State of Mississippi in Forrest County or the United States District Court, Southern District of Mississippi. Each party consents to the jurisdiction of such Mississippi court in any such civil action, counterclaim, proceeding, or litigation and waives any objection to the laying of venue of any such civil action, counterclaim, proceeding, or litigation in such Mississippi court. Service of any court paper may be effected on such party by mail, as provided in this letter, or in such other manner as may be provided under applicable Laws.

Section 5. Modification and Waiver. No provision of this Agreement may be modified, waived or discharged unless such waiver, modification or discharge is agreed to in writing signed by Director and FBMS. No waiver by either party hereto at any time of any breach by the other party hereto of, or compliance with, any condition or provision of this Agreement to be performed by such other party shall be deemed a waiver of dissimilar provisions or conditions at the same or any prior subsequent time.

Section 6. Severability. In the event that any one or more provisions of this Agreement shall for any reason be held invalid, illegal or unenforceable in any respect, by any court of competent jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provisions of this Agreement and the parties shall use their commercially reasonable efforts to substitute a valid, legal and enforceable provision which, insofar as practical, implements the purposes and intents of this Agreement.

Section 7. Counterparts. This Agreement may be executed and delivered by facsimile or by electronic data file and in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other party, it being understood that all parties need not sign the same counterpart. Signatures delivered by facsimile or by electronic data file shall have the same effect as originals.

Section 8. Entire Agreement. This Agreement represents the entire understanding of the parties and thereto with reference to the transactions contemplated hereby, and this Agreement supersedes any and all other oral or written agreements heretofore made.

The headings in this Agreement are for convenience only and are in no way intended to describe, interpret, define or limit the scope, extent or intent of this Agreement or any of its provisions.

IN WITNESS WHEREOF, the parties hereto have executed and delivered this Agreement as of the date first written above.

WHEREAS, it is a material prerequisite to the consummation of the Merger that each director of SWBS and First Community Bank, including Director, enter into this Agreement.

AGREEMENT:

NOW, THEREFORE, in consideration of these premises and the mutual covenants and undertakings herein contained, FBMS and Director, each intending to be legally bound, covenant and agree as follows:

Section 1. Restrictive Covenants.

(e) Director acknowledges that (i) FBMS has separately bargained for the restrictive covenants in this Agreement; and (ii) the types and periods of restrictions imposed by the covenants in this Agreement are fair and reasonable to Director and such restrictions will not prevent Director from earning a livelihood.

Section 2. Release of Certain Claims.

(a) The undersigned hereby releases and forever discharges, effective upon the consummation of the Merger pursuant to the Merger Agreement, each SWBS Entity, and each of their respective directors and officers (in their capacities as such), and their respective successors and assigns, and each of them (hereinafter, individually and collectively, the “Released Parties”) of and from any and all liabilities, claims, demands, debts, accounts, covenants, agreements, obligations, costs, expenses, actions or causes of action of every nature, character or description (collectively, “Claims”), which the undersigned, solely in his or her capacity as an officer, director or employee of any SWBS Entity has or claims to have, or previously had or claimed to have, in each case as of the Effective Time, against any of the Released Parties, whether or not in law, equity or otherwise, based in whole or in part on any facts, conduct, activities, transactions, events or occurrences known or unknown, matured or unmatured, contingent or otherwise (individually a “Released Claim,” and collectively, the “Released Claims”), except for (i) compensation for services that have accrued but have not yet been paid in the ordinary course of business consistent with past practice or other contract rights relating to severance, employment, stock options and restricted stock grants which have been disclosed in writing to FBMS on or prior to the date of the Merger Agreement, and (ii) the items listed in Section 2(b) below.

(b) For avoidance of doubt, the parties acknowledge and agree that the Released Claims do not include any of the following:

(i) any Claims that the undersigned may have in any capacity other than as an officer, director or employee of any SWBS Entity, including, but not limited to, (A) Claims as a borrower under loan commitments and agreements between the undersigned and First Community Bank, (B) Claims as a depositor under any deposit account with First Community Bank, (C) Claims as the holder of any Certificate of Deposit issued by First Community Bank, (D) Claims on account of any services rendered by the undersigned in a capacity other than as an officer, director or employee of any SWBS Entity; (E) Claims in his or her capacity as a shareholder of SWBS, and (F) Claims as a holder of any check issued by any other depositor of First Community Bank;

(ii) the Claims excluded in Section 2(a)(i) above;

(iii) any Claims that the undersigned may have under the Merger Agreement;

(iv) any right to indemnification that the undersigned may have under the articles of incorporation or bylaws of any SWBS Entity, under Alabama law or the Merger Agreement; or

(v) any rights or Claims listed on Schedule I to this Agreement.

Section 3. **Forbearance.** The undersigned shall forever refrain and forebear from commencing, instituting or prosecuting any lawsuit, action, claim or proceeding before or in any court, regulatory, governmental, arbitral or other authority to collect or enforce any Released Claims which are released and discharged hereby.

Section 4. **Miscellaneous.**

(a) This letter shall be governed by, and interpreted and enforced in accordance with, the internal, substantive laws of the State of Mississippi, without regard for conflict of law provisions.

(b) This letter contains the entire agreement between the parties with respect to the Released Claims released hereby, and the release of Claims contained in this letter supersedes all prior agreements, arrangement or understandings (written or otherwise) with respect to such Released Claims and no representation or warranty, oral or written, express or implied, has been made by or relied upon by any party hereto, except as expressly contained herein or in the Merger Agreement.

(c) This letter shall be binding upon and inure to the benefit of the undersigned and the Released Parties and their respective heirs, legal representatives, successors and assigns.

(d) This letter may not be modified, amended or rescinded except by the written agreement of the undersigned and the Released Parties, it being the express understanding of the undersigned and the Released Parties that no term hereof may be waived by the action, inaction or course of delaying by or between the undersigned or the Released Parties, except in strict accordance with this paragraph, and further that the waiver of any breach of the terms of this letter shall not constitute or be construed as the waiver of any other breach of the terms hereof.

(e) The undersigned represents, warrants and covenants that the undersigned is fully aware of the undersigned's rights to discuss any and all aspects of this matter with any attorney chosen by him or her, and that the undersigned has carefully read and fully understands all the provisions of this letter, and that the undersigned is voluntarily entering into this letter.

(f) This letter shall become effective upon the consummation of the Merger, and its operation to extinguish all of the Released Claims released hereby is not dependent on or affected by the performance or non-performance of any future act by the undersigned or the Released Parties. If the Merger Agreement is terminated for any reason, this letter shall be of no force or effect.

(g) If any civil action, arbitration or other legal proceeding is brought for the enforcement of this letter, or because of an alleged dispute, breach, default or misrepresentation in connection with any provision of this letter, the successful or prevailing party or parties shall be entitled to recover reasonable attorneys' fees, court costs, sales and use taxes and all expenses even if not taxable as court costs (including, without limitation, all such fees, taxes, costs and expenses incident to arbitration, appellate, bankruptcy and post-judgment proceedings), incurred in that proceeding, in addition to any other relief to which such party or parties may be entitled. Attorneys' fees shall include, without limitation, paralegal fees, investigative fees, administrative costs, sales and use taxes and all other charges billed by the attorney to the prevailing party (including any fees and costs associated with collecting such amounts).

(h) Each party acknowledges and agrees that any controversy which may arise under this letter is likely to involve complicated and difficult issues, and therefore each such party hereby irrevocably and unconditionally waives any right such party may have to a trial by jury in respect of any litigation directly or indirectly arising out of or relating to this letter, or the transactions contemplated by this letter. Each party certifies and acknowledges that (i) no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce the foregoing waiver, (ii) each party understands and has considered the implications of this waiver, (iii) each party makes this waiver voluntarily, and (iv) each party has been induced to enter into this letter by, among other things, the mutual waivers and certifications in this Section.

(i) Any civil action, counterclaim, proceeding, or litigation arising out of or relating to this letter shall be brought in the courts of record of the State of Mississippi in Forrest County or the United States District Court, Southern District of Mississippi. Each party consents to the jurisdiction of such Mississippi court in any such civil action, counterclaim, proceeding, or litigation and waives any objection to the laying of venue of any such civil action, counterclaim, proceeding, or litigation in such Mississippi court. Service of any court paper may be effected on such party by mail, as provided in this letter, or in such other manner as may be provided under applicable laws, rules of procedure or local rules.
